VORNADO OPERATING COMPANY NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

1. ORGANIZATION

Vornado Operating Company, a Delaware corporation, holds its assets and conducts its business through Vornado Operating L.P., a Delaware limited partnership ("Company L.P."). The Company is the sole general partner of, and as of September 30, 2004, owned a 90.1% partnership interest in, Company L.P. All references to the "Company" refer to Vornado Operating Company and its subsidiaries, including Company L.P. Company L.P. owns 60% of Vornado Crescent Logistics Operating Partnership ("VCLOP") which, at September 30, 2004, owned AmeriCold Logistics, LLC ("AmeriCold Logistics"). AmeriCold Logistics is the operator of a temperature-controlled logistics business.

2. BASIS OF PRESENTATION

The consolidated balance sheet as of September 30, 2004, the consolidated statements of operations for the three and nine months ended September 30, 2004 and 2003 and the consolidated statements of cash flows for the nine months ended September 30, 2004 and 2003 are unaudited. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted in accordance with Article 10 of Regulation S-X and the instructions to Form 10-Q. These consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 as filed with the Securities and Exchange Commission. The results of operations for the three and nine months ended September 30, 2004 are not necessarily indicative of the operating results for the full year.

The accompanying consolidated financial statements include the accounts of the Company and Company L.P. All significant intercompany amounts have been eliminated. On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, AmeriCold Realty Trust ("ART") for \$47,700,000 in cash (see Note 3). Prior to this transaction and as of September 30, 2004, the Company accounted for its 60%

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

indirect interest in AmeriCold Logistics under the equity method of accounting as Crescent Operating, Inc. ("COPI"), the 40% indirect owner of AmeriCold Logistics, had substantive participating rights. The investments in and advances to AmeriCold Logistics were recorded initially at cost and subsequently adjusted for the Company's share of comprehensive income or loss and cash distributions or principal repayments from AmeriCold Logistics. The interest earned on the advances to AmeriCold Logistics was recorded as a component of income or loss from AmeriCold Logistics. The Company did not record comprehensive losses in excess of the cost of its investments in and advances to AmeriCold Logistics, as the Company was not liable for the obligations of, or otherwise committed to provide additional financial support to, AmeriCold Logistics. The Company did not record its 60% share of AmeriCold Logistics' net losses for the year ended December 31, 2003 and the nine months ended September 30, 2004, as the Company's investments in and advances to AmeriCold Logistics were fully absorbed by the Company's share of the comprehensive losses of AmeriCold Logistics at December 31, 2002. In addition, the Company's cumulative share of other comprehensive losses of AmeriCold Logistics not recorded at September 30, 2004 was \$6,882,000.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

3. SALE OF AMERICOLD LOGISTICS

On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, ART, for \$47,700,000 in cash. VCLOP distributed substantially all of the sale proceeds to the Company (\$28,575,000) and COPI (\$19,050,000). The Company used \$26,760,000 of its distribution from VCLOP to repay the amount outstanding under its revolving credit agreement with Vornado Realty Trust ("Vornado"). In addition, after acquiring AmeriCold Logistics, ART repaid the secured loans payable to the Company in the amount of \$6,645,000.

The sale of AmeriCold Logistics was negotiated and approved by a Special Committee of the Company's independent directors formed to consider and negotiate the sale. The Special Committee was advised by an independent investment banker and independent legal counsel. The Board of Directors is considering alternatives

Page 6

for the Company, including liquidation and dissolution, which would have to be approved by a majority of the holders of the Company's common shares.

The Company will record a gain of approximately \$32,898,000 which is comprised of (i) the \$26,284,000 gain on the sale of AmeriCold Logistics after offsetting the share of comprehensive losses of AmeriCold Logistics not previously recorded by the Company and (ii) the \$6,614,000 gain resulting from the repayment of secured loans to AmeriCold Logistics, which had been carried at zero on the Company's accompanying consolidated balance sheet. In addition, the Company will reverse \$2,336,000 of accumulated other comprehensive losses (the recorded share of AmeriCold Logistics' other comprehensive losses).

