Voting of Proxies

Voting by Proxy Card. All shares entitled to vote and represented by properly executed proxy cards received prior to the annual meeting, and not revoked, will be voted at the annual meeting in accordance with the instructions indicated on those proxy cards.

Voting by Telephone or the Internet. A stockholder may vote his, her or its shares by calling the toll-free number indicated on the enclosed proxy card and following the recorded instructions or by accessing the website indicated on the enclosed proxy card and following the instructions provided. When a stockholder votes via the Internet or by telephone, his, her or its vote is recorded immediately. We encourage stockholders to vote using these methods whenever possible.

Voting by Attending the Meeting. A stockholder of record may vote his, her or its shares in person at the annual meeting. A stockholder planning to attend the annual meeting should bring proof of identification for entrance to the annual meeting. If a stockholder of record attends the annual meeting, he, she or it may also submit his, her or its vote in person, and any previous votes that were submitted by the stockholder, whether by Internet, telephone or mail, will be superseded by the vote that such stockholder casts at the annual meeting. If your shares are held in street name or by a broker or nominee, you should follow the directions provided by your broker or nominee regarding how to vote in person at the annual meeting.

Revocability of Proxies. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. If the shares of common stock are held in your name, you may revoke your proxy (1) by filing with our corporate secretary, at or before the taking of the vote at the annual meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy relating to the same shares, or (2) by

attending the annual meeting and voting in person (although attendance at the annual meeting will not by itself revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by our Corporate Secretary prior to the taking of the vote at the annual meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Corporate Secretary or should be sent to CEVA, Inc., 2033 Gateway Place, Suite 150, San Jose, California 95110, Attention: Corporate Secretary. If your shares are held in street name or by a broker or nominee, you should follow the directions provided by your broker or nominee regarding how to revoke your proxy.

Table of Contents

If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted as recommended by the board of directors.

If a stockholder indicates on a proxy that the shares should be voted FOR approval of the matters presented at the annual meeting, the proxy holders will have discretion to vote the shares on any other matters which are properly presented at the annual meeting for consideration, including a motion to adjourn or postpone the annual meeting to another time or place for the purpose of soliciting additional proxies, unless a stockholder expressly withholds authorization for the proxies to use their discretion. Gideon Wertheizer and Yaniv Arieli have been selected as proxy holders by our board of directors and currently serve as our executive officers.

Stockholders Entitled to Vote

Our board of directors has fixed March 24, 2008 as the record date for determination of stockholders entitled to vote at the annual meeting. Only holders of record of our common stock at the close of business on the record date are entitled to notice of and to vote at the annual meeting. On March 24, 2008, there were 20,196,940 shares of our common stock outstanding and entitled to vote. Each share of common stock will have one vote for each matter to be voted upon at the annual meeting.

Quorum; Votes Required

The holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the annual meeting will constitute a quorum for the transaction of business at the annual meeting. Shares of common stock held by stockholders present in person or represented by proxy, including shares held by stockholders that abstain or do not vote with respect to one or more of the matters presented for stockholder approval, will be counted for purposes of determining whether a quorum is present at the annual meeting. An automated system administered by our transfer agent, American Stock Transfer and Trust Corporation, will tabulate votes cast by proxy and one of their representatives will act as inspector of elections to tabulate votes cast in person at the annual meeting.

Under the General Corporation Law of the State of Delaware, abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a no vote on such proposals. A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular matter because such broker or nominee does not have the discretionary voting authority to vote the shares for which it is the holder of record with respect to a particular matter at the annual meeting and such broker or nominee has not received instructions from the beneficial owner. Broker non-votes, and shares as to which proxy authority has been withheld with respect to any matter, are generally not deemed to be entitled to vote for purposes of determining whether stockholders approval of that matter has been obtained.

With respect to our proposal 1 of this proxy statement, each director nominee will be elected by a plurality of the votes of shares of our common stock represented and voted at the annual meeting, and abstentions and broker non-votes will have no effect on the outcome of the election of the director nominees. With respect to proposal 2 of this proxy statement, the affirmative vote of a majority of shares of our common stock represented and voted at the annual meeting is required for approval. Abstentions will have the same effect as no votes on proposal 2, whereas broker non-votes will have no effect on such proposal.

Expenses of Solicitation

We will bear all expenses of this solicitation, including the cost of preparing and mailing this solicitation material. We may reimburse brokerage firms, custodians, nominees, fiduciaries, and other persons representing beneficial owners of common stock for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors,

officers and employees of the company may also solicit proxies in person or by telephone, letter, electronic mail, telegram, facsimile or other means of communication. Such directors, officers and employees will not be additionally compensated, but they may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation.

