PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD NOVEMBER 16, 2007**

The Board of Directors of American Realty Investors, Inc. (the Company, or we or us) is soliciting proxies to be used at the 2007 Annual Meeting of Stockholders (the Annual Meeting). Distribution of this Proxy Statement and a Proxy Form is scheduled to begin on October 18, 2007. The mailing address of the Company s principal executive offices is 1800 Valley View Lane, Suite 300, Dallas, Texas 75234.

About the Meeting

Who Can Vote

Record holders of Common Stock of the Company at the close of business on Tuesday, October 16, 2007 (the Record Date) may vote at the Annual Meeting. On that date, 11,217,914 shares of Common Stock were outstanding. Each share is entitled to cast one vote.

How Can You Vote

If you return your signed proxy before the Annual Meeting, we will vote your shares as you direct. You can specify whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove or abstain from the other proposal to ratify the selection of auditors.

If a proxy is executed and returned but no instructions are given, the shares will be voted according to the recommendations of the Board of Directors. The Board of Directors recommends a vote **FOR** Proposals 1 and 2.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (a) delivering a written notice of revocation to the Corporate Secretary, (b) delivering another proxy that is dated later than the original proxy, or (c) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

Vote Required

The holders of a majority of the shares entitled to vote who are either present in person or represented by a proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. As of October 16, 2007, there were 11,217,914 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of stockholders entitled to cast at least 5,608,957 votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly

Table of Contents

signed and returned your proxy card by mail, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If the broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected to that slot. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

For the other proposal, the affirmative vote of the holders of a majority of the shares represented in person or by proxy entitled to vote on the proposal will be required for approval. An abstention with respect to such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

As of the Record Date, affiliates held 9,149,277 shares representing approximately 81.5% of the shares outstanding. These affiliates have advised the Company that they currently intend to vote all of their shares in favor of the approval of both proposals.

If you received multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Other Matters to be Acted Upon at the Annual Meeting

We do not know of any other matters to be validly presented or acted upon at the Annual Meeting. Under our Bylaws, no business besides that stated in the Annual Meeting Notice may be transacted at any meeting of stockholders. If any other matter is presented at the Annual Meeting on which a vote may be properly taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Expenses of Solicitation

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

Table of Contents**Corporate Governance and Board Matters**

The affairs of the Company are managed by the Board of Directors. The Directors are elected at the annual meeting of stockholders each year or appointed by the incumbent Board of Directors and serve until the next annual meeting of stockholders or until a successor has been elected or approved.

After December 31, 2003, a number of changes occurred in the composition of the Board of Directors of the Company, the creation of certain Board Committees, the adoption of Committee charters, the adoption of a Code of Ethics for Senior Financial Officers and the adoption of Guidelines for Director Independence. The composition of the members of the Board of Directors changed with the resignation of Earl D. Cecil (February 29, 2004), the cessation of Martin L. White as a director (November 22, 2005), as well as the election of independent Directors Sharon Hunt and Ted R. Munselle effective on February 20, 2004, and Robert A. Jakuszewski on November 22, 2005.

Current Members of the Board

The members of the Board of Directors (all of whom were elected by the stockholders at the last annual meeting held on November 20, 2006) on the date of this proxy statement, and the committees of the Board on which they serve, are identified below:

Director	Audit Committee	Compensation Committee	Governance and Nominating Committee

Role of the Board's Committees

The Board of Directors has standing Audit, Compensation and Governance and Nominating Committees.

Audit Committee. The functions of the Audit Committee are described below under the heading *Report of the Audit Committee*. The charter of the Audit Committee was adopted February 19, 2004, and is available on the Company's Investor Relations website (www.amrealtytrust.com). The Audit Committee was formed on February 19, 2004, and the Board selected the current members of the Audit Committee for the coming year on December 14, 2006, as shown above. All of the members of the Audit Committee are independent within the meaning of SEC regulations, the listing standards of the New York Stock Exchange and the Company's *Corporate Governance Guidelines*. Mr. Munselle, a member and Chair of the Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial

management expertise within the meaning of the listing standards of the New York Stock Exchange. All of the members of the Audit Committee meet the independence and experience requirements of the listing standards of the New York Stock Exchange. The Audit Committee met eight times during 2006.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's *Corporate Governance Guidelines*. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee was adopted on March 17, 2004, and is available on the Company's Investor Relations website (www.amrealtytrust.com). The Board selected the current members of the Governance and Nominating Committee for the coming year on December 14, 2006, as shown above. All of the members of the Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's *Corporate Governance Guidelines*. The Governance and Nominating Committee met one time during 2006.

