PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished to stockholders of Sterling Construction Company, Inc., a Delaware corporation (Sterling or the Company) in connection with the solicitation of proxies by the Board of Directors of the Company (the Board of Directors) for use at the Annual Meeting of Stockholders to be held at 3:00 p.m. local time on August 11, 2004, at the offices of Sterling Construction Company, Inc., 20810 Fernbush Lane, Houston, TX 77073 or at any adjournment thereof (the Annual Meeting). Proxies in the form enclosed will be voted at the Annual Meeting if they are properly executed, returned to the Company prior to the Annual Meeting and not revoked prior to the voting.

A copy of the Company s Annual Report on Form 10-K for the year ended December 31, 2003, as well as the Quarterly Report on Form 10-Q for the first fiscal quarter ended March 31, 2004, which contains financial statements and other information of interest to stockholders and accompanies the Notice of Annual Meeting and this Proxy Statement, is being mailed to stockholders on or about July 19, 2004.

Votes Required and Voting Procedure

Quorum. The holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting constitute a quorum for the transaction of business at the Annual Meeting. Holders of shares of common stock present in person or represented by proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether there is a quorum at the Annual Meeting.

Proxies. All proxies will be voted in accordance with the instructions of the stockholder. If no choice is specified, the proxies will be voted FOR the election of the directors listed on the proxy and in the discretion of management as to any other matters to come before the Annual Meeting. Any proxy may be revoked by a stockholder at any time before its exercise by delivering to the Secretary of the Company a written revocation, by submitting a subsequently dated proxy, or by voting in person at the meeting. Attendance at the Annual Meeting will not itself be deemed to revoke a proxy unless the stockholder gives affirmative notice at the Annual Meeting that the stockholder intends to revoke the proxy and vote in person.

Record Date. On June 16, 2004, the date for the determination of stockholders of record entitled to vote at the Annual Meeting, there were 5,326,858 shares of common stock, \$.01 par value per share, outstanding and entitled to vote at the Annual Meeting. Each share of common stock entitles the record holder to one vote on each of the matters to be voted upon at the Annual Meeting.

Vote Required. Of the holders of shares who are entitled to vote and who are present or represented by proxy at the Annual Meeting, the affirmative vote of the holders of a plurality of the shares voted is required for the election of the directors. This means that the two director nominees with the most votes will be elected.

Voting Procedure. The shares of holders who abstain from voting as to a particular matter, and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of a matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect in the voting on the election of the directors.

Table of Contents**Proxy Solicitation and Expenses**

The accompanying proxy is being solicited on behalf of the Board of Directors. The expense of preparing, printing and mailing the form of proxy and the solicitation materials will be borne by the Company. In addition to the use of the mails, proxies may be solicited by directors, officers and employees of the Company, and if deemed necessary, through a third party solicitation agent by means of personal interview, telephone, facsimile or e-mail. The Company will request banks, brokerage houses and other custodians, nominees and fiduciaries to solicit their customers who are beneficial owners of common stock and to forward solicitation materials to such beneficial owners. The Company will reimburse them for their reasonable out-of-pocket expenses incurred in such solicitation.

PROPOSAL I ELECTION OF DIRECTORS

The By-laws of the Company provide for such number of directors as is determined from time to time by the Board of Directors. Section 2 of Article SEVENTH of the Amended and Restated Certificate of Incorporation of the Company provides that directors shall be divided into three classes, as nearly equal in number as reasonably possible; with each class having a full term of three years. The Company currently has a seven member Board of Directors. All directors hold office until the expiration of their terms and until their successors are duly elected and qualified, except in the case of death, resignation or removal of a director.

The Company has elected not to establish a standing nominating committee. In lieu of a nominating committee, the independent directors of the Company identify candidates to succeed each director whose term of office expires at the Annual Meeting of Stockholders. The independent directors evaluate the candidates' qualifications and will recommend to the Board of Directors the candidates they have selected, which may include directors whose term of office is expiring. The full Board of Directors will nominate from among the candidates one person to succeed each director whose term of office expires at the Annual Meeting of Stockholders.

Three directors of the Company are to be elected as Class III directors for a three-year term. The nominees are Robert M. Davies, Maarten D. Hemsley and Christopher H.B. Mills. Mr. Davies has been a director of the Company since 1996; was the Company's Chairman and Chief Executive Officer from May 1997 to July 23, 2001 and the Company's President from May 1997 to January 1999. Mr. Hemsley has been a director of the Company since 1998 and serves as the Company's Chief Financial Officer. He was previously a director and officer of the Company from 1988 until 1995. Mr. Mills was elected to the Board of Directors in July 2001 and serves as a member of the Audit Committee and Compensation Committee. Certain information with respect to the nominees' ages and background is set forth below.