Table of Contents**Security Ownership of Certain Beneficial Owners and Management**

The following table sets forth information, as of March 10, 2008, regarding the beneficial ownership of shares of our common stock by (a) each person or entity known by us to own beneficially more than 5% of the outstanding shares of our common stock, (b) each of our named executive officers, as described in the 2007 Summary Compensation Table below, (c) each director and director nominee of the company, and (d) the directors and executive officers of the company as a group. The percentages are based on 20,126,940 shares of our common stock as of March 10, 2008. Shares of common stock subject to options or warrants currently exercisable or exercisable within 60 days of March 10, 2008 are deemed outstanding for purposes of computing the percentage beneficially owned by the person holding the options or warrants, but are not deemed outstanding for purposes of computing the percentage beneficially owned by any other person. Except as indicated by footnote, we believe that the persons named in this table, based on information provided by them, have sole voting and investment power with respect to the shares of common stock indicated.

Total	3,588,670	\$ 7.33	2,821,903

The Parthus Technologies 2000 Share Option Plan was not approved by our stockholders as the plan and the options granted thereunder were assumed by us in connection with our combination with Parthus Technologies plc in November 2002. Each option under that plan became an option to purchase the number of shares of our common stock that the holder of such option would have received had such holder exercised the option prior to the combination and held Parthus ordinary shares, and the exercise price per share was adjusted proportionately. Under the terms of that plan, an option holder is entitled to exercise an option in respect of 25% of the total number of shares subject to option on the first anniversary of the date of grant. Each successive month thereafter, the option holder is entitled to exercise options in respect of 1/48th of the total number of shares subject to the option. Options will lapse to the extent that they have not been exercised by the earliest of the seventh anniversary of its date of grant, the expiration of 12 months from the date of death of the option holder or three months from the date of cessation of the option holder's status as an employee, consultant or director.

CORPORATE GOVERNANCE

Director Independence

Our board of directors has determined that all members of the board are independent pursuant to the Nasdaq Global Market rules. In making this determination, our board of directors considered transactions and relationships between each director or his immediate family and the company and our subsidiaries, including those reported in the section below captioned, Transactions with Related Parties. The purpose of this review was to determine whether any such relationships or transactions were material and, therefore, inconsistent with a determination that the director is independent. As a result of this review, our board affirmatively determined, based on its understanding of such transactions and relationships, that all of our directors are independent under the standards set forth by the Nasdaq Global Market rules.

Relationships among Directors or Executive Officers

There are no family relationships among any of our directors or executive officers.

Board of Directors Meetings

Our board of directors met 7 times in meetings or telephonically and acted by unanimous written consent once during 2007. All directors attended at least 75% of the meetings of our board of directors, including meetings of the committees of the board, during the period that they served on our board of directors. It is the policy of our board that the independent directors shall meet separately with no members of management present in executive sessions as appropriate, but no less than twice annually.

Board Committees

Our board of directors has established three standing committees – Audit, Compensation, and Nominations – each of which operates under a charter that has been approved by the board. Current copies of each of the Audit, Compensation and Nominations Committee’s charters are posted on the Corporate Governance section of our website, www.ceva-dsp.com.

The primary purpose of the Audit Committee is to assist the board of directors in fulfilling its responsibility to oversee the accounting and financial reporting processes of CEVA and audits of the financial statements of CEVA. The members of the Audit Committee are Zvi Limon, Sven-Christer Nilsson and Louis Silver. Mr. Silver serves as the chairman of the Audit Committee. The Audit Committee met 6 times in meetings or telephonically during 2007. All of the members of the Audit Committee are independent as defined by the Nasdaq Global Market listing standards and as defined under the independence requirements of Rule 10A-3 under the Exchange Act.

The primary purposes of the Compensation Committee are to discharge the responsibilities of the board of directors relating to compensation of CEVA’s executive officers, to make recommendations with respect to new incentive compensation and equity-based plans and to make recommendations regarding director compensation and administration of CEVA’s equity compensation plans. The members of the Compensation Committee are Bruce A. Mann, Louis Silver and Sven-Christer Nilsson. Mr. Mann serves as the chairman of the Compensation Committee. The Compensation Committee met 6 times in meetings or telephonically during 2007. All of the members of the Compensation Committee are independent as defined by the Nasdaq Global Market listing standards.

The primary purpose of the Nominations Committee is to recommend to the board of directors the persons to be nominated for election as directors at any meeting of stockholders; develop and recommend to the board of directors a set of corporate governance principles applicable to CEVA and to oversee the evaluation of the board of directors and management. The members of the Nominations Committee are Zvi Limon and Sven-Christer Nilsson. There were no meetings of the Nominations Committee during calendar 2007. All members of the Nominations Committee are independent, as defined by the Nasdaq Global Market listing standards.

Table of Contents

Audit Committee

The Audit Committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our independent auditor;
- overseeing the work of our independent auditor, including through the receipt and consideration of certain reports from independent auditors;
- evaluating the performance of and assessing the qualifications of the independent auditors;
- reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures;
- monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
- discussing our risk management policies;
- establishing policies regarding hiring employees from the independent auditor and procedures for the receipt and retention of accounting related complaints and concerns;
- meeting independently with our internal auditing staff, independent auditors and management; and
- preparing the audit committee report required by SEC rules (which is included on page 28 of this proxy statement).

