This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Badger Meter, Inc. (the "Company") to be used at the Annual Meeting of Shareholders of the Company (the "Meeting"), which will be held at 8:30 a.m. local time, Friday, April 29, 2005, at BADGER METER, INC., 4545 W. Brown Deer Road, Milwaukee, Wisconsin 53223, and at any adjournments or postponements thereof.

Unless so revoked, the shares represented by such proxies will be voted at the Meeting and any adjournments or postponements thereof.

Edgar Filing: BADGER METER INC - Form DEF 14A

The record date for shareholders entitled to notice of and to vote at the Meeting is the close of business on February 28, 2005. As of the record date, the Company had 6,745,441 shares of Common Stock (the "Common Stock") outstanding and entitled to one vote per share.

This Proxy Statement is being furnished to shareholders of the Company beginning on or about March 18, 2005.

NOMINATION AND ELECTION OF DIRECTORS

At the Meeting, holders of Common Stock shall be entitled to elect three directors. Directors will be elected by a plurality of votes cast at the Meeting (assuming a quorum is present). Consequently, any shares not voted at the Meeting, whether due to abstentions, broker nonvotes or otherwise, will have no impact on the election of directors.

Proxies received representing one vote per share of Common Stock will, unless otherwise directed, be voted in favor of the election of each of the three persons named below to serve as directors for three years, or until their respective successors have been duly appointed, or until their death, resignation or removal. If your shares are held in "street name" by your broker, your broker may vote your shares in his or her discretion on the election of directors if you do not furnish instructions.

After the Meeting, the Board of Directors will consist of eight members divided into three classes, with one class elected each year to serve for a term of three years. One current director, James L. Forbes, will not be renominated as he has reached the Company's mandatory retirement age for directors.

Listed below are the names of the nominees of the Board of Directors for the office of director together with certain additional information concerning each such nominee. Two of the nominees are presently directors of the Company. If any of the nominees should be unable or unwilling to serve, the proxies, pursuant to the authority granted to them by the Board of Directors, shall have discretionary authority to select and vote for substitute nominees. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

DIRECTOR COMPENSATION

Richard A. Meeusen and Ronald H. Dix are employees of the Company and therefore Mr. Meeusen receives, and if elected Mr. Dix will receive, no compensation for their service as directors. All other directors are not employees of the Company and are compensated as follows: Directors are compensated at a rate of \$1,500 for each Board of Directors meeting attended and are reimbursed for out-of-pocket travel, lodging and meal expenses. Directors are compensated at the rate of \$1,000 for each committee meeting they attend. In addition, directors are paid a retainer of \$750 per month and committee chairmen receive an annual fee of \$2,000. Directors may elect to defer their compensation, in whole or in part, in a stock or cash subaccount of the Badger Meter Deferred Compensation Plan for Directors. If a director elects to defer compensation in a stock subaccount, his subaccount is credited with a number of units equivalent to the dollar amount of such fees on the date they would otherwise be payable. Amounts credited to the stock subaccount are credited with dividends by multiplying the number of units in the participant's stock subaccount on each dividend record date, by the amount of each dividend, to determine the dividend amount. The dividend amount is then divided by the closing stock price on the last day of the previous quarter to determine the number of stock units to be added to the stock subaccount. Upon distribution of any portion or all of a participant's stock subaccount, the value of the account will be computed by multiplying the number of units in the account on the date of distribution by the closing price of the Common Stock on the last day of the month prior to the distribution.

The non-employee directors of the Company participate in the same long-term incentive plan ("LTIP") as certain members of the Company's management group. The LTIP provides annual cash bonuses to the directors with respect to a four-year performance period beginning in 2002. The awards are based upon annual attainment of earnings objectives for each year. Effective January 1, 2002, the maximum amount that a

3

director can earn under the long-term incentive plan is \$15,188 to \$22,022 per year, depending on date of award. In addition, non-employee directors receive a one-time grant of options to purchase up to 16,000 shares of Common Stock and an annual award of 600 shares of Common Stock under the shareholder-approved 2002 Director Stock Grant Plan.

COMMITTEES, MEETINGS AND ATTENDANCE

The Board of Directors of the Company has four standing committees: Audit and Compliance Committee, Corporate Governance Committee, Employee Benefit Plans Committee and Finance Committee. The Board of Directors has adopted written

Edgar Filing: BADGER METER INC - Form DEF 14A

charters for each committee, which are available on the Company's website at www.badgermeter.com under the selection "Company" -- "Corporate Governance" -- "Committees of the Board." The Board of Directors has affirmatively determined that all of the Company's directors (other than Mr. Meeusen, Mr. Forbes and Mr. Dix, if elected) are "independent" as defined in the listing standards of the American Stock Exchange.

