Voting Rights

On November 7, 2006 (the “Record Date”), the Company had outstanding 6,847,519 shares of its only class of voting securities, namely common stock, \$.01 par value per share (the “Common Stock”). Therefore, abstentions and broker non-votes will be counted in the determination of a quorum and will have no effect on the vote for the election of Directors and the ratification of the selection of Grant Thornton LLP (“Grant Thornton”) as the Company’s independent registered public accounting firm. Meetings of the Board of Directors

During the fiscal year ended June 30, 2006, the Board of Directors held four meetings and the Stock Option Committee held one meeting. The Audit Committee met four times and the Compensation Committee met once during the last fiscal year. No Director attended less than 75% of the aggregate of the total number of meetings of the Board of Directors and meetings of Committees of which he was a member that were held during the Company's last fiscal year.

In compliance with requirements of the Qualitative Listing Requirements of the Nasdaq Stock Market (the "NASD listing standards"), the non-management directors of the Board of Directors met four times in executive session during the fiscal year ending June 30, 2006.

Committees of the Board

Currently, the only standing committees of the Board of Directors of the Company are its Stock Option Committees, the Audit Committee and the Compensation Committee. The Stock Option Committee for the 1991 Employee Stock Option Plan, the 1996 Employee Stock Option Plan, the 1998 Employee Stock Option Plan, the 2001 Employee Stock Option Plan and the 2005 Employee Equity Incentive Plan consists of Messrs. Alliger, Minetti, O'Neill and Gildea. The Stock Option Committee for the 1996 Non-Employee Director Stock Option Plan and the 2005 Non-Employee Director Stock Option Plan consists of Messrs. McManus, Alliger, Minetti, O'Neill and Gildea. The Stock Option Committees are responsible for administering the Company's stock option plans.

The Company has a separately designated standing audit committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The members of the Audit Committee are Messrs. Gildea, Miner, Minetti and O'Neill. The Board of Directors has determined that each member of the Audit Committee is "independent" not only under the NASD listing standards but also within the definition contained in a final rule of the Securities and Exchange Commission (the "SEC"). Furthermore, the Board of Directors has determined that Messrs. Minetti, O'Neill and Gildea are "audit committee financial experts" within the definition contained in a final rule adopted by the SEC.

The Compensation Committee consists of Messrs. Alliger, Minetti, O'Neill and Gildea. The Compensation Committee is responsible for considering and authorizing remuneration arrangements for senior management.

Nomination of Directors

The Company does not currently have a standing nominating committee or a formal nominating committee charter. Currently, the independent members of the Board, rather than a nominating committee, approve or recommend to the full Board those persons to be nominated. The Board believes that the current method of nominating directors is appropriate because it allows each independent board member input into the nomination process and does not unnecessarily restrict the input that might be provided from an independent director who could be excluded from a committee. Currently, five of the six directors are independent. Furthermore, the Board has adopted by resolution a director nomination

5

policy. The purpose of the policy is to describe the process by which candidates for inclusion in the Company's recommended slate of director nominees are selected. The director nomination policy is administered by the Board. Many of the benefits that would otherwise come from a written committee charter are provided by this policy.

In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the incumbent directors who continue to be qualified for Board service and are willing to continue as directors are re-nominated. If the Board thinks it is in the best interest of the Company to nominate a new individual for director in connection with an annual meeting of shareholders, or if a vacancy occurs between annual shareholder meetings, the Board will seek potential candidates for Board appointments who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, senior management of the Company and, if deemed appropriate, a third-party search firm.

Candidates for Board membership must possess the background, skills and expertise to make significant contributions to the Board, to the Company and its shareholders. Desired qualities to be considered include substantial experience in business or administrative activities; breadth of knowledge about issues affecting the Company; and ability and willingness to contribute special competencies to Board activities. The independent members of the Board also consider whether members and potential members are independent under the NASD listing standards. In addition, candidates should possess the following attributes: personal integrity; absence of conflicts of interest that might impede the proper performance of the responsibilities of a director; ability to apply sound and independent business judgment; sufficient time to devote to Board and Company matters; ability to fairly and equally represent all shareholders; reputation and achievement in other areas; independence under rules promulgated by the SEC and the NASD listing standards; and diversity of viewpoints, background and experiences.

