Important Disclosure Regarding SPDR Gold Shares.
Shares (the Shares) of the SPDR® Gold Trust (the Trust) trade like stocks, are subject to investment risk and will fluctuate in market value. The value of the Shares relates directly to the value of the gold held by the Trust (less Trust expenses) and fluctuations in the price of gold could materially adversely affect an investment in the Shares Investors should be aware that there is no assurance that gold will maintain its long-term value in terms of purchasing power in the future. The Trust does not generate any income and as the Trust regularly sells gold to pay for its ongoing expenses, the amount of gold represented by each Share will decline over time.
The Trust has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the Trust has filed with the SEC for more complete information about the Trust and this offering. You may get these documents for free by visiting EDGAR on the SEC website at www.sec.gov.