Compensation Committee. The Compensation Committee is responsible for overseeing the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer and any other officers designated by the Board and make recommendations to the Board with respect to such policies, produce necessary reports on executive compensation for inclusion in the Company's proxy statement in accordance with applicable rules and regulations and to monitor the development and implementation of succession plans for the principal executive officer and other key executives and make recommendations to the Board with respect to such plans. The charter of the Compensation Committee was adopted on March 17, 2004, and is available on the Company's Investor Relations website (www.amrealtytrust.com). The Board selected the current members of the Compensation Committee for the coming year on December 14, 2006, as shown above. All of the members of the Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's *Corporate Governance Guidelines*. The Compensation Committee is to be comprised of at least two directors who are independent of management and the Company. The Compensation Committee met one time during 2006.

Presiding Director

On June 17, 2004, the Board created a new position of presiding director, whose primary responsibility is to preside over periodic executive sessions of the Board in which management directors and other members of management do not participate. The presiding director also advises the Chairman of the Board and, as appropriate, Committee chairs with respect to agendas and information needs relating to Board and Committee meetings, provides advice with respect to the selection of Committee chairs and performs other duties that the Board may from time to time delegate to assist the Board in the fulfillment of its responsibilities. In December 2006, the non-management members of the Board designated Ted R. Munselle to serve in this position until the Company's annual meeting of stockholders to be held following the fiscal year ended December 31, 2006.

Table of Contents

Selection of Nominees for the Board

The Governance and Nominating Committee will consider candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The Committee may also retain a third-party executive search firm to identify candidates upon request of the Committee from time to time. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary or any member of the Governance and Nominating Committee in writing with whatever supporting material the stockholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's bylaws relating to stockholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination will be based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee will then evaluate the prospective nominee against the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the stockholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards, as specifically set out in the Company's *Corporate Governance Guidelines*;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees, customers, guests and communities; and

the willingness of the prospective nominee to meet any minimum equity interest holding guideline.

Table of Contents

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee. The Bylaws of the Company provide that any stockholder entitled to vote at the Annual Meeting in the election of directors may nominate one or more persons for election as directors at a meeting only if written notice of such stockholders' intention to make such nomination has been delivered personally to, or has been mailed to and received by the Secretary at the principal office of the Company not later than 60 nor more than 90 days prior to the first anniversary date of the preceding year's annual meeting. If a stockholder has a suggestion for candidates for election, the stockholder should follow this procedure. Each notice from a stockholder must set forth (i) the name and address of the stockholder who intends to make the nomination and the name of the person to be nominated, (ii) the class and number of shares of stock held of record, owned beneficially and represented by proxy by such stockholder as of the record date for the meeting and as of the date of such notice, (iii) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, (iv) a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming those persons) pursuant to which the nomination is to be made by such stockholder, (v) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules, and (vi) the consent of each nominee to serve as a director of the Company if so elected. The chairman of the Annual Meeting may refuse to acknowledge the nomination of any person not made in compliance with this procedure.

Determinations of Director Independence

In February 2004, the Board enhanced its *Corporate Governance Guidelines*. The *Guidelines* adopted by the Board meet or exceed the new listing standards adopted during that year by the New York Stock Exchange. The full text of the *Guidelines* can be found in the Investor Relations section of the Company's website (www.amrealtytrust.com). A copy may also be obtained upon request from the Company's Corporate Secretary.

Pursuant to the *Guidelines*, the Board undertook its annual review of director independence in February 2007. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under *Certain Relationships and Related Transactions* below. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the *Guidelines*, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that directors Ted R. Munselle, Robert A. Jakuszewski and Sharon Hunt are each independent of the Company and its management under the standards set forth in the *Corporate Governance Guidelines*.

