PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This Proxy Statement is furnished by Inter-Tel, Incorporated (Inter-Tel or the Company), for use at the Annual Meeting of Shareholders to be held April 26, 2005 at 10:00 a.m., local time or at any postponement or continuation of the meeting, as applicable, or at any adjournment thereof (as applicable, the Annual Meeting), for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company s principal office building located at 1615 S. 52nd Street, Tempe, Arizona 85281. These proxy solicitation materials were mailed on or about March 23, 2005 to all shareholders entitled to vote at the Annual Meeting.

Record Date and Share Ownership

Only shareholders of record at the close of business on the Record Date, or March 4, 2005, are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 26,681,045 shares of the Company s Common Stock were issued and outstanding.

Revocability of Proxies

The enclosed proxy is being solicited by the Board of Directors of the Company. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

Voting and Solicitation

Every shareholder voting at the Annual Meeting for the election of directors may either (i) cumulate such shareholder s votes and give one nominee for director a number of votes equal to (a) the number of directors to be elected, multiplied by (b) the number of shares of the Company s Common Stock held by such shareholder; or (ii) distribute such shareholder s votes on the same principle among as many nominees for director as the shareholder thinks fit, provided that votes cannot be cast for more than seven nominees. However, no shareholder will be entitled to cumulate votes for any nominee unless such nominee s name has been placed in nomination prior to the voting and such shareholder, or another shareholder, has given notice at the Annual Meeting prior to the voting for directors of the intention of such shareholder to cumulate such shareholder s votes. On all other matters, one vote may be cast for each share of the Company s Common Stock held by a shareholder.

A quorum will be present if a majority of the votes entitled to be cast are present in person or by valid proxy. All matters to be considered and acted upon by the shareholders at the Annual Meeting must be approved by a majority of the shares represented at the Annual Meeting and entitled to vote. Consequently, abstentions will have the same legal effect as votes against a proposal. In contrast, broker non-votes resulting from a broker s inability to vote a client s

Edgar Filing: INTER TEL INC - Form DEFR14A

shares on non-discretionary matters will have no effect on the approval of such matters.

If the enclosed proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. Telephone and Internet voting will also be allowed according to the instructions provided on the proxy card submitted with this proxy.

The cost of this proxy solicitation will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares of the Company's Common Stock for expenses incurred in forwarding solicitation material to such beneficial owners. Proxies

also may be solicited by certain of the Company's directors, officers and regular employees, personally or by telephone or facsimile, without additional compensation.

Deadline for Receipt of Shareholder Proposals

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the annual meeting of the Company for the fiscal year ending December 31, 2005 must be received by the Company no later than November 23, 2005, in order to be included in the proxy statement and form of proxy relating to such meeting.

SEC rules also establish a different deadline for submission of shareholder proposals that are not intended to be included in the Company's proxy statement with respect to discretionary voting. The discretionary vote deadline for the 2006 Annual Meeting is February 6, 2006, 45 calendar days prior to the anniversary of the mailing date of this proxy statement. If a shareholder gives notice of such a proposal after the discretionary vote deadline, the Company's proxy holders will be allowed to use their discretionary voting authority to vote against the shareholder proposal when and if the proposal is raised at the Company's year 2006 Annual Meeting.

Independent Auditors

The independent auditors of the Company for the fiscal year ended December 31, 2004 were Ernst & Young LLP. A representative of Ernst & Young LLP will attend the annual meeting for purposes of responding to appropriate questions.

In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them cumulatively, in their discretion, in such a manner as to ensure the election of as many of the nominees listed below as possible. THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR EACH NOMINEE LISTED ABOVE.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(Proposal No. 2)**

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP as independent auditors to audit the consolidated financial statements of the Company and its subsidiaries for the year ending December 31, 2005. Although Inter-Tel is not required to seek shareholder ratification of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment is not ratified, the Audit Committee will investigate the reasons for shareholder rejection and will reconsider the appointment.