The Board of Directors intends to review the director nomination policy from time to time to consider whether modifications to the policy may be advisable as the Company's needs and circumstances evolve, and as applicable legal or listing standards change. The Board may amend the director nomination policy at any time.

The Board will consider director candidates recommended by shareholders and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources, as described above. Recommendations must be in writing and mailed to MISONIX, INC., 1938 New Highway, Farmingdale, NY 11735, Attention: Corporate Secretary, and include all information regarding the candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules promulgated by the SEC if the candidate were nominated by the Board of Directors (including such candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). The shareholder giving notice must provide (i) his or her name and address, as they appear on the Company's books, and (ii) the number of shares of the Company which are beneficially owned by such shareholder. The Company may require any proposed nominee to furnish such other information it may require to be set forth in a shareholder's notice of nomination which pertains to the nominee.

Director Compensation

Each non-employee Director receives an annual fee of \$15,000. For the fiscal year ended June 30, 2006, there were 15,000 options granted to each of Mr. Minetti, Mr. Alliger, Dr. Miner, Mr. O'Neill and Mr. Gildea. Each non-employee Director is also reimbursed for reasonable expenses incurred while traveling to attend meetings of the Board of Directors or while traveling in furtherance of the business of the Company.

Each member of the Audit Committee receives an annual fee of \$5,000 in addition to the Director fee. The Audit Committee chair receives an annual \$10,000 in addition to the Director's fee.

Communications with Directors

Shareholders, associates of the Company and other interested parties may communicate directly with the Board of Directors, with the non-management Directors or with a specific Board member, by writing

to the Board (or the non-management Directors or a specific Board member) and delivering the communication in person or mailing it to: Board of Directors, Privileged & Confidential, c/o Richard Zaremba, Secretary, MISONIX, INC., 1938 New Highway, Farmingdale, New York 11735. Correspondence will be discussed at the next scheduled meeting of the Board of Directors, or as indicated by the urgency of the matter. The non-management Directors are: Messrs. Alliger, Minetti, O'Neill, Gildea and Miner. From time to time, the Board of Directors may change the process by which shareholders may communicate with the Board of Directors or its members. Any changes in this process will be posted on the Company's website or otherwise publicly disclosed.

Director Independence

The Company is required to have a Board of Directors a majority of whom are "independent" as defined by the NASD listing standards and to disclose in the proxy statement for each annual meeting those Directors that the Board of Directors has determined to be independent. Based on such definition, the Board of Directors has determined that all Directors other than Mr. McManus, who is an officer of the Company, are independent.

The Company is required to have an audit committee of at least three members composed solely of independent Directors. The Board of Directors is required under the NASD listing standards to affirmatively determine the independence of each Director on the Audit Committee. The Board has determined that each member of the Audit Committee is "independent" not only under the NASD listing standards but also within the definition contained in a final rule of the SEC. Furthermore, the Board of Directors has determined that Messrs. Minetti, O'Neill and Gildea are "audit committee financial experts" within the definition contained in a final rule adopted by the SEC.

Corporate Governance

The Company has an ongoing commitment to good governance and business practices. In furtherance of this commitment, we regularly monitor developments in the area of corporate governance and review our policies and procedures in light of such developments. We comply with the rules and regulations promulgated by the SEC and the Nasdaq Stock Market, and implement other corporate governance practices we believe are in the best interests of the Company and the shareholders.

Board Attendance at Annual Meetings of Shareholders

The Company does not currently have a formal policy regarding Director attendance at the Annual Meeting of Shareholders. It is, however, expected that Directors will be in attendance, absent compelling circumstances. All members of the Board of Directors attended the Company's Annual Meeting of Shareholders held on December 14, 2005.

Code of Ethics

The Company has adopted a code of ethics that applies to all of its Directors, officers (including its Chief Executive Officer, Chief Financial Officer, Controller and any person performing similar functions) and employees. The Company has filed a copy of this Code of Ethics as Exhibit 14 to its Annual Report on Form 10-K for the fiscal year ended June 30, 2004. The Company has also made the Code of Ethics available on its website at www.MISONIX.com.

