On that record date, there were 39,556,849 shares of Majesco common stock outstanding and entitled to vote. Majesco common stock is our only class of voting stock.

You do not need to attend the meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card

## Table of Contents

### **How Many Votes Do I Have?**

Each share of Majesco common stock that you own entitles you to one vote.

### **How Do I Vote?**

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or against all, some or none of the nominees for director, and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board's recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, American Stock Transfer & Trust Company, or you have stock certificates, you may vote:

**By mail.** Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

**In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

**By Internet or by telephone.** Follow the instructions you receive from your broker to vote by Internet or telephone.

**By mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares.

**In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to attend the Annual Meeting unless you have a proxy card from your broker.

### **How Does The Board Of Directors Recommend That I Vote On The Proposals?**

The Board of Directors recommends that you vote as follows:

**FOR** the election of our Board of Directors' nominees for Class III directors set forth on the proxy card included in this proxy statement; and

**FOR** ratification of the selection of EisnerAmper LLP as our independent public accountant for our fiscal year ending October 31, 2011.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

**May I Change or Revoke My Proxy?**

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. You may change or revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

## **Table of Contents**

if your shares are held in street name, re-voting by Internet or by telephone as instructed above only your latest Internet or telephone vote will be counted;

if your shares are registered in your name, notifying Majesco's Secretary in writing before the Annual Meeting that you have revoked your proxy; or

attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

### **What If I Receive More Than One Proxy Card?**

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under How Do I Vote? on the proxy card for each account to ensure that all of your shares are voted.

### **Will My Shares Be Voted If I Do Not Return My Proxy Card?**

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under How Do I Vote? If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under How Do I Vote?, the bank, broker or other nominee has the authority, even if it does not receive instructions from you, to vote your unvoted shares for Proposal 2, the ratification of our independent public accountant, but does not have authority to vote your unvoted shares for Proposal 1, the election of nominees to the Board of Directors. We encourage you to provide voting instructions. This ensures your shares will be voted at the Annual Meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a broker non-vote.

### **What Vote is Required to Approve Each Proposal and How are Votes Counted?**

#### **Proposal 1: Elect Class III Directors**

The nominees for director who receive the most votes (also known as a plurality) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

#### **Proposal 2: Ratify Our Selection of EisnerAmper LLP as Our Independent Public Accountant for 2011**

The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent public accountant. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-

votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent accountant. However, if our stockholders do not ratify the selection of EisnerAmper LLP as our independent public accountant for the fiscal year ending October 31, 2011, the Audit Committee of our Board of Directors may reconsider its selection.

**What Constitutes a Quorum for the Annual Meeting?**

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the meeting is necessary to constitute a quorum at the Annual Meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

**Householding of Annual Disclosure Documents**

The Securities and Exchange Commission, or SEC, previously adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if either we or the brokers believe that the stockholders are members of the same family. This practice, referred to as householding, benefits both stockholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once stockholders receive notice from their brokers or from us that communications to their addresses will be householded, the practice will continue until stockholders are otherwise notified or until they revoke their consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

Those stockholders who either (i) do not wish to participate in householding and would like to receive their own sets of our annual disclosure documents in future years, or (ii) who share an address with another one of our stockholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

Stockholders whose shares are registered in their own name should contact our transfer agent, American Stock Transfer & Trust Company, and inform them of their request by calling them at 1-800-937-5449 or writing them at 59 Maiden Lane, Plaza Level, New York, New York 10038.

Stockholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request. Stockholders should be sure to include their name, the name of their brokerage firm and their account number.

Grafman, Louis Lipschitz, Keith McCurdy, Jesse Sutton and Stephen Wilson attended last year's annual stockholders' meeting. In fiscal 2010, there were a total of 25 meetings of the Board of Directors and the various committees of the Board met a total of 16 times. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board on which he served during fiscal year 2010. The independent members of the Board also met regularly in executive session.

*Audit Committee.* The Board of Directors has a standing Audit Committee, consisting of Messrs. Louis Lipschitz (Chair), Allan I. Grafman, Laurence Aronson, and Stephen Wilson. Our Audit

## **Table of Contents**

Committee held seven meetings during fiscal year 2010. The Audit Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for the Committee's composition and meetings. The charter of the Audit Committee can be found on our website at [www.majescoentertainment.com](http://www.majescoentertainment.com).

