PROXY STATEMENT

**for the
2004 Annual General Meeting of Shareholders
June 28, 2004**

Our Board of Directors is soliciting proxies for the 2004 Annual General Meeting of Shareholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

The Board set May 21, 2004 as the record date for the meeting. Shareholders of record who are registered in the register of members on that date are entitled to vote at and attend the meeting, with each share entitled to one vote. 50,229,709 ordinary shares were outstanding on the record date.

Voting materials, which include this Proxy Statement, a proxy card and the 2004 Annual Report, will be mailed to shareholders on or about May 28, 2004.

In this Proxy Statement:

We, us, our, SINA and the Company refer to SINA Corporation

Annual General Meeting or Meeting means our 2004 Annual General Meeting of Shareholders

Board of Directors or Board means our Board of Directors

SEC means the Securities and Exchange Commission

We have summarized below important information with respect to the Annual General Meeting.

Time and Place of the Annual General Meeting

The Annual General Meeting is being held on Monday, June 28, 2004 at 10:00 a.m. local time at the Four Seasons Hotel located at 500 Wei Hai Road, Shanghai, China.

All shareholders who owned shares in the capital of the Company as of May 21, 2004, the record date, may attend the Annual General Meeting.

Purpose of the Proxy Statement and Proxy Card

You are receiving a Proxy Statement and proxy card from us because you owned shares of our ordinary shares on May 21, 2004, the record date. This Proxy Statement describes issues on which we would like you, as a shareholder, to vote. It also gives you information on these issues so that you can make an informed decision.

Edgar Filing: SINA CORP - Form DEF 14A

When you sign the proxy card, you may appoint Charles Chao and Edward Wu as your representatives at the Meeting or such other individual that you choose to name. If you name Charles Chao, our Chief Financial Officer, and Edward Wu, our Vice President and General Counsel, as your representatives at the Meeting, they will vote your shares, as you have instructed them on the proxy card, at the Meeting. This way, your shares will be voted whether or not you attend the Annual General Meeting. Even if you plan to attend the Meeting it is a good idea to complete, sign and return your proxy card in advance of the Meeting in case your plans change.

Table of Contents

Proposals to be Voted on at this Year's Annual General Meeting

At the meeting, ordinary resolutions will be proposed as follows:

The election of four Directors.

The ratification of the appointment of PricewaterhouseCoopers as our independent auditors for the current fiscal year.

In addition, the Meeting will transact any other business properly brought before the Meeting.

The Board of Directors recommends a vote FOR each proposal.

Voting Procedure

You may vote by mail.

To vote by mail, please sign your proxy card and return it in the enclosed, prepaid and addressed envelope at least 48 hours prior to the Meeting. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct.

You may vote in person at the Meeting.

We will pass out written ballots to anyone who wants to vote at the Meeting. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the Meeting. Holding shares in street name means your shares in the capital of the Company are held in an account by your stockbroker, bank, or other nominee, and the share certificates and record ownership are not in your name. If your shares are held in street name and you wish to attend the Annual General Meeting, you must notify your broker, bank or other nominee and obtain the proper documentation to vote your shares at the Annual General Meeting.

You may change your mind after you have returned your proxy.

If you change your mind after you return your proxy, you may revoke your proxy up to two hours before the Meeting or later in the discretion of the Chairman of the Meeting. You may do this by:

submitting a notice of revocation,

signing another proxy with a later date, or

voting in person at the Annual General Meeting.

Multiple Proxy Cards

If you received more than one proxy card, it means that you hold shares in more than one account. Please sign and return all proxy cards to ensure that all your shares are voted.

Quorum Requirement

Shares are counted as present at the Meeting if the shareholder either:

is present in person at the meeting, or

has properly submitted a proxy card.

Edgar Filing: SINA CORP - Form DEF 14A

One-third of our outstanding shares as of the record date must be present at the Meeting (either in person or by proxy) in order to hold the Annual General Meeting and conduct business. This is called a quorum.