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee has established procedures for the receipt and handling of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and to allow for the confidential, anonymous submission by employees of concerns regarding auditing or accounting matters.

The Audit Committee has furnished the following report. The information contained in the “Audit Committee Report” is not to be deemed to be “soliciting material” or to be “filed” with the SEC, nor is such information to be incorporated by reference into any future filings under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into such filings.

Audit Committee Report

Management is responsible for the Company’s financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Company’s independent auditors are responsible for auditing those financial statements. The Audit Committee’s responsibility is to monitor and review these processes. It is not the Audit Committee’s duty or responsibility to conduct audit or accounting reviews or procedures. The members of the Audit Committee are not employees of the Company and may not be, and may not represent themselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on management’s representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent registered public accounting firm included in its report on the Company’s financial statements. The Audit Committee’s oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions with management and the independent registered public accounting firm do not assure that the Company’s financial statements are presented in accordance with generally accepted accounting principles in the United States, that the audit of the Company’s financial statements has been carried out in accordance with generally accepted auditing standards or that the Company’s independent registered public accounting firm is in fact “independent”.

The Audit Committee of the Company’s Board of Directors is currently composed of four Directors, none of who are officers or employees of the Company. The Board of Directors has determined that (1) all members of the Audit Committee are financially literate and independent under the NASD listing standards, and (2) Messrs. Gildea, Minetti and O’Neill are “audit committee financial experts”, as defined under the rules and regulations promulgated by the SEC. The Board of Directors has adopted a written charter for the Audit Committee.

In accordance with its written charter, the Audit Committee assists the Board of Directors in fulfilling its responsibility to monitor the integrity of the accounting, auditing and financial reporting practices of the Company. Typically, for each fiscal year, the Audit Committee selects the independent registered public accounting firm to audit the financial statements of the Company and its subsidiaries and such selection is subsequently presented to the Company’s shareholders for ratification.

The Audit Committee has reviewed and discussed the audited financial statements contained in our Annual Report on Form 10-K for the year ended June 30, 2006 with our management; has discussed with the independent registered public accounting firm the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380); has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Based on the review and discussions of the above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2006 for filing with the SEC.

EXECUTIVE COMPENSATION

The following report and the performance graph on page 13 do not constitute soliciting materials and are not considered filed or incorporated by reference into any other of the Company's filings under the Securities Act or the Exchange Act, unless the Company states otherwise.

Report of the Compensation Committee

Compensation Policies. The principal goal of the Company's compensation program as administered by the Board of Directors is to help the Company attract, motivate and retain the executive talent required to develop and achieve the Company's strategic and operating goals with a view to maximizing shareholder value. The key elements of this program and the objectives of each element are as follows:

Base Salary. Base salaries paid to the Company's executive officers are intended to be competitive with those paid to executives holding comparable positions in the marketplace. Individual performance and the Company's performance are considered when setting salaries within the range for each position. Annual reviews are held and adjustments are made based on attainment of individual goals in a manner consistent with operating and financial performance.

Bonuses. Annual cash bonuses are intended to motivate performance by creating the potential to earn incentive awards that are contingent upon personal and business performance. The Company sets goals of revenue and profitability for each segment.

Long Term Incentives. The Company provides its executive officers with long-term incentive compensation through grants of stock options under the Company's stock option plans. The grant of stock options aligns the executive's interest with those of the Company's shareholders by providing the executive with an opportunity to purchase and

maintain an equity interest in the Company's stock and to share in the appreciation of its value. In fiscal 2006 options to purchase 38,500 shares of Common Stock were granted to the Company's executive officers.

CEO's Compensation. Pursuant to his employment agreement with the Company, Mr. McManus is entitled to receive an annual base salary of \$275,000 and is entitled to receive a discretionary bonus based on the Company's performance. Mr. McManus did not receive a bonus during fiscal 2006. The factors involved in determining the CEO's compensation are the Company's revenues and profits, his lengthy experience and business acumen, his responsibilities, and the efforts exerted by him in performance of his duties.

