Item 1. DESCRIPTION OF REGISTRANT'S SECURITIES TO BE REGISTERED.

The following is a description of the Registrant's securities to be registered:

## Edgar Filing: CITY NETWORK INC - Form 8-A12B

Common Stock. We are authorized to issue 100,000,000 shares of common stock \$.001 par value per share. As of January 9, 2004, there were 25,000,000 shares of common stock issued and outstanding. All shares of common stock outstanding are validly issued, fully paid and non-assessable.

Voting Rights. Each share of common stock entitles the holder to one vote, either in person or by proxy, on any matter subject to applicable law and the Company's Articles of Incorporation. Holders of Common Stock have no cumulative voting rights. Accordingly, the holders of in excess of 50% of the aggregate number of shares of Common Stock outstanding will be able to elect all of the directors of the Company and to approve or disapprove any other matter submitted to a vote of all stockholders.

Dividend Policy. All shares of common stock are entitled to participate proportionally in dividends if our board of directors declares them out of the funds legally available and subordinate to the rights, if any, of the holders of outstanding shares of preferred stock. These dividends may be paid in cash, property or additional shares of common stock. We have not paid any dividends since our inception and presently anticipate that all earnings, if any, will be retained for development of our business. Any future dividends will be at the discretion of our board of directors and will depend upon, among other things, our future earnings, operating and financial condition, capital requirements, and other factors. Therefore, there can be no assurance that any dividends on the common stock will be paid in the future.

Miscellaneous Rights and Provisions. Holders of common stock have no preemptive or other subscription rights, conversion rights, redemption or sinking fund provisions. In the event of our dissolution, whether voluntary or involuntary, each share of common stock is entitled to share proportionally in any assets available for distribution to holders of our equity after satisfaction of all liabilities and payment of the applicable liquidation preference of any outstanding shares of preferred stock.