Ernst & Young LLP has issued its report, included in the Company's Form 10-K, on the consolidated financial statements of the Company for the year ending December 31, 2004. Ernst & Young LLP has served as the Company's independent auditors in every year in which the Company's stock has been publicly traded.

Before selecting Ernst & Young LLP, the Audit Committee carefully considered Ernst & Young LLP's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing.

Fees Billed by Ernst & Young LLP During Fiscal 2004 and 2003.

The Audit Committee has established a policy of pre-approving audit and non-audit services provided by the auditors of Inter-Tel. Each of the fees for services listed below for 2004 were pre-approved by Inter-Tel's Audit Committee. The Audit Committee's review included matters to be considered under the rules of the SEC, including the nature and extent of non-audit services, to ensure that the auditors' independence would not be impaired. The Audit Committee expressed its satisfaction with Ernst & Young LLP in all of these respects. The Audit Committee of our board of directors has determined that the provision of services by Ernst & Young LLP other than for audit related services is compatible with maintaining the independence of Ernst & Young LLP as our independent auditors. The following table sets forth the approximate aggregate fees billed by Ernst & Young LLP to Inter-Tel during fiscal 2004 and 2003:

	2004	2003
Audit Fees (1)

Total Audit Fees	700,500	258,000
Audit-Related Fees (2)

Total Audit-Related Fees	7,700	
Tax Fees (2)		
Tax consulting		41,000

Total Tax Fees		41,000
All Other Fees (2)		
Form S-8, Stock Options and Other	2,500	5,000
Total All Other Fees	2,500	5,000
Total Fees	\$ 710,700	\$ 304,000

(1) Includes fees and expenses related to the fiscal year audit and interim reviews, notwithstanding when the fees and expenses were billed or when the services rendered.

(2) Includes fees and expenses for services rendered from January through December of the fiscal year, notwithstanding when the fees and expenses were billed.

The Company did not engage Ernst & Young LLP to provide any separate information technology services during the fiscal years ended December 31, 2004 or 2003. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The affirmative vote of a majority of the votes cast on this proposal shall constitute ratification of the appointment of Ernst & Young LLP.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2005.

CORPORATE GOVERNANCE AND OTHER MATTERS

The Board of Directors has determined that each of its current directors, including all directors standing for re-election, except the Chief Executive Officer, has no material relationship with Inter-Tel and is independent within the meaning of the NASDAQ Stock Market, Inc. (Nasdaq) director independence standards, as currently in effect and as they may be changed from time to time.

Pursuant to the Audit Committee charter, the Audit Committee reviews, acts and reports to the Board of Directors of the Company on various auditing and accounting matters, including the appointment of the Company's independent auditors, the scope of the Company's annual audits, fees to be paid to the Company's independent auditors, the performance of the Company's independent auditors, the sufficiency of the Company's internal controls and the Company's accounting and financial management practices.

The Audit Committee met five (5) times during the last fiscal year. The Audit Committee also meets with our independent auditors in an executive session, without the presence of our management, on a quarterly basis, following completion of their quarterly reviews and annual audit and prior to our earnings announcements, to review the results of their work. The Audit Committee Charter, as amended, was attached as Exhibit A to Inter-Tel's Proxy Statement filed on March 20, 2003. A report of the Audit Committee is set forth below.