Table of Contents

Board Meetings During Fiscal 2005

The Board met ten times during fiscal 2006. No incumbent director attended fewer than 75% of the meetings of the Board, and each director attended all of the meetings of the Committees on which he or she served. Under the Company's *Corporate Governance Guidelines*, each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the stockholders of the Company, the Board and Committees of which he or she is a member. In addition, the independent directors met in executive session two times during fiscal 2006.

Directors Compensation

Each non-employee director receives an annual retainer of \$45,000 plus reimbursement for expenses. The Chairman of the Board receives an additional fee of \$4,500 per year. Each director who serves as a member of the Audit Committee receives a fee of \$300 for each Committee meeting attended. The Chairman of the Audit Committee also receives an annual fee of \$500. In addition, each independent director receives an additional fee of \$1,000 per day for any special services rendered by him to the Company outside of his or her ordinary duties as a director, plus reimbursement of expenses. The Company also reimburses directors for travel expenses incurred in connection with attending Board, committee and stockholder meetings and for other Company-business related expenses. Directors who are also employees of the Company or its Advisor receive no additional compensation for service as a director.

During 2006, \$194,100 was paid to the non-employee directors in total directors' fees for all services, including the annual fee for service during the period from January 1, 2006 through December 31, 2006. Those fees received by directors were Sharon Hunt (\$47,700), Ted R. Munselle (\$49,200), Ted P. Stokely (\$49,500) and Robert A. Jakuszewski (\$47,700).

In January 1999, the stockholders of a predecessor of the Company approved the Directors Stock Option Plan which was assumed by the Company in 2000 (the "Directors Plan") which provides for the availability of options to purchase up to 40,000 shares of Common Stock. The Directors Plan provided for automatic annual grants of options to directors of the Company who, at the time of grant of an option were not, and had not been for at least one year, either an employee or officer of the Company or any of its affiliates. Options granted pursuant to the Directors Plan are immediately exercisable and expire on the earlier of the first anniversary of the date on which a director ceases to be a director or ten years from the date of grant. Each non-employee director was granted an option to purchase 1,000 shares at an exercise price of \$17.71 per share on January 11, 1999, the date stockholders approved the Directors Plan. On January 1, 2000, 2001, 2002, 2003, 2004 and 2005, each qualifying director was granted an option to purchase 1,000 shares at an exercise price of \$18.53, \$13.625, \$9.87, \$8.09, \$9.13 and \$9.70 per share, respectively. Each qualifying director was awarded an option to purchase an additional 1,000 shares on January 1 of each year. The Directors Plan was terminated by the Board of Directors on December 15, 2005. At December 31, 2006, options covering 1,000 shares were exercisable at \$8.09, options covering 2,000 shares were exercisable at \$9.13 per share and options covering 4,000 shares were exercisable at \$9.70 per share.

In January 1998, stockholders of a predecessor of the Company approved the 1997 Stock Option Plan (the "Option Plan") which provides for options to purchase up to 300,000 shares of Common Stock. The Option Plan was assumed by the Company in August 2000. The Option Plan is intended principally

Table of Contents

as an incentive for and as a means of encouraging ownership of the Company's Common Stock by eligible persons, including directors and officers of the Company. Options may be granted either as an incentive stock option (which qualifies for certain favorable tax treatment) or as a non-qualified stock option. Incentive stock options cannot be granted to, among others, persons who are not employees of the Company or any parent or subsidiary of the Company, or to persons who fail to satisfy certain criteria concerning ownership of less than 10% of the shares of Common Stock of the Company. The Option Plan was administered by the Stock Option Committee, which consisted of three independent directors of the Company, Messrs. Munselle and White and Ms. Hunt. The exercise price per share of an option is not be less than 100% of the fair market value per share on the date of grant. The Company received no consideration for the grant of an option. At December 31, 2006, options covering 70,750 shares were outstanding under the Option Plan, of which options covering 68,250 are exercisable at \$16.35 per share and of which options covering 2,500 are exercisable at \$18.53 per share. The Option Plan was terminated by the Board of Directors on December 15, 2005. None of the executive officers nor any of the directors of the Company hold any options under the Option Plan.

