Item 4.01. Changes in Registrant's Certifying Accountant

On September 8, 2004, Deloitte & Touche LLP ( Deloitte ) notified Nara Bancorp, Inc. (the Company ) of its resignation as the Company's independent registered public accounting firm, effective immediately. The Audit Committee is in discussion with a number of independent registered public accounting firms and expects to select a new registered public accounting firm for the Company in the near term to replace Deloitte.

The reports of Deloitte on the consolidated financial statements of the Company and its subsidiaries for the Company's last two fiscal years did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified as to uncertainty or audit scope in any respect. The reports did contain an explanatory paragraph relating to the Company's change during the year ended December 31, 2002 in its method of accounting for goodwill and other intangible assets resulting from changes in accounting principles to conform to Statement of Financial Accounting Standards No. 142.

The decision to resign was made by Deloitte and, accordingly, no action was taken by the Company's audit committee to recommend or approve this change of accountants. During the Company's two most recent fiscal years and the subsequent interim period through September 8, 2004 there were no disagreements between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure which disagreements, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference thereto in Deloitte's report on the Company's financial statements for such periods. In addition, no reportable events, as defined in Item 304 (a) (1) (v) of Regulation S-K, occurred during the Company's two most recent fiscal years and the subsequent interim period through September 8, 2004. The Company has requested that Deloitte furnish it with a letter addressed to the Securities and Exchange Commission stating that it agrees with the above statements. A copy of such letter is attached hereto as Exhibit 16.1