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

The pro forma information set forth below presents the Company's (i) condensed consolidated balance sheet as of September 30, 2004 as if the transactions described above occurred on September 30, 2004 and (ii) condensed consolidated statements of operations for the nine months ended September 30, 2004 and the year ended December 31, 2003 as if the transactions described above occurred on January 1, 2003.

4. INVESTMENTS IN AND ADVANCES TO AMERICOLD LOGISTICS

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

At September 30, 2004, \$6,705,000 was outstanding under the Company's secured loans to AmeriCold Logistics (these loans were repaid on November 4, 2004, as described in Note 3). The loans were carried at zero in the accompanying consolidated balance sheets of the Company as they had been fully absorbed by the Company's share of comprehensive losses of AmeriCold Logistics. The portions of the loan payments that represented the repayment of principal during the reporting periods covered herein are reflected as income from AmeriCold Logistics as this principal was previously reduced to zero by equity in losses of AmeriCold Logistics.

AmeriCold Logistics recognized a loss of \$110,000 on the sale and also agreed to act as agent to collect the accounts receivable. The Company did not believe that any significant servicing asset or liability existed.

5. COMMITMENTS AND CONTINGENCIES

The Company is from time to time involved in legal actions arising in the ordinary course of business. In the opinion of management, after consultation with legal counsel, the outcome of such matters will not have a material effect on the Company's financial condition, results of operations or cash flows.

The limited partnership units of Company L.P. not owned by the Company (447,017 at September 30, 2004) were not dilutive in the reporting periods as the Company reported net losses.

7. REVOLVING CREDIT AGREEMENT

The Company had a \$75,000,000 unsecured revolving credit agreement with Vornado which was scheduled to expire on December 31, 2004. As described in Note 3, the Company repaid the amount outstanding under this facility on November 4, 2004 and the facility was terminated.

8. RECENTLY ISSUED ACCOUNTING STANDARDS

In January 2003, the Financial Accounting Standards Board ("FASB") issued FASB Interpretation ("FIN") No. 46, Consolidation of Variable Interest Entities, an interpretation of ARB No. 51. FIN No. 46 required the consolidation of an entity by an enterprise if (i) that enterprise, known as a "primary beneficiary," has an interest that will absorb a majority of the entity's expected losses if they occur, receive a majority of the entity's expected residual returns if they occur, or both and (ii) the entity is a variable interest entity. An entity is a variable interest entity if (a) the total equity investment at risk in the entity is not sufficient to permit the entity to finance its activities without additional subordinated financial support from other parties or (b) the equity investors do not have the characteristics of a controlling financial interest in the entity. In December 2003, FASB issued a revision to FIN No. 46 to, among other things, clarify some of the provisions of FIN No. 46. The revision allows a public entity which is a small business issuer, as defined in Regulation S-B, that has not previously applied FIN No. 46 to implement the revision no later than the end of the first interim or annual period ending after December 15, 2004. The Company meets the criteria of the small business issuer definition and has elected to implement the revision on December 31, 2004. The implementation of the revision to FIN No. 46 will not have an impact on the Company's consolidated financial statements.

Vornado Operating Company

We have reviewed the accompanying condensed consolidated balance sheet of Vornado Operating Company and subsidiaries (the "Company") as of September 30, 2004, and the related condensed consolidated statements of operations for the

three and nine month periods ended September 30, 2004 and 2003, and of cash flows for the nine month periods ended September 30, 2004 and 2003. These interim financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to such condensed consolidated interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of Vornado Operating Company and subsidiaries as of December 31, 2003, and the related consolidated statements of operations, stockholders' deficit, and cash flows for the year then ended (not presented herein); and in our report dated March 2, 2004, we expressed an unqualified opinion on those consolidated financial statements and included an explanatory paragraph concerning matters that raise substantial doubt about the Company's ability to continue as a going concern. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2003 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

OVERVIEW

Management's Discussion and Analysis of Financial Condition and Results of Operations should be read in conjunction with our Annual Report on Form 10-K (as amended by Amendment No. 1 to Form 10-K) for the year ended December 31, 2003.

