PROXY STATEMENT

FOR 2006 ANNUAL MEETING OF STOCKHOLDERS
to be held on September 20, 2006

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Castle Brands Inc. (“Castle Brands,” the “company,” “we,” “us,” or “our”) for use at the 2006 Annual Meeting of Stockholders of Castle Brands to be held on September 20, 2006, and at any adjournments or postponements thereof (the “Annual Meeting”). At the Annual Meeting, stockholders will be asked (1) to vote upon the election of eight directors to our Board of Directors, (2) to ratify and approve the appointment of Eisner LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2007, and (3) to act upon any other matters that may properly be brought before the Annual Meeting and at any adjournments or postponements thereof.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about July 31, 2006. The Board of Directors has fixed the close of business on July 28, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”). Only stockholders of record of Castle Brands’ common stock, par value \$.01 per share (the “Common Stock”), at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 12,009,741 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them on the Record Date.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of the holders of a plurality of the shares of Common Stock cast on the matter at the Annual Meeting (assuming a quorum is present) is required for the election of directors. The affirmative vote of the holders of a majority of the shares of Common Stock cast on the matter at the Annual Meeting (assuming a quorum is present) is required for the ratification of the appointment of our auditors and the approval of any other matters properly presented at the Annual Meeting. For the purpose of determining whether the stockholders have approved matters other than the election of directors under Delaware law, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Broker “non-votes,” or proxies from brokers or nominees indicating that such person has not received instructions from the beneficial owner or other person entitled to vote such shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power, are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purpose of determining the existence of a quorum at the annual meeting.

Our stockholders are requested to complete, sign, date and promptly return the accompanying Proxy Card in the enclosed postage-prepaid envelope. Shares represented by a properly executed proxy received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the proxy. If a properly executed proxy is submitted and no instructions are given, the proxy will be voted FOR the election of the eight nominees for directors named in this Proxy Statement, and FOR ratification of the Audit Committee’s selection of Eisner LLP as our

independent registered public accounting firm for the fiscal year ending March 31, 2007. It is not anticipated that any matters other than those set forth in the Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of Castle Brands at our address set forth above, by filing a duly executed proxy bearing a later date, or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the

presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

Castle Brands 2006 Annual Report, including financial statements for the fiscal year ended March 31, 2006, accompanies these proxy solicitation materials. The Annual Report, however, is not part of the proxy solicitation materials.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors currently consists of eight members, with the directors serving for terms of one year and until their successors are duly elected and qualified. The term of the directors expires at each annual meeting of stockholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Prior to our initial public offering in April 2006, our directors, executive officers and persons beneficially holding more than 10% of our Common Stock were not subject to the reporting requirements of Section 16(a) of the Exchange Act.

THE BOARD OF DIRECTORS, ITS COMMITTEES AND CORPORATE GOVERNANCE

Board of Directors

Our Board of Directors consists of eight directors, as described in "Proposal 1: Election of Directors." Our Board of Directors believes that there should be a majority of independent directors on the Board of Directors. Out of the eight current board members, six are independent directors.

The Board of Directors has determined that each of Mr. John Beaudette, Mr. Robert J. Flanagan, Mr. Colm Leen, Mr. Richard C. Morrison, Mr. Fredrick M. R. Smith and Mr. Kevin P. Tighe qualify as "independent" in accordance with the rules of the American Stock Exchange ("AMEX"). The AMEX independence definitions include a series of objective tests, including that the director is not an employee of the company and has not been engaged in various types of business relationships with the company. In addition, as also required by the AMEX rules, the Board of Directors has made a subjective determination with respect to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment by such director in carrying out the responsibilities of a director.

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. During fiscal year ended March 31, 2006, the Audit Committee met three

times and the Compensation Committee met three times. The Nominating and Governance Committee did not meet during the 2006 fiscal year, but met on June 26, 2006.