Consequences of Not Returning Your Proxy; Broker Non-Votes

If your shares are held in your name, you must return your proxy (or attend the Annual General Meeting in person) in order to vote on the proposals. If your shares are held in street name and you do not vote your

Table of Contents

proxy, your brokerage firm, if it is a registered broker with the New York Stock Exchange (NYSE), may either:

vote your shares on routine matters, or

leave your shares unvoted.

Under the NYSE rules that govern NYSE-registered brokers who have record ownership of shares that are held in street name for their clients, brokers may vote such shares on behalf of their clients with respect to routine matters (such as the election of directors or the ratification of auditors), but not with respect to non-routine matters (such as a proposal submitted by a shareholder). If the proposals to be acted upon at any meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that vote FOR the routine matters, but expressly states that the broker is not voting on non-routine matters. This is called a broker non-vote.

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast.

We encourage you to provide instructions to your brokerage firm by voting your proxy. This ensures that your shares will be voted at the Meeting.

Effect of Abstentions

Abstentions are counted as shares that are present for the purposes of determining the presence of a quorum, but are not counted as votes for or against any matter submitted to the shareholder for a vote.

Required Vote

Assuming a quorum is present, the election of each of the four nominees as directors and the ratification of the independent accountants will require the affirmative vote of a majority of shares voting either in person or cast by proxy at the Meeting.

Vote Solicitation; No Use of Outside Solicitors

SINA Corporation is soliciting your proxy to vote your shares at the Annual General Meeting. In addition to this solicitation by mail, our directors, officers, and other employees may contact you by telephone, Internet, in person or otherwise to obtain your proxy. These persons will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners. We will reimburse these entities and our transfer agent for their reasonable out-of-pocket expenses in forwarding proxy material. We have not retained the services of a proxy solicitor.

Vote Tabulation

Votes cast by proxy or in person at the Annual General Meeting will be counted by the Inspector of Elections with the assistance of our transfer agent. The Inspector of Elections will also determine whether a quorum is present at the Annual General Meeting.

The shares represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual General Meeting. If the proxy card specifies a choice with respect to any matter to be acted on, the shares will be voted in accordance with that specified choice. Any proxy card which names Charles Chao and Edward Wu as your representatives and is returned but not marked will be voted FOR each of the director nominees, FOR each of the other proposals discussed in this Proxy Statement, and as the proxy holders deem desirable for any other matters that may come before the Meeting. Broker non-votes will not be considered as voting with respect to any matter for which the broker does not have voting authority.

Publication of Voting Results

We will announce preliminary voting results at the Meeting. We will publish the final results in our quarterly report on Form 10-Q for the quarterly period ending June 30, 2004, which we will file with the Securities and Exchange Commission (the *SEC*). You can obtain a copy by contacting our Investor Relations Department at +86-21-62895678 extension 6089, or visiting our corporate web site at www.corp.sina.com. You may also obtain a copy by contacting the SEC at (800) 732-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov.

Other Business

We do not know of any business to be considered at the 2004 Annual General Meeting other than the proposals described in this Proxy Statement. However, because we did not receive notice of any other proposals to be brought before the meeting by March 31, 2004, if any other business is properly presented at the Annual General Meeting, your signed proxy card gives authority to your proxy to vote on such matters at their discretion.

Proposals for 2005 Annual General Meeting

We anticipate that our 2005 Annual General Meeting will be held in June 2005. To have your proposal included in our proxy statement for the 2005 Annual General Meeting, you must submit your proposal in writing by January 15, 2005 to Charles Chao, CFO, SINA Corporation, Room 1802, United Plaza, No. 1468 Nanjing West Road, Shanghai 200040, China.

If you submit a proposal for the 2005 Annual General Meeting after April 1, 2005, management may or may not, at their discretion, present the proposal at the meeting, and the proxies for the 2005 Annual General Meeting of Shareholders will confer discretion on the management proxy holders to vote against your proposal.