Compensation Committee

The Compensation Committee consists of directors Anderson, Edens and Haden. Each of the members of the Compensation Committee is independent within the meaning of the Nasdaq director independence standards, as currently in effect and as they may be changed from time to time. The Compensation Committee reviews employee compensation and makes recommendations thereon to the Board of Directors and administers the Company's Stock Incentive Plans. The Compensation Committee also determines, upon review of relevant information, the employees to whom options shall be granted. Mr. Anderson serves as Chairman of the Compensation Committee. The Compensation Committee met one time during the last fiscal year. The Charter of the Compensation Committee was attached as Exhibit A to Inter-Tel's Proxy Statement filed on March 18, 2004. A report of the Compensation Committee is set forth below.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2004, no member of the Compensation Committee was an officer or employee of Inter-Tel. During fiscal year 2004, no member of the Compensation Committee or executive officer of Inter-Tel served as a member of the Board of Directors or Compensation Committee of any entity that has an executive officer serving as a member of our Board of Directors or Compensation Committee.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee consists of directors Chapman, Anderson, Edens and Haden, each of whom is independent within the meaning of the Nasdaq director independence standards, as currently in effect and as they may be changed from time to time. The Corporate Governance and Nominating Committee was formed in February 2004 and met seven (7) times during the last fiscal year. Mr. Edens serves as Chairman of the Corporate Governance and Nominating Committee. The Charter of the Corporate Governance and Nominating Committee was attached as Exhibit B to Inter-Tel's Proxy Statement filed on March 18, 2004.

The responsibilities of the Corporate Governance and Nominating Committee include:

considering and periodically reporting on matters relating to the identification, selection and qualification of the Board of Directors and candidates nominated to the Board of Directors and its committees;

developing and recommending corporate governance principles applicable to us;

overseeing the evaluation of management, the Board of Directors and the committees thereof; and

evaluating and recommending compensation for the Board of Directors.

The Corporate Governance and Nominating Committee will also consider properly submitted shareholder recommendations for candidates for membership on the Board of Directors as described below. In evaluating such recommendations, the Corporate Governance and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors and to address our director membership criteria. Any shareholder recommendations proposed for consideration by the Corporate Governance and Nominating Committee should include the candidate's name and qualifications for membership on the Board of Directors and should be addressed to:

Inter-Tel, Incorporated
1615 S. 52nd Street,
Tempe, Arizona 85281
Attn: Corporate Secretary.

The procedures for shareholder direct nomination of directors are described in detail in our bylaws, which will be provided to you upon written request. A report of the Corporate Governance and Nominating Committee is set forth below.

Director Qualifications

The Corporate Governance and Nominating Committee uses a variety of criteria to evaluate the qualifications and skills necessary for members of our Board of Directors. Under these criteria, members of the Board of Directors should have the highest professional and personal ethics and values, consistent with longstanding Inter-Tel values and standards. Director nominees should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have

sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders.

Identifying and Evaluating Nominees for Director

The Corporate Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Corporate Governance and Nominating Committee regularly assesses the appropriate size of the Board of Directors, and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Corporate Governance and Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Corporate Governance and Nominating Committee through current members of the Board of Directors, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Corporate Governance and Nominating Committee, and may be considered at any point during the year. In evaluating the suitability of the candidates, the committee will consider relevant factors, including, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The committee will evaluate such factors, among others, and considers each individual candidate in the context of the current perceived needs of the board of directors as a whole.

As described above, the Corporate Governance and Nominating Committee will consider properly submitted shareholder recommendations for candidates for the Board of Directors. In evaluating such recommendations, the Corporate Governance and Nominating Committee will use the qualifications standards discussed above and seek to achieve a balance of knowledge, experience and capability on the Board of Directors.

The Board of Directors has final authority on determining the selection of director candidates for nomination to the Board. These policies and procedures may be modified at any time as may be determined by the committee.

Shareholders may communicate with the Board of Directors by submitting an email to financialinfo@inter-tel.com or by writing to us at Inter-Tel, Incorporated, Attention: Investor Relations, 1615 S. 52nd Street, Tempe, Arizona 85281. Board Attendance at Annual Shareholder Meetings

Although the Company does not have a formal policy regarding attendance by members of the board at the Company's annual meeting of shareholders, the Company encourages, but does not require, directors to attend.

AUDIT COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2004

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and the clarity of the Company's disclosures in the financial statements.