Audit Committee

The Audit Committee is responsible for, among other things:

- appointing, replacing, overseeing and approving the compensation of the work of our registered independent public accounting firm;
- reviewing and discussing with management and our registered independent public accounting firm our quarterly financial statements and discussing with management our earnings releases;

4

-
- pre-approving all auditing services and permissible non-audit services provided by our registered independent public accounting firm;
 - engaging in a dialogue with our registered independent public accounting firm regarding relationships that may adversely affect the independence of the registered independent public accounting firm and, based on such review, assess the independence of the registered independent public accounting firm;
 - providing the Audit Committee report to be filed with the Securities and Exchange Commission (“SEC”) in our annual proxy statement;
 - reviewing with our registered independent public accounting firm the adequacy and effectiveness of the internal controls over our financial reporting;
 - establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including the confidential anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;
 - reviewing and pre-approving related-party transactions;
 - reviewing and discussing with management and our registered independent public accounting firm management’s annual assessment of the effectiveness of the internal controls and registered independent accounting firm’s attestation and report about management’s assessment as required by the SEC;
 - reviewing and discussing with management and our registered independent public accounting firm the adequacy and effectiveness of our internal controls including any significant deficiencies in the design or operation of our internal controls or material weaknesses and any fraud, whether or not material, that involves our management or other employees who have a significant role in our internal controls and the adequacy and effectiveness of our disclosure controls and procedures; and
 - reviewing and assessing annually the adequacy of the Audit Committee Charter.

A copy of the charter of the Audit Committee is attached as Appendix I hereto and is available on our Investor Relations website at <http://investor.castlebrandsinc.com>. The members of our Audit Committee are Messrs. Flanagan, Leen and Smith. Mr. Flanagan serves as chairman of the committee. Each member of the Audit Committee is “independent” under the standards established by the SEC and AMEX Company Guide Section 803 for members of audit committees. Our Audit Committee also includes a member who has been determined by our Board of Directors to meet the qualifications of an “audit committee financial expert” in accordance with SEC rules, including that the

person meets the relevant definition of an “independent director.” The Board of Directors has determined that Mr. Flanagan is an audit committee financial expert. The designation as audit committee financial expert is a disclosure requirement of the SEC related to Mr. Flanagan’s experience and understanding of certain accounting and auditing matters. The designation does not impose upon Mr. Flanagan any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee, and his designation as audit committee financial expert does not affect the duties, obligations or liabilities of any other member of the Audit Committee.

Compensation Committee

The principal responsibilities of the Compensation Committee are, among others:

- reviewing and determining annually the compensation of our Chief Executive Officer and other executive officers;
- providing the annual report on executive compensation to be filed with the SEC in our annual proxy statement;
- approving the form of employment contracts, severance arrangements, change in control provisions and other compensatory arrangements with executive officers;

5

-
- approving compensation programs and grants involving the use of our Common Stock and other equity securities; and
 - reviewing and assessing annually the Compensation Committee’s performance.

The members of our Compensation Committee are Messrs. Smith, Flanagan and Morrison. Mr. Smith serves as the chairman of this committee. Each member of the Compensation Committee is “independent” under the standards established by the SEC and AMEX.

Nominating and Governance Committee

The Nominating and Governance Committee has the authority and responsibility to identify, research and recommend to the Board of Directors qualified candidates to serve as directors on our Board of Directors.

Our Nominating and Governance Committee is responsible for, among other things:

- recommending to the board of directors the slate of nominees of directors to be proposed for election by the stockholders and individuals to be considered by the board of directors to fill vacancies;
- establishing criteria for selecting new directors; and
- reviewing and assessing annually the performance of the Nominating and Governance Committee and the adequacy of the Nominating and Governance Committee Charter.

