ITEM 2.01. ACQUISITION OF ASSETS

On October 5, 2004, Government Properties Trust, Inc. (GPT) completed its previously announced acquisition of the Food and Drug Administration (FDA) building at 4300 River Road, College Park, Maryland for approximately \$22.3 million. The purchase price was determined through arms-length negotiations between GPT and the Class A and Class B membership owners of The Riverdale LLC, unrelated parties with an address at 560 Herndon Parkway, Herndon, VA. GPT funded the purchase price with cash on hand and the assumption of a mortgage loan from a financial institution in the amount of \$16.7 million. The mortgage loan bears interest at a fixed rate of 6.75% with principal and interest payments due monthly through November 2026.

The College Park property, completed in September 2004, totals approximately 79,000 rentable square feet. Approximately 64,000 square feet is leased by the federal government under a modified gross lease and is occupied by the FDA. The current lease with the federal government expires in September 2014. The remaining space, totaling 15,000 rentable square feet is vacant. Under the terms of the acquisition agreement, GPT will pay an additional amount of \$1.2 million to the membership owners of The Riverdale LLC should a lease be executed for the vacant space within 6 months of the date of acquisition.