The Company, a Delaware corporation, holds its assets and conducts its business through Vornado Operating L.P., a Delaware limited partnership ("Company L.P."). The Company is the sole general partner of, and as of September 30, 2004, owned a 90.1% partnership interest in, Company L.P. Company L.P. owns 60% of Vornado Crescent Logistics Operating Partnership ("VCLOP") which, at September 30, 2004, owned AmeriCold Logistics, LLC ("AmeriCold Logistics"). AmeriCold Logistics is the operator of a temperature-controlled logistics business.

SALE OF AMERICOLD LOGISTICS

On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, Americold Realty Trust ("ART"), for \$47,700,000 in cash. VCLOP distributed substantially all of the sale proceeds to the Company (\$28,575,000) and COPI (\$19,050,000). The Company used \$26,760,000 of its distribution from VCLOP to repay the amount outstanding under its revolving credit agreement with Vornado. In addition, after acquiring AmeriCold Logistics, ART repaid the secured loans payable to the Company in the amount of \$6,645,000.

The sale of AmeriCold Logistics was negotiated and approved by a Special Committee of the Company's independent directors formed to consider and negotiate the sale. The Special Committee was advised by an independent investment banker and independent legal counsel. The Board of Directors is considering alternatives for the Company, including liquidation and dissolution, which would have to be approved by a majority of the holders of the Company's common shares.

The Company will record a gain of approximately \$32,898,000 which is comprised of (i) the \$26,284,000 gain on the sale of AmeriCold Logistics after offsetting the share of comprehensive losses of AmeriCold Logistics not previously recorded by the Company and (ii) the \$6,614,000 gain resulting from the repayment of secured loans to AmeriCold Logistics, which had been carried at zero on the Company's accompanying consolidated balance sheet. In addition, the Company will reverse \$2,336,000 of accumulated other comprehensive losses (the recorded share of AmeriCold Logistics' other comprehensive losses).

CRITICAL ACCOUNTING POLICIES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. Set forth below is a summary of the accounting policies that management believes are critical to the preparation of the consolidated financial statements. The summary should be read in conjunction with the more complete discussion of the Company's significant accounting policies included in Note 3 to the consolidated financial statements included in "Item 8. Financial Statements and Supplementary Data" in the Company's Annual Report on Form 10-K for the year ended December 31, 2003. The Company's critical accounting policies have not changed during the nine months ended September 30, 2004.

Investments in and Advances to AmeriCold Logistics

The Company's 60% interest in AmeriCold Logistics, which was sold on November 4, 2004, was accounted for under the equity method of accounting as COPI, the Company's partner in AmeriCold Logistics, had substantive participating rights. The investments in and advances to AmeriCold Logistics were recorded initially at cost and subsequently adjusted for the Company's share of comprehensive income or loss and cash distributions or principal repayments from AmeriCold Logistics. The interest earned on the advances to AmeriCold Logistics was recorded as a component of income or loss from AmeriCold Logistics. The Company did not record comprehensive losses in excess of the cost of its investments in and advances to AmeriCold Logistics, as the Company was not liable for the obligations of, or otherwise committed to provide additional financial support to, AmeriCold Logistics. The Company did not record its 60% share of AmeriCold Logistics' net losses for the year ended December 31, 2003 and the nine months ended September 30, 2004 as the Company's investments in and advances to AmeriCold Logistics were fully absorbed by the Company's share of the comprehensive losses of AmeriCold Logistics at December 31, 2002.