In addition to considering candidates suggested by stockholders, the Nominating and Governance Committee also accepts recommendations from our directors, members of management and others familiar with and experienced in the beverage alcohol industry. The Nominating and Governance Committee establishes criteria for the selection of nominees and reviews the appropriate skills and characteristics required of board members. In evaluating candidates, the Nominating and Governance Committee considers issues of independence, diversity and expertise in numerous areas, including experience in the premium branded spirits industry, finance, marketing, international experience and culture. The Nominating and Governance Committee selects individuals of the highest personal and professional

integrity who have demonstrated exceptional ability and judgment in their field and who would work effectively with the other directors and nominees to the Board of Directors. The Nominating and Governance Committee also monitors and reviews the committee structure of the Board of Directors, and each year it recommends to the Board of Directors for its approval directors to serve as members of each committee. The Nominating and Governance Committee conducts an annual review of the adequacy of the Nominating and Governance Charter (described below) and recommends proposed changes. The members of our Nominating and Governance Committee are Messrs. Morrison, Beaudette and Tighe. Mr. Morrison serves as the chairman of this committee. Each member of the Nominating and Governance Committee is “independent” under the standards established by the SEC and AMEX.

Attendance at Board, Committee and Annual Stockholders’ Meetings

The Board of Directors met four times during the Company’s 2006 fiscal year. Each of our directors is expected to attend each meeting of the Board of Directors and the committees on which he or she serves. In the Company’s 2006 fiscal year, each of our directors attended at least 75% of the meetings of the Board of Directors and of the committees on which he or she served, except Dr. Phillip Frost. We do not currently have a policy requiring attendance of our directors at our annual meeting of stockholders.

Communications from Stockholders to Board Members

Our Board of Directors believes that it is important to offer stockholders the opportunity to communicate with our directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Corporate Secretary, Castle Brands Inc., 570

6

Lexington Avenue, 29th Floor, New York, NY 10022 or by email to Board@castlebrandsinc.com. Communications received by e-mail are automatically forwarded to all of the members of the Board of Directors. Written communications sent by mail to the Board of Directors are automatically forwarded to the Corporate Secretary, Mr. Seth Weinberg, for review. Upon receipt of such communication, Mr. Weinberg forwards the correspondence to the intended recipients; however, Mr. Weinberg, in accordance with company policy, at his discretion may elect not to forward items that are deemed commercial, frivolous or otherwise inappropriate for consideration by the Board of Directors. In such cases, correspondence may be forwarded elsewhere for review and possible response.

Corporate Governance Guidelines

On November 10, 2005, the Board of Directors adopted a Nominating and Governance Charter that sets forth (i) corporate governance principles intended to promote efficient, effective and transparent governance, and (ii) procedures for the identification and selection of individuals qualified to become directors. At the same time, the Board of Directors also adopted a Code of Business Conduct, which applies to all of our directors, executive officers and employees. The Code of Business Conduct sets forth our commitment to conduct our business in accordance with the highest standards of business ethics and to promote the highest standards of honesty and ethical conduct by our directors, executive officers and employees.

Among other matters, our Nominating and Governance Charter and Code of Business Conduct set forth the following governing principles:

- A majority of the directors on the Board of Directors should be “independent” as defined in the rules adopted by the SEC and AMEX.
- In order to facilitate critical discussion, the independent directors are required to meet apart from other board members and management representatives.
- Directors, executive officers and all employees must act at all times in accordance with the requirements of our Code of Business Conduct. This obligation includes adherence to our policies with respect to conflicts of interest; full, accurate and timely disclosure; compliance with securities laws; confidentiality of our information; protection and proper use of our assets; ethical conduct in business dealings, and respect for and compliance with applicable law. Any change to or waiver of the requirements of the Code of Business Conduct with respect to any director, principal financial officer, principal accounting officer or persons performing similar functions may be granted only by the Board of Directors. Any such change or waiver will be promptly disclosed as required by law or AMEX regulations.

Our Nominating and Governance Charter is posted on our Investor Relations web site at <http://investor.castlebrandsinc.com>.