PROPOSAL TWO

Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee has selected the firm of Grant Thornton LLP (“Grant Thornton”) to act as the Company’s independent registered public accounting firm for the 2007 fiscal year. Grant Thornton will audit the Company’s consolidated financial statements for the 2007 fiscal year and perform other services. While shareholder ratification is not required by the Company’s By-laws or otherwise, the Board of Directors is submitting the selection of Grant Thornton to the shareholders for ratification as part of good corporate governance practices. If the shareholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain Grant Thornton. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

A representative of Grant Thornton is expected to be available either personally or by telephone hookup at the Annual Meeting to respond to appropriate questions from shareholders and will be given the opportunity to make a statement if he desires to do so.

On November 14, 2005, Ernst & Young LLP (“E&Y”), the Company’s independent registered public accounting firm for the 2005 fiscal year, informed the Company that it was resigning as the Company’s independent registered public accounting firm.

The reports of E&Y on the Company’s financial statements as of and for each of the fiscal years ended June 30, 2005 and 2004 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended June 30, 2005 and 2004 and through the date of E&Y’s resignation, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to E&Y’s satisfaction, would have caused E&Y to make reference to the subject matter of the disagreement in connection with its report on the Company’s financial statements for such years.

On January 23, 2006, the Company engaged Grant Thornton to act as its independent registered public accounting firm as successor to E&Y. The Audit Committee of the Company’s Board of Directors approved the appointment of Grant Thornton as the Company’s independent registered public accounting firm. Accordingly, Grant Thornton has audited the Company’s financial statements for the Company’s 2006 fiscal year.

Audit Fees:

Grant Thornton billed the Company \$84,240 in the aggregate for services rendered for the audit of the Company’s 2006 fiscal year and the review of the Company’s interim financial statements included in the Company’s Quarterly Reports on Form 10-Q for the Company’s 2006 fiscal year. E&Y billed the Company \$241,603 in the aggregate for services rendered for the audit of the Company’s annual financial statements for the Company’s 2005 fiscal year and the review of the Company’s interim financial statements included in the Company’s Quarterly Reports on Form 10-Q for the Company’s 2005 fiscal year.

Audit-Related Fees:

Grant Thornton did not render any audit-related services, as defined by the SEC, to the Company for the Company’s 2006 fiscal year. The Company did not engage E&Y to perform audit-related services for the Company’s 2005 fiscal year.

Tax Fees:

Grant Thornton billed the Company \$38,019 in the aggregate for professional services for tax compliance, tax advice and tax planning for the Company's 2006 fiscal year. E&Y did not render any professional services for tax compliance, tax advice or tax planning for the Company's 2005 fiscal year.

14

All Other Fees:

Grant Thornton did not render any professional services for other services other than those covered in the section captioned "Audit Fees" and "Tax Fees" for the Company's 2006 fiscal year. E&Y billed the Company \$15,000 in the aggregate for professional services rendered for all other services other than those covered in the section captioned "Audit Fees" for the Company's 2005 fiscal year. These other services include (i) assistance with regulatory filings, (ii) audit of the Company's 401K plan, (iii) consultations on the effects of various accounting issues and changes in professional statements and (iv) income tax returns for Labcaire Systems Limited, the Company's U.K. subsidiary.

Policy on Pre-approval of Independent Registered Public Accounting Firm Services:

The charter of the Audit Committee provides for the pre-approval of all auditing services and all permitted non-auditing services to be performed for the Company by the independent registered public accounting firm, subject to the requirements of applicable law. The procedures for pre-approving all audit and non-audit services provided by the independent registered public accounting firm include the Audit Committee reviewing audit-related services, tax services, and other services. The Audit Committee periodically monitors the services rendered by and actual fees paid to the independent registered public accounting firm to ensure that such services are within the parameters approved by the Committee. All the services described in "Tax Fees" and "All Other Fees", above, were approved by the Audit Committee in accordance with its pre-approval policies and procedures. The Audit Committee has considered the services provided by Grant Thornton covered under "Tax Fees" and has found that they are compatible with maintaining Grant Thornton's independence. The Audit Committee has considered the services provided by E&Y covered under "All Other Fees" and has found that they are compatible with maintaining E&Y's independence.
