UNAUDITED PRO FORMA CONDENSED CONSOLIDATED STATEMENTS OF OPERATIONS

The following unaudited pro forma condensed consolidated statements of operations for the nine months ended September 30, 2001 are presented for informational purposes only and are not necessarily indicative of actual results that would have been achieved had the O'Gara Acquisition been consummated at the beginning of, or for, the period indicated. These pro forma condensed consolidated statements of operations do not purport to indicate results of

operations for any future period. The pro forma condensed consolidated statement of operations for the nine months ended September 30, 2001 reflect only anticipated cost savings directly attributable to the O'Gara Acquisition which we believe would have resulted had the acquisition occurred on January 1, 2001 and reflects the implementation of Statement of Financial Accounting Standard No. 142, Goodwill and Other Intangible Assets, as if it had been applied to the O'Gara Acquisition. The unaudited pro forma condensed consolidated statements of operations should be read in conjunction with our condensed consolidated financial statements and the related notes thereto filed with our Form 10-Q for the quarter ended September 30, 2001, and the Combined Financial Statements of SPSG filed with our Current Report on form 8-K filed on August 22, 2001.

NOTES TO UNAUDITED PRO FORMA CONDENSED

Edgar Filing: ARMOR HOLDINGS INC - Form 8-K

CONSOLIDATED STATEMENT OF OPERATIONS

- (1) SPSG's combined results of operations are presented for the six months ended June 30, 2001.
- (2) Represents the results of operations of SPSG for the period July 1, 2001 to August 22, 2001 and includes adjustments subject to review under the terms of the O'Gara Acquisition.
- (3) Reflects a change from O'Gara's revenue recognition policy on long-term contracts from percentage of completion based on the cost incurred basis to percentage of completion based on the units completed basis. For the nine months ended September 30, 2001, this change in revenue recognition would have resulted in an increase in revenues of approximately \$606,000 and an increase in cost of sales of approximately \$515,000.
- (4) Represents an adjustment to operating expenses to reflect reduced information technology consulting and data circuit costs of \$160,000 and reduced insurance fees of \$75,000 pursuant to our existing contracts.
- (5) Reflects the elimination of the historical amortization expense associated with pre-existing goodwill on the SPSG companies being acquired pursuant to this acquisition. In addition, no adjustment has been made to recognize amortization of goodwill associated with the O'Gara Acquisition. According to Statement of Financial Accounting Standard No. 142, Goodwill and Other Intangible Assets, goodwill arising from business combinations completed after July 1, 2001 will no longer require annual amortization but rather be tested for impairment.
- (6) Reflects the elimination of the Russian operations with revenues of \$1,151,000, cost of sales of \$917,000, operating expenses of \$186,000, amortization expense of \$146,000 and other income of \$13,000. These operations were not purchased as part of the O'Gara Acquisition.
- (7) Reflects an adjustment to the provision for taxes by applying our estimated effective tax rate of 36%, as impacted by O'Gara's historical operations, to the pro forma adjustments.
- (8) Reflects additional interest expense of \$1,416,000 related to the acquisition debt incurred as a result of the O'Gara Acquisition.
- (9) Reflects the additional impact on our weighted average basic and diluted shares outstanding of the August 22, 2001 issuance of 1,009,422 shares of our \$0.01 par value per share common stock valued at \$15 million issued as part of the consideration for the O'Gara Acquisition.