Stockholder Nominations

Stockholders who wish to recommend individuals for consideration by the Nominating and Governance Committee to become nominees for election to the Board of Directors may do so by submitting a written recommendation to: Castle Brands Inc., 570 Lexington Avenue, 29th Floor, New York, New York 10022, Attn: Secretary. Submissions must include sufficient biographical information concerning the recommended individual, including age; five-year employment history with job titles, responsibilities, employer names and a description of the employer’s business; whether such individual can read and understand basic financial statements; and board membership (if any). Each submission must be accompanied by contact information for two business references and a signed, written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. Submissions by stockholders must be received by the Secretary of the Company not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders.

Our by-laws prescribe an alternative procedure with regard to the nomination by stockholders of candidates for election as directors (the “Nomination Procedure”). The by-laws provide that a

7

stockholder seeking to nominate candidates for election as directors at an annual meeting of stockholders must provide timely notice in writing. To be timely, a stockholder’s notice must be delivered to or mailed and received at our principal executive offices not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. However, in the event that the annual meeting is called for a date that is not within 30 days before or after that anniversary date, notice by the stockholder in order to be timely must be received not later than the close of business on the tenth day following the date on which notice of the date of the annual meeting was mailed to stockholders or made public, whichever first occurs. Our by-laws also specify requirements as to the form and content of a stockholder’s notice. These provisions may preclude stockholders from making nominations for directors at an annual meeting of stockholders. Any such nomination should be mailed to: Castle Brands Inc., 570 Lexington Avenue, 29th Floor, New York, New York 10022, Attn: Secretary.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended March 31, 2006, Messrs. Beaudette, Smith, Flanagan and Morrison served as the members of our Compensation Committee. None of the members of our Compensation Committee is, or has been, one of our officers or employees or an officer or employee of any of our subsidiaries. No member of our Compensation Committee serves as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee. Mark Andrews, our Chairman and Chief Executive Officer, was a member of the board of directors of IVAX Corporation, prior to its merger with Teva Pharmaceutical Industries, Ltd. on January 26, 2006, and served on, and was the chairman of, its Compensation Committee. Dr. Philip Frost, one of our directors, was the Chief Executive Officer of IVAX prior to the merger with Teva.

COMPENSATION OF DIRECTORS

The Board of Directors believes that compensation for our non-employee directors should be a combination of cash and equity-based compensation. Employee directors are not paid for their service on the Board of Directors in addition to their compensation as employees.

The Board of Directors has approved the payment of annual compensation to our non-employee directors comprised of cash and options granted under the Castle Brands Inc. 2003 Stock Incentive Plan, as amended, as set forth in the following table:

Annual director retainer (paid in quarterly installments)	\$10,000
Additional annual retainer for committee chairs (paid in quarterly installments)	\$4,000
Option to purchase shares of our Common Stock in recognition of ongoing service (per year, prorated for partial years)	5,000 shares
Additional options to purchase shares of our Common Stock for members of the Nominating and Governance Committee and the Compensation Committee of the Company (per committee membership, per year)	1,000 shares
Additional options to purchase shares of our Common Stock for members of the Audit Committee (per year)	2,500 shares
Reimbursement of expenses related to board attendance	Reasonable expenses reimbursed as incurred

We anticipate that in the third quarter of fiscal year 2007, subject to the approval of our Compensation Committee, each of our non-employee directors will receive an option to purchase shares of our Common Stock, with an exercise price of \$9.00 per share, in recognition of their service as director for the fourth quarter of fiscal year 2006, in accordance with the policy set forth above. EMPLOYMENT AGREEMENTS

The following summarizes the material terms of our employment agreements with our Named Executive Officers.

Agreement with Mark Andrews. Effective as of May 2, 2005, we entered into a five-year employment agreement with Mark Andrews, our Chairman of the Board and Chief Executive Officer. The employment agreement provides for a current annual base salary of \$275,000, with increases based on periodic reviews in the sole discretion of the Compensation Committee of our Board of Directors.

During the term of the employment agreement and for 12 months thereafter, Mr. Andrews is prohibited from (1) competing with us, (2) soliciting our employees and (3) soliciting our customers, provided that we continue to abide by our payment obligations to Mr. Andrews under the employment agreement, if any, during that period.