Our board of directors has determined that we do not currently have an audit committee financial expert as defined by SEC rules serving on our Audit Committee. It has been difficult for companies of our size to identify and retain an audit committee financial expert. Each member of our Audit Committee has demonstrated that he is capable of (i) understanding generally accepted accounting principles (GAAP) and financial statements, (ii) assessing the general application of GAAP principles in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating financial statements, (iv) understanding internal controls and procedures for financial reporting, and (v) understanding Audit Committee functions, all of which are attributes of an audit committee financial expert under the rule adopted by the SEC. Given the business experience and acumen of Mr. Limon, Mr. Nilsson and Mr. Silver and their long standing service as members of our Audit Committee, our board of directors believes that Mr. Limon, Mr. Nilsson and Mr. Silver are qualified to carry out all duties and responsibilities of the Audit Committee, including meeting the financial sophistication standards of NASDAQ Rule 4350(d)(2)(A). We are committed to seeking an Audit Committee member to meet the SEC requirements for an audit committee financial expert, but we can provide no assurance that we will be successful in doing so.

Compensation Committee

The Compensation Committee's responsibilities include:

- determining the compensation of the executive officers, including the chief executive officer;
- reviewing and making recommendations to the board with respect to our cash and equity incentive plans;

reviewing and making recommendations to the board with respect to director compensation; and
administering CEVA's equity incentive plans.

Nominations Committee

The Nominations Committee's responsibilities include identifying individuals qualified to become board members and recommending to the board the persons to be nominated for election as directors and to each of the board's committees. The Nominations Committee assists the board in all matters relating to the establishment, implementation and monitoring of policies and processes regarding the recruitment and nomination of candidates to the board and committees of the board, and the development, evaluation and monitoring of our corporate governance processes and principles. The committee also is responsible for developing, implementing and

Table of Contents

monitoring compliance of our code of business conduct and ethics, and corporate guidelines and making recommendations to the board of revisions to the code and the guidelines from time to time as appropriate.

Director Candidates

The process to be followed by the Nominations Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the committee and the board.

In considering whether to recommend any particular candidate for inclusion in our board's slate of recommended director nominees, the Nominations Committee only considers candidates who have demonstrated executive experience, have experience in an applicable industry, or significant high level experience in accounting, legal or an applicable technical field. Other criteria will include the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Nominations Committee will not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

The Nominations Committee has adopted a policy of accepting recommendations from stockholders for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Nominations Committee, c/o Corporate Secretary, CEVA, Inc., 2033 Gateway Place, Suite 150, San Jose, California 95110. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy materials for the next annual meeting.

Stockholders also have the right under our by-laws to directly nominate director candidates, without any action or recommendation on the part of the Nominations Committee or the board, by following the procedures set forth under Stockholder Proposals for 2008 Annual Meeting and Nominations of Persons for Election to the Board of Directors.

We have not received a director nominee recommendation from any stockholder (or group of stockholders) that beneficially owns more than five percent of our common stock.

Communicating with the Independent Directors

The board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. The chairman of the Nominations Committee, with the assistance of our Corporate Secretary, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the chairman of the Nominations Committee or the Corporate Secretary considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal

grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Board of Directors c/o Corporate Secretary, CEVA, Inc., 2033 Gateway Place, San Jose, California 95110.

Code of Business Conduct and Ethics

Our board of directors adopted a code of business conduct and ethics. This code applies to all of our employees and is posted on the Corporate Governance section of our website at www.ceva-dsp.com. The code satisfies the requirements under the Sarbanes-Oxley Act of 2002, as well as NASDAQ rules applicable to issuers listed on the Nasdaq Global Market. The code, among other things, addresses issues relating to conflicts of interests, including internal reporting of violations and disclosures, and compliance with applicable laws, rules and regulations. The purpose of the code is to deter wrongdoing and to promote, among other things, honest and ethical conduct and to ensure to the greatest possible extent that our business is conducted in a legal and ethical manner. Any waivers to the code with respect to our executive officers and directors may be granted only by the audit committee. Any waivers to the code with respect to the remainder of the employees may be granted by the corporate compliance officer, which is currently our Chief Financial Officer. Any waivers to the code and any amendments to the code applicable to our Chief Executive Officer, Chief Financial Officer, principal accounting officer, controller or persons performing similar functions, will be posted on our website. Our audit committee has also established procedures for (a) the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

Director Attendance at Stockholder Meetings

We have adopted a guideline providing that, in light of the geographic dispersion of our directors, the directors attendance at the annual meeting of stockholders is encouraged but not required. All directors attended the 2007 annual meeting of stockholders in person or via telephone.