The Audit and Compliance Committee, which met five times in 2004, consists of Messrs. Fischer (Chairman), Manning and Payne. The Audit and Compliance Committee oversees the Company's financial reporting process on behalf of the Board of Directors and reports the results of their activities to the Board. The activities of the Audit and Compliance Committee include employing an independent registered public accounting firm for the Company, discussing with the independent registered public accounting firm and internal auditors the scope and results of audits, monitoring the Company's internal controls and pre-approving and reviewing audit fees and other services performed by the Company's independent registered public accounting firm. The Committee also monitors the Company's compliance with the Company's policies governing activities which include but are not limited to the Company's code of conduct and its environmental, safety, diversity, product regulation and quality processes. The Board of Directors has determined that each member of the Committee qualifies as an "Audit Committee financial expert" as defined by Securities and Exchange Commission rules.

The Corporate Governance Committee consisting of Messrs. Policano (Chairman), Payne, Smith and Stollenwerk, met three times in 2004 and in January 2005. The Corporate Governance Committee reviews and establishes all forms of compensation for the officers and directors of the Company and administers the Company's compensation plans, including the various stock option plans. The Committee also reviews the various management development and succession programs and adopts and maintains the Principles of Corporate Governance. In addition, the Committee selects nominees for the Company's Board of Directors.

The Employee Benefit Plans Committee, which met three times in 2004, consisted of Messrs. Smith (Chairman), Forbes and Policano. The Employee Benefit Plans Committee oversees the administration of the Company's pension plan, employee savings and stock ownership plan, health plans and other benefit plans.

The Finance Committee, which met twice in 2004, consisted of Messrs. Manning (Chairman), Fischer, Forbes and Stollenwerk. This Committee reviews the Company's various financing activities and insurance coverage and recommends changes in the corporate capitalization structure.

The Board of Directors held five meetings in 2004. Mr. Policano currently serves as lead outside director of the Board. During 2004, all directors attended at least 75% of the meetings of the Board of Directors and committees on which they served during the period that they served. All members of the Board of Directors attended the 2004 Annual Meeting of Shareholders. It is the Board's policy that all directors attend the Annual Meeting of Shareholders, unless unusual circumstances prevent such attendance.

NOMINATION OF DIRECTORS

The Corporate Governance Committee (the "Committee") has responsibility for selecting nominees for the Company's Board of Directors. All members of the Committee meet the definition of independence set

forth by the American Stock Exchange. The Board of Directors has adopted a policy by which the Committee will consider nominees for Board positions, as

Edgar Filing: BADGER METER INC - Form DEF 14A

follows:

- The Committee will review potential new candidates for Board positions.
- The Committee will review each candidate's qualifications in light of the needs of the Board and the Company, considering the current mix of director attributes and other pertinent factors.
- The minimum qualifications required of any candidate include the highest ethical standards and integrity, and sufficient experience and knowledge commensurate with the Company's needs.
- The specific qualities and skills required of any candidate will vary depending on the Company's specific needs at any point in time.
- No candidate, including current directors, may stand for reelection after reaching the age of 70.
- There are no differences in the manner in which the Committee evaluates candidates recommended by shareholders and candidates identified from other sources.
- To recommend a candidate, shareholders should write to the Board of Directors, Badger Meter, Inc., P.O. Box 245036, Milwaukee, WI 53224-9536, via certified mail. Such recommendation should include the candidate's name and address, a brief biographical description and statement of qualifications of the candidate and the candidate's signed consent to be named in the proxy statement and to serve as a director if elected.
- To be considered by the Committee for nomination and inclusion in the Company's proxy statement, the Board must receive shareholder recommendations for director no later than October 15 of the year prior to the relevant Annual Meeting of Shareholders.

During 2004, and as of the date of this proxy statement, the Committee did not pay any fees to third parties to assist in identifying or evaluating potential candidates. Also, the Committee has not received any shareholder nominees for consideration at the 2005 Annual Meeting of Shareholders.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board of Directors has established a process for shareholders to communicate with members of the Board. To contact the Board, shareholders should write to the Board of Directors, c/o Secretary, Badger Meter, Inc., P.O. Box 245036, Milwaukee, WI 53224-9536, via certified mail. The Company's process for determining how and which communications will be relayed to the Board has been approved by all of the independent directors of the Company.

PRINCIPLES OF CORPORATE GOVERNANCE

The Board of Directors of Badger Meter, Inc. has adopted the following principles of corporate governance:

- A majority of the board members are independent directors.
- All directors are selected on the basis of their ability to contribute to positive corporate governance through their values, knowledge and skills.
- The Board of Directors has established a committee of independent directors who are responsible for nominating directors and assuring compliance with these corporate governance principles (the Corporate Governance Committee).

Edgar Filing: BADGER METER INC - Form DEF 14A

- The Board of Directors has established the Audit and Compliance Committee, which is composed entirely of independent directors who are responsible for overseeing the audit functions and financial reporting compliance of the Company. Members of the Audit and Compliance Committee have the skills, experience and financial expertise to fulfill this function.