In addition, the Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, and in particular, SAS 61. Furthermore, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee also discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. At each regularly scheduled meeting, the Audit Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

The Audit Committee held five (5) meetings during the fiscal year ended December 31, 2004. The members of the Audit Committee are Mr. Chapman (Chairman), Mr. Anderson, Mr. Edens and Dr. Haden, all of whom meet the independence requirements of the Nasdaq stock market. The Board has determined that Mr. Chapman is an Audit Committee financial expert.

Non-management directors meet regularly in executive sessions without management. Non-management directors are all those who are not Company officers. An executive session is held in conjunction with each regularly scheduled Board meeting and other sessions may be called by directors in their discretion or at the request of the Board.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has also appointed, subject to shareholder ratification, Ernst & Young LLP, as the Company's independent registered public accounting firm.

AUDIT COMMITTEE: Jerry W. Chapman (Chairman), J. Robert Anderson, Dr. C. Roland Haden and Gary Edens.

February 15, 2005

COMPENSATION COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2004

Executive Compensation Principles

The Company's Compensation Committee's responsibilities include determining the cash and non-cash compensation of executive officers. The Compensation Committee's policy regarding compensation of the Company's executive officers is to provide generally competitive salary levels and compensation incentives in order to attract and retain individuals of outstanding ability; to recognize and reward individual performance and the performance of the Company; and to support the Company's primary goal of increasing shareholder value. Through 2004, except as noted in "Certain Other Benefits" below, non-cash compensation had been limited to stock option grants to purchase Common Stock at fair market value at the grant date and other perquisites. All executive officers and certain employees of the Company have participated in such stock incentive plans. All options to purchase Common Stock were granted with exercise prices equal to the fair market value of the Common Stock on the date of grant. These plans are designed to attract and retain qualified personnel and to tie their performance to the enhancement of shareholder value. Stock options vest at the end of either four or five years from the date of grant.

Executive officers, together with other permanent Inter-Tel employees, may also participate in the Company's 401(k) Thrift Savings Plan. Each executive officer participated in the Inter-Tel Employee Stock Ownership Plan through July 1997, the date the plan assets were frozen, except for Mr. Stout, who was not allocated shares before the date the plan was frozen. All executive officers may also participate in the Inter-Tel Employee Stock Purchase Plan except for Mr. Mihaylo, who is not eligible to participate because he owns greater than 5% of the Company's Common Stock.

In addition, in February 2002, Inter-Tel received a gross cash award of \$20 million as a result of an arbitration settlement in connection with a lawsuit filed by Inter-Tel in 1996. As a result of this settlement and in recognition of such executives' efforts in connection with the lawsuit, the Board of Directors approved one-time payments to Steven G. Mihaylo, Craig Rauchle, Norman Stout, and Jeff Ford, respectively. In addition, during 2002 and 2003, Mr. Rauchle received other compensation related to reimbursement of health and welfare benefits for a family member. Please refer to the "Summary Compensation Table" below for additional information.

Executive Compensation Program for Key Executives

The total compensation program for executives includes both cash and equity-based compensation. The Compensation Committee determines the level of salary for executive officers and determines the salary or salary ranges based upon periodic reviews of base salary levels for comparable officer positions in similar companies of comparable size. Salary changes are based upon comparable market rates, the Compensation Committee's assessment of the executive's performance, and the scope and complexity of the position held.

At the beginning of 2004, the Compensation Committee considered the Company's target earnings per share goals and the operating plans of the Company. Consideration included past and anticipated performance, new product and market expectations, assets employed and similar factors. The Compensation Committee set earnings per share performance levels for the consolidated Company, upon which incentives were established for each of the executives. Cash bonus awards, based upon meeting or exceeding such performance levels (limited to a maximum percentage of base salary), were set for each executive officer. With the exception of Mr. Ford, Named Executive Officer bonuses were based entirely on Inter-Tel earnings per share targets. Two-thirds (2/3) of the performance award opportunity for Mr. Ford was based on earnings and other specific measurements within his operating segment of the Company, and one-third (1/3) was based on Inter-Tel earnings per share targets. Maximum bonus awards of annual base compensation were set for the Named Executive Officers, as follows:

Officer	Maximum Bonus Award (as a percentage of annual base compensation)
Steven G. Mihaylo	100%
Craig W. Rauchle	100%
Norman Stout	100%
Jeffrey T. Ford	100%
Kurt R. Kneip	60%

For 2005, bonus goals based on earnings per share calculations exclude the impact of in-process research and development charges incurred in connection with acquisitions, to the extent applicable. In addition, the Committee is authorized to use its discretion to revise the calculated bonus amounts upwards or downwards based on any information the Committee deems appropriate.

