Section 5 Corporate Governance and Management

Item 5.03 Amendment to Articles of Incorporation or Bylaws

On February 15, 2008 the Board of Directors approved an amendment to Section 5. Capital Stock of the By-laws of the Company, effective immediately. Section 5 of the By-laws contains, among other things, provisions relating to stock certificates, record ownership, transfer of record ownership, lost, stolen or destroyed certificates, and transfer agent, registrar and rules respecting certificates. The By-laws were amended in order to comply with recent rule changes of the Securities and Exchange Commission and the New York Stock Exchange that require listed companies to be eligible to issue shares in either certificated or uncertificated form and to participate in a book-entry share Direct Registration System, which allows for the electronic transfer of securities. The purpose of the amendments to the By-laws is to incorporate into Section 5 the concept of uncertificated shares, and to permit the registration, issuance and transfer of the Company's stock without issuance of a physical stock certificate. The By-law amendment continues to permit stockholders to obtain a physical stock certificate upon request. All other provisions of the Company's By-laws remain unchanged.

The foregoing description of the By-law amendment is qualified in its entirety by reference to the Company's By-laws, as amended, a copy of which is filed as Exhibit 3.5 to this report and is incorporated by reference into this description.