5

- The Board of Directors and committees have authority to directly hire outside consultants as needed to properly fulfill their responsibilities.
- The independent members of the Board of Directors hold regular "executive sessions" without the presence of management or non-independent directors.
- The Board of Directors has designated an independent director as the "lead outside director" to chair executive sessions and, when necessary, represent the independent directors.
- The Board of Directors has reviewed and approved the Company's Code of Business Conduct.
- The Board of Directors has created an environment to promote effective corporate governance and to represent the interests of the shareholders in all matters.

STOCK OWNERSHIP OF MANAGEMENT AND OTHERS

The following table sets forth, as of February 28, 2005 (unless otherwise specified), the number of shares of Common Stock beneficially owned and the number of exercisable options outstanding by (i) each director of the Company, (ii) each of the executive officers named in the Summary Compensation Table set forth below, (iii) all directors and executive officers of the Company as a group, and (iv) each person known to the Company to be the beneficial owner of more than 5% of the Common Stock (as reported to the Securities and Exchange Commission). Beneficial ownership of shares is reported in the following table and footnotes in accordance with the beneficial ownership rules promulgated by the Securities and Exchange Commission. Such rules define "beneficial owner" of a security to include any person who has or shares voting power or investment power with respect to such security.

Compliance with these rules results in overlapping beneficial ownership of shares. Therefore, certain shares set forth in the table below are reported as being beneficially owned by more than one person.

KEY EXECUTIVE EMPLOYMENT AND SEVERANCE AGREEMENTS (KEESAS)

The Company has entered into Key Executive Employment and Severance Agreements ("KEESAs") with certain key executive officers, including certain of the above-named executive officers, whose expertise has been critical to the Company's success, to remain with the Company in the event of any merger or transition period. The KEESA agreements provide for payment of severance to executive officers whose employment is terminated under certain circumstances, such as other than for cause, death or disability, in anticipation of or following a change in control or by the officer for good reason following such a change, within two years of a change in control.

There are two forms of the KEESA. The KEESA for the Chairman, President and Chief Executive Officer provides for payment of three years of salary and annual incentive compensation, as well as the actuarial equivalent of the additional retirement benefits the executive officer would have earned if he had remained employed for three more years, continued medical, dental, and life insurance coverage for three years, outplacement services, and financial planning counseling. The KEESA for the remainder of the named executive officers provides for payment of two years' salary and annual incentive compensation, along with two years of the other benefits set forth above.

PENSION PLAN TABLE

The Company maintains a defined benefit pension plan (the "Pension Plan") covering all domestic salaried employees including the above-named executive officers except Mr. Gras. Effective January 1, 1997, the Pension Plan was modified to become a "cash balance" plan. Under this approach, a participant has an account balance which is credited each year with dollar amounts equal to 5% of compensation, plus 2% of compensation in excess of the Social Security wage base. Interest is credited to the account balance each year at a rate of interest based upon 30-year U.S. Treasury securities. A starting balance was established for each participant based upon December 31, 1996 accrued benefits under the prior Pension Plan formula.

Edgar Filing: BADGER METER INC - Form DEF 14A

Additional annual dollar amounts are credited to the accounts of participants with Pension Plan participation prior to January 1, 1997 based on their service on January 1, 1997. These additional annual credits are 3% for those with less than 11 years; 4% for those with 11 to 20 years; and 5% for those with 21 or more years. The additional credits will apply for years after 1996 for each year of continued employment but limited to the lesser of 15 years or the number of the participant's years of credited service as of December 31, 1996. At retirement, a participant may elect a cash payment of the account balance or a life annuity of equivalent value.

Mr. Meeusen, Mr. Smith, and Mr. Johnson are eligible for benefits under the cash balance plan but are not eligible for benefits under the prior plan's final average pay formula. The estimated total annual benefits payable to these executives under the cash balance plan at age 65 are \$130,118 for Mr. Meeusen, \$34,901 for Mr. Smith and \$55,035 for Mr. Johnson. These projected benefits were determined assuming no future increases in pay and interest credited to the cash balance account at a rate of 7%.

Mr. Dix, because of his age and service, is expected to obtain retirement benefits according to the prior plan's final average pay formula, which has been retained under the modified Pension Plan as a minimum benefit for employees who had attained age 50 and completed 10 or more years of service as of December 31, 1996.

Under the prior formula, the monthly pension at normal retirement (age 65) for all executive officers is equal to the sum of nine-tenths percent (0.9%) of the participant's average monthly compensation (based on the highest 60 months of the last 120 months compensation) multiplied by the participant's years of service, not to exceed 30; and six-tenths percent (0.6%) of the participant's average monthly compensation in excess

11

of Covered Compensation, multiplied by the participant's years of service, not to exceed 30. IRS regulations limit the amount of compensation to be considered in benefit calculations to \$205,000 in 2004, and varying amounts for prior years. Participants whose compensation is in excess of the IRS limits also participate in a non-qualified unfunded supplemental retirement plan. Benefits from this plan are calculated to provide the participant the same pension benefits as if there was no compensation limit.

Based on the assumption that retirement occurs at age 65, the following table shows the approximate annual retirement benefit payable from either the funded or unfunded plan to salaried employees retiring in 2004, based on the benefit formula described above.

