-

**Item 8.01. Other Events.**

Lexington Corporate Properties Trust (the "Trust") is electing to reclassify the presentation of distributions from its investments in non-consolidated entities from operating activities to investing activities in the Trust's Consolidated Statements of Cash Flows. The effect of the change is \$7,102,000, \$124,000 and \$2,932,000 for the years ended December 31, 2005, 2004 and 2003, respectively, and represents distributions in excess of accumulated earnings from these investments accounted for on the equity method.

This change in classification does not affect the total net change in cash and cash equivalents for each of the three years in the period ended December 31, 2005 and has no impact on the Trust's consolidated balance sheets, consolidated statements of income, consolidated statements of changes in shareholders' equity or the related income per share amounts for the applicable annual periods.

This Current Report on Form 8-K updates Items 6, 7 and 8 of Amendment No. 1 to the Trust's Annual Report on Form 10-K/A for year ended December 31, 2005 (the "Annual Report"), to reflect the reclassification. The updates to the Annual Report speak as of the date of the original Annual Report, March 14, 2006, and do not reflect events occurring after the filing of such report or update or modify the disclosures therein in any way other than the updates to Items 6, 7 and 8 of the Annual Report.

**Item 9.01. Financial Statements and Exhibits.**

(a) Not applicable

(b) Not applicable

(c) Exhibits