Each shareholder's notice must contain the following information as to each matter the shareholder proposes to bring before the annual meeting: (a) as to each person whom the shareholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and appropriate biographical information and a statement as to the qualification of the nominee; (b) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such shareholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such shareholder, as they appear on the Company's books, and of such beneficial owner and (ii) the number of shares of the Company's ordinary shares which are owned beneficially and of record by such shareholder and such beneficial owner.

A copy of the full text of the provisions of the Company's Articles of Association dealing with shareholder nominations and proposals is available to shareholders from the Secretary of the Company upon written request.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

We have nominated four candidates for election to the Board this year. Detailed information on each of the nominees, as well as our other directors and executive officers is provided in the Management Section of this Proxy Statement which begins on page 8.

Our Articles of Association currently authorize a Board of not less than two directors and the classification of the Board into three classes serving staggered terms. At each annual general meeting, the terms of one class of directors will expire. The directors whose terms expire each year will be those who have been in office the longest since their last election. A director whose term is expiring will remain in office until the close of the meeting at which his or her term expires, and will be eligible for re-election at that meeting. The Company currently has nine directors.

The Class II directors whose terms expire at the Annual General Meeting are Daniel Chiang, Ter Fung Tsao and Song-Yi Zhang. Assuming that the size of our board remains between 7 and 9 members, the Class III directors whose terms expire at our 2005 Annual General Meeting are Pehong Chen, Lip-Bu Tan and Yichen Zhang. Assuming that the size of our board remains between 7 and 9 members, the Class I Directors whose terms expire at our 2006 Annual General Meeting are Yongji Duan, Yan Wang and Xiaotao Chen.

At the Annual General Meeting, the shareholders will elect a total of four directors, three of whom shall be Class II directors and one of whom shall be a Class I director. If elected, the Class II directors will serve until the 2007 Annual General Meeting, and the Class I director will serve until the 2006 Annual General Meeting. In the event any nominee is unable or unwilling to serve as a director at the time of the Annual General Meeting, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of the nominees named without nomination of a substitute, or the size of the Board may be reduced in accordance with our Articles of Association. The Board has no reason to believe that any of the persons named below will be unable or unwilling to serve as a nominee or as a director if elected.

Required Vote

Assuming a quorum is present, the election of each of the four nominees as directors will require the affirmative vote of a majority of shares cast in person or cast by proxy at the Meeting. Unless marked otherwise where Charles Chao or Edward Wu is appointed as proxy, proxies received will be voted FOR the election of each of the four nominees named below. In the event that additional persons are nominated for election as directors, where Charles Chao and Edward Wu are appointed as proxy holders, they intend to vote all proxies received by them in such a manner as will ensure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders.

Director Nomination

Criteria for Board Membership. The Company does not have a nominating committee; however, beginning from the date of our 2004 Annual General Meeting of Shareholders, the members of the Board who are independent under the current rules of the Nasdaq Stock Market (Yongji Duan, Pehong Chen, Lip-Bu Tan, Ter Fung Tsao, Yichen Zhang, Xiaotao Chen, and Song-Yi Zhang) will be responsible for selecting candidates for appointment or re-election to the Board. In making such selections, this group of independent members of the Board (the *Selection Body*) will consider the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seek to insure that at least a majority of the directors are independent under the rules of the Nasdaq Stock Market, and that members of the Company's audit committee meet the financial literacy and sophistication requirements under the rules of the Nasdaq Stock Market. Nominees for director will be selected on the basis of their depth and breadth of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties. The Selection Body does not have a charter.

Shareholder Nominees. The Selection Body will consider written proposals from shareholders for nominees for director, provided such proposals meet the requirements described herein and in our Articles of Association. Any such nominations should be submitted to the Selection Body c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the shareholders making the nomination and the number of shares of the Company's ordinary shares which are owned beneficially and of record by such shareholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Articles of Association of the Company and under the caption, "Proposals for 2005 Annual General Meeting" above.

Process for Identifying and Evaluating Nominees. The Selection Body believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Selection Body will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual general shareholder meetings, the Selection Body will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on

Table of Contents

input from members of the Board, senior management of the Company and, if the Selection Body deems appropriate, a third-party search firm. The Selection Body will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the Selection Body. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the Selection Body will evaluate which of the prospective candidates is qualified to serve as a director and whether it should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board or be presented for the approval of the shareholders, as appropriate.