Stockholders Communication with the Board

Stockholders and other parties interested in communicating directly with the presiding director or with the non-Management directors as a group may do so by writing to Ted R. Munselle, Director, Post Office Box 830163, Richardson, Texas 75083-0163. Effective March 22, 2004, the Governance and Nominating Committee of the Board also approved a process for handling letters addressed to members of the Board but received at the Company. Under that process, the Corporate Secretary of the Company reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board and received by the Company and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees (including those of the Contractual Advisor). In addition, the Company has adopted a code of ethics entitled "Code of Ethics for Senior Financial Officers" that applies to the principal executive officer, president, principal financial officer, chief financial officer, principal accounting officer and controller. The text of both documents is available on the Company's Investor Relations website (www.amrealtytrust.com). The Company intends to post amendments to or waivers from its Code of Ethics for Senior Financial Officers (to the extent applicable to the Company's principal executive officer, principal financial officer or principal accounting officer) at this location on its website.

**Report of the Audit Committee
Of the Board of Directors**

The Audit Committee of the Board of Directors is composed of three directors, each of whom satisfies the requirements of independence, experience and financial literacy under the requirements of the New York Stock Exchange and the SEC. The Audit Committee has directed the preparation of this report and has approved its content and submission to the stockholders.

The Audit Committee is responsible for, among other things:

retaining and overseeing the independent registered public accounting firm that serves as our independent auditor and evaluating their performance and independence;

reviewing the annual audit plan with management and the independent registered public accounting firm;

pre-approving any permitted non-audit services provided by our independent registered public accounting firm;

approving the fees to be paid to our independent registered public accounting firm;

reviewing the adequacy and effectiveness of our internal controls with management, internal auditors and the independent registered public accounting firm;

reviewing and discussing the annual audited financial statements and the interim unaudited financial statements with management and the registered public accounting firm; and

Table of Contents

approving our internal audit plan and reviewing reports of our internal auditors.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Committee's responsibilities are set forth in this charter which is available on our website at www.amrealtytrust.com and is attached as Appendix A.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the adequacy of the Company's system of internal controls, the Company's risk management, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of the Company's independent auditors. The Committee has sole authority over the selection of the Company's independent auditors and manages the Company's relationship with its independent auditors. The Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Committee deems necessary to carry out its duties and receive appropriate funding, as determined by the Committee, from the Company for such advice and assistance.

The Committee met eight times during 2006. The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Committee's meetings include private sessions with the Company's independent auditors without the presence of the Company's management, as well as executive sessions consisting of only Committee members. The Committee also meets senior management from time to time.

Management has the primary responsibility for the Company's financial reporting process, including its system of internal control over financial reporting and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements in accordance with professional standards and expressing an opinion as to their material conformity with U.S. generally accepted accounting principles and for auditing management's assessment of, and the effective operation of, internal control over financial reporting. The Committee's responsibility is to monitor and review the Company's financial reporting process and discuss management's report on the Company's internal control over financial reporting. It is not the Committee's duty or responsibility to conduct audits or accounting reviews or procedures. The Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the opinion of the independent registered public accountants included in their report on the Committee's financial statements.

As part of its oversight of the Company's financial statements, the Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During 2006, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with accounting principles generally accepted in the United States of America, and reviewed significant accounting and disclosure issues with the Committee. These reviews include discussions with the independent accountants of the matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards)*, including the quality (not merely the acceptability) of the Company's accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and disclosures related to critical accounting practices. The Committee has also discussed with Farmer, Fuqua & Huff, P.C. matters relating to its

Table of Contents

independence, including a review of audit and non-audit fees, and written disclosures from Farmer, Fuqua & Huff, P.C. to the Company pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*. The Committee also considered whether non-audit services, provided by the independent accountants are compatible with the independent accountant's independence. The Company also received regular updates on the amount of fees and scope of audit, audit-related and tax services provided.

In addition, the Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal controls, reviewed staffing levels and steps taken to implement recommended improvements in any internal procedures and controls.

Based on the Committee's discussion with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Board of Directors, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, filed with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also selected Farmer, Fuqua & Huff, P.C. as the Company's independent registered public accountants and auditors for the fiscal year ending December 31, 2007.