Transactions with Related Parties

On July 1, 1996, one of CEVA's Irish subsidiaries entered into a property lease agreement with Veton Properties Limited to lease office space in Dublin, Ireland, known as the Harcourt lease. The lease term was 25 years from July 1, 1996 and the annual rental payment was approximately \$1.3 million. Peter McManamon, chairman of our board of directors, is a minority stockholder of Veton Properties Limited. During the year ended December 31, 2007, we paid \$2.0 million pursuant to the Harcourt lease agreement. Included in the aggregate 2007 payments pursuant to the Harcourt lease was approximately \$1.7 million to settle legal proceedings that the Harcourt landlord initiated against us in July 2007 for full payment of rent for the period from July 2006 to September 2007, including interest on arrears. On January 18, 2008, we made a payment of approximately \$5.7 million to surrender and terminate the lease.

One of our directors, Bruce Mann, is a partner of Morrison & Foerster LLP, the Company's outside legal counsel. Fees paid to Morrison & Foerster LLP during the year ended December 31, 2007 were \$266,000.

We have entered into indemnification agreements with each of our directors and executive officers. Such agreements require us to indemnify such individuals to the fullest extent permitted by Delaware law.

We have adopted a written policy regarding related person transactions which is incorporated in the Charter of the Audit Committee. Pursuant to this policy, our Audit Committee must review and approve any such transactions.

To our knowledge, no material proceedings exist to which any director, officer or affiliate of CEVA, any owner of record or beneficially of more than 5% of any class of voting securities of CEVA, or any associate of any such director, officer, affiliate of CEVA, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

EXECUTIVE COMPENSATION

Compensation Discussion & Analysis

Overview of Compensation Philosophy and Objectives

We operate in a very competitive, dynamic and challenging industry. The Compensation Committee, which establishes our compensation policy, seeks to achieve the following three broad goals in connection with our executive compensation program:

enable CEVA to attract and retain qualified executive officers;

create a performance-oriented environment by rewarding executive officers for the achievement of CEVA's business objectives and/or achievement of an individual executive officers' particular area of responsibility; and

provide executive officers with equity incentives in CEVA so as to link a portion of an executive officers' compensation with the performance of CEVA's common stock.

We believe that our executive officers' compensation should not be based on the short-term performance of our stock, whether favorable or unfavorable, but rather that the price of our stock will, in the long-term, reflect our operating performance and ultimately the management of the company by our executive officers. Our policy for allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain key personnel, while providing incentives to maximize long-term value for our company and our stockholders. We further believe that our executive officers' total annual cash compensation should vary with the company's performance and that the higher an executive officer's level of responsibility within the company, the greater the percentage of such executive officer's compensation should be tied to the company's performance. However, notwithstanding the above principles, we rely upon judgment and not upon rigid guidelines or formulas in determining the amount and mix of compensation elements for each executive officer.

The Compensation Committee, which is comprised solely of independent, non-employee board members, has the authority and responsibility to establish our overall compensation strategy, including reviewing, analyzing and approving the compensation structure for our Chief Executive Officer, our executive and non-executive officers and other key employees each fiscal year; and administer our incentive compensation and benefit plans, 401(k) plan, and stock option and purchase plans. The Compensation Committee regularly updates the board of directors with respect to its undertakings in establishing the company's overall compensation strategy. Messrs. Mann, Silver and Nilsson were the members of the Compensation Committee in 2007 with Mr. Mann as the chair.

Role of Chief Executive Officer and Compensation Consultants in Compensation Decisions

In its annual review of each executive officer's total compensation, the Compensation Committee takes into consideration the assessment of the performance of each executive officer by Mr. Wertheizer, our Chief Executive Officer (other than his own performance, which is reviewed solely by the Compensation Committee), their

accomplishments, and individual and corporate performance of each such executive officer, including Mr. Wertheizer's recommendation with respect to salary adjustments and annual option award amounts.

Pursuant to the authorization provided by its charter, the Compensation Committee has engaged the services of Compensia, a compensation consultant, from time to time, to provide the committee with certain comparative information about the base salaries, option grants and other compensation information of chief executive officers and chief financial officers of peer companies located in Israel; current compensation trends; and general

Table of Contents

observations on our executive compensation program. Compensia did not directly recommend any amount or form of compensation for any executive officer.

Principal Elements of Executive Compensation

Compensation of our executive officers consists of three principal components: base salary, annual cash award and long-term equity incentive compensation consisting of stock option grants.

Base Salary. The base salaries of our executive officers are reviewed annually and are set by the Compensation Committee. Base salaries for executive officers, including the Chief Executive Officer, are generally determined on an individual basis by evaluating (i) the executive's scope of responsibility and changes in job responsibility, performance, prior employment experience and salary history; (ii) our financial performance, including increases in our revenues and profits, during the year; (iii) competitive market conditions for executive compensation; and (iv) internal consistency within our salary structure. The base salaries for Messrs. Wertheizer and Arieli were increased in 2007 in consideration of their efforts and success in reducing the company's operating expenses, promoting new strategic initiatives and the devaluation of the U.S. dollar against the NIS, the Israeli currency, which had a negative impact on Messrs. Wertheizer and Arieli whose base salaries are paid in U.S. dollars but reside in Israel.