The cash bonuses in the Summary Compensation Table reflect the performance of the Named Executive Officers against the targets established at the beginning of each year.

The Company granted no stock options to Named Executive Officers during the year ended December 31, 2004.

Certain Other Benefits

To remain competitive in the market for a high caliber management team, Inter-Tel provides some of its executive officers, including the CEO, with certain fringe benefits, including a car allowance, 401(k) match, selected reimbursement of club dues, use of Inter-Tel telephone systems in the home and use of corporate aircraft. The Committee periodically reviews fringe benefits made available to the Company's executive officers, including the CEO. For additional information regarding fringe benefits made available to the Company's executive officers, please see Summary Compensation Table.

Chief Executive Officer

The Chief Executive Officer's salary for 2004 was determined based upon a review of the salaries of Chief Executive Officers of similar companies of comparable size and capitalization and upon a review of the Chief Executive Officer's performance compared with the prior year and the 2003 budget. The Compensation Committee determined that the CEO's 2004 maximum bonus opportunity should remain unchanged from prior years, at a level of 100% of base salary. For 2005, the Compensation Committee determined that the CEO's 2005 maximum bonus opportunity should increase to 125% of base salary. No stock options were granted to Mr. Mihaylo to purchase Inter-Tel stock during 2004.

COMPENSATION COMMITTEE: J. Robert Anderson (Chairman), Gary D. Edens and C. Roland Haden
February 15, 2005

GOVERNANCE AND NOMINATING COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2004

The Corporate Governance and Nominating Committee is composed of four directors, all of whom meet the Nasdaq director independence standards. The Committee operates under a written charter adopted by the Board of Directors. A copy of the charter was filed with our proxy dated March 18, 2004 and this proxy may be found on Inter-Tel's website at www.inter-tel.com.

Composition of Board of Directors/ Nominees

The Committee recommends to the Board the nominees for all directorships to be filled by the Board. The Committee also reviews and makes recommendations to the Board on matters such as the size and composition of the Board in order to ensure the Board has the requisite expertise and its membership consists of persons with sufficiently diverse and independent backgrounds. Between annual shareholder meetings, the Board may elect directors to vacant Board positions to serve until the next annual meeting.

The Board proposes a slate of nominees for election to the Board at the annual meeting. Shareholders may also propose nominees (other than self-nominations) for consideration by the Committee by submitting the names, qualifications and other supporting information to: Secretary, Inter-Tel, Incorporated, 1615 S. 52nd Street, Tempe, AZ 85281. Properly submitted recommendations must be received at the Company's principal executive offices not less than 120 calendar days before the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting, to be considered by the Committee for inclusion in the following year's nominations for election to the Board. Properly submitted candidates will be evaluated in the same manner as those candidates recommended by other sources. All candidates are considered in light of the needs of the Board with due consideration given to the qualifications described below.

Qualifications

The Committee considers several qualifications when considering candidates for the Board. Among the most important qualities directors should possess are the highest personal and professional ethical standards, integrity and values. Candidates should be committed to representing the long-term interests of all of the shareholders. Directors must also have practical wisdom and mature judgment. Directors must be objective and inquisitive. Directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the Board for an extended period of time. Directors should also be prepared to offer their resignation in the event of any significant change in their personal circumstances that could affect the discharge of their responsibilities as directors of the Company, including a change in their principal job responsibilities.

