**Item 8.01. Other Events.**

On December 8, 2009, Move, Inc. (the Company ) received an unfavorable ruling in the FINRA arbitration proceedings the Company brought against Citigroup Global Markets, Inc. ( CGMI ) in connection with the Company s investment in auction rate securities ( ARS ). The arbitration panel denied the Company s request that the purchase be rescinded, as well as the other claims brought by the Company against CGMI. As stated in our Form 10-Q for the quarter ended September 30, 2009, filed on November 9, 2009, we hold the ARS investments as long term investments, do not have a need to access these funds for operational purposes for the foreseeable future, and currently have the ability and the intent to hold these ARS investments until their fair value recovers, until they reach maturity, or until they can be sold in a market that facilitates orderly transactions.