The Board of Directors has determined that each member of the audit committee is independent, as that term is defined by applicable Securities and Exchange Commission rules. In addition, the Board of Directors has determined that each member of the audit committee is independent, as that term is defined by the rules of the Nasdaq Stock Market.

The Board has determined that Messrs. Allan I. Grafman, Louis Lipschitz and Stephen Wilson are financial experts serving on its Audit Committee, and are independent, as the SEC has defined that term in Item 407 of Regulation S-K. Please see the biographical information for these individuals contained in the section above entitled, The Board of Directors.

*Nominating and Governance Committee.* The Board of Directors has a standing Nominating and Governance Committee. The Nominating and Governance Committee consists of Messrs. Stephen Wilson (Chair), Laurence Aronson, Allan I. Grafman, and Louis Lipschitz. The Committee may employ a variety of methods for identifying and evaluating nominees for director. All members of the Committee qualify as independent as defined by the rules of the Nasdaq Stock Market. The Nominating and Governance Committee held five meetings during fiscal year 2010. The Nominating and Governance Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for its composition and meetings. The charter of the Nominating and Governance Committee can be found on our website at [www.majescoentertainment.com](http://www.majescoentertainment.com).

The Committee regularly assesses the size of the Board, the need for particular expertise on the Board, the upcoming election cycle of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. Candidates may be evaluated at regular or special meetings of the Committee, and may be considered at any point during the year.

As reflected in the charter of the Nominating and Governance Committee, factors considered by the Committee in the selection of director nominees are those it may deem appropriate, including judgment, character, high ethics and standards, integrity, skills, diversity, independence, experience with businesses and organizations of a comparable size to the Company, the interplay of the candidate's experience with the experience of other Board of Directors members and the extent to which the candidate would be a desirable addition to the Board of Directors or any of its committees. In addition, in considering nominees for director, the Nominating and Governance Committee will review the qualifications of available candidates that are brought to the attention of the Committee by any member of the Board of Directors, stockholders and management or identified by the Committee through the use of search firms or otherwise.

The Nominating and Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Members of the Nominating and Governance Committee discuss and evaluate possible candidates in detail prior to recommending them to the Board of Directors. While we do not have a formal policy on diversity, our Nominating and Governance Committee considers diversity of experience as one of the factors it considers in conducting its assessment of director nominees, along with such other factors as it deems appropriate given the then current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

If a stockholder wishes to propose a candidate for consideration as a nominee by the Nominating and Governance Committee, it should follow the procedures described in this section and in the Company's Nominating and Corporate Governance Committee Charter. The Nominating and

Governance Committee will consider candidates recommended by stockholders, when the nominations are properly submitted. The policy adopted by the Nominating and Governance Committee provides that nominees recommended by stockholders are given appropriate consideration and will be evaluated in the same manner as other nominees. Following verification of the stockholder status of persons proposing candidates, the Committee makes an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Company's Board before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Committee as part of its review. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Committee, a potential candidate nominated by a stockholder is treated like any other potential candidate during the review process by the Committee.

*Board Leadership Structure and Role in Risk Oversight.* Our current Board leadership structure separates the positions of Chief Executive Officer and Chairman, although we do not have a corporate policy requiring that structure. The Board believes that this separation is appropriate for the Company at this time because it allows for a division of responsibilities and a sharing of ideas between individuals having different perspectives. Our Chief Executive Officer, who is also a member of our Board, is primarily responsible for the our operations and strategic direction, while our Chairman, who is an independent member of the Board, is primarily focused on matters pertaining to corporate governance, including management oversight. While the Board believes that this is the most appropriate structure at this time, the Board retains the authority to change the Board structure, including the possibility of combining the Chief Executive Officer and Chairman position, if it deems such a change to be appropriate in the future.

While management is responsible for managing the day to day issues faced by the Company, the Board has an active role, directly and through its committees, in the oversight of the Company's risk management efforts. The Board carries out this oversight role through several levels of review. The Board regularly reviews and discusses with members of management information regarding the management of risks inherent in the operation of the Company's business and the implementation of the Company's strategic plan, including the Company's risk mitigation efforts.

