Item 1.01 Entry into a Material Definitive Agreement.

On May 5, 2011, Green Bankshares, Inc. (the Company), GreenBank, a wholly-owned subsidiary of the Company (GreenBank), and North American Financial Holdings, Inc. (NAFH) entered into an investment agreement (the Agreement), pursuant to which NAFH has agreed to purchase, subject to certain conditions, for \$217,019,000 in cash, 119,900,000 shares of common stock, \$2.00 par value, of the Company (the Common Stock), at a purchase price of \$1.81 per share, and under which each existing Company shareholder shall receive, immediately prior to closing, one contingent value right (CVR) per share that would entitle the holder to receive up to \$0.75 in cash per CVR at the end of a five-year period based on the credit performance of GreenBank's existing loan portfolio (the transactions contemplated by the Investment Agreement are referred to herein as, the Transaction). Following consummation of the Transaction, it is anticipated that NAFH will own approximately 90.1% of the Company's outstanding Common Stock.

In addition, in connection with the Transaction, on May 5, 2011, the Company entered into a Stock Option Agreement (the Option Agreement) with NAFH, pursuant to which the Company granted an option (the Option) to purchase up to 2,628,183 shares of Common Stock (not to exceed 19.9% of the issued and outstanding shares of the Company) at a price equal to the closing price on the first trading day following the date of the Investment Agreement. Pursuant to the Option Agreement, the Option will be exercisable under certain circumstances in connection with certain third party acquisitions or acquisition proposals.

Consummation of the Transaction is subject to a number of conditions, including the following: (i) the absence of a Material Adverse Effect (as defined in the Agreement) since December 31, 2010; (ii) receipt of all required regulatory approvals; (iii) the approval of the Transaction and certain amendments to the Company's Amended and Restated Charter by the Company's shareholders, including to increase the Company's authorized shares, reduce the par value of the Common Stock, eliminate the application of the Tennessee Control Share Acquisition Act, and make certain determinations regarding Section 9 of the Charter (the Charter Amendments); (iv) the entry by NAFH and the United States Department of the Treasury (Treasury) into a binding agreement regarding the Company's repurchase of shares of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series A and warrant to purchase shares of Common Stock issued to the Treasury in connection with the Company's participation in the Capital Purchase Program of the Treasury's Troubled Asset Relief Program (the TARP Repurchase); (v) the appointment of individuals designated by NAFH to the board of directors of the Company and GreenBank such that the NAFH designees constitute a majority of the board of directors of the Company and GreenBank; (vi) the resignation of certain directors of the Company and GreenBank; (vii) the Company's maintaining of insurance coverage; (viii) the listing of the Common Stock to be issued to NAFH on The NASDAQ Stock Market LLC (NASDAQ); (ix) the waiver of rights to change in control payments from certain senior officers and employees subject to TARP limitations; (x) certain limitations on reductions in deposit levels and the amount of charge-offs between signing and closing; (xi) the declaration of the CVR distribution; and (xii) other terms and conditions typical of similar transactions.

The Agreement contains customary representations, warranties, and various covenants, including, among others, covenants by the Company (i) to call a shareholder meeting to approve the Transaction, the Charter Amendments and the merger of GreenBank with and into a subsidiary of NAFH (the Bank Merger), (ii) file and distribute a definitive proxy statement related to such meeting, (iii) to use reasonable best efforts to enter into and maintain in effect an agreement with the Treasury regarding the TARP Repurchase, and (iv) enter into indemnification agreements with the Company's directors, including the new directors appointed by NAFH.

The Agreement may be terminated in a number of situations, including (i) by the Company or NAFH if (a) the closing does not occur within 150 days after the Agreement is signed, (b) notice from a governmental entity that it will not grant a required approval or if a governmental entity takes certain actions prohibiting the Transaction, (ii) by the Company or NAFH in the event of a breach by the other of a representation or warranty or a covenant (that is not cured in the time allowed in the Agreement) that causes the failure of a closing condition to be satisfied, (iii) by the Company or NAFH if the Company's shareholders do not approve the Transaction, certain of the Charter Amendments or the Bank Merger, or (iv) by NAFH if the Company breaches the Agreement's exclusivity/non-solicitation provisions or the Company's board of directors withdraws its recommendation to the Company's shareholders with respect to the Transaction.

The Company is subject to a no-shop restriction on its ability to solicit third-party proposals, provide information and engage in discussions with third parties with respect to potential acquisitions. The no-shop allows the Company to provide information and participate in discussions with respect to third party proposals if the board of directors of the Company determines in good faith (after consulting with its financial advisor and outside legal counsel) that such proposal constitutes or could reasonably be expected to lead to a superior proposal. The Company may not terminate the Agreement on the basis of the existence of a superior offer.

If an Acquisition Proposal (as defined in the Agreement) is made to the Company or its subsidiaries and thereafter the Agreement is terminated because (i) the required approvals of the Company's shareholders are not obtained; (ii) the Company breaches its obligations under the non-solicitation/exclusivity provisions; or (iii) the Company breaches a covenant of the Agreement (and fails to cure such breach in the time allowed in the Agreement) that causes the failure of a closing condition to be satisfied, then the Company will owe NAFH a \$750,000 expense reimbursement immediately and, if an alternative transaction is entered into within twelve (12) months of the termination of the deal, an \$8,000,000 termination fee at the time the agreement for the new transaction is entered into. If an Acquisition Proposal is made, and thereafter the Agreement is terminated by NAFH because the board of directors of the Company has withdrawn its recommendation that the shareholders approve the Transaction or recommended a competing transaction, a \$750,000 expense reimbursement would be payable immediately and \$4,000,000 of the termination fee would be payable immediately, with the remaining \$4,000,000 payable if the Company enters into an agreement for an alternative transaction within 12 months of the termination of the deal.

The Agreement also provides that, after closing, the Company's and GreenBank's boards of directors will consist of two current directors (the Legacy Directors) and the directors designated by NAFH. In addition, the Legacy Directors will be elected or appointed to NAFH's board of directors immediately following closing.

Prior to the closing of the Transaction, the Company and NAFH have agreed to enter into a Registration Rights Agreement regarding the registration by the Company of the shares of Common Stock to be issued to NAFH in certain circumstances. Pursuant to the proposed terms of the Registration Rights Agreement, NAFH will have certain shelf registration rights, demand registration rights, and unlimited piggyback registration rights, subject to customary limitations.

The foregoing description of the Agreement, the Option Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement and the Option Agreement, which are attached to this Form 8-K as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference. This summary and the Agreement have been included to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about the Company or NAFH. The representations and warranties contained in the Agreement are made to, and solely for the benefit of, the parties to the Agreement. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure letters that the parties have exchanged in connection with signing the Agreement and the Option Agreement. Moreover, certain representations and warranties in the Agreement are made for the purpose of allocating risk between the parties, rather than establishing matters as facts. Accordingly, investors and security holders should not rely on the representations and warranties as characterizations of the actual state of facts, since they were only made as of the date of the Agreement and are modified in important respects by the confidential disclosure letters. The representations and warranties contained in the Agreement should only be read in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission. A copy of the press release announcing the Transaction is set forth in Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.