Identification of Directors

The Committee conducts all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates as directors. It has the sole authority to retain and terminate any search firm to be used to assist it in identifying and evaluating candidates to serve as directors of the Company.

The Committee identifies candidates through a variety of means, including search firms, recommendations from members of the Committee and the Board, including the Chairman and Chief Executive Officer, and suggestions from Company management. Upon the recommendation of the Committee, Alexander Cappello and Agnieszka Winkler were nominated to the Board of Directors for election at the April 26, 2005 Annual Meeting of Shareholders. Both candidates were proposed directly by directors or members of the Governance and Nominating Committee and were selected from among several individuals considered by the Committee. The Chairman of the Committee, each Committee member, and several of the Company's executive officers, interviewed each of Ms. Winkler and Mr. Cappello prior to their nominations for election at the Annual Meeting of Shareholders.

Corporate Governance

The Committee reviews management's monitoring of compliance with the Company's Code of Business Conduct. In addition, the Committee has established a process for shareholders to send communications to the Board, as outlined in the Code of Business Conduct, which may be found on the Company's website at www.inter-tel.com. See the Corporate Governance section below for more information on our corporate governance practices.

Corporate Governance

Inter-Tel has operated under sound corporate governance practices for many years. We believe it is important to disclose to shareholders a summary of our major corporate governance practices. Some of these practices have been in place for many years. Others have been adopted in response to regulatory and legislative changes. We will continue to assess and refine our corporate governance practices and share them with you.

Director Independence

A majority of the directors must be independent directors under the Nasdaq rules. The Nasdaq rules provide that no director can qualify as independent unless the Board affirmatively determines that the director has no material relationship with the listed company. The Board has adopted the Nasdaq standards in determining whether or not a

director has a material relationship with the Company:

Based on these independence standards and all of the relevant facts and circumstances, the Board determined that, with the exception of Steven G. Mihaylo, all directors are considered independent.

Committee Charters/ Codes of Ethics

The Company has published in public filings listed on its website (inter-tel.com) the charter of each of the Audit, Compensation, and Corporate Governance and Nominating Committees of the Board, as well as its Code of Business Conduct, which apply to all officers and employees. Any waiver of, or amendments to, the

codes of ethics for directors or executive officers, including the chief executive officer and the chief financial officer must be approved by the Board of Directors and would be posted on the Company's website within four business days of any such waiver or amendment. Copies of each of the committee charters and the codes of ethics referred to above are also available by writing to our Investor Relations Department, 1615 S. 52nd Street, Tempe AZ 85281.

Executive Sessions of Non-Employee Directors

Independent directors ordinarily meet in executive session without management present at regularly scheduled Board meetings and may meet at other times at the discretion of the presiding independent director or at the request of any non-employee director. Jerry Chapman, an independent director, financial expert and Chairman of the Audit Committee, is the presiding independent director for the executive sessions of non-management directors. Additionally, all of the independent directors meet at least once annually without management or non-independent directors present.

Audit Committee

The Charter of the Audit Committee provides that a member of the Audit Committee generally may not serve on the audit committee of more than two other public companies. The Board has designated Jerry W. Chapman as an Audit Committee financial expert. Mr. Chapman meets the independence standards for audit committee members under the Nasdaq and SEC rules. The lead partner of the Company's independent public accountants is rotated at least every five years.

Board Committees

Only independent directors serve on the Audit, Compensation and Corporate Governance and Nominating Committees, in accordance with the independence standards of the Nasdaq rules and the Company's Corporate Governance Principles. The Board, and each committee of the Board, has the authority to engage independent consultants and advisors at the Company's expense.

Communications with the Board/ Annual Meeting Attendance

The Board has established a process by which shareholders may send communications to the Board. For a description of the manner in which you can send communications to the Board, please visit the Company's website (www.inter-tel.com). All members of the Board are requested to attend the annual meeting, unless unusual circumstances would prevent such attendance. All directors who were then members of the Board attended last year's annual meeting.
