Item 1.01. Entry into a Material Definitive Agreement.

On June 25, 2008, Progress Software Corporation, a Massachusetts corporation (Progress Software), and IONA Technologies PLC, a public limited company incorporated under Irish law (IONA) announced that IONA and Progress Software have reached agreement on the terms of a recommended acquisition pursuant to a scheme of arrangement under Section 201 of the Irish Companies Act of 1963 (the Act) whereby SPK Acquisitions Limited (SPK), a private limited company incorporated under Irish law and a wholly-owned subsidiary of Progress Software, will acquire all of the issued and to be issued ordinary share capital of IONA not already owned by Progress Software or its subsidiaries for cash (the Scheme).

In connection with the Scheme, IONA, SPK and Progress Software entered into an Implementation Agreement on June 25, 2008 (the Implementation Agreement), which governs their relationship during the period until the Scheme becomes effective, lapses or is withdrawn and which contains certain assurances in relation to the implementation of the Scheme and the conduct of IONA s business up to the date on which the Scheme becomes effective in accordance with its terms.

Under the terms of the Scheme, IONA shareholders will be entitled to receive \$4.05 in cash per ordinary share of 0.0025 par value in IONA (each, an IONA Share) in return for the cancellation of their IONA Shares (the Consideration), excluding shares held by Progress Software or any of its wholly-owned subsidiaries. The Consideration values the entire issued and to be issued share capital of IONA at approximately \$161.7 million.

The implementation of the Scheme and the acquisition is conditional, among other things, upon:

- the Scheme becoming effective and unconditional by not later than December 15, 2008 (or such later date as SPK and IONA may, with (if required) the consent of the Irish Takeover Panel (the Panel), agree and (if required) the High Court of Ireland (the High Court) may allow);

- the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the regulations thereunder;

- the approval by a majority in number of IONA shareholders representing three-fourths (75 percent) or more in value of the IONA Shares held by such holders present and voting either in person or by proxy, at the meeting or meetings of the IONA shareholders (and any adjournment thereof) convened by order of the High Court pursuant to Section 201 of the Act to consider and, if thought fit, approve the Scheme (with or without amendment) (the Court Meeting);

- the passing of such resolutions (the Resolutions) as are required to approve or implement the Scheme at the extraordinary general meeting of the IONA shareholders to be convened in connection with the Scheme (the Extraordinary General Meeting), expected to be held on the same day as the Court Meeting as soon as it is concluded or adjourned (and any adjournment thereof);

- the sanction of the Scheme and confirmation of the reduction of capital involved therein by the High Court and the delivery of an office copy of the order or orders of the High Court sanctioning the Scheme under Section 201 of the Act and confirming the reduction of capital that forms part of it under Sections 72 and 74 of the Act (the Court Order) and the minute required by Section 75 of the Act to the Registrar of Companies in Dublin, Ireland (the Registrar of Companies) and the registration of such Court Order and minute by the Registrar of Companies; and

- the conditions, which are not otherwise identified above, being satisfied or waived on or before the sanction of the Scheme by the High Court pursuant to Section 201 of the Act.

Pursuant to a Deed of Limited Guaranty and Indemnity (the Guaranty) entered into by IONA and Progress Software on June 25, 2008, Progress Software, as principal obligor, has guaranteed to IONA the due and punctual payment and performance of all the obligations of SPK (and its successors and assigns) under the Implementation Agreement, provided that the maximum amount payable by Progress Software to IONA will not exceed \$161.7 million.

In addition, IONA has entered into an Expenses Reimbursement and Non-Solicitation Agreement, dated June 25, 2008, with SPK (the ERA), the terms of which have been approved by the Panel. Under the ERA, IONA has agreed to pay specific quantifiable third party costs and expenses incurred by SPK in connection with the acquisition in the circumstances outlined below. The liability of IONA to pay these amounts is

limited to a maximum amount equal to one percent of the aggregate value of the number of IONA Shares which are the subject of the acquisition multiplied by the Consideration. The circumstances in which such payment will be made include:

- if the Board of Directors of IONA, or any one or more members thereof, withdraws or adversely modifies its/their recommendation of the Scheme or recommends (or indicates or announces an intention to recommend) a competing offer or scheme;
- IONA withdraws the Scheme or materially alters any term of the Scheme or takes or omits to take any action in breach of the Implementation Agreement, the result of which is to prevent IONA's shareholders from voting at any meetings to approve the Scheme; or
- if prior to the Scheme lapsing or being withdrawn, a competing offer or offers or scheme or schemes are announced and any such offer or scheme becomes effective or unconditional within 12 months of that announcement.