Each of the Board's committees also oversees the management of the Company's risks that are under each committee's areas of responsibility. For example, the Audit Committee oversees management of accounting, auditing, external reporting, internal controls, and cash investment risks. The Nominating and Governance Committee oversees the Company's compliance policies, Code of Conduct and Ethics, conflicts of interests, director independence and corporate governance policies. The Compensation Committee oversees risks arising from compensation practices and policies. While each committee has specific responsibilities for oversight of risk, the Board is regularly informed by each committee about such risks. In this manner the Board is able to coordinate its risk oversight.

*Compensation Committee; Compensation Committee Interlocks and Insider Participation.* The Compensation Committee of the Board of Directors is composed entirely of directors who are not our current or former employees, each of whom meets the applicable definition of "independent" as defined by the rules of the Nasdaq Stock Market. None of the members of the Compensation Committee during fiscal 2010 (i) had any relationships requiring disclosure by the Company under the SEC's rules requiring disclosure of related party transactions, and (ii) was an executive officer of a company of which an executive officer of the Company is a director. The current members of our Compensation Committee are Messrs. Laurence Aronson (Chair), Allan I. Grafman, Louis Lipschitz, Keith McCurdy and Stephen Wilson. Our committee has no interlocks with other companies. Our Compensation Committee held four meetings during fiscal year 2010. The charter of the Compensation Committee can be found on our website at [www.majescoentertainment.com](http://www.majescoentertainment.com).

**Table of Contents**

The Committee is responsible for establishing and administering our executive compensation policies. The role of the Compensation Committee is to (i) formulate, evaluate and approve compensation of the Company's directors, executive officers and key employees; (ii) oversee all compensation programs involving the use of the Company's stock; and (iii) produce, if required under the securities laws, a report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of stockholders. The duties and responsibilities of the Compensation Committee under its charter include:

Annually reviewing and making recommendations to the Board with respect to compensation of directors, executive officers of the Company and key employees;

Annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer's compensation levels based on this evaluation;

Reviewing competitive practices and trends to determine the adequacy of the executive compensation program;

Approving and overseeing compensation programs for executive officers involving the use of the Company's stock;

Approving and administering cash incentives and deferred compensation plans for executives (including any modification to such plans) and oversight of performance objectives and funding for executive incentive plans;

Annually evaluating the performance of the Compensation Committee; and

Making regular reports to the Board concerning the activities of the Compensation Committee.

When appropriate, the Compensation Committee may, in carrying out its responsibilities, form and delegate authority to subcommittees. The Chief Executive Officer plays a role in determining the compensation of our other executive officers by evaluating the performance of those executive officers. The Chief Executive Officer's evaluations are then reviewed by the Compensation Committee. This process leads to a recommendation for any changes in salary, bonus terms and equity awards, if any, based on performance, which recommendations are then reviewed and approved by the Compensation Committee.

From time to time the Compensation Committee has retained an independent compensation consulting firm, James F. Reda & Associates, LLC, to assist the Committee in determining appropriate short-term and long-term incentive awards for key executives. Other services have included a review of the Company's Amended and Restated 2004 Employee, Director and Consultant Incentive Plan (referred to herein as the Incentive Plan), valuation of employee and director equity grants, valuation of warrants, and advisement on RiskMetrics policy guidelines.

The Compensation Committee retains the consulting firm directly, although in carrying out assignments, the consulting firm also interacts with Company management when necessary and appropriate in order to obtain compensation and performance data for the executives and the Company. In addition, the consultant may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and/or identify data questions or other similar issues.

The Compensation Committee has the authority to retain, terminate and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities.

**Narrative Disclosure to Summary Compensation Table***Incentive Bonus Program*

On April 12, 2010, the Compensation Committee of our Board of Directors finalized and approved the terms of an incentive bonus plan for our 2010 fiscal year for our executive officers and other management (the 2010 Plan ). Pursuant to the plan, each of our executive officers was eligible to receive an incentive bonus based upon a targeted percentage of his base salary. The percentage of base salary that each executive officer would receive if the Company achieved all of the objectives included in the plan was 100% for the Chief Executive Officer and 50% for each other executive officer.

The 2010 incentive bonus program was comprised of two components, a funding component and an allocation component. The funding component is the basis on which the dollar amount of the bonus pool to be allocated among all participants was calculated and was based on the achievement by the Company of financial and operational goals (the Goals ). The allocation component is the basis on which the actual bonus amount was to be paid to each participant.

If the Company met all of the financial and operational goals set forth below, the bonus pool for executive officers would be \$635,000. Subsequently, during fiscal 2010, two of our executive officers resigned from the Company and Michael Vesey became our Interim Chief Financial Officer, thereby lowering the bonus pool for executive officers to \$433,000 (the Bonus Target ).