Compensation covered by the Defined Benefit Plan is a participant's salary and bonus, as shown in the Summary Compensation Table, whether or not such compensation has been deferred at the participant's election.

The above table does not reflect limitations imposed by the Internal Revenue Code of 1986 (the "Code"), as amended, on pensions paid under federal income tax qualified plans. However, an executive officer covered by the Company's unfunded program will receive the full pension to which he would be entitled in the absence of such limitations.

There are 23 years of credited service under the Pension Plan for Mr. Dix. The current remuneration for this individual for purposes of the Pension Plan is set forth in the Summary Compensation Table.

In 1990, Mr. Dix agreed to the cancellation of substantially all of his post-retirement group term life insurance in exchange for an unfunded supplemental retirement plan. This plan provides for the payment of 20% of his final monthly salary for 120 months after retirement. Assuming no increase in salary before retirement, Mr. Dix would be paid an additional annual pension of \$44,000.

Mr. Gras, a German resident and citizen, is not covered by the defined benefit pension plan. The Company, through its European subsidiary, provides Mr. Gras with an insurance policy that provides benefits similar to those of the other named executives covered by the cash balance plan.

BOARD CORPORATE GOVERNANCE COMMITTEE REPORT ON EXECUTIVE COMPENSATION

In addition to its responsibilities relating to corporate governance, the Corporate Governance Committee administers the Company's executive compensation program. The Committee is composed of four non-employee directors. Following the Committee's review and approval, all matters related to its activities are reported to the full Board of Directors for approval.

12

The compensation policies that are used as a general guideline for the Committee as it carries out its duties are as follows:

- The design of executive pay programs should attract and retain qualified executive officers, motivate and reward performance;
- Achievement of annual incentive compensation levels requires attainment of performance goals as approved by the Committee;
- Long-term incentive programs must focus on the enhancement of shareholder value through the use of stock options, restricted stock and long-term cash incentives; and
- The Committee uses its judgment to achieve a fair and competitive compensation structure, utilizing both short-term and long-term plans, with fixed and variable components.

Edgar Filing: BADGER METER INC - Form DEF 14A

In making its decisions, the Committee reviews:

- Competitive compensation data for organizations of similar size and similar business activity, considering both base salary and bonus data separately, on a combined basis and total cash and non-cash compensation;
- Financial performance for the Company as a whole and for various product lines, relative to prior year, the budget and other meaningful financial data; and
- Personal performance, including objectives approved by the Committee and on a discretionary basis, where appropriate.

The compensation program for the executive officers of the Company involves base salaries, short-term annual cash incentive bonuses and a long-term program using stock options, restricted stock and cash incentives.

Base Salaries. Salary rates are established for each officer by the Committee, using data supplied by an independent consulting firm on organizations of similar size and similar business activity. The compensation survey incorporates privately-held as well as publicly-held companies of similar size, and has a broader definition of similar business activity, thereby providing the best basis for evaluating compensation relative to the companies that compete with the Company for executives. The data includes salaries, total cash compensation and total compensation. In establishing the compensation of each officer, including the President and Chief Executive Officer, the Corporate Governance Committee is given a five-year history, including base salary, short-term incentive awards, and long-term compensation programs. This process has been consistently used by the Corporate Governance Committee for the past 15 years. The Company's policy is to pay executives at market, with appropriate adjustments for performance and levels of responsibility.

Base salary increases approved for 2005 by the Committee ranged from 2.8 to 10.0 percent, with the President and Chief Executive Officer's compensation increasing 10 percent, after evaluation of the factors set forth above relative to each individual's circumstances and performance.

Short-Term Incentive Plan. Under the 2004 short-term incentive plan, the target bonus payable is 60 percent of base salary for the President and Chief Executive Officer and 50-55 percent for the other executive officers. Two factors are used for the short-term incentive plan -- financial and predetermined performance objectives. The financial factor is based on the attainment of a certain level of earnings before interest and taxes for the Company, approved at the beginning of each year by the Corporate Governance Committee. The target bonus can be adjusted up or down 10 percent depending on an individual's performance. For 2004, bonuses were paid to the executive officers.

Long-Term Incentive Plans/Stock Option Plans. A long-term compensation program, which includes the Company's 1993-2003 Stock Option Plans, presents an opportunity for the officers to gain or increase their equity interests in the Company. All of the stock options are granted at the market price on the date of grant and are based on a factor of compensation.

The Company's Long-Term Incentive Plan provides annual cash bonuses to the members of the management group with respect to a four-year performance period. The awards are based upon annual attainment of earnings objectives for each year, as established by the Board of Directors. The plan in effect for 2004 was

Edgar Filing: BADGER METER INC - Form DEF 14A

put in place for 2002-2005.

Section 162(m) Limitations. It is anticipated that all 2004 compensation to executive officers will be fully deductible under Section 162(m) of the Code and therefore the Corporate Governance Committee determined that a policy with respect to qualifying compensation paid to certain executive officers for deductibility is not necessary.