Pre-Approval Policy for Audit and Non-Audit Services

Under the Sarbanes-Oxley Act of 2002 (the "SO Act"), and the rules of the Securities and Exchange Commission (the "SEC"), the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. The purpose of the provisions of the SO Act and the SEC rules for the Audit Committee role in retaining the independent auditor is two-fold. First, the authority and responsibility for the appointment, compensation and oversight of the auditors should be with directors who are independent of management. Second, any non-audit work performed by the auditors should be reviewed and approved by these same independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor. To implement the provisions of the SO Act, the SEC issued rules specifying the types of services that an independent auditor may not provide to its audit client, and governing the Audit Committee's administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence. Accordingly, the Audit Committee has adopted a written pre-approval policy for audit and non-audit services (the "Policy"), which sets forth the procedures and conditions pursuant to which services to be performed by the independent auditor are to be pre-approved. Consistent with the SEC rules establishing two different approaches to approving non-prohibited services, the policy of the Audit Committee covers pre-approval of audit services, audit-related services, international administration tax services, non-U.S. income tax compliance services, pension and benefit plan

Table of Contents

consulting and compliance services, and U.S. tax compliance and planning. At the beginning of each fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor's independence from management. Typically, in addition to the generally pre-approved services, other services would include due diligence for an acquisition that may or may not have been known at the beginning of the year. The Audit Committee has also delegated to any member of the Audit Committee designated by the Board or the financial expert member of the Audit Committee responsibilities to pre-approve services to be performed by the independent auditor not exceeding \$25,000 in value or cost per engagement of audit and non-audit services, and such authority may only be exercised when the Audit Committee is not in session.

Executive Compensation

The Company has no employees, payroll or benefit plans and pays no compensation to its executive officers. The executive officers of the Company who are also officers or employees of Prime, the Company's advisor, are compensated by Prime. Such executive officers perform a variety of services for Prime and the amount of their compensation is determined solely by Prime. Prime does not allocate the cash compensation of its officers among the various entities for which it serves as advisor. See "The Advisor" for a discussion of the compensation payable to Prime under the Advisory Agreement.

Compensation Committee Report

The Compensation Committee of the Board of Directors is comprised of at least two directors who are independent of management and the Company. Each member of the Compensation Committee must be determined to be independent by the Board under the Corporate Governance Guidelines on Director Independence adopted by the Board and under the NYSE standards for non-employee directors and Rule 16b-3(b)(3)(i) of the rules and regulations promulgated under the Securities Exchange Act of 1934 and the requirements for outside directors set forth in Treasury Regulations, Section 27(e)(3). Each member of the Committee is to be free of any relationship that in the judgment of the Board from time to time may interfere with the exercise of his or her independent judgment. Each Committee member is appointed annually subject to removal at any time by the Board and serves until his or her Committee appointment is terminated by the Board. The Compensation Committee is composed of three directors, each of whom meets the standards described above.

The purposes of the Compensation Committee are to oversee the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer (CEO) and any other officers designated by the Board and make recommendations to the Board with respect to such policies, produce necessary reports and executive compensation for inclusion in the Company's proxy statement, in accordance with applicable rules and regulations, and monitor the development and implementation of succession plans for the CEO and other key executives and make recommendations to the Board with respect to such plans.

The Company has no employees, payroll or benefit plans and pays no compensation to its executive officers. The executive officers of the Company, who are also officers or employees of Prime Income Asset Management LLC (Prime), are compensated by Prime. Such executive officers perform a variety of services for Prime, and the amount of their compensation is determined solely by Prime.

Table of Contents

Prime does not allocate the cash compensation of its officers among the various entities for which it may serve as advisor or sub-advisor.

The only remuneration paid by the Company is to directors who are not officers or directors of Prime. These independent directors (i) review the business plan of the Company to determine that it is the best interest of the stockholders, (ii) review the advisory contract and recommend any appropriate changes thereto, (iii) supervise the performance of the Company's advisor, and review the reasonableness of the compensation paid to the advisor in terms of the nature and quality of services performed, (iv) review the reasonableness of the total fees and expenses of the Company, and (v) select, when necessary, a qualified, independent real estate appraiser to appraise properties to be acquired. See the sub caption "Directors' Compensation" in the Proxy Statement for a description of the compensation paid.

The charter of the Compensation Committee was adopted on March 22, 2004, and the members of the Compensation Committee, all of whom are independent within the meaning of the listing standards of the NYSE and the Company's Corporate Governance Guidelines, are listed below. Since its formation on March 22, 2004, the Compensation Committee has annually reviewed its existing charter and regularly performed the tasks described above relating to the business plan, advisory contract, reasonableness of compensation paid to the advisor, and the reasonableness of the total fees and expenses of the Company.