Annual Cash Award. The Compensation Committee believes that an annual cash award component for compensation to supplement base salaries of executive officers provides an important incentive to the achievement of corporate goals. In consideration of the small size of our management team, the flexibility offered by a more discretionary bonus plan and the recognition that the long-term success of the company is achieved by the attainment of various strategic goals and not singular focus on specific financial metrics, the Compensation Committee concluded that it would be in our best interests and the best interests of our stockholders to make any cash awards to Messrs. Wertheizer and Arieli in 2007 to be based on the following criteria: (1) fifty percent of the bonus payable to each of Messrs. Wertheizer and Arieli would be payable only if both the 2007 revenue and operating income goals, based on the company's internal 2007 budget as previously approved by our board of directors, were achieved, and (ii) the other fifty percent of the bonus payable to each of Messrs. Wertheizer and Arieli would be payable at the discretion of the Compensation Committee based on such tangible and intangible individual performance factors as it considered appropriate. The Compensation Committee did not assign a particular weight to any individual performance factor or consider a particular performance factor as the primary determinant. The determination of the achievement of individual performance factors by either Messrs. Wertheizer or Arieli was necessarily subjective. The bonus payable to each of Messrs. Wertheizer and Arieli was capped at fifty percent of his base salary for 2007. For purposes of the 2007 annual cash award, the Compensation Committee determined that our financial performance was not met but each of Messrs. Wertheizer and Arieli exceeded their individual performance. As a result, the Compensation Committee approved the payment of \$68,950 and \$45,430 to each of Messrs. Wertheizer and Arieli, respectively. We are not disclosing the specific 2007 revenue and operating income goals used to determine the annual cash bonuses payable to Messrs. Wertheizer and Arieli because they are confidential and their disclosure could cause competitive harm to the company.

Long-Term Incentive Compensation. Stock options are an element of the compensation packages of our executive officers, including our Chief Executive Officer, because they provide an our executive officers to executives to maximize stockholder value and because they reward our executive officers only to the extent that our stockholders also benefit. The Compensation Committee believes that it is to our advantage to increase our executive officers interest in our future performance, as these employees share the primary responsibility for CEVA's management and growth. In 2008, we intend to continue to provide long-term awards to our executive officers through stock option grants, which will vest based on continued employment consistent with the general vesting schedules discussed below.

Compensation of Chief Executive Officer. The determination by the Compensation Committee of the remuneration of Mr. Wertheizer in 2007 generally was based upon methods consistent with those used for our other executive officers. The Compensation Committee believes that the salary and long-term incentive compensation paid to Mr. Wertheizer in 2007 were appropriate based on our compensation policy.

Table of Contents

Compensation of Executive Vice President, Worldwide Sales. The annual cash compensation payable to Mr. Ohana is made up of a base salary, at determined in accordance with the criteria discussed above, and a commission-based cash bonus paid quarterly based on the criteria discussed below.

The commission-based cash bonus payable to Mr. Ohana is based on a formula using a specified annual revenue target, multiplied by a specified commission rate. Commission multipliers are then applied to the commission rate based on the percentage achievement of the annual revenue target. The annual revenue target is based on the company's internal 2007 budget as approved by our board of directors. Mr. Ohana also would receive an additional quarterly bonus if specified quarterly revenue targets are achieved. Furthermore, Mr. Ohana would receive an additional bonus each time he succeeds in successfully executing a license agreement with a specified large customer that exceeded a specified amount. This strategic account bonus is capped at \$20,000 if we fail to achieve a specified amount of revenues in 2007.

The process for setting the annual revenue target for Mr. Ohana's incentive plan begins with a discussion by our Chief Executive Officer and Chief Financial Officer of the strategic and operating plans for the relevant fiscal year. Our Compensation Committee reviews such objectives and subject to any further adjustments, approves them. The annual revenue target set for Mr. Ohana's incentive plan generally requires significant effort by Mr. Ohana to achieve. Due to their strategic significance, management believes that the disclosure of the annual revenue target and specified commission rates contained in Mr. Ohana's incentive plan would cause competitive harm to the company.

Equity Incentive Programs

We intend that our stock award program is the primary vehicle for offering long-term incentives and rewarding our executive officers and key employees. We also regard our stock award program as a key retention tool. This is a very important factor in our determination of the type of award to grant and the number of underlying shares that are granted in connection with that award. Because of the direct relationship between the value of an option and the market price of our common stock, we have always believed that granting stock options is the best method of motivating the executive officers to manage our company in a manner that is consistent with the interests of our company and our stockholders. In order to promote a longer term management focus and to provide an incentive for continued employment with us, stock options generally become exercisable over a four-year period, with the exercise price being equal to the fair market value of our common stock on the date of grant. The size of the option grant made to each executive officer is based upon the following factors:

an evaluation of the executive officer's past performance;

the total compensation being paid to the executive officer;

the anticipated value of the executive officer's contribution to our future performance;

the executive officer's scope of responsibility;

the executive officer's current position with us;

the number of options awarded to the executive officer during previous fiscal years and the vesting status of such options;

comparability with option grants made to our other executive officers; and

comparability with option positions of similarly situated executive officers at peer companies.