The foregoing report has been approved by all members of the Committee.

BOARD AUDIT AND COMPLIANCE COMMITTEE REPORT

The Audit and Compliance Committee (the "Committee") is a group of independent directors whose responsibilities on behalf of the Board of Directors (the "Board") include the oversight of financial and compliance processes and procedures. Specifically, the Committee oversees the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence, the performance of the Company's internal audit function and independent auditors, and the Company's system of disclosure controls and system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established. The Committee is required to meet at least quarterly and report to the Board regularly. It met five times in 2004.

The Committee is vested with all responsibilities and authority required by Rule 10A-3 under the Securities Exchange Act of 1934. It is comprised of the three members of the Board of Directors named below, each of whom is independent as required by the American Stock Exchange and U.S. Securities Exchange Commission rules currently in effect. The Board evaluates the independence of the directors on at least an annual basis. All three members of the Committee have been determined by the Board to be financial experts as defined by Securities and Exchange Commission rules. The Committee acts under a written charter.

Company management ("Management") has the primary responsibility for the preparation of financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed with Management the Company's audited financial statements as of and for the year ended December 31, 2004, including discussion regarding the propriety of the application of accounting principles by the Company, the reasonableness of significant judgments and estimates used in the preparation of the financial statements, and the clarity of disclosures in the financial statements. Management represented to the Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Committee also reviewed and discussed the Company's audited 2004 financial statements with the Company's independent auditors, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States.

Ernst & Young LLP provided the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (regarding independence discussions with audit committees), and the Committee discussed with Ernst and Young LLP the firm's independence from Management and the Company, including the matters in those written disclosures.

Prior to the audits, the Committee discussed with Ernst & Young LLP and the Company's internal auditors the overall scope and plans for their respective audits. Ernst and Young LLP conducted their independent audit. The Committee met with Ernst & Young LLP, with and without Management present, to discuss the results of their audit examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting, as well as the matters required to be discussed by the Statement on Auditing Standards No. 61 (regarding communication with audit committees), as amended, that were not otherwise covered and other professional standards and regulatory requirements as currently in effect.

Based on the reviews and discussions referred to above, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2004 for filing with the U.S. Securities and Exchange Commission.

All members of the Committee have approved the foregoing report.

PROPOSED 2005 RESTRICTED STOCK PLAN

GENERAL

The Board of Directors approved the Badger Meter, Inc. 2005 Restricted Stock Plan (the "2005 Plan") on February 18, 2005, subject to approval by the Company's shareholders. The 2005 Plan, if approved by the Company's shareholders, will become effective on May 1, 2005.

As of February 28, 2005, there were 6,745,441 shares of Common Stock issued and outstanding, and the closing price of a share of Common Stock on the American Stock Exchange on that date was \$28.33.

16

The following summary of the 2005 Plan is qualified in its entirety by reference to the full text of the 2005 Plan, which is attached to this Proxy Statement as Appendix A. Any defined term used in this section of the Proxy Statement has the meaning given it in the 2005 Plan.

PURPOSE

The 2005 Plan has two complementary purposes; (1) to promote the success of the Company by providing incentives to the officers and other key employees of the Company and its subsidiaries that will link their personal interests to the Company's long-term financial success; and (2) to permit the Company and its subsidiaries to attract, motivate and retain experienced and knowledgeable employees upon whose judgment, interest and special efforts the Company's success is largely dependent.

ADMINISTRATION

The 2005 Plan will be administered by the Corporate Governance Committee (the "Committee") of the Board of Directors. The Committee has full power and discretionary authority to implement the 2005 Plan including, without limitation, the authority to select Participants, grant Awards and determine the terms and conditions of each such Award. The Committee has broad authority to modify, adjust or waive any of the restrictions and/or limitations of the 2005 Plan. The Committee's determinations and decisions made pursuant to the provisions of the 2005 Plan are final, conclusive and binding.

ELIGIBILITY

The Committee may grant Restricted Share Awards to any full-time, exempt employee of the Company or its subsidiaries or to such other key employees as the Committee may determine. As of February 28, 2005, the Company and its subsidiaries had approximately 235 Eligible Employees eligible to receive Awards under the 2005 Plan. The number of Eligible Employees is expected to increase

Edgar Filing: BADGER METER INC - Form DEF 14A

over time based upon the Company's future growth.

STOCK SUBJECT TO THE PLAN; LIMITATIONS ON AWARDS

The number of shares of Common Stock available for Restricted Share Awards under the 2005 Plan will be 50,000, subject to adjustment as set forth below. Shares of Common Stock to be granted under the 2005 Plan will come from the Company's authorized but unissued shares or from treasury shares. If a Restricted Share Award is forfeited or terminated for any reason, the Restricted Shares subject to such Award will be available for regranting under the 2005 Plan.

No individual Participant may be granted Restricted Share Awards under the 2005 Plan for more than 20,000 shares.