The persons named in the enclosed proxy will vote to elect each of the nominees named above unless the proxy is marked otherwise. Each of the nominees has indicated his willingness to serve, if elected; however, if any nominee should be unable to serve, the proxy holder may vote the proxy for a substitute nominee. The Board of Directors has no reason to believe that any of the nominees will be unable to serve if elected. The enclosed proxy cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

The Board of Directors unanimously recommends a vote *for* the election of the nominees.

Mr. Patrick T. Manning. Mr. Manning is Chairman of the Board and Chief Executive Officer of the Company. TSC employs Mr. Manning under a three-year employment agreement dated July 18, 2001, which on its expiration in July 2004 was extended by the Board pending finalization of a new agreement. The agreement provides for a base

annual salary of \$200,000 and Mr. Manning is entitled to receive an annual bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of approved budgeted Earnings Before Interest, Taxes, Depreciation and Amortization (EBITDA) for such fiscal year, so long as budgeted EBITDA is at least equal to actual EBITDA achieved in the prior year. An additional incentive bonus is payable if actual performance exceeds budget; a total bonus of \$300,000 was paid in respect of fiscal 2002 and a similar amount was paid in respect of fiscal 2003. The agreement also provides that Mr. Manning shall be subject to a non-compete provision for two years after employment with SHH ceases, payment for which shall be \$1,000 per month for the twenty-four month period.

Mr. Joseph P. Harper Sr. Mr. Harper is President and Chief Operating Officer of the Company. Mr. Harper is entitled to receive an annual bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of approved budgeted EBITDA for such fiscal year, so long as budgeted EBITDA is at least equal to actual EBITDA achieved in the prior year. An additional incentive bonus is payable if actual performance exceeds budget; a total bonus of \$300,000 was paid in respect of fiscal 2002 and a similar amount was paid in respect of fiscal 2003. The agreement also provides that Mr. Harper shall be subject to a non-compete provision for two years after employment with SHH ceases, payment for which shall be \$1,000 per month for the twenty-four month period.

Table of Contents

Company and entered into a consulting agreement with the Company through his wholly owned company, Bryanston Management, Ltd. In December 1998, Mr. Hemsley was again elected to the Board of Directors and was appointed President, Chief Operating Officer and Chief Financial Officer of the Company subject to an employment agreement at the same rate of compensation as the Bryanston consulting agreement of \$85,000 per year (of which 10% was later deferred under a voluntary salary reduction, which deferral amount was converted into a subordinated note in July 2001). In December 1998, Mr. Hemsley also entered into a two-year employment agreement with a subsidiary of the Company, Oakhurst Technology, Inc. (OTI), which provided for an annual base salary of \$40,000, plus a car allowance. Both the Sterling and OTI employment agreements expired on February 28, 2001. The Sterling employment agreement continued on a month-to-month basis until July 2001, when, in connection with the closing of the Sterling Transaction (as hereinafter defined) the agreement was amended to extend the employment period for one year at an annual base salary of \$76,500. In July 2002, Mr. Hemsley's employment agreement was extended for three years and his salary was increased to \$85,000 per year.

Mr. Terrance W. Allan. Mr. Allan is President and Chief Executive Officer of SCPI. SCPI has an employment agreement with Mr. Allan that commenced May 1, 2000 that provided for a base salary of \$133,000 with annual salary increases through September 2002. Payment of the increase due September 2001 and part of his regular salary was voluntarily deferred by Mr. Allan in light of the Chapter 11 filing of Ames Department Stores, one of SCPI's largest customers. The deferral was reflected as an accrued liability of the Company. In January 2002, salary payments to Mr. Allan resumed at the contracted level and he began receiving payment of previously deferred amounts. In January 2002, the bonus provisions of Mr. Allan's employment agreement were modified to reflect his participation in a new bonus plan for all members of SCPI's management. Pursuant to the new bonus program, Mr. Allan is entitled to a profit-based bonus reflecting achievement of budgeted EBITDA. In addition, the new bonus program entitles all eligible employees of SCPI, including Mr. Allan, to a discretionary bonus of up to one-third of the profit-based bonus paid. The initial term of Mr. Allan's agreement expired on September 30, 2003, but the agreement continues on a year-to-year basis unless either the Company or Mr. Allan elects to terminate it by giving notice of termination 90 days prior to September 30 in any year. In May 2004 Mr. Allan's agreement was amended to extend his employment through September 30, 2005, with an increase in his compensation to \$150,000 effective October 1, 2004.