Mr. Andrews is entitled to 12-months salary if (1) his employment is terminated by us without cause or (2) Mr. Andrews terminates his employment with us for good reason, such as material diminution in the nature or status of his job responsibilities or our material breach of any provision of the employment agreement. In addition, under such circumstances, the annual incentive bonus, if any, will be paid with respect to the year in which termination occurs prorated for the portion of the year for which Mr. Andrews was employed. Upon termination by us without cause any unvested stock options held by Mr. Andrews will continue to vest in accordance with the original vesting schedule for 24 months and will be exercisable for three years following his termination. If Mr. Andrews terminates his employment with us for "good reason," all unvested stock options shall vest and he may exercise any stock options for the shorter of the original term of the option or five years.

We may terminate Mr. Andrews at any time for "cause" such as personal dishonesty, willful misconduct, breach of fiduciary duty or any willful and material violation of any laws. No payments, other than payments for base salary already earned as of the date of termination will be payable to Mr. Andrews upon termination by us for cause. Mr. Andrews may terminate his employment for any reason upon 60 days' notice to us. In this event, Mr. Andrews will be paid the amount of his accrued, but unpaid base salary, but will not be entitled to receive any annual incentive bonus.

If Mr. Andrews' employment is terminated by him or us following a change of control (as described below), he is entitled to his base salary then in effect for a period of 24 months following termination and he will be entitled to receive the annual incentive bonus, if any, in the year in which termination occurred prorated for the portion of the year in which he was employed. In addition, all

14

of his unvested stock options will vest and will be exercisable for the remainder of their original terms. Under the employment agreement, a "change of control" occurs if (1) 35% or more of our outstanding voting stock is acquired by any person other than from us, (2) there is a merger or other combination involving us after which 49% or more of the voting stock of the surviving corporation is held by persons other than former stockholders of us, (3) 20% or more of the members of our board elected by stockholders are persons who were not nominated in the then most recent proxy statement of our company or (4) we sell or dispose of all or substantially all of our assets.

In the event of termination of employment upon Mr. Andrews' death or disability he or his estate will be entitled to receive one and two years, respectively, base salary and all unvested options will immediately vest and all options will be exercisable for two years. We will also pay all accrued but unpaid base salary to the date of termination and the annual incentive bonus, if any, with respect to the year in which termination occurs pro rated for the portion of the year in which Mr. Andrews was employed.

Agreement with T. Kelley Spillane. Effective as of May 2, 2005, we entered into a five-year employment agreement with T. Kelley Spillane, our Senior Vice President – U.S. Sales. The employment agreement provides for a current annual base salary of \$175,000, with increases based on periodic reviews in the sole discretion of the Compensation Committee of our Board of Directors.

The employment agreement otherwise contains the same terms as Mr. Andrews' employment agreement, except that Mr. Spillane's (i) post termination base salary payments due to disability will be equal to one years' base salary; (ii) post termination base salary with respect to termination upon death will be equal to six months base salary; (iii) in the case of termination of by us without cause any unvested option held by Mr. Spillane that would have become vested at the end of the 12 month period following termination will be exercisable for a period of two years after termination and all vested options at the time of termination will be exercisable for a period of 12 months following the 12 month period after his termination; and (iv) in the event of termination by Mr. Spillane for good reason, unvested stock options will immediately vest and will be exercisable for a period of two years and all vested options at the time of his termination will be exercisable for a period of one year following the expiration of the 12 months period after termination.

Agreement with Keith Bellinger. On May 2, 2005, we entered into an employment agreement with Keith Bellinger, our President and Chief Operating Officer. Pursuant to the employment agreement, Mr. Bellinger's employment continues until terminated by him or by us. The employment agreement provides for a current annual base salary of \$270,000, with increases in the sole discretion of our board of directors. The employment agreement also includes incentive performance bonuses of up to 100% of the base salary based upon performance targets agreed upon by Mr. Bellinger and our Chairman and Chief Executive Officer. The employment agreement also provides certain benefits, including a \$900 per month car allowance.