The Selection Body expects to use a similar process to evaluate nominees recommended by shareholders. However, to date, the Company has not received a shareholder proposal to nominate a director.

Board Nominees for the 2004 Annual Meeting. Each of the nominees listed in this Proxy Statement are current directors standing for re-election, other than Xiaotao Chen and Song-Yi Zhang. Xiaotao Chen and Song-Yi Zhang, two of the nominees for this 2004 Annual General Meeting, were elected by the Board of Directors in April 2004, after a search of candidates conducted by our chief executive officer and certain of our non-management directors, and upon the recommendation of our chief executive officer and certain of our non-management directors. After careful consideration and interviews with each of the other members of the Board, the Board of Directors unanimously approved their appointment to the Board in April 2004.

Table of Contents**Change of Control Agreements**

On November 27, 2000, the Company entered into change of control agreements with Yan Wang and Hurst Lin. On February 1, 2001, the Company entered into a change of control agreement with Charles Chao. In these agreements, the Company agreed to accelerate the vesting of all of these employees' options upon a change of control in which the successor corporation does not assume such outstanding options. In addition, in connection with a termination without cause or resignation for good reason (as defined in the agreements) following a change of control, these employees will be entitled to a lump sum payment equal to their annual salary and projected bonus as well as a pro-rated amount of their bonus for the calendar or fiscal year of such departure.

OPTION GRANTS IN LAST FISCAL YEAR

The following table sets forth certain information for the twelve-month period ended December 31, 2003 with respect to grants of stock options to each of the Named Executive Officers. No stock appreciation rights were granted to the Named Executive Officers during 2003. Except for the options granted under our 1999 Directors' Stock Option Plan to our Directors, all options granted by us during 2003 were granted under our 1999 Stock Plan and 1999 Executive Stock Plan. We granted to employees options to purchase ordinary shares equal to a total of 2,002,550 shares during 2003. Options were granted at an exercise price equal to the fair market value of our ordinary shares.

These options have a term of 10 years, but are subject to earlier termination in connection with termination of employment. Optionees may pay the exercise price by cash, check, or delivery of already-owned ordinary shares in the capital of the Company. Options granted to the Named Executive Officers vest over a four-year term with 12.5% of the options vesting on the sixth month anniversary of the date of the grant and the remaining options vesting ratably on a monthly basis over the remaining terms of the options. For a discussion of treatment of certain options in the event of a change in control transaction, see the discussion under "Change of Control Agreements".

Potential realizable values are net of exercise price before taxes, and are based on the assumption that our ordinary shares appreciate at the annual rate shown, compounded annually, from the date of grant until the expiration of the 10-year term. These numbers are calculated based on SEC requirements and do not reflect our projection or estimate of future stock price growth. Actual gains, if any, on stock option exercises will be dependent on the future performance of our ordinary shares. Unless the market price of the ordinary shares appreciates over the option term, no value will be realized from the option grants made to executive officers.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

During the twelve-month period ended December 31, 2003, the Compensation Committee of our Board of Directors (the Committee) consisted of Mr. Pehong Chen, Mr. Lip-Bu Tan and Mr. Yongji Duan. Except for Mr. Duan, the members of the Compensation Committee are independent non-employee directors.

The following is a report of Committee describing the compensation policies applicable to the Company's executive officers during the twelve-month period ended December 31, 2003. The Committee is responsible for establishing and monitoring the general compensation policies and compensation plans of the Company, as well as the specific compensation levels for executive officers. It also administers the granting of options to executive employees under the Company's stock option plans. Executive officers who are also directors have not participated in deliberations or decisions involving their own compensation.

