PROXY STATEMENT
FOR THE
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 21, 2005

TO OUR SHAREHOLDERS:

This Proxy Statement is being furnished to shareholders of common stock of Southside Bancshares, Inc. (the Company) in connection with the Annual Meeting of Shareholders of common stock (the Annual Meeting) to be held on April 21, 2005, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders of Common Stock, and at any adjournments thereof. This Proxy Statement and applicable form of proxy are first being sent to the shareholders of common stock of the Company on or about March 21, 2005.

REVOCABILITY OF PROXY

If your proxy is executed and returned, it will be voted as you direct. If no direction is provided, the proxy will be voted for the election of Directors and the proxies will use their discretion with respect to voting on any other matters presented for vote. Additionally, if your proxy is executed and returned, it will be voted to approve the minutes of the last Annual Meeting. This vote will not amount to a ratification of the action taken at that meeting nor will it indicate approval or disapproval of that action. Your proxy may be revoked prior to the Annual Meeting by notice in writing, to the Secretary of the Company at its principal office at any time, or by advising the Secretary at the Annual Meeting that you wish to revoke your proxy and vote your shares in person. Your attendance at the Annual Meeting will not constitute automatic revocation of the proxy.

PERSONS MAKING THE SOLICITATION

The Board of Directors is soliciting the proxy. The cost of soliciting your proxy will be borne entirely by the Company and no other person or persons will bear such costs either directly or indirectly. In addition to the use of the mail, proxies may be solicited by personal interview, telephone and e-mail by Directors, Officers and employees of the Company without additional compensation.

OUTSTANDING SHARES AND VOTING RIGHTS

The close of business on March 7, 2005 has been fixed as the record date for determining the shareholders of common stock of the Company entitled to notice of and to vote at the Annual Meeting. Holders of common stock are entitled to one vote per share. In the election of three (3) Directors to serve until the 2008 Annual Meeting, the nominees receiving the highest number of votes will be elected. For all other matters, a majority of votes cast shall decide each matter submitted to the shareholders at the Annual Meeting. Abstentions and broker non-votes are each included in the determination of the number of shares present for determining a quorum. Abstentions will be included in vote totals and, as such, will have the same effect on proposals other than the election of Directors as a negative vote. Broker non-votes (i.e., the submission of a proxy by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter), if any, will not be included in vote totals and, as such, will have no

effect on any proposal. At the close of business on February 15, 2005, there were approximately 10,858,880 shares of common stock outstanding and eligible to be voted on each matter.

CERTAIN SHAREHOLDERS

The Company knows of no person or entity that is a beneficial owner of more than 5% of the outstanding common stock of the Company as of December 31, 2004.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee makes the appointment of the independent registered public accounting firm annually. The decision of the Audit Committee is based on both the audit scope and estimated audit fees. Representatives of PwC are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions of shareholders.

**ELECTION OF DIRECTORS
(PROPOSAL 1)**

COMMITTEES OF THE COMPANY

AUDIT COMMITTEE OF SOUTHSIDE BANCSHARES, INC.

The Audit Committee of the Board of Directors consists of six non-employee Directors as named below. Mr. Gollob retired from the accounting firm Gollob, Morgan, Peddy & Co., P.C. in January 2005. Also, in February 2005, the Nominating Committee unanimously determined that Melvin B. Lovelady qualifies as an audit committee financial expert. Mr. Lovelady is a CPA and is retired from the accounting firm of Henry & Peters, P.C. The Nominating Committee of the Board of Directors has unanimously determined that all Audit Committee members are financially literate under the current NASDAQ listing standards.

The Committee is primarily responsible for the engagement of the independent registered public accounting firm, oversight of the Company's financial statements and controls, assessing and ensuring the independence, qualifications, and performances of the independent registered public accounting firm, approving the services and fees of the independent registered public accounting firm and reviewing and approving the annual audited financial statements for the Company before issuance, subject to Board of Director approval. The Committee also monitors the internal audit function, internal accounting procedures and assures compliance with all appropriate statutes. No members of the Audit Committee received any compensation from the Company during the last fiscal year other than directors fees. The Committee met twenty (20) times during 2004.

