PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

VisualMED Clinical Solutions Corp. (the "Company") hereby requests an extension of time to file its Quarterly Report on Form 10-QSB for the period ended December 31, 2005. The Company was unable to file its Form 10-QSB by February 14, 2006 without unreasonable effort or expense. The Company is a development stage company and has limited resources. Much of the Company's human resources has been expended to ensure that the Form 10-QSB for the period ended December 31, 2005 also responds to the comments of the Staff of the Securities and Exchange Commission regarding the Company's Form 10-KSB for the fiscal year ended June 30, 2005 and Form 10-QSB for the period ended September 30, 2005 which the Company is currently responding to. In addition, the Company's Chief Financial Officer was recently injured and hospitalized, causing further delay in the Company's filings. The Company currently anticipates that the Form 10-QSB will be filed by no later than the second calendar day following the date on which the Form 10-QSB was due.

SEC 1344 (03-05) Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.