Table of Contents

General Compensation Policy

Under the supervision of the Board of Directors, the Company's compensation policy is designed to attract and retain qualified key executives critical to the Company's growth and long-term success. It is the objective of the Board of Directors to have a portion of each executive's compensation contingent upon the Company's performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of three elements: (i) base salary which reflects individual performance and expertise, (ii) variable bonus awards payable in cash and tied to the achievement of certain performance goals that the Board of Directors establishes from time to time for the Company and (iii) long-term stock-based incentive awards which are designed to strengthen the mutuality of interests between the executive officers and the Company's shareholders.

The summary below describes in more detail the factors which the Board of Directors considers in establishing each of the three primary components of the compensation package provided to the executive officers.

Base Salary

The level of base salary is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at companies which compete with the Company for business and executive talent, and the incentives necessary to attract and retain qualified management. Base salary is adjusted each year to take into account the individual's performance and to maintain a competitive salary structure. Company performance does not play a significant role in the determination of base salary.

Cash-Based Incentive Compensation

Cash bonuses are awarded on a discretionary basis to executive officers on the basis of their success in achieving designated individual goals and the Company's success in achieving specific company-wide goals.

Long-Term Incentive Compensation

The Company has utilized its stock option plans to provide executives and other key employees with incentives to maximize long-term shareholder values. Awards under this plan by the Board of Directors take the form of stock options designed to give the recipient a significant equity stake in the Company and thereby closely align his or her interests with those of the Company's shareholders. Factors considered in making such awards include the individual's position in the Company, his or her performance and responsibilities, and comparability considerations.

Each option grant allows the executive officer to acquire shares of ordinary shares at a fixed price per share (the fair market value on the date of grant) over a specified period of time (up to 10 years). The options typically vest in periodic installments over a four-year period, contingent upon the executive officer's continued employment with the Company, although exceptions may be made when deemed necessary or appropriate. Accordingly, the option will provide a return to the executive officer only if he or she remains in the Company's service, and then only if the market price of the ordinary shares appreciates over the option term. In addition to the stock option plans, executive employees are eligible to participate in the Company's 1999 Employee Stock Purchase Plan.

Compensation of the Chief Executive Officer

Yan Wang was appointed as the Company's Chief Executive Officer in May 2003.

The factors discussed above in Base Salaries, Cash-Based Incentive Compensation, and Long-Term Incentive Compensation were also applied in establishing the amount of Mr. Wang's salary and stock option grant. Significant factors in establishing Mr. Wang's compensation include his performance and responsibilities, and comparability considerations. Mr. Wang's base salary for the twelve-month period ended December 31, 2003 was \$144,980. Mr. Wang received \$28,996 in cash-based incentive compensation based on

Table of Contents

achievement by the Company of quarterly performance metrics set by the Board. In addition, he received \$6,133 as a housing allowance.

Deductibility of Executive Compensation

The Committee has considered the impact of Section 162(m) of the Internal Revenue Code adopted under the Omnibus Budget Reconciliation Act of 1993, which section disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, respectively, unless such compensation meets the requirements for the performance-based exception to Section 162(m). As the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million and the Committee believes that options granted under the Company's 1999 Stock Plan and 1999 Executive Stock Plan to such officers will meet the requirements for qualifying as performance-based, the Committee believes that Section 162(m) will not affect the tax deductions available to the Company with respect to the compensation of its executive officers. It is the Committee's policy to qualify, to the extent reasonable, its executive officers' compensation for deductibility under applicable tax law.

However, the Company may from time to time pay compensation to its executive officers that may not be deductible.

Shareholders Sharing the Same Address

In accordance with notices previously sent to many shareholders who hold their shares through a bank, broker or other holder of record (a street-name shareholder) and share a single address, only one annual report and proxy statement is being delivered to that address unless contrary instructions from any shareholder at that address were received. This practice, known as householding, is intended to reduce the Company's printing and postage costs. However, any such street-name shareholder residing at the same address who wishes to receive a separate copy of this Proxy Statement or accompanying Annual Report to Shareholders may request a copy by contacting the bank, broker or other holder of record, or the Company by telephone at: +86-21-62895678 extension 6089. The voting instruction sent to a street-name shareholder should provide