RESTRICTED SHARE AWARDS

The Committee has authority to determine the number of Restricted Shares subject to an Award as well as the terms and conditions applicable to such Award, including the term of the Restriction Period, which is the time period during which such shares are restricted, and any conditions relating to the lapse of the Restriction Period, including the attainment of one or more Performance Goals, if any, set by the Committee.

The Committee has determined that the initial Awards of Restricted Shares under the 2005 Plan will vest 100% after a three-year Restriction Period.

TERMINATION OF EMPLOYMENT

If a Participant leaves the employ of the Company (other than by reason of death, Total and Permanent Disability or Retirement) prior to the expiration of the applicable Restriction Period, then he or she forfeits all of his or her Restricted Shares. In the event of a Change in Control, all Restricted Shares automatically vest in full.

17

TRANSFER RESTRICTIONS

A Participant may not sell, transfer, assign or otherwise transfer his or her Restricted Shares during the Restriction Period. During the applicable Restriction Period, the Company (or its transfer agent) will hold all stock certificates representing Restricted Shares.

PARTICIPANT RIGHTS

During the Restriction Period, the Participant has the right to vote his or her Restricted Shares until vested or forfeited. During the Restriction Period, any dividends or other distributions with respect to Restricted Shares will be held by the Company (or its transfer agent) pending vesting or forfeiture.

ADJUSTMENTS

In the event of a merger, reorganization, consolidation, recapitalization, stock dividend, stock split or other comparable change in the Company's corporate structure affecting the Common Stock, the Committee may adjust the number and class of stock to be issued under the 2005 Plan, the individual Participant Award limit and the number and class of shares subject to outstanding Restricted Share Awards to prevent dilution or enlargement of the rights intended to be granted under the 2005 Plan.

Edgar Filing: BADGER METER INC - Form DEF 14A

AMENDMENT AND TERMINATION

The Board may amend or terminate the 2005 Plan at any time, subject to applicable law and the vested rights of Participants. The 2005 Plan will terminate on April 30, 2015, unless earlier terminated by the Board of Directors or when all shares of Common Stock available for issuance have been issued.

TAX WITHHOLDING

The Company is entitled to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy all taxes required by law to be withheld with respect to the issuance of Restricted Shares under the 2005 Plan or the lapse of the Restriction Period. The Company also has the right to withhold Common Stock as to which the Restriction Period has lapsed and which have a fair market value equal to a Participant's minimum tax withholding liability.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Generally, a Participant will not recognize income, and the Company will not be entitled to a deduction, at the time a Restricted Share Award is made under the 2005 Plan, unless the Participant makes the election described below. A Participant who has not made such an election will recognize ordinary income at the time the Restriction Period ends in an amount equal to the fair market value of the Restricted Shares at that time. The Company will generally be entitled to a corresponding deduction in the same amount and at the same time as the Participant recognizes income. Under certain circumstances involving a Change in Control, the Company may not be entitled to a deduction with respect to Restricted Shares granted to certain executive officers. Any otherwise taxable disposition of the Common Stock after the Restriction Period ends will result in a capital gain or loss to the extent the amount realized from the sale differs from the tax basis, i.e., the fair market value of the Common Stock on the date the Restriction Period ends. Dividends, if any, paid in cash and received by a Participant prior to the time the Restriction Period ends will constitute ordinary income to the Participant in the year paid, and the Company will generally be entitled to a corresponding deduction for such payments. (The 2005 Plan currently contemplates that no dividends will be paid on Restricted Shares until the Restriction Period ends, although the Committee has authority to accelerate the payment of such dividends.) Any dividends paid in Common Stock will be treated as an Award of additional Restricted Shares subject to the tax treatment described herein.

A Participant may, within 30 days after the date of a Restricted Share Award, elect under Section 83(b) of the Internal Revenue Code to recognize ordinary income as of the date of the Award in an amount equal to the fair market value of such Restricted Shares on the date of the Award (less the amount, if any, the

18

Participant paid for such Restricted Shares). If the Participant makes a proper election, then the Company will generally be entitled to a corresponding deduction in the same amount and at the same time as the Participant recognizes income. If the Participant makes the election, then cash dividends, if any, that the Participant receives with respect to the Restricted Shares will be treated as dividend income to the Participant in the year of payment and will not be deductible by the Company. Any otherwise taxable disposition of the Restricted Shares (other than by forfeiture) or the Common Stock received upon the termination of the Restriction Period will result in a capital gain or loss. If the Participant who has made an election subsequently forfeits the Restricted Shares, then the Participant will not be entitled to deduct any loss. In

Edgar Filing: BADGER METER INC - Form DEF 14A

addition, the Company would then be required to include in its ordinary income the amount of any deduction the Company originally claimed with respect to such shares.

NEW PLAN BENEFITS

The Company cannot currently determine the Awards that may be granted under the 2005 Plan in the future to the executive officers named in this Proxy Statement, other executive officers, directors (who are also Eligible Employees) or other persons. The Committee will make such determinations from time to time.