The Advisor

Although the Board of Directors is directly responsible for managing the affairs of the Company and for setting the policies which guide it, day-to-day operations are performed by a contractual advisor under the supervision of the Board of Directors. The duties of the advisor include, among other things, locating, investigating, evaluating and recommending real estate and mortgage note investment and sales opportunities, as well as financing and refinancing sources. The advisor also serves as a consultant to the Board of Directors in connection with the business plan and investment decisions made by the Board.

Prime is (and has been since October 1, 2003) the contractual advisor to the Company. Prime is a single member Nevada limited liability company whose sole member is PIAMI, which is owned by Syntek West, Inc. (20%) and Realty Advisors, LLC (80%). Syntek West, Inc. (SWI) is a Nevada corporation owned by Gene E. Phillips. Realty Advisors, LLC is a Nevada limited liability Company, the sole member of which is Realty Advisors, Inc. (RAI), a Nevada corporation owned by a Trust for the benefit of the children of Gene E. Phillips. Mr. Phillips is not an officer or director of Prime, but serves as a representative of the owners of Prime and is involved in daily consultation with the officers of Prime and has significant influence over the conduct of Prime's business, including the rendering of advisory services and the making of investment decisions for itself and the Company. As of October 16, 2007 PIAMI owns 1,437,208 shares of Common Stock of the Company (approximately 12.81% of the outstanding). As of that date, One Realco Stock Holdings, Inc., a wholly-owned subsidiary of PIAMI owns 234,500 shares of Common Stock of the Company.

Under the Advisory Agreement, Prime is required to annually formulate and submit for Board approval a budget and business plan containing a twelve-month forecast of operations and cash flow, a general plan for asset sales and purchases, borrowing activity and other investments. Prime is required to report quarterly to the Board on the Company's performance against the business plan. In addition, all transactions require prior Board approval, unless they are explicitly provided for in the approved plan or are made pursuant to authority expressly delegated to Prime by the Board.

The Advisory Agreement also requires prior approval of the Board for the retention of all consultants and third party professionals, other than legal counsel. The Advisory Agreement provides that Prime shall be deemed to be in a fiduciary relationship to the stockholders; contains a broad standard governing Prime's liability for losses by the Company; and contains guidelines for Prime's allocation of investment opportunities as among itself, the Company and other entities it advises.

The Advisory Agreement provides for the advisor to receive monthly base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of Average Invested Assets.

In addition to base compensation, Prime, an affiliate of Prime, or a related party receives the following forms of additional compensation:

Table of Contents

(1) an acquisition fee for locating, leasing or purchasing real estate for the Company in an amount equal to the lesser of (a) the amount of compensation customarily charged in similar arm's-length transactions, or (b) up to 6% of the costs of acquisition, inclusive of commissions, if any, paid to non-affiliated brokers;

(2) a disposition fee for the sale of each equity investment in real estate in an amount equal to the lesser of (a) the amount of compensation customarily charged in similar arm's-length transactions, or (b) 3% of the sales price of each property, exclusive of fees, if any, paid to non-affiliated brokers;

(3) a loan arrangement fee in an amount equal to 1% of the principal amount of any loan made to the Company arranged by Prime;

(4) an incentive fee equal to 10% of net income for the year in excess of a 10% return on stockholders' equity, and 10% of the excess of net capital gains over net capital losses, if any, realized from sales of assets;

(5) a mortgage placement fee, on mortgage loans originated or purchased, equal to 50%, measured on a cumulative basis, of the total amount of mortgage origination and placement fees on mortgage loans advanced by the Company for the fiscal year.

(6) a construction management fee equal to 6% of the so-called "hard costs" only of any costs of construction on a completed basis, based upon amounts set forth as approved on any architect certificate issued in connection with such construction, which fee is payable at such time as the applicable architect certifies other costs for payment to third parties.

The Advisory Agreement further provides that Prime shall bear the cost of certain expenses of its employees, excluding fees paid to the Company's directors; rent and other office expenses of both Prime and the Company (unless the Company maintains office space separate from that of Prime); costs not directly identifiable to the Company's assets, liabilities, operations, business or financial affairs; and miscellaneous administrative expenses relating to the performance by Prime of its duties under the Advisory Agreement.