Management is responsible for preparing the Company's financial statements, and the Auditors are responsible for auditing those financial statements. The Audit Committee has oversight responsibilities with respect to those two activities. The Audit Committee reviews the Company's financial reports and other financial information, the Company's internal accounting and financial controls, its controls and procedures relating to public disclosure of information, and the audit of the Company's financial statements by the Company's independent auditors.

The Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the audited financial statements be included in the Company s Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Upon the Company's listing of its common stock on the American Stock Exchange, Mr. Frickel agreed to step down from service on the Audit Committee effective no later than the later of the Company's 2004 stockholder's meeting or October 31, 2004, as his accounting firm provides certain services to Sterling and SHH. Assuming he is reelected as a director at the 2004 Annual Stockholder Meeting, the Board proposes to appoint Mr. Robert Davies to fill the vacancy on the Audit Committee.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION FOR FISCAL YEAR 2003

This report has been prepared by the Compensation Committee of the Board of Directors and addresses the Company's compensation policies with respect to the Chief Executive Officer and executive officers of the Company in general for fiscal 2003. All members of the Committee are non-employee directors. During fiscal 2003 the Company had no operating business of its own, but was a holding company of other operating businesses. The Company has elected to include in the Summary Compensation Table certain information concerning an executive officer of SCPI, Mr. Allan, who is not, however, an executive officer of the Company and accordingly, a discussion of his compensation is included here. Reference is made generally to the information under the heading *Employment Contracts and Termination of Employment and Change-in-Control Arrangements*.

Compensation Policy. The overall intent for executive compensation is to establish levels of compensation that (i) provide appropriate incentives in order to command high levels of individual performance and thereby increase the value of the Company to its stockholders, and (ii) are sufficiently competitive to attract and retain the skills required for the success and profitability of the Company. The principal components of executive compensation are salary, bonus and stock options.

Chief Executive Officer's Compensation. The compensation Mr. Manning received after July 2001 was determined to be appropriate by the members of the Committee serving at the time based on the nature of the position; the expertise and responsibility that the position requires; the Chief Executive Officer's experience in former employment; and the subjective judgment of the members of the Committee of a reasonable level of compensation.

Other Executive Officers. Mr. Allan is included in the Company's disclosures relating to executive compensation because of his importance to the success of SCPI. Mr. Allan's employment agreement was reviewed and approved by the Company's Compensation Committee and by the SCPI Compensation Committee.

Salary. Since all of the executive officers named in the Summary Compensation Table are long-term employees of the Company and/or SCPI and SHH, their salaries in fiscal 2003 were based on the level of their prior salaries and the subjective judgment of the members of the Company's and SCPI's Compensation Committees as to the value of the executive's past contribution and potential future contribution to the business.

Bonuses. Each of Mr. Manning and Mr. Harper is entitled to receive an incentive bonus of \$100,000 in respect of any fiscal year during which SHH achieves 75% or greater of its approved budgeted EBITDA for such fiscal year, provided that budgeted EBITDA is not less than 100% of actual EBITDA for the preceding fiscal year. Additional incentive bonuses may be earned up to an aggregate of 100% of base salary if EBITDA exceeds budgeted EBITDA by 10%. In fiscal 2003 and fiscal 2002, those objectives were met, and accordingly, the maximum bonus payable was accrued at each year end. The 2002 bonus was paid in fiscal 2003 following approval by the Company's Compensation

Committee. The 2003 bonus was paid in 2004 following approval by the Company's Compensation Committee.

Until January 2002, the bonus payable to Mr. Allan under his employment agreement consisted of an Annual Management Bonus and an additional Annual Executive Bonus. The Annual Management Bonus was paid from a pool of funds for all members of SCPI's management, equal to 8% of SCPI's EBITDA. The Annual Executive Bonus was based on achievement of certain defined profit levels, which were not met in fiscal 2001. In 2002, Mr. Allan's employment agreement was amended to provide for Mr. Allan's participation in a new bonus plan for all members of SCPI's management. Pursuant to the new bonus program, Mr. Allan is entitled to a profit-based

Table of Contents

bonus reflecting achievement of budgeted EBITDA. In addition, the new bonus program entitles all eligible employees of SCPI, including Mr. Allan, to a discretionary bonus of up to one-third of the profit-based bonus paid.