The non-solicitation undertaking provides that, until the earlier of December 15, 2008 and the date on which the Scheme becomes effective (or lapses or is withdrawn), IONA has agreed that, subject to the fiduciary duties of the Board of Directors of IONA, no member of IONA, its subsidiaries and associated undertakings; or any of their respective directors, officers, employees or advisers shall, among other things, solicit interest or initiate discussions or negotiations with any person with a view to that person acquiring control (as defined in the Irish Takeover Panel Act, 1997, Takeover Rules 2007 and the Irish Takeover Panel Act, 1997, Substantial Acquisition Rules 2007 (where applicable) (collectively, the "Takeover Rules")) of IONA. Except to the extent required by the Takeover Rules or the Panel, IONA has also agreed to inform and keep informed SPK of any inquiry with respect to or that would reasonably be expected to lead to a competing offer, the material terms of such competing offer and the identity of the person making any such inquiry or proposing a competing offer.

In connection with the Implementation Agreement, members of IONA's Board of Directors who are IONA shareholders in respect of the 3,605,193 IONA Shares, in aggregate, they own, representing approximately 9.8 percent of the issued share capital of IONA, have executed Voting Undertakings dated prior or concurrent to the execution of the Implementation Agreement, pursuant to which the directors have agreed, subject to certain exceptions, to vote in favor of the acquisition and the Scheme. These irrevocable undertakings, once given, will lapse in the event that the acquisition and the Scheme lapse or are withdrawn, the resolutions are not passed at the Extraordinary General Meeting and the Court Meeting, the High Court declines or refuses to sanction the Scheme (unless IONA and SPK agree that the decision of the High Court shall be appealed and, if so appealed, a final non-appealable order, decree, judgment, or ruling has been issued), the Scheme does not become effective on or before December 15, 2008, a firm intention to make a higher competing offer is announced pursuant to Rule 2.5 of the Takeover Rules, the Board of IONA withdraws its recommendation to IONA shareholders to vote in favor of the Scheme, or SPK announces that it will not proceed with the acquisition.

Progress Software Corporation, a Delaware corporation that is a wholly-owned subsidiary of Progress Software, ("Progress SC") has irrevocably committed to SPK and IONA, in respect of the IONA Shares which it owns, not to vote such IONA Shares at the Court Meeting and to vote such IONA Shares in favor of the Resolutions to be considered at the Extraordinary General Meeting. This irrevocable undertaking, once given, will lapse in the event that the acquisition and the Scheme lapse or are withdrawn, the Resolutions are not passed at the Extraordinary General Meeting and the Court Meeting, the High Court declines or refuses to sanction the Scheme (unless IONA and SPK agree that the decision of the High Court shall be appealed and, if so appealed, a final non-appealable order, decree, judgment, or ruling has been issued), the Scheme does not become effective on or before December 15, 2008, a firm intention to make a higher competing offer is announced pursuant to Rule 2.5 of the Takeover Rules, the Board of IONA withdraws its recommendation to IONA shareholders to vote in favor of the Scheme, or SPK announces that it will not proceed with the acquisition.

The foregoing descriptions of the Implementation Agreement, the Guaranty, the ERA, and the Voting Undertakings of members of IONA's Board of Directors and Progress SC are only summaries, and do not purport to be complete and are qualified in their entirety by reference to the Implementation Agreement, the Guaranty, the ERA, the Form of Voting Undertaking executed by members of IONA's Board of Directors and the Voting Undertaking of

Progress SC (collectively, the Acquisition Documents), which are filed hereto as Exhibits 2.1-2.5 to this Current Report on Form 8-K and incorporated by reference into this Item 1.01. Other than the Acquisition Documents, there is no material relationship between Progress Software or SPK and IONA.