EQUITY COMPENSATION PLAN INFORMATION

Securities available under the Company's equity compensation plans as of December 31, 2004, are listed under "EXECUTIVE COMPENSATION -- Equity Compensation Plan Information as of December 31, 2004" earlier in this proxy statement.

VOTE REQUIRED

The affirmative vote of a majority of the votes represented and voted at the Meeting (assuming a quorum is present) is required to approve the 2005 Plan. Any shares not voted at the Meeting (whether as a result of broker non-votes, abstentions or otherwise) with respect to the 2005 Plan will have no impact on the vote. Shares of Common Stock represented at the Meeting by executed but unmarked proxies will be voted FOR the 2005 Plan.

THE BOARD UNANIMOUSLY RECOMMENDS THAT COMPANY SHAREHOLDERS VOTE FOR THE 2005
RESTRICTED STOCK PLAN.

- (1) Includes annual financial statement audit, review of the Company's quarterly report on Form 10-Q and statutory audits required internationally.
- (2) Includes primarily internal control consultations in both years.

As part of its duties, the Audit and Compliance Committee pre-approves services provided by Ernst & Young LLP. In selecting Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005, the Audit Committee has determined that the non-audit services provided by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP. No additional non-audit services will be performed without the Committee's prior approval.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors to file reports concerning the ownership of Company equity securities with the Securities and Exchange Commission and the Company. Based solely on a review of the copies of such forms furnished to the Company, the Company believes that all reports required by Section 16(a) to be filed by the Company on behalf of the Company's insiders were filed on a timely basis.

OTHER MATTERS

THE COMPANY HAS FILED AN ANNUAL REPORT ON FORM 10-K WITH THE SECURITIES AND EXCHANGE COMMISSION FOR ITS FISCAL YEAR ENDED DECEMBER 31, 2004. THE FORM 10-K IS POSTED ON THE COMPANY'S WEB SITE AT WWW.BADGERMETER.COM. THE COMPANY WILL PROVIDE A COPY OF THIS FORM 10-K WITHOUT EXHIBITS TO EACH PERSON WHO IS A RECORD OR BENEFICIAL HOLDER OF SHARES OF COMMON STOCK ON THE RECORD DATE FOR THE MEETING. THE COMPANY WILL PROVIDE A COPY OF THE EXHIBITS WITHOUT CHARGE TO EACH PERSON WHO IS A RECORD OR BENEFICIAL HOLDER OF SHARES OF COMMON STOCK ON THE RECORD DATE FOR THE MEETING WHO SUBMITS A WRITTEN REQUEST FOR IT. REQUESTS FOR COPIES OF THE FORM 10-K SHOULD BE ADDRESSED TO SECRETARY, BADGER METER, INC., 4545 WEST BROWN DEER ROAD, P.O. BOX 245036, MILWAUKEE, WISCONSIN 53224-9536.

Pursuant to the rules of the Securities and Exchange Commission, services that deliver the Company's communications to shareholders that hold their stock through a bank, broker or other holder of record may deliver to multiple shareholders sharing the same address a single copy of the Company's annual report to shareholders and proxy statement. Upon written or oral request, the Company will promptly deliver a separate copy of the annual report to shareholders and/or proxy statement to any shareholder at a shared address to which a single copy of each document was delivered, or a single copy to any shareholders sharing the same address to whom multiple copies were delivered. Shareholders may notify the Company of their requests by calling or writing the Secretary, Badger Meter, Inc., 4545 West Brown Deer Road, P.O. Box 245306, Milwaukee, WI, 53224-9536; (414) 355-0400.

20

The cost of solicitation of proxies will be borne by the Company. Brokers, nominees and custodians who hold stock in their names and who solicit proxies from the beneficial owners will be reimbursed by the Company for out-of-pocket and reasonable clerical expenses.

The Board of Directors does not intend to present at the Meeting any matters other than those set forth herein and does not presently know of any other matters that may be presented at the Meeting by others. However, if any other matters should properly come before the Meeting, it is the intention of the persons named in the enclosed proxy to vote said proxy on any such matters

Edgar Filing: BADGER METER INC - Form DEF 14A

in accordance with their best judgment.

A shareholder wishing to include a proposal in the proxy statement for the 2006 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("Rule 14a-8"), must forward the proposal to the Company by November 16, 2005.

A shareholder who intends to present business, other than a shareholder's proposal pursuant to Rule 14a-8, at the 2006 Annual Meeting (including nominating persons for election as directors) must comply with the requirements set forth in the Company's Restated By-Laws. Among other things, to bring business before an annual meeting, a shareholder must give written notice thereof, complying with the Restated By-Laws, to the Secretary of the Company not less than 60 days and not more than 90 days prior to the second Saturday in the month of April (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days). Accordingly, if the Company does not receive notice of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 between January 8, 2006 and February 7, 2006, then the notice will be considered untimely and the Company will not be required to present such proposal at the 2006 Annual Meeting. If the Board of Directors chooses to present such proposal at the 2006 Annual Meeting, then the persons named in proxies solicited by the Board of Directors for the 2006 Annual Meeting may exercise discretionary voting power with respect to such proposal.