Recently Issued Accounting Standards

In January 2003, the Financial Accounting Standards Board ("FASB") issued FASB Interpretation ("FIN") No. 46, Consolidation of Variable Interest Entities, an interpretation of ARB No. 51. FIN No. 46 required the consolidation of an entity by an enterprise if (i) that enterprise, known as a "primary beneficiary," has an interest that will absorb a majority of the entity's expected losses if they occur, receive a majority of the entity's expected residual returns if they occur, or both and (ii) the entity is a variable interest entity. An entity is a variable interest entity if (a) the total equity investment at risk in the entity is not sufficient to permit the entity to finance its activities without additional subordinated financial support from other parties or (b) the equity investors do not have the characteristics of a controlling financial interest in the entity. In December 2003, FASB issued a revision to FIN No. 46 to, among other things, clarify some of the provisions of FIN No. 46. The revision allows a public entity which is a small business issuer, as defined in Regulation S-B, that has not previously applied FIN No. 46 to implement the revision no later than the end of the first interim or annual period ending after December 15, 2004. The Company meets the criteria of the small business issuer definition and has elected to implement the revision on December 31, 2004. The implementation of the revision to FIN No. 46 will not have an impact on the Company's consolidated financial statements.

RESULTS OF OPERATIONS

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

The Company had a net loss of \$267,000 for both the three months ended September 30, 2004 and 2003, and a net loss of \$997,000 for the nine months ended September 30, 2004, compared to \$645,000 for the nine months ended September 30, 2003, an increase of \$352,000.

General and administrative expenses were \$318,000 for the three months ended September 30, 2004, compared to \$358,000 for the three months ended September 30, 2003, a decrease of \$40,000. General and administrative expenses were \$1,218,000 for the nine months ended September 30, 2004, compared to \$892,000 for the nine months ended September 30, 2003, an increase of \$326,000. The increase for the nine months ended September 30, 2004 primarily resulted from (i) higher professional fees as the Company reviews its business alternatives and (ii) higher franchise taxes. The decrease for the three months ended September 30, 2004 resulted from higher professional fees in the prior year quarter relating to the Company's evaluation of FIN No. 46 and delisting from the American Stock Exchange.

Interest and debt expense to Vornado Realty Trust was \$428,000 for the three months ended September 30, 2004, compared to \$387,000 for the three months ended September 30, 2003, an increase of \$41,000, and \$1,213,000 for the nine months ended September 30, 2004, compared to \$1,168,000 for the nine months ended September 30, 2003, an increase of \$45,000. These increases resulted from higher average balances outstanding under the Revolving Credit Agreement with Vornado in the current year periods and higher average LIBOR rates in the three months ended September 30, 2004.

Page 13

The following represents the components of the Company's income from notes receivable from AmeriCold Logistics.

The Company did not record \$13,438,000 and \$30,958,000, its 60% share of AmeriCold Logistics' net losses of \$22,397,000 and \$51,597,000, respectively, for the three and nine months ended September 30, 2004, or \$6,139,000 and \$17,390,000, its 60% share of AmeriCold Logistics' net losses of \$10,231,000 and \$28,983,000, respectively, for the three and nine months ended September 30, 2003, as the Company's investments in and advances to AmeriCold Logistics were fully absorbed by the Company's share of the comprehensive losses of AmeriCold Logistics at December 31, 2002 and as the Company was not liable for the obligations of, or otherwise committed to provide additional financial support to, AmeriCold Logistics. The decreases in interest earned on the Company's loans to AmeriCold Logistics were attributable to lower average loans outstanding in the current year periods. The Company recognized loan repayments from AmeriCold Logistics that were made during the reporting periods as income as these loans

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

were previously reduced by equity in losses of AmeriCold Logistics.

On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, ART, for \$47,700,000 in cash (see " -- Sale of AmeriCold Logistics" above). A discussion of AmeriCold Logistics' results of operations is included below. The amounts discussed below in "AmeriCold Logistics' Results of Operations for the Three and Nine Months Ended September 30, 2004 and 2003" exclude income related to the Company's loans with AmeriCold Logistics.