The financial goal (the Financial Goal ) accounted for 75% of the Bonus Target, and was determined by a measure of net income.

**Table of Contents**

The four operational goals each accounted for 6.25% of the Bonus Target, and were as follows (the Operational Goals ):

Achievement of a defined revenue target for titles on emerging digital platforms;

Key Customer Account ( Key Accounts ) focus for the Company s top four titles in 2010 ( Top Titles ):

Achievement of placement in at least 80% of the Key Accounts for each Top Title;

Total revenue from each Top Title for Key Accounts should be at least 75% of the forecasted estimate for each account;

Franchise Creation: for one of the Top Titles, exceed the Company s original internal forecast by 50% (150% of forecast inclusive of all versions of the title); and

License Acquisition: During fiscal 2010, secure the license for an additional top quality title with franchise potential.

On January 13, 2011, the Committee met to determine the bonus payments to be made to our executive officers under the 2010 Plan. The Committee determined that the Company had achieved two of the operational goals set forth in the 2010 Plan but that it did not meet the financial goal. Under the 2010 Plan a payout is not made if the Company does not meet its financial goal and a payout would result in a net loss under the net income calculation pursuant to the 2010 Plan. On February 23, 2011, the Committee determined to award bonuses to the executive officers as set forth below although under the 2010 Plan the Company had a net loss. The Committee determined to make payments for the 2010 performance since the net loss was the result of a strategic business decision to move the commercial release of certain of the Company s key products to a later date, after the Company s 2010 fiscal year.

The bonus amounts to be paid the executive officers as well as their 2010 bonus targets under the 2010 Plan are listed below:

<b>Name</b>	<b>Position</b>	<b>2010 Bonus Payout</b>	<b>Target Bonus under the 2010 Plan</b>
Jesse Sutton	Chief Executive Officer		100% of annual salary, or \$363,000
Michael Vesey	Interim Chief Financial Officer	\$ 24,000	35% of annual salary, or \$70,000

*Restricted Stock Grants*

On August 3, 2010, our Compensation Committee made restricted stock grants to our executive officers. The shares of restricted stock vest in equal installments over a three-year period beginning on the first anniversary of the grant date.

*Employment Agreements*

We currently have an employment agreement with Jesse Sutton, our Chief Executive Officer.

Mr. Sutton's employment agreement, entered into in January 2009, provides for an annual base salary of \$363,000 and a discretionary bonus of up to 100% of his base salary.

In addition, our employment arrangement with Michael Vesey, our Interim Chief Financial Officer, entered into in August 2010, provides for an annual base salary of \$200,000 and a discretionary bonus of up to 35% of his base salary.

**REPORT OF AUDIT COMMITTEE**

The current members of the Audit Committee are Messrs. Louis Lipschitz (Chair), Laurence Aronson, Allan I. Grafman, and Stephen Wilson.

The Audit Committee of the Board of Directors, which consists entirely of directors who meet the required independence and experience requirements of Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and the rules of the Nasdaq Stock Market, has furnished the following report:

The Committee assists the Board in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Committee are set forth in a written charter adopted by the Board, which is available on our website at [www.majescoentertainment.com](http://www.majescoentertainment.com). The Committee is responsible for selecting, retaining and determining the compensation of our independent public accountant, approving the services they will perform, and reviewing the performance of the independent public accountant. The Committee reviews with management and our independent public accountant our annual financial statements on Forms 10-K and our quarterly financial statements on Forms 10-Q. The Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Committee is responsible for overseeing our overall financial reporting process. In fulfilling its responsibilities for the financial statements for fiscal year 2010, the Audit Committee took the following actions:

reviewed and discussed the audited financial statements for the fiscal year ended October 31, 2010 with management and EisnerAmper LLP, our independent public accountant;

discussed with EisnerAmper the matters required to be discussed in accordance with the rules set forth by the Public Company Accounting Oversight Board ( PCAOB ), relating to the conduct of the audit; and

