Item 5. Other Events and Regulation FD Disclosure

On May 30, 2003, the Company acquired certain assets of John Brown Hydrocarbons Limited for cash consideration of approximately \$30 million and the assumption of certain liabilities. John Brown provides comprehensive engineering, program and construction management services in the offshore, onshore and pipeline sectors of the hydrocarbon industry, as well as for LNG terminals and flue gas desulfurization plants. John Brown has more than 600 employees in offices in London, Moscow, the Caspian Region and Canada, and generated revenues of approximately (pound sterling) 47,519,000 in 2002. This acquisition will expand the Company's presence in geographic areas with significant growth potential, in particular Russia, the Middle East and the Caspian Sea and expand the Company's capabilities into the upstream oil and gas sector.