If and to the extent that the Company shall request of Prime, or any director, officer, partner or employee of Prime, to render services to the Company other than those required to be rendered by Prime under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between such party and the Company from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. Management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

Situations may develop in which the interests of the Company are in conflict with those of one or more directors or officers in their individual capacities or of Prime, or of their respective affiliates. In addition to services performed for the Company, Prime actively provides similar services as agent for, and advisor to, other real estate enterprises, including persons and entities involved in real estate

Table of Contents

developing and financing, including IOT and TCI. The Advisory Agreement provides that Prime may also serve as advisor to those entities.

As advisor, Prime is a fiduciary of the Company's public investors. In determining to which entity a particular investment opportunity will be allocated, Prime will consider the respective investment objectives of each entity and the appropriateness of a particular investment in light of each such entity's existing mortgage note and real estate portfolios and business plan. To the extent any particular investment opportunity is appropriate to more than one such entity, such investment opportunity will be allocated to the entity that has had funds available for investment for the longest period of time, or, if appropriate, the investment may be shared among various entities.

Effective July 1, 2005, the Company and Prime entered into a Cash Management Agreement to further define the administration of the Company's day-to-day investment operations, relationship contracts, flow of funds and deposit and borrowing of funds. Under the Cash Management Agreement, all funds of the Company are delivered to Prime which has a deposit liability to the Company and is responsible for payment of all payables and investment of all excess funds which earn interest at the *Wall Street Journal* Prime Rate plus 1% per annum, as set quarterly on the first day of each calendar quarter. Borrowings for the benefit of the Company bear the same interest rate. Certain Relationships and Related Transactions

Policies with Respect to Certain Activities

Article ELEVENTH of the Company s Articles of Incorporation provides that the Company shall not, directly or indirectly, contract or engage in any transaction with (1) any director, officer or employee of the Company, (2) any director, officer or employee of the advisor, (3) the advisor, or (4) any affiliate or associate (as such terms are defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended) of any of the aforementioned persons, unless (a) the material facts as to the relationship among or financial interest of the relevant individuals or persons and as to the contract or transaction are disclosed to or are known by the Company s Board of Directors or the appropriate committee thereof, and (b) the Company s Board of Directors or appropriate committee thereof determines that such contract or transaction is fair to the Company and simultaneously authorizes or ratifies such contract or transaction by the affirmative vote of a majority of independent directors of the Company entitled to vote thereon.

Article ELEVENTH defines an Independent Director (for purposes of that Article) as one who is neither an officer or employee of the Company, nor a director, officer or employee of the Company s advisor. This definition predates the Company s director independence guidelines adopted in February 2004.

The Company s policy is to have such contracts or transactions approved or ratified by a majority of the disinterested directors with full knowledge of the character of such transactions, as being fair and reasonable to the stockholders at the time of such approval or ratification under the circumstances then prevailing. Such directors also consider the fairness of such transactions to the Company. Management believes that, to date, such transactions have represented the best investments available at the time and that they were at least as advantageous to the Company as other investments that could have been obtained. The Company may enter into future transactions with entities the officers, directors or stockholders of which are also officers, directors or stockholders of the Company, if such transactions would be beneficial to the operations of the Company and consistent with the Company s then-current investment objectives and policies, subject to approval by a majority of disinterested directors as discussed above.

Table of Contents

The Company does not prohibit its officers, directors, stockholders or related parties from engaging in business activities of the types conducted by the Company.

Certain Business Relationships

Prime, the Company's advisor is an entity of which PIAMI is the sole member. PIAMI is owned by Realty Advisors, LLC (80%) and Syntek West, Inc. (20%). Prime is also a company for which Messrs. Abney, Corna, Crozier, Moos and Vidal (all of the executive officers of the Company) serve as executive officers. The executive officers of the Company also serve as executive officers of TCI and IOT, and owe fiduciary duties to each of those entities as well as to Prime under applicable law. TCI has the same relationship with Prime as does the Company.