AmeriCold Logistics' Results of Operations for the Three and Nine Months Ended September 30, 2004 and 2003

The following is a discussion of the results of operations of AmeriCold Logistics, the Company's former investee in the temperature-controlled logistics business (see the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for a discussion of this business and see Note 4 to the unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q for condensed balance sheet and operating data of AmeriCold Logistics). The data below represents 100% of this business, in which the Company had owned a 60% interest prior to November 4, 2004. For the purpose of the discussion below, "Leased Operations" refer to operations at warehouses leased by AmeriCold Logistics and "Other Operations" refer to (i) warehouses managed by AmeriCold Logistics for the accounts of customers ("Managed Warehouses") and (ii) Transportation Management Services, which includes freight routing, dispatching, freight rate negotiation, backhaul coordination, and distribution channel assessments.

Certain prior period amounts in this discussion were reclassified to conform to the current period presentation.

Revenues were \$173,333,000 for the three months ended September 30, 2004, compared to \$163,676,000 for the three months ended September 30, 2003, an increase of \$9,657,000, and \$509,244,000 for the nine months ended September 30, 2004, compared to \$477,556,000 for the nine months ended September 30, 2003, an increase of \$31,688,000. Revenues from Leased Operations were \$112,463,000 for the three months ended September 30, 2004, compared to \$109,921,000 for the three months ended September 30, 2003, an increase of \$2,542,000, and \$319,756,000 for the nine months ended September 30, 2004, compared to \$317,508,000 for the nine months ended September 30, 2003, an increase of \$2,248,000. Revenues from Other Operations were \$60,870,000 for the three months ended September 30, 2004, compared to \$53,755,000 for the three months ended September 30, 2003, an increase of \$7,115,000, and \$189,488,000 for the nine months ended September 30, 2004, compared to \$160,048,000 for the nine months ended September 30, 2003, an increase of \$29,440,000.

The increase in revenue from Other Operations was due to new Managed Warehouse contracts that commenced after the first quarter of 2003 and additional Transportation Management Services business in 2004 from both new and existing customers.

Page 14

The gross margin for Leased Operations was \$36,989,000, or 32.9%, for the three months ended September 30, 2004, compared to \$38,603,000, or 35.1%, for the three months ended September 30, 2003, a decrease of \$1,614,000, and \$108,820,000, or 34.0%, for the nine months ended September 30, 2004, compared to \$114,819,000, or 36.2%, for the nine months ended September 30, 2003, a decrease of \$5,999,000. These decreases were attributable to (i) start up costs for existing

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

customers at new locations during the first half of this year and (ii) a change in revenue mix as higher margin storage revenues declined and lower margin handling revenues increased.

Operating loss from Other Operations was \$2,257,000 for the three months ended September 30, 2004, compared to operating income of \$4,157,000 for the three months ended September 30, 2003, a decrease of \$6,414,000, and operating income of \$4,561,000 for the nine months ended September 30, 2004, compared to \$11,843,000 for the nine months ended September 30, 2003, a decrease of \$7,282,000. These decreases were the result of (i) a \$5,062,000 change in estimate for unbilled Transportation revenue (not expected to re-occur) and (ii) lower margins for the Transportation Management Services business due to unused truck capacity and increased costs as a result of new legislation reducing the maximum hours that truck drivers are permitted to drive in a day, partially offset by (iii) increased margin from new and existing Managed Warehouse customers.

Rent expense was \$42,937,000 for the three months ended September 30, 2004, compared to \$41,190,000 for the three months ended September 30, 2003, an increase of \$1,747,000, and \$125,205,000 for the nine months ended September 30, 2004, compared to \$122,494,000 for the nine months ended September 30, 2003, an increase of \$2,711,000.

General and administrative expenses were \$8,468,000 for the three months ended September 30, 2004, compared to \$8,681,000 for the three months ended September 30, 2003, a decrease of \$213,000, and \$25,785,000 for the nine months ended September 30, 2004, compared to \$24,500,000 for the nine months ended September 30, 2003, an increase of \$1,285,000. The increase in the nine months was primarily due to higher payroll and other employment related expenses, offset by lower professional fees and travel and supplies expenses in the three months ended September 30, 2004.