Audit Committee Charter

The Board of Directors has adopted a formal written Audit Committee Charter which outlines the purpose of the Audit Committee, delineates the membership requirements and addresses the key responsibilities of the Committee. A copy of the Audit Committee Charter may be obtained at the Company's website, www.southside.com/investor, under the topic Corporate Governance.

Audit Committee Report

The following is the report of the Audit Committee with respect to the Company's audited financial statements for fiscal year ended December 31, 2004.

The Committee has reviewed and discussed the Company's audited financial statements with management, the internal auditor and PwC, the Company's independent registered public accounting firm, with and without management present. The Committee included in its results of the independent registered public accounting firm's examinations, management's assertion on design and effectiveness of the Company's internal controls, and the quality of the Company's financial reporting. The Committee also reviewed Company procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by the Company with the Securities and Exchange Commission (SEC). The Committee is satisfied that the internal control

system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Committee also has discussed with PwC matters relating to the auditor's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Committee has discussed with PwC their independence from management and the Company, as well as the matters in the written disclosures received from PwC and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Committee received a letter from PwC confirming its independence and discussed it with PwC. The Committee discussed and reviewed with PwC critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PwC audits and all fees paid to PwC during the fiscal year. The Committee adopted guidelines requiring review and pre-approval by the Committee of audit and non-audit services performed by PwC for the Company. The Committee has reviewed and considered the compatibility of PwC performance of non-audit services with the maintenance of PwC independence as the Company's independent registered public accounting firm.

Based on the Committee's review and discussions referred to above, the Committee recommended to the Company's Board of Directors that the Company's audited consolidated financial statements and report on management's assertion on the design and effectiveness of internal control over financial reporting be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the SEC.

Report on Executive Compensation

General

The purpose of this report is to provide insight into the practice and philosophy of the Board of Directors in establishing the compensation for the Executive Officers of the Company and to elaborate on the relationship between corporate performance and executive compensation.

The Compensation Committee reviewed a special compensation report prepared by Clark Consulting specifically for the Company. This report addressed all forms of compensation including total compensation compared to the market.

Clark Consulting developed the report from proxy information for several banks located in Texas, Oklahoma, New Mexico, and Arkansas with average assets that approximate the Company's asset size. In addition, the Committee reviewed the Stifel Nicolaus Regional Banking Review to compare Company performance ratios with approximately 60 other banks located throughout the mid-west and southwest. The Company's performance when compared to the Stifel Nicolaus group was evaluated by the Compensation Committee. Qualitative factors, such as leadership, teamwork, commitment and community involvement were also considered. Based on a review of all of this information, the Committee determined the Company's Executive Officers compensation levels.

In the final analysis, compensation adjustments are based on a broad spectrum of factors rather than one or two specific performance goals. The Compensation Committee recognizes the importance of aligning the shareholders interest and executive compensation.

Chief Executive Officer Compensation

The Compensation Committee, when reviewing the compensation of the Chief Executive Officer, evaluates the factors mentioned above including initiation and implementation of successful business strategies, maintenance of an effective management team as well as various personal qualities including leadership, commitment, and professional and community standing.

After reviewing the Company's financial results in the context of comparison to corporate peers, as well as his individual contributions, the Compensation Committee concluded that the Chief Executive Officer, B. G. Hartley, performed with dedication and expertise during 2004. The Company posted record net income for the eighth consecutive year for the period ended December 31, 2004 for which Mr. Hartley deserves substantial credit. Finally, the Compensation Committee believes that Mr. Hartley has set the foundation for the continued success of the Company by leading an experienced executive staff that has displayed skill in guiding the Company through an ever-changing financial services market in East Texas.