Due to the evolution of regulatory, tax and accounting treatment of equity incentive programs and because it is important for us to retain our executive officers and key employees, we realize that it is important to explore the use of other forms of equity awards, in addition to stock option awards, as and when we may deem necessary. In 2008, we may consider granting stock appreciation rights to certain eligible employees as we believed that this may be a more efficient way to reward them for and motivate them toward superior performance.

Table of Contents

During fiscal year 2007, stock options to acquire 939,500 shares of our common stock were granted. Our executive officers received stock options to acquire an aggregate of 87,000 shares or 9% of the total options granted in fiscal 2007.

Timing of Grants. Equity incentive awards to our executive officers and other key employees are typically granted annually in conjunction with the review of the individual performance of our executive officers. Stock options are not necessarily granted to each executive officer during each year. Grants of stock options to newly hired executive officers who are eligible to receive them generally are made at the next regularly scheduled Compensation Committee meeting following their hire date.

Stock Ownership Guidelines. We do not currently require our executive officers and members of our board to own a minimum number of shares of our common stock. The Compensation Committee is satisfied that stock and option holdings among our executive officers and directors are sufficient at this time to provide motivation and to align this group's interests with those of our stockholders.

Retirement Benefits and Perquisites

We generally do not offer any retirement benefits to our executive officers, except to the extent certain social benefits required pursuant to Israeli labor laws or are common practice in Israel, which are applicable to all Israeli employees, may substitute as retirement benefits. Specifically, based on Israeli labor laws, an Israeli employee is entitled to severance pay upon termination of employment for any reason, including retirement, based on the most recent monthly salary of such employee multiplied by the number of years of employment of such employee. We make a payment of 8.333% of each employee's monthly base salary to an insurance fund to pay for this future liability payable to our employees upon termination of their employment. In addition, we make a payment of 5% of each employee's monthly base salary to another insurance fund, and this accrued amount may be withdrawn by the employee only upon retirement.

In addition, we provide our U.S. employees, including Issachar Ohana, our only U.S.-based executive officer, with participation in our 401(k) plan. We provided a 100% match to any contribution made by participants to the 401(k) plan in 2007, subject to a maximum of 6% of the participant's compensation and specified IRS limits. The matching amount contributed by us to Mr. Ohana is shown in the 2007 Summary Compensation table.

We currently do not provide any material benefits to our executive officers that are not generally available to our employees. In connection with Mr. Ohana's relocation from Israel to the U.S., which we believed to be a necessary strategic move, we agreed to provide Mr. Ohana with certain relocation benefits that we have in the past provided to our other relocated employees, although to a lesser extent. The benefits we provide to Mr. Ohana include an annual housing allowance and reimbursement of travel expenses he or his family incurs for trips between Israel and the U.S. The value of the perquisites provided to Mr. Ohana is shown in the 2007 Perquisites table. On November 1, 2007, Mr. Ohana's employment agreement was amended to eliminate his relocation benefits in return for an increase to his annual base salary in the amount of such relocation benefits so that his overall compensation remained the same.

Post-Termination Protection

The Compensation Committee also recognizes that, from time to time, it is appropriate to enter into agreements with certain key executive officers to ensure that we continue to retain their services and to promote stability and continuity within our company. We have entered into employment agreements with all of our executive officers. The varied terms of their employment agreements reflect the importance of retaining their services and their potential contributions to the attainment of our long-term goals. Their employment agreements are described beginning on page 23 of this proxy statement. In addition, the committee cannot ensure that compensation intended to qualify for

deductibility under Section 162(m) will in fact be deductible because: (1) a number of requirements must be satisfied in order for the compensation to qualify and (2) uncertainties as to the application and interpretation surrounding this section currently exist.

Table of Contents

Financial Restatements

The Compensation Committee has not adopted a policy with respect to whether we will make retroactive adjustments to any cash- or equity-based incentive compensation paid to executive officers (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. Our Compensation Committee believes that this issue is best addressed when the need actually arises, when all of the facts regarding the restatement are known.

Tax and Accounting Treatment of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to its chief executive officer and its four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, is not subject to the deduction limitation if certain requirements are met. In particular, income recognized upon the exercise of a stock option is not subject to the deduction limitation, if, among other things, the option was issued under a plan approved by the stockholders and such plan provides a limit on the number of shares that may be issued under the plan to any individual. Our 2000 Stock Incentive Plan and 2002 Stock Incentive Plan are structured so that any compensation deemed paid to an executive officer in connection with the exercise of option grants made under those plans will qualify as performance-based compensation which will not be subject to the \$1 million limitation. The Compensation Committee reserves the right to use its judgment to authorize compensation payments that do not comply with the exemptions in Section 162(m) of the Internal Revenue Code when the committee believes that such payments are appropriate and in the best interests of our stockholders, after taking into account changing business conditions or the executive officer's performance. In addition, the Compensation Committee cannot ensure that compensation intended to qualify for deductibility under Section 162(m) will in fact be deductible because: (1) a number of requirements must be satisfied in order for the compensation to qualify; and (2) uncertainties as to the application and interpretation surrounding this section currently exist.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth above with our management. Based on its review and discussions, the committee recommended to our board of directors that the Compensation Discussion and Analysis be included in this proxy statement.