Depreciation and amortization expense was \$2,598,000 for the three months ended September 30, 2004, compared to \$2,469,000 for the three months ended September 30, 2003, an increase of \$129,000, and \$8,176,000 for the nine months ended September 30, 2004, compared to \$7,327,000 for the nine months ended September 30, 2003, an increase of \$849,000. These increases were primarily attributable to depreciation on additional machinery and equipment.

Interest expense was \$1,403,000 for the three months ended September 30, 2004, compared to \$885,000 for the three months ended September 30, 2003, an increase of \$518,000, and \$3,634,000 for the nine months ended September 30, 2004, compared to \$2,539,000 for the nine months ended September 30, 2003, an increase of \$1,095,000. These increases resulted from higher average deferred rent balances, partially offset by lower average borrowings outstanding.

Other expense, net, was \$1,723,000 for the three months ended September 30, 2004, compared to other income, net, of \$234,000 for the three months ended September 30, 2003, a decrease of \$1,957,000. Other expense, net, was \$2,178,000 for the nine months ended September 30, 2004, compared to other income, net, of \$1,215,000 for the nine months ended September 30, 2003, a decrease of \$3,393,000. These decreases resulted primarily from asset write-offs associated with the cancellation of a Managed Warehouse contract in the third quarter of 2004 and taxes on earnings from AmeriCold Logistics' warehouse in Alberta, Canada during the nine months ended September 30, 2004.

LIQUIDITY AND CAPITAL RESOURCES

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

The Company had a \$75,000,000 unsecured revolving credit agreement with Vornado which was scheduled to expire on December 31, 2004. As noted above under " -- Sale of AmeriCold Logistics," the Company repaid the amount outstanding under this facility on November 4, 2004 and the facility was terminated.

On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, ART, for \$47,700,000 in cash. VCLOP distributed substantially all of the sale proceeds to the Company (\$28,575,000) and COPI (\$19,050,000). The Company used \$26,760,000 of its distribution from VCLOP to repay the amount outstanding under its revolving credit agreement with Vornado. In addition, after acquiring AmeriCold Logistics, ART repaid the secured loans payable to the Company in the amount of \$6,645,000.

The sale of AmeriCold Logistics was negotiated and approved by a Special Committee of the Company's independent directors formed to consider and negotiate the sale. The Special Committee was advised by an independent investment banker and independent legal counsel. The Board of Directors is considering alternatives

Page 15

for the Company, including liquidation and dissolution, which would have to be approved by a majority of the holders of the Company's common shares.

During the nine months ended September 30, 2004, AmeriCold Logistics exercised its right, pursuant to the terms of its leases with the Landlord, to defer the payment of rent. AmeriCold Logistics' deferred rent liability at September 30, 2004 is as follows:

- (1) This amount was included in the non-current liabilities of AmeriCold Logistics. As a result of the sale of AmeriCold Logistics discussed in " - Sale of AmeriCold Logistics," \$114,105 of this liability was forgiven and \$8,337 was assumed by ART.

On January 20, 2004, AmeriCold Logistics sold, without recourse, accounts receivable of \$6,120,000 to a joint venture (the "Quarry Company") owned by Vornado and Crescent Real Estate Equities Company, the owners of ART, for \$6,000,000 in cash. AmeriCold Logistics recognized a loss of \$120,000 on the sale. The accounts receivable have been collected in full.

On March 29, 2004, AmeriCold Logistics sold, without recourse, accounts receivable of \$4,080,000 to the Quarry Company for \$4,000,000 in cash. AmeriCold Logistics recognized a loss of \$80,000 on the sale. The accounts receivable have been collected in full.

On July 2, 2004, AmeriCold Logistics sold, without recourse, accounts receivable of \$6,120,000 to the Quarry Company for \$6,000,000 in cash. AmeriCold Logistics recognized a loss of \$120,000 on the sale. The accounts receivable have been collected in full.

On September 29, 2004, AmeriCold Logistics sold, without recourse, accounts receivable of \$5,610,000 to the Quarry Company for \$5,500,000 in cash. AmeriCold Logistics recognized a loss of \$110,000 on the sale and also agreed to act as agent to collect the accounts receivable. The Company did not believe that any significant servicing asset or liability existed.