The Company contracts with affiliates of Prime for property management services. Currently, Triad provides such property management services. The general partner of Triad is PIAMI. The limited partner of Triad is Highland. Triad subcontracts the property-level management of 12 of the Company's commercial properties (office buildings, shopping centers and a merchandise mart) to Regis I, which is a company also owned by Highland. Regis I also provides non-exclusive real estate brokerage services to the Company and receives brokerage commissions in accordance with the Advisory Agreement. Regis Hotel I, LLC manages the Company's seven hotels.

The Company owns an equity interest in TCI which in turn owns 24% of IOT. At December 31, 2006, the Company, through two wholly-owned subsidiaries, owned approximately 80% of TCI's outstanding common stock and TCI owned approximately 24% of IOT's outstanding common stock.

Related Party Transactions

Historically, the Company, TCI, IOT, BCM and Prime have each engaged in, and may continue to engage in, business transactions, including real estate partnerships, with related parties. Management believes that all of the related party transactions represented the best investments available at the time and were at least as advantageous to the Company as could have been obtained from unrelated parties.

Operating Relationships

In October 2003, the Company entered into a lease with Prime for space at the One Hickory Centre Office Building, construction of which was completed in December 1998. The lease was for 59,115 square feet (approximately 59% of the building), has a term of three years, and provides for annual base rent of \$1.3 million, or \$21.50 per square foot. Effective May 1, 2004, the lease was amended to 54,404 square feet (approximately 56% of the building), with an annual base rent of \$1.2 million, or \$21.50 per square foot. In November 2005, the lease was amended to 48,151 square feet (approximately 49% of the building), with an annual base rent of \$1 million, or \$21.50 per square foot.

The Company received rents in 2006 of \$56,000, in 2005 of \$56,000 and in 2004 of \$69,000 from BCM for BCM's lease at Addison Hangar. BCM leases a corporate jet that is housed at the hangar, and the Company has available space at the hangar.

Partnership Transactions

BCM has entered into put agreements with certain holders of Class A limited partnership units of Ocean Beach Partners, L.P. The Class A units are convertible into Series D Cumulative Preferred Stock of the Company. The put price of the Series D Cumulative Preferred Stock is \$20 per share plus accrued but unpaid dividends.

BCM has entered into put agreements with the holders of the Class A units of ART Palm, L.P. Such Class A units are convertible into Series C Cumulative Preferred Stock of the Company. The put price for the Class A units is \$1 per unit, and the put price for either the Series C Cumulative Preferred Stock or the Company's Common Stock is 90% of the average daily closing price of the Company's Common Stock for the prior 20 trading days. The put agreement, as amended June 18, 2004, called for the Company to repurchase 5,188,750 outstanding Class A units on December 31, 2006.

Advances and Loans

From time to time, the Company and its affiliates have made advances to each other, which have not had specific repayment terms, did not bear interest until July 1, 2005, are unsecured and have been reflected in the Company's financial statements as other assets or other liabilities. Effective July 1, 2005, such advances bear interest at 1% above prime rate per annum. Also, at December 31, 2006, the Company was owed \$29.7 million and \$1.1 million by Prime and Regis I, respectively.

Property Transactions

In May 2004, the Company purchased the Treehouse Apartments from an affiliate, with a net purchase price of \$7.5 million after assumption of debt and a note receivable, less cash received of \$500,000. The note receivable was from the sale of the Cliffs of El Dorado Apartments to a related party in 2003. At that time, the sale of the Cliffs of El Dorado Apartments was not recorded as a sale for accounting purposes. The Company recorded the sale of the Cliffs of El Dorado Apartments in May 2004, when payment was received for the Cliffs of El Dorado Apartments note receivable.

In connection with the resolution in April 2005 of the litigation filed August 10, 2004, by the Company, TCI and IOT, the Company owns 31.3% of Midland Odessa Properties, Inc. (formerly Innovo Realty, Inc.) (MOPI), the balance of which is owned by TCI (48.8%) and IOT (19.95%). MOPI in turn is a 30% limited partner in several Metra partnerships formed in 2002 when the Company, TCI and IOT sold certain residential properties to partnerships controlled by Metra. The original sale transactions were accounted for as refinancing transactions with the Company continuing to report the assets and new debt incurred by certain of the Metra partnerships on the Company's financial statements. As properties are sold to independent third parties, the transactions are reported as sales.