Nonqualified Deferred Compensation

We do not provide any nonqualified defined contribution or other deferred compensation plans to our Named Executive officers.

Employment Agreements

On November 1, 2002, we entered into employment agreements, as amended, with Messrs. Wertheizer and Ohana. Pursuant to the employment agreements, both Mr. Ohana and Mr. Wertheizer are entitled to an annual base salary of \$200,000, as well as a bonus to be determined at the discretion of the Compensation Committee of our board of directors in the case of Mr. Wertheizer, and a commission-based bonus based on guidelines described in greater detail in the Compensation Analysis and Discussion section in the case of Mr. Ohana. Effective as of January 1, 2007, Mr. Wertheizer's annual base salary was restated in NIS, the Israeli currency, and increased to NIS 1,118,037 (approximately \$275,800).

Although each employment agreement is for an indefinite term, the employment of each of Messrs. Wertheizer and Ohana will be terminable at any time by us, other than for cause, upon the determination of our board of directors with not less than 30 days notice or by the individual with notice of not less than nine months in the case of Mr. Wertheizer and six months in the case of Mr. Ohana. If our board of directors determines that an individual has failed to perform his reasonably assigned duties and upon written notice from us, we are required to give notice or a cure period of not less than nine months in the case of Mr. Wertheizer and six months in the case of Mr. Ohana prior to termination. If either of Messrs. Wertheizer or Ohana resigns for good reason or if we, or an acquiring or succeeding corporation after a change in control of our company, terminate him, other than for cause, then he will be entitled to the compensation, including medical and, to the extent applicable, pension benefits, to which he would otherwise have been entitled had he remained employed by us for two years, and his options will vest in full. If either of Messrs. Wertheizer or Ohana voluntarily terminates his employment after providing the requisite notice period of nine months in the case of Mr. Wertheizer and six months in the case of Mr. Ohana, he will be entitled to the

compensation, including medical and, to the extent applicable, pension benefits, to which he would otherwise have been entitled during the notice period. If the employment of either of Messrs. Wertheizer or Ohana is terminated by death, his options will vest in full.

In connection with Mr. Ohana's relocation from Israel to the U.S., which we believed to be a necessary strategic move, we amended Mr. Ohana's employment agreement, effective as of July 22, 2003, to provide Mr. Ohana with certain relocation benefits, including a monthly housing rental allowance of up to \$48,000, reimbursement of travel expenses he or his family incurs for two trips between Israel and the U.S annually, and a one-time relocation grant of \$25,000 to cover costs incurred in relocating. On November 1, 2007, Mr. Ohana's employment agreement was further amended to add certain technical provisions associated with Section 409A of the Internal Revenue Code of 1986, as amended. The amendment also eliminated Mr. Ohana's relocation benefits provided in the amendment effective as of July 22, 2003, in return for an increase to Mr. Ohana's annual base salary in the amount of such relocation benefits so that Mr. Ohana's overall compensation remained the same.

Table of Contents

On August 18, 2005, we entered into an employment agreement with Mr. Arieli. Pursuant to the employment agreement, Mr. Arieli was entitled to a salary of \$126,000, as well as an annual overtime payment of \$14,000. Effective as of January 1, 2007, Mr. Arieli's annual salary was restated in NIS, the Israeli currency, and increased to NIS 670,680 for base salary and NIS 67,645 for an annual overtime payment (approximately \$181,719 in the aggregate). Upon the termination of his employment, Mr. Arieli will be entitled to severance benefits in accordance with the laws of the State of Israel. The employment agreement is effective as of August 1, 2007 and shall continue in effect until terminated in accordance with its terms. The employment of Mr. Arieli may be terminable at any time by either party and for any reason with six months prior written notice. If we terminate Mr. Arieli's employment without providing the requisite notice period, Mr. Arieli will be entitled to an amount equal to six months of his then applicable monthly base salary. In May 2007, to provide consistency with Messrs. Wertheizer and Ohana, our board of directors determined that if Mr. Arieli resigns for good reason or if the company, or an acquiring or succeeding corporation after a change in control of our company, terminates him, other than for cause, then Mr. Arieli's then outstanding options would vest in full. Other than the acceleration of outstanding option grants, Mr. Arieli's employment agreement does not provide for any additional compensation in the event of a change in control of our company.