received written disclosures and the letter from EisnerAmper regarding its independence as required by applicable requirements of the PCAOB regarding EisnerAmper's communications with the Committee and the Committee further discussed with EisnerAmper their independence. The Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the Committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and EisnerAmper, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2010 for filing with the Securities and Exchange Commission.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These persons are required by regulation to furnish us with copies of all Section 16(a) reports that they file. Based on our review of the copies of these reports received by us, or written representations from the reporting persons that no other reports were required, we believe that, during fiscal 2010, all filing requirements applicable to our current officers, directors and greater than 10% beneficial owners were complied with, except that one report, covering an aggregate of two transactions, was filed late by Jesse Sutton.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Morris Sutton, the former chief executive officer of the Company, resigned effective January 1, 2007 and became a consultant. The Company paid approximately \$402,000 to Mr. Sutton under a consulting agreement during the year ended October 31, 2009 and \$281,000 during the year ended October 31, 2010. Morris Sutton is Jesse Sutton's father.

Our Audit Committee reviews in advance all related person transactions. The Audit Committee shall approve only those related person transactions that are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders, taking into account all available facts and circumstances as the Audit Committee determines in good faith to be necessary. These facts and circumstances will typically include, but not be limited to, the benefits of the transaction to the Company; the availability of other sources for comparable products or services; the terms of the transaction; the terms of comparable transactions that would be available to unrelated third parties or to employees generally; and the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer.

In reviewing and approving such transactions, the Audit Committee shall obtain, or shall direct management to obtain on its behalf, all information that the Audit Committee believes to be relevant and important to a review of the transaction prior to its approval.

The Audit Committee may adopt any further policies and procedures relating to the approval of related person transactions that it deems necessary or advisable from time to time.

**RATIFICATION OF APPOINTMENT  
OF INDEPENDENT PUBLIC ACCOUNTANT**

(Notice Item 2)

The Audit Committee has appointed EisnerAmper LLP ( EisnerAmper ), independent public accountant, to audit our financial statements for the fiscal year ending October 31, 2011. The Board proposes that the stockholders ratify this appointment. We expect that representatives of EisnerAmper will be present at the meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

As previously disclosed, on August 16, 2010, the Company was notified that Amper, Politziner and Mattia, LLP ( Amper ), the Company s independent registered public accounting firm, combined its practice with that of Eisner LLP ( Eisner ) and that the name of the combined practice would operate under the name EisnerAmper LLP. The Audit Committee engaged EisnerAmper LLP to serve as our new independent registered public accounting firm.

During the period that Amper served as our independent public accountant, we did not consult with Eisner or with EisnerAmper on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on our financial statements, and neither Eisner nor EisnerAmper provided either a written report or oral advice to us that they concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any of the matters set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

Amper s report on the Company s consolidated financial statements for the fiscal year ended October 31, 2009, did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal years and the subsequent interim period preceding EisnerAmper s combination, the Company had no disagreements with Amper on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Amper, would have caused Amper to make reference to the subject matter of the disagreements in connection with its reports on the Company s financial statements during such periods. None of the events described in Item 304(a)(1)(iv) of Regulation S-K occurred during the two most recent fiscal years and any subsequent interim periods preceding the combination of Eisner and Amper into EisnerAmper.

Also, as previously disclosed, on April 30, 2009, we dismissed McGladrey & Pullen, LLP ( M&P ) as the Company s independent registered public accounting firm, who were our independent public accountant for the fiscal year ended October 31, 2008. On May 5, 2009, Amper was engaged as our new independent registered accounting firm and audited our financial statements for the fiscal year ending on October 31, 2009. The decision to engage Amper was approved by the Audit Committee of our Board of Directors.

During the period that M&P served as our independent public accountant, we did not consult with Amper on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on our financial statements, and Amper did not provide either a written report or oral advice to us that they concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any of the matters set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

None of M&P s reports on the Company s consolidated financial statements for the fiscal years ended October 31, 2008 or 2007, contained an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal years and the subsequent interim period

preceding M&P's dismissal, the Company had no disagreements with M&P on any matter of accounting principles or practices, financial statement

disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of M&P, would have caused M&P to make reference to the subject matter of the disagreements in connection with its reports on the Company's financial statements during such periods. None of the events described in Item 304(a)(1)(iv) of Regulation S-K occurred during the two most recent fiscal years and any subsequent interim periods preceding the dismissal of M&P.

**Audit Committee Pre-Approval Policy**

We understand the need for EisnerAmper to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of EisnerAmper, our Audit Committee has restricted the non-audit services that EisnerAmper may provide to us primarily to tax services.

The Audit Committee also has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper.
