INDEPENDENT AUDITORS' REPORT

The NATCO Group Employee Benefits Administration Committee:

We have audited the accompanying statements of net assets available for plan benefits of the NATCO Group Profit Sharing and Savings Plan (the Plan) as of December 31, 2002 and 2001, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2002 and 2001, and changes in net assets available for plan benefits for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2002 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the

Edgar Filing: NATCO GROUP INC - Form 11-K

Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NATCO GROUP
PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements

December 31, 2002 and 2001

(1) DESCRIPTION OF THE PLAN

The following description of the NATCO Group Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution plan covering all eligible employees of National Tank Company (the Company), the Plan's sponsor, and adopting affiliates who have three months of continuous service and are age 18 or older. The Plan has been amended and restated effective as of January 1, 2002 and was further amended on December 20, 2002. The Plan is administered by the NATCO Group Employee Benefits Administration Committee (the Committee) appointed by the Company's board of directors and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). UMB Bank, N.A. serves as trustee of the Plan. The assets of the Plan are held and invested by UMB Bank, N.A., American Century Investments, Schwab Institutional Investments, and SEI Trust Company. J.P. Morgan/American Century Retirement Plan Services is the recordkeeper for the Plan.

(b) CONTRIBUTIONS

Edgar Filing: NATCO GROUP INC - Form 11-K

Each year, participants may contribute from 1% to 50% of their pre-tax annual compensation, as defined by the Plan document, to the Plan. Participant contributions up to 3% of each participant's compensation are matched 100% by the Company, with an additional 2% of each participant's compensation matched at 50%. The Company may also contribute an additional matching contribution to the Plan at the discretion of the Company's board of directors equal to such amount determined at its discretion as a percentage of each participant's compensation. In no event shall the aggregate employer matching contributions for any Plan year exceed 6% of the participant's compensation. In addition, the Company may make an employer discretionary contribution at the discretion of the Company's board of directors. The employer discretionary contribution is allocated to participants based on the ratio of their compensation to all eligible participant's compensation. The Company's board of directors did not elect to make an employer additional matching contribution or discretionary contribution for the 2002 Plan year. Employer contributions may be made either in NATCO Group Inc. common stock, cash or a combination of both.

Participants who are age 50 or older before the close of the Plan year may elect to make a catch-up contribution, subject to certain limitations under the Internal Revenue Code (\$1,000 per participant in 2002).

Employees are permitted to rollover money held in other qualified plans into the Plan, as specified in the Plan document.

NATCO GROUP PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements

December 31, 2002 and 2001

(c) INVESTMENT OPTIONS

Each participant can elect to invest all or a portion of his or her contributions among any of the available 13 registered investment companies or the common/collective trust offered by American Century Investments or Company common stock. Participants may also invest up to 50% of their account through the Schwab Personal Choice Retirement Account (Personal Choice Account) offered by Schwab Institutional Investments. The Personal Choice Account allows participants to invest in additional registered investment companies and individual stocks subject to certain minimum balance requirements and other restrictions, as defined in the Plan document.

(d) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and employer matching contributions and allocations of the employer discretionary contributions, if any, and Plan earnings or losses, and charged with an allocation of

Edgar Filing: NATCO GROUP INC - Form 11-K

administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) VESTING

Each participant's pre-tax contributions, after-tax contributions from prior plans, rollovers, employer contributions made beginning January 1, 1999 and the earnings thereon are fully vested. Employer contributions made before January 1, 1999 and the earnings thereon become fully vested upon reaching age 65, disability, or death. Participants otherwise vest in employer contributions made before January 1, 1999 and the earnings thereon as follows:

YEARS OF VESTING SERVICE	PERCENTAGE VESTED
Less than 2	--
2	50
3	75
4	100

Forfeited nonvested accounts are used by the Company to reduce future employer matching contributions.

(f) PARTICIPANT LOANS RECEIVABLE

Participants may borrow from their participant accounts a minimum of \$1,000 and a maximum of the lesser of \$50,000 (reduced by the highest outstanding balance of loans from the Plan in the prior twelve months) or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through biweekly payroll deductions over a period of one to five years, unless the loan qualifies as a principle residence loan, for which the term may be greater than five years, as specified under the Plan.