Stock Options. The Committee believes that stock ownership by executive officers is important in aligning management's and stockholders' interests in the enhancement of stockholder value over the long term. The exercise price of all outstanding stock option grants is equal to the market price of the common stock on the date of grant. In fiscal 2003, options were granted to certain executives in recognition of their performance.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid to its chief executive officer and its four other most highly compensated executives. The Company's compensation payable to any one executive officer (including potential income from outstanding stock options) is currently and for the foreseeable future unlikely to reach that threshold. In addition, because of the Company's significant net operating loss carryforwards, the tax-deductibility of compensation payments is not currently an issue. However, should circumstances change, the Compensation Committee will study the matter and make recommendations to the Board of Directors.

The Compensation Committee:

Robert W. Frickel, Chairman
John D. Abernathy
Christopher H.B. Mills

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In July 2001, Messrs. Abernathy, Frickel and Mills were appointed the members of the Compensation Committee of the Company. Prior to July 2001 Mr. Davies was an executive officer of the Company, but none of the Company's executive officers served as a director or member of the Compensation Committee (or any other committee serving an equivalent function) of any other entity, whose executive officers served as a director or member of the Company's Compensation Committee.

The Board of Directors intends that any transactions with officers, directors and affiliates will be entered into on terms no less favorable to the Company than could be obtained from unrelated third parties and that they will be approved by a majority of the Board of Directors who are independent and disinterested with respect to the proposed transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities ("Insiders") to file reports of beneficial ownership and certain changes in beneficial ownership with the Securities and Exchange Commission and to furnish the Company with copies of those reports.

Based solely on a review of those reports and amendments thereto furnished to the Company during fiscal 2003 or written representations by Insiders that no reports were required to be filed, the Company believes that during the Fiscal Year ended December 31, 2003 all Section 16(a) filing requirements applicable to the Company's Insiders were satisfied.

Certain Relationships and Related Party Transactions

In October 1999, certain shareholders of Sterling Houston Holdings, (SHH) exercised their right to sell a second tranche of equity securities to Oakhurst Technology, Inc. (a wholly owned subsidiary of the Company) (OTI) thereby increasing the Company's consolidated equity ownership of SHH from 7% to 12%. The equity purchase was financed through the issuance of two notes. One of these notes reflecting loans in the amount of \$559,000, was issued to Mr. Davies (the First Note) in which Mr. Hemsley had a participation of \$116,000. The second of the notes in the amount of \$800,000 (the Manning Note) was issued to James D. Manning, the brother of Patrick T. Manning and one of the SHH shareholders who sold SHH equity securities to OTI. The First Note provided for interest at 14% payable quarterly and was due in October 2000, however, no interest payments were made and the First Note was not repaid in October 2000. In connection with the July 2001 transaction in which the Company increased its ownership of SHH to 80.1%, (the Sterling Transaction), accrued unpaid interest in the amount of \$134,000 on the First Note was added to the principal, the maturity date of the First Note was extended to

Table of Contents

July 2005, and the interest rate was reduced to 12%. In connection with the Sterling Transaction, the Company also issued an additional four-year 12% promissory note to each of Messrs. Hemsley (\$136,421) and Davies (\$250,623) (the Second Notes) to repay certain amounts due to them by the Company or OTI, including deferred compensation, the fee (and related interest) owed to them in connection with the acquisition of the second tranche of SHH equity in October 1999, the fee due in July 2001 to them in connection with the Sterling Transaction and a fee for the extension of the First Note.

In connection with the Sterling Transaction, the maturity date of the Manning Note also was extended to July 2005 and the interest rate was reduced from 14% to 12%. In consideration for the extension of the maturity date and interest rate reduction, Mr. James D. Manning received a zero coupon promissory note due in July 2005 with principal and interest payable at maturity in the aggregate amount of \$187,000. Interest and principal on the First Note, the Second Notes and the Manning Note are payable prior to maturity only to the extent of cash available to Sterling for these payments and as permitted by institutional lenders to Sterling or its subsidiaries.

After the Sterling Transaction, Mr. Harper and another officer of TSC purchased \$300,000 and \$100,000, respectively, of the Manning Note from Mr. James D. Manning. As a result, Mr. Harper now holds a separate note in the principal amount of \$300,000, an officer of TSC holds a separate note in the principal amount of \$100,000, and Mr. James D. Manning holds a note in the principal amount of \$400,000, in each case, on the same terms and conditions as the Manning Note.