Cash Flows for the Nine Months Ended September 30, 2004

Net cash used in operating activities of \$178,000 was comprised of (i) a net loss of \$997,000 and (ii) the recovery from repayments on loans to AmeriCold Logistics previously reduced by equity in losses of \$769,000, partially offset by (iii) the net change in operating assets and liabilities of \$1,588,000.

Cash provided by investing activities of \$769,000 resulted from repayments of loans to AmeriCold Logistics.

There were no cash flows from financing activities.

Cash Flows for the Nine Months Ended September 30, 2003

Net cash provided by operating activities of \$55,000 was comprised of (i) the net change in operating assets and liabilities of \$1,358,000, partially offset by (ii) a net loss of \$645,000 and (iii) the recovery from repayments on loans to AmeriCold Logistics previously reduced by equity in losses of \$658,000.

Cash provided by investing activities of \$658,000 resulted from repayments of loans to AmeriCold Logistics.

Page 16

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The fair value of the amount outstanding under the revolving credit facility with Vornado at September 30, 2004 was approximately \$22,243,000. The fair value was estimated by discounting the future cash flows using current market rates available to the Company. The Company repaid the amount outstanding on November 4, 2004 and the facility was terminated on such date. The Company has no other significant exposure to market risk.

ITEM 4. CONTROLS AND PROCEDURES

(a) Disclosure Controls and Procedures. The Company's management, with the participation of the Company's Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of the Company's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this report. Based on such evaluation, the Company's Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of such period, the Company's disclosure controls and procedures are effective.

(b) Internal Control Over Financial Reporting. There have not been any changes in the Company's internal control over financial reporting during the fiscal quarter to which this report relates that have materially affected, or

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

are reasonably likely to materially affect, the Company's internal control over financial reporting.

Page 17

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The Company is from time to time involved in legal actions arising in the ordinary course of business. In the opinion of management, after consultation with legal counsel, the outcome of such matters will not have a material effect on the Company's financial condition, results of operations or cash flows.

ITEM 5. OTHER INFORMATION

The Company, a Delaware corporation, holds its assets and conducts its business through Vornado Operating L.P., a Delaware limited partnership ("Company L.P."). The Company is the sole general partner of, and as of September 30, 2004, owned a 90.1% partnership interest in, Company L.P. Company L.P. owns 60% of Vornado Crescent Logistics Operating Partnership ("VCLOP") which, owned AmeriCold Logistics, LLC ("AmeriCold Logistics"). AmeriCold Logistics is the operator of a temperature-controlled logistics business.

On November 4, 2004, VCLOP sold AmeriCold Logistics to its landlord, Americold Realty Trust ("ART"), for \$47,700,000 in cash. The sale of AmeriCold Logistics was negotiated and approved by a Special Committee of the Company's independent directors formed to consider and negotiate the transaction. The Special Committee was advised by an independent investment banker and independent legal counsel. VCLOP distributed substantially all of the sale proceeds to the Company (\$28,575,000) and Crescent Operating, Inc. (\$19,050,000).

In addition, the Company received \$6,645,000 in cash owed to the Company by AmeriCold Logistics and the Company paid \$26,760,000 in cash it owed to Vornado Realty Trust.

The Company has been advised that the owners of ART have entered into a definitive agreement to sell 20.7% of ART's common shares. The Company's Special Committee and its advisors were aware of the details of the transaction when they approved the sale of AmeriCold Logistics to ART.

The Board of Directors is considering alternatives for the Company, including liquidation and dissolution, which would have to be approved by a majority of the holders of the Company's common shares. The Company estimates that a liquidating distribution would be approximately \$2.00 per share or unit as compared to the last trading price of \$0.35 per share although the actual amount may be higher or lower depending on whether its remaining liabilities turn out to be higher or lower than the estimated amounts.

A copy of the press release issued by the Company on November 4, 2004 regarding the above-referenced transaction is being filed as Exhibit 99.1 to this Quarterly Report on Form 10-Q and is incorporated herein by reference.
