Compagnie Générale de Géophysique announces a reserved issue of subordinated bonds convertible into new ordinary shares or redeemable into new shares and/or existing shares and/or in cash

Paris, 2 November 2004 Compagnie Générale de Géophysique (the **Company**) (ISIN: FR0000120164; NYSE: GGY) today launched the issue of an aggregate amount of US \$84,980,000 subordinated bonds convertible into new ordinary shares of the Company or redeemable into new shares and/or existing shares of the Company and/or in cash (the **Bonds**). The issuance of these Bonds is taking place solely outside of France and is reserved for Onex Partners LP, Onex American Holdings II LLC, Onex US Principals LP and CGG Executive Invesco, LLC¹.

A prospectus, comprising the *Document de référence* filed on 10 May 2004 with registration number D. 04-0691 and a *Note d Opération*, was produced for the purposes of admission to the *Premier Marché d Euronext Paris* of the shares to be issued upon conversion, payment of interest in shares or redemption at maturity of the bonds. The prospectus was approved by the Autorité des Marchés Financiers on 28 October 2004 with visa number 04-863.

This announcement, prepared in accordance with the applicable French regulatory provisions, restates the basic terms of the issue. Terms not defined herein are defined pursuant to the *Note d Opération*.

Use	The net proceeds of the issue and sale of the Bonds will be used in whole or part to manage maturity of the group's debt.
Aggregate nominal amount	US \$ 84,980,000
Proceeds of issue after deduction of fees and charges	US \$ 78,980,000
Number of Bonds issued	14,000

Form of Bonds	The Bonds will be issued in registered form (<i>nominatifs purs</i>).
Indicative subscription date and payment date	4 November 2004
Term	8 years starting from the Issue Date until the normal Maturity Date.
Annual Interest	<p>Each Bond will bear basic interest at a rate of 7.75% per annum, i.e. US \$ 470.42 per Bond, accruing daily and payable quarterly in arrears on the 15th day of January, April, July and October of each year beginning 15 January 2005.</p> <p>Each Bond will also bear contingent interest in an amount equal to the product of: (i) the amount of any dividend, advance on dividends or other distribution paid per share and (ii) the Conversion Ratio.</p>
Payment of interest	<p>Interest will be paid at the Company's option:</p> <ul style="list-style-type: none">(a) by the issuance or delivery of that number of Freely Tradeable Shares having a Current Market Value on the Business Day immediately prior to the date of payment equal to the amount being satisfied thereby;(b) in cash in US Dollars; or(c) in any combination of the foregoing, <p>subject to the terms and conditions specified in paragraph 2.3.5.3 of the <i>Note d Opération</i>.</p>
Actuarial return	<p>Owing to the variable nature of the remuneration, it is not possible to define the gross annual actuarial return for the term of the issue.</p> <p>If no contingent interest is paid, the gross actuarial return for the issue will be 7.75% at the payment date assuming there is no early redemption.</p>
Normal redemption	The Bonds will be redeemed in whole at par, at the price of US \$ 6,070 per Bond (i.e. 100% of the nominal value) on 4 November 2012 (or the following business day (<i>Jour de Bourse</i>) if this date is not a business day).
Early redemption at the option of the Company	<p>The Company will be able to redeem all of the Bonds for tax reasons as defined in paragraph 2.3.7.1 of the <i>Note d Opération</i> or in cases of illegality as defined in paragraph 2.3.7.2 in the <i>Note d Opération</i>.</p> <p>The Company will be entitled to redeem all or part of the Bonds at any time, without limitation on price or quantity, by means of purchases of the Bonds from their holders made with their consent and on the terms agreed to by such holders.</p>
Early redemption at the option of the bondholders	In the event of a fundamental change as defined in paragraph 2.3.9 of the <i>Note d Opération</i> , any bondholder may require that the Company repurchases any or

all of its Bonds.

In the event of default by the Company as defined in paragraph 2.3.10 of the *Note d Opération*, the representatives of the bondholders can require that all the Bonds be redeemed.

Subordination	All amounts due under the Bonds constitute subordinated, direct, unconditional and unsecured obligations of the Company as described in paragraph 2.3.13 of the <i>Note d Opération</i> .
Guarantee	Payments of interest, principal, taxes, costs and ancillary amounts and any other amounts due have not been guaranteed.
Rating	No application has been made for the Bonds to be rated.
Representation of Bondholders	In accordance with article L.228-46 of the Code de commerce, the Bondholders will be grouped together in a collective group (<i>masse</i>), which shall have legal personality. The acting representative is specified in paragraph 2.3.17 of the <i>Note d Opération</i> .
Listing	The Bonds will not be listed on a regulated or non-regulated market in or outside of France. The shares issued upon conversion, redemption at maturity or payment of Interest will be listed on the <i>Premier Marché d Euronext Paris S.A.</i>
Fiscal Agent/Calculation Agent	The centralisation of the financial services related to the issue (the payment of interest, centralisation of conversion and/or exchange demands, redemption of Bonds etc.) and the administrative services related to the Bonds, as well as the services of the Calculation Agent, shall be carried out by BNP Paribas Securities Services (as described in paragraph 2.5.1 of the <i>Note d Opération</i>).
Governing Law	The Bonds will be governed by French law.
Conversion of the Bonds into shares	The Bonds will be convertible at any time in whole or in part at the option of the Bondholder into new shares.
Conversion Ratio	100 shares of a nominal value of 2 each for each Bond.
Preferential subscription rights	It is proposed that the Company's shareholders waive their preemption rights.
Terms of repayment of the Bonds at maturity	<p>All amounts payable by the Company to the Bondholder on the Maturity Date shall be paid, at the Company's option:</p> <ul style="list-style-type: none">(a) by the issuance or delivery of that number of Freely Tradeable Shares having a Current Market Value on the Business Day immediately prior to the date of payment equal to the amount being satisfied thereby;(b) in cash in US Dollars; or(c) in any combination of the foregoing, <p>subject to the terms and conditions specified in paragraph 2.3.6.1 of the <i>Note d Opération</i>.</p>