The employment agreement also granted Mr. Bellinger an option to purchase 150,000 shares of our Common Stock exercisable at \$8.00 per share. These stock options are subject to the provisions of our stock incentive plan and a stock option agreement between us and Mr. Bellinger. Mr. Bellinger's stock options vest in equal annual installments over a four year period.

The employment agreement prohibits Mr. Bellinger from soliciting our customers to divert their business away from us or soliciting our employees to leave their employment with us during his employment and for a period of one year following termination of employment.

If Mr. Bellinger's employment is terminated by us without cause, by reason of disability or if Mr. Bellinger resigns with "good reason," including a material diminution in his duties, a material breach by us of the employment agreement, a significant relocation of Mr. Bellinger's principal work location, or a change of control (as described below), he is entitled to a continuation of his salary and certain health benefits for one year and his pro rata performance bonus for the year in which his employment terminates. In addition, Mr. Bellinger may terminate his employment for any reason upon 60 days' notice to us.

Under the employment agreement, a “change of control” occurs if there is a merger, consolidation or exchange of securities after which a majority of our capital stock is no longer held by the stockholders who held such shares prior to the change of control, or a sale of substantially all of our assets.

Agreement with Matthew F. MacFarlane. On December 17, 2003, Mr. MacFarlane, our Senior Vice President and Chief Financial Officer, agreed to a summary of agreement of the terms of his employment with us. Mr. MacFarlane’s annual base salary is \$145,000 per year and he is eligible to receive a discretionary annual bonus of up to 25% of his base salary. Mr. MacFarlane received a \$10,000 sign-on bonus. In addition, he receives a car allowance and was provided a term life insurance policy in the amount of \$500,000.

Mr. MacFarlane was granted options to purchase 25,000 shares of our Common Stock exercisable at \$6.00 per share. This option is subject to our stock incentive plan and a stock option agreement between us and Mr. MacFarlane. Mr. MacFarlane’s stock option vests in equal annual installments of 25% over a four-year period. The summary of agreement provides that if we are sold or merged and there is a change of control, the foregoing options will become fully vested and, if he does not receive a comparable position with the new company, we will pay him \$75,000.

Agreement with David Phelan. On August 4, 2005, we entered into a consulting agreement with David Phelan, our former director and Executive Vice President. The consulting agreement, as amended on October 17, 2005, provides that on December 1, 2005 Mr. Phelan became a consultant for us for a period of eighteen months.

Mr. Phelan’s consulting agreement provides for our annual payment to him of €157,500 (\$191,882, calculated using the average exchange rate over the period of April 1, 2005 through March 31, 2006) plus value added tax to the extent he is required to pay it, paid monthly. In addition, options held by Mr. Phelan will remain exercisable until December 1, 2008 and, absent a breach by him, he will accrue three years’ vesting at the end of his eighteen month consulting period. Mr. Phelan will also be reimbursed for expenses in accordance with our reimbursement policy, including up to €5,000 (\$6,092, calculated using the average exchange rate over the period of April 1, 2005 through March 31, 2006) in legal fees.

The consulting agreement contains certain non-compete and non-solicitation provisions. However, after March 31, 2006, Mr. Phelan may request that we allow him to engage in such activities. If we refuse, Mr. Phelan is no longer subject to such restrictions and we must pay him his consulting fee for the rest of the consulting period, or at his option, a lump sum equal to €10,417 (\$12,691, calculated using the average exchange rate over the period of April 1, 2005 through March 31, 2006) plus value added tax, if applicable, times the number of months left in the consulting period.

Royalty payments paid by us under the license agreement between us and The Roaring Water Bay (Research & Development) Company Limited with respect to the Trinity bottle shall continue during Mr. Phelan’s consulting period, but under the consulting agreement we have agreed to purchase his interest in such company on or prior to the termination of the consulting relationship, at which time such royalty payments shall stop.