NATCO GROUP
PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements

December 31, 2002 and 2001

(g) IN-SERVICE WITHDRAWALS

While employed, a participant may make withdrawals from their after-tax and rollover accounts and certain prior plan accounts, as defined in the Plan document. Certain additional in-service

Edgar Filing: NATCO GROUP INC - Form 11-K

withdrawals are permitted upon attainment of age 59-1/2 and proven financial hardship.

(h) PAYMENT OF BENEFITS

Upon retirement, death, or disability, participants or beneficiaries are entitled to a distribution equal to the total value of their accounts. On termination of service, participants may elect to receive a lump-sum amount equal to the vested value of their account or, if vested benefits exceed \$5,000, defer distribution until normal retirement age or death. Participants with holdings in NATCO Group Inc. common stock may request the distribution from the NATCO Group Inc. common stock fund in the form of common stock.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in registered investment companies and common stocks are valued at fair value, based upon quoted market values. Participant loans receivable are valued at cost which approximates fair value. The Plan's investment in the common/collective trust fund is stated at fair value, which is determined by quoted market prices of underlying securities. The American Century Stable Asset Fund (the Fund), which is a common/collective trust, is valued at \$1 per unit. The Fund invests a substantial portion of its assets in guaranteed investment contracts, bank investment contracts, and synthetic investment contracts (the Contracts). Although the Contracts of the Fund are fully benefit-responsive, the Fund is not fully benefit-responsive due to certain restrictions and limitations on withdrawals from the Fund. For the year ended December 31, 2002, the annual rate of return for the American Century Stable Asset Fund was 5.36%.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends are recorded on the ex-dividend date.

Net depreciation in fair value of NATCO Group Inc. common stock, registered investment companies, and the Personal Choice Account include realized gains (losses) from the sale of investments and unrealized appreciation (depreciation) resulting from changes in market value.

Edgar Filing: NATCO GROUP INC - Form 11-K

(c) RISKS AND UNCERTAINTIES

The Plan, through it's participants, may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term.

(d) USE OF ESTIMATES

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Company to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

(e) PAYMENT OF BENEFITS

Benefits are recorded when paid.

(f) ADMINISTRATIVE EXPENSES

All cost and expenses of administering the Plan are paid by the Company, except transaction expenses incurred by participants withdrawing loans or investing in the Personal Choice Account, which are charged to the accounts of participants initiating such transactions.

(3) INVESTMENTS

The following table represents the fair value of individual investments which exceed 5% of the Plan's net assets as of December 31, 2002 and 2001:

	2002	2001
	-----	-----
American Century Investments:		
Balanced Fund	\$2,115,432	\$2,410,818
Equity Index Fund	1,916,662	2,504,777
Heritage Fund	3,894,294	4,456,950
Stable Asset Fund	4,272,904	3,497,070
Ultra Fund	7,116,640	8,517,610
Vista Fund	2,365,286	2,810,520

(4) NATCO GROUP INC. COMMON STOCK AND VOTING RIGHTS

The NATCO Group Inc. common stock fund consists of shares of NATCO Group Inc. common stock and units of the UMB Bank Scout Prime Fund.

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the trustee prior to the time that such rights are to be exercised. If the participant does not exercise these rights, the shares are voted by the trustee as directed by the Committee.

Edgar Filing: NATCO GROUP INC - Form 11-K

Participants also have voting rights with respect to their investments through the Personal Choice Account.

7

NATCO GROUP PROFIT SHARING AND SAVINGS PLAN

Notes to Financial Statements

December 31, 2002 and 2001

(5) FEDERAL INCOME TAX

A favorable determination letter from the Internal Revenue Service was received on January 29, 2003, which states that the Plan is designed to be qualified under Section 401(a) of the Internal Revenue Code (IRC), and the related trust is, therefore, exempt from taxation under Section 501(a) of the IRC. The document submitted for determination has been subsequently amended. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

(6) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the assets of the Plan may be used exclusively for the benefit of participants and their beneficiaries. Upon termination of the Plan, participants become 100% vested.

(7) PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of the NATCO Group Inc. common stock. As NATCO Group Inc. is the parent company of the Plan's sponsor, these transactions qualify as party-in-interest transactions. In addition, certain Plan investments are shares of registered investment companies' funds and a common/collective trust fund issued by American Century Investments. As American Century Investments is an affiliate of J.P. Morgan/American Century Retirement Plan Services, the Plan's record keeper, these transactions qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.