Potential Payments Upon Termination or Change of Control

The following table sets forth the amount of compensation to each of Messrs. Wertheizer, Arieli, and Ohana in the event termination of such executive officer's employment or a change in control of our company occurred as of December 31, 2007.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee of our board of directors are Messrs. Mann, Nilsson and Silver. No member of this committee is a present or former officer or employee of CEVA or any of its subsidiaries.

Mr. Silver is a member of the Compensation Committee of DSP Group, Inc., and Mr. Ayalon, one of our directors, is the chief executive officer and chairman of the board of directors of DSP Group, Inc. No executive officer of CEVA served on the board of directors or Compensation Committee of any entity which has one or more executive officers serving as a member of our board or Compensation Committee.

DIRECTOR COMPENSATION

We use a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on our board. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties to the company as well as the skill-level we require of members of our board. We do not currently have a minimum share ownership requirement for our directors.

Cash Compensation Paid to Board Members

Directors who are employees of CEVA do not receive any additional compensation for their services as directors. Directors who are not employees of CEVA (other than the Chairman) are entitled to an annual retainer of \$30,000, payable in quarterly installments of \$7,500 each. The Chairman receives an annual retainer of \$60,000, payable in quarterly installments of \$15,000 each. In addition, committee meetings of a face-to-face nature and on a telephonic basis are compensated at the rate of \$1,000 per meeting. All directors are reimbursed for expenses incurred in

connection with attending board and committee meetings.

Stock Option Program

Each of our non-employee directors is also entitled to participate in our 2003 Director Stock Option Plan, 2000 Stock Incentive Plan and 2002 Stock Incentive Plan. Pursuant to our 2003 Director Stock Option Plan, each person who becomes a non-employee director shall automatically be granted an option to purchase 38,000 shares of common stock. On June 30 of each year beginning in 2004, each non-employee director will automatically be granted an option to purchase 13,000 shares of common stock if he has served on the board as of such date and an option to purchase 13,000 shares of common stock for each committee of the board on which he has served as chair person as of such date. In 2007, we awarded director option grants to our non-employee directors pursuant to our 2000 Stock Incentive Plan as a result of an insufficient number of authorized shares under the 2003 Director Stock Option Plan for the automatic director grants.

Report of the Audit Committee of the Board of Directors

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate this proxy statement or future filings made by the Company under those statutes, the below Audit Committee Report shall not be deemed filed with the United States Securities and Exchange Commission and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by the Company under those statutes.

The Audit Committee of our board of directors is composed of four members; one seat is currently vacant. The Audit Committee acts under a written charter first adopted and approved in October 2002 and amended in February 2004 and January 2007. A copy of our amended charter is on our website at www.ceva-dsp.com.

Table of Contents

The Audit Committee has reviewed our audited financial statements for 2007 and has discussed these financial statements with our management and our independent auditors.

Our management is responsible for the preparation of our financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent auditors are responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of these processes.

The Audit Committee has also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees) (SAS 61).

SAS 61 requires our independent auditors to discuss with our Audit Committee, among other things, the following:

adjustments arising from the audit that could have a significant effect on the financial reporting process;

the use of and changes in significant accounting policies or their application, as well as the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

disagreements with management, whether or not satisfactorily resolved, about matters that could be significant to the financial statements or the auditor's report.

Our independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). This standard requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit Committee has discussed with the independent auditors their independence from us.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to our board of directors that the audited financial statements be included in our annual report on Form 10-K for 2007. The Audit Committee has also recommended the selection of Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) and, based on our recommendation, the board of directors has selected Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) as our independent auditors for the fiscal year ending December 31, 2007, subject to stockholder ratification.

Pre-Approval Policy and Procedures

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent auditor. This policy generally provides that we will not engage our independent auditor to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the Audit Committee may pre-approve specified types of services that we expect our independent auditor to provide during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee may delegate to a subcommittee of the Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent auditor. Any approval of services by a member of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee.

An independent firm has been retained as our principal tax planning advisor going forward.

PROPOSAL 2 RATIFICATION OF THE SELECTION OF KOST FORER GABBAY & KASIERER (A MEMBER OF ERNST & YOUNG GLOBAL) AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2007

Our Audit Committee has selected Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) as our auditors for the current fiscal year, subject to ratification by our stockholders at the annual meeting. We expect a representative of Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) to be present at the annual meeting to respond to appropriate questions and to make a statement if he or she so desires.

Neither our by-laws nor other governing documents or law require stockholder ratification of the selection of Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) as our independent accountants. However, the Audit Committee of the Board of Directors is submitting the selection of Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent accountants at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

In connection with the audit of the 2007 financial statements, we entered into an engagement agreement with Kost Forer Gabbay & Kasierer which set forth the terms by which Kost Forer Gabbay & Kasierer will perform audit services for us. That agreement is subject to alternative dispute resolution procedures and an exclusion of punitive damages.

Our board of directors recommends a vote FOR the ratification of Kost Forer Gabbay & Kasierer (a member of Ernst & Young Global) as our auditors for the fiscal year ending December 31, 2008.