In September 2003, the First Note, the Manning Note and the Second Notes were amended to provide for a maturity date that is the date the Company is required to purchase the remaining shares of SHH if the holders of those shares exercise their rights to sell such shares to the Company, and to provide for payment of those notes with a combination of cash and five-year notes of the Company.

In December 2003 prepayments of accrued interest and principal were made to certain of these noteholders. Mr. Harper received a prepayment totaling \$86,000 and Mr. Davies received a prepayment totaling \$411,000. Mr. Hemsley declined any prepayment of his notes.

Mr. James D. Manning is employed by an operating subsidiary of SHH under a three-year employment agreement commencing January 1999 pursuant to which he receives an annual salary of \$75,000 plus \$75.00 per hour for each hour worked in excess of 1,000 hours during any calendar year. In addition, Mr. James Manning is entitled to receive incentive compensation up to 100% of his base pay if certain financial goals are met. In fiscal 2003, Mr. James Manning earned the maximum bonus of \$75,000. The employment agreement limits the ability of Mr. James Manning to compete for a period of two years after he ceases to be an employee if he terminates his employment without good cause or SHH terminates his employment for good cause, and for a period of one year after he ceases to be an employee if he terminates his employment for good reason or SHH terminates his employment without good cause; provided that these non-competition obligations may be avoided by Mr. James Manning if SHH terminates the employment agreement other than for good cause.

In 1996, Mr. Patrick T. Manning, Mr. Harper and Mr. James D. Manning loaned \$864,000 to SHH pursuant to notes bearing interest at the prime rate plus 2%. The final principal installments on these loans were paid in October 2001 (i) to Mr. James D. Manning in the amount of \$240,000 plus accrued interest and (ii) to each of Mr. Patrick T. Manning and Mr. Harper in the amount of \$24,000 plus accrued interest.

Since March 2001 Mr. Hemsley has provided consulting services to (and since May 2002 has been an employee of) North Atlantic Value LLP (part of the JO Hambro Capital Management Group) as Fund Manager of Leisure & Media Venture Capital Trust plc, a fund that was not an investor in the Company or any of its affiliates.

In December 2001, in order to strengthen SCPI's working capital position, Sterling obtained funding in the amount of \$500,000 from members of management and directors, including Messrs. Frickel, Harper and Hemsley, who loaned \$155,000, \$100,000 and \$25,000, respectively. These notes are convertible into shares of common stock of the Company at a conversion price of \$2.50 per share at any time prior to the maturity date in December 2004. The notes, which rank senior to debt incurred in the Sterling Transaction, bear interest at 12% which is payable monthly.

In January 2003 certain members of management, including Messrs. Harper (\$70,000) and Hemsley (\$25,000), loaned an aggregate of \$250,000 to SCPI for working capital. Under the original terms of the loan, interest at an annual rate of 10% was paid monthly, with a maturity date of July 2003. The maturity date was later

Table of Contents

extended to December 2003 with the addition of a guarantee by Sterling and was extended again to mature in July 2004, with an increase in the interest rate to 12%.

In July 2001, Mr. Frickel was elected to the Board of Directors. He is President of R.W. Frickel Company, P.C., an accounting firm based in Michigan that performs certain accounting and tax services for SHH. Fees paid or accrued to R.W. Frickel Company for fiscal 2003 were approximately \$60,000.

Performance Graph

The following graph compares the percentage change in the Company's cumulative total stockholder return on Common Stock for the last five years with (i) the *Dow Jones Total Return Index*, a broad market index, and (ii) the *Dow Jones Heavy Construction Index*, a group of companies whose marketing strategy is focused on a limited product line, such as civil construction, over the same period. Both indices are published in *The Wall Street Journal*.

The returns are calculated assuming the value of an investment of \$100 in the Company's common stock and in each index on the Company's February 28, 1998 fiscal year-end and that all dividends were reinvested into additional shares of common stock; however, the Company paid no dividends during the periods shown. The graph lines merely connect the beginning and end of the periodic measuring dates and do not reflect fluctuations between those dates. The historical stock performance shown on the graph is not intended to, and may not be indicative of, future stock performance.

	<hr/>	<hr/>
Audit fees	\$220,000	\$171,000
Financial information systems design and implementation		
All other fees	\$ 21,400	\$ 5,000

Audit fees include the fees for the separate audit of SHH in 2003 and SHH and SCPI in 2002 as well as the consolidated audit of the Company and resolution of issues that arose during the audit process.