ARTICLE 5.

PARTICIPATION

Subject to the provisions of the Plan, the Committee shall have the authority to select the Eligible Employees to receive Awards. No Eligible Employee shall have any right to be granted an Award, even if previously granted an Award.

ARTICLE 6.

TERMS AND CONDITIONS OF AWARDS

SECTION 6.1 Grant of Award. Subject to the terms and provisions of the Plan, the Committee shall have the authority to determine the number of Shares to which an Award shall relate, the term of the Restriction Period and conditions for lapse thereof, including but not limited to the attainment of one or more Performance Goals, and any other terms and conditions of an Award.

SECTION 6.2 Terms and Conditions of Awards.

(a) Period of Restriction. Unless the Committee determines otherwise, Restricted Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated by a Participant prior to the lapse

A-5

of the Restriction Period, other than by will or the laws of descent and distribution. The Restricted Shares shall be subject to a substantial risk of forfeiture until the termination of the applicable Restriction Period as set forth in the Participant's award agreement or as provided herein. During the Restriction Period, the Company shall have the right to hold the Restricted Shares. During the Restriction Period, Restricted Shares may not participate in the Badger Meter, Inc. Automatic Dividend Reinvestment and Stock Purchase Plan.

(b) Certificate Legend. At the Committee's direction, each certificate representing Restricted Shares may bear the following legend:

"THE SALE OR OTHER TRANSFER OF THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE, WHETHER VOLUNTARY, INVOLUNTARY, OR BY OPERATION OF LAW, IS SUBJECT TO CERTAIN RESTRICTIONS ON TRANSFER SET FORTH IN THE BADGER METER, INC. 2005 RESTRICTED STOCK PLAN, IN THE RULES AND ADMINISTRATIVE PROCEDURES ADOPTED PURSUANT TO SUCH PLAN AND/OR IN A RESTRICTED STOCK AGREEMENT, DATED . A COPY OF THE 2005 RESTRICTED STOCK PLAN, SUCH RULES AND ADMINISTRATIVE PROCEDURES AND SUCH RESTRICTED STOCK AGREEMENT MAY BE OBTAINED FROM THE SECRETARY OF BADGER METER, INC."

Edgar Filing: BADGER METER INC - Form DEF 14A

(c) Removal of Restrictions. Except as otherwise provided in this Article 6, Restricted Shares shall become vested in, and freely transferable by, a Participant after the last day of the Restriction Period. Once the Restricted Shares are released from the restrictions, a Participant shall be entitled to have the legend required by subsection (b) removed from his or her stock certificate representing such shares.

(d) Voting Rights. Unless otherwise determined by the Committee, during the Restriction Period Participants holding Restricted Shares may exercise full voting rights with respect to those Shares.

(e) Dividends and Other Distributions. Any dividends or other distributions paid or delivered with respect to Restricted Shares will be subject to the same terms and conditions (including risk of forfeiture) as the Restricted Shares to which they relate, and payment or delivery thereof will be deferred accordingly; provided, however, that at any time and from time to time the Committee may, in its sole discretion, provide for the earlier payout of deferred and/or current dividends and distributions. No such deferred amount shall bear interest.

SECTION 6.3 Termination of Employment. Except as otherwise provided by the Committee in a Participant's award agreement, upon a Participant's termination of employment with the Company and its subsidiaries, the following rules shall apply:

(a) Retirement. If the Participant terminates employment due to Retirement, any remaining Restriction Period shall continue as if the Participant continued in active employment. Notwithstanding the foregoing, if the Committee determines that the Participant has engaged in Inimical Conduct after his or her Retirement, any Restricted Shares still subject to a Restriction Period shall automatically be forfeited as of the date of the Committee's determination.

(b) Death or Disability. If the Participant's employment terminates because of death or Total and Permanent Disability at a time when the Participant could not have been terminated for Cause, or if the Participant dies after Retirement while holding an Award that is subject to a Restriction Period, any remaining Restriction Period shall automatically lapse as of the date of such termination of employment or death, as applicable.

(c) Termination for Other Reasons. If the Participant's employment terminates for any reason not described above, then any Restricted Shares still subject to a Restriction Period as of the date of such termination shall automatically be forfeited and returned to the Company; provided, however, that in the event of an involuntary termination of the employment of a Participant by the Company or any of its subsidiaries other than for Cause, the Committee may waive the automatic forfeiture of any or all such Shares and may add such new restrictions to such Restricted Shares as it, in its sole and absolute discretion, deems appropriate.

A-6

(d) Suspension. The Committee may suspend payment or delivery of Shares (without liability for interest thereon) pending its determination of whether a Participant was or should have been terminated for Cause or whether a Participant has engaged in Inimical Conduct.

SECTION 6.4 Other Restrictions. The Committee may impose such other restrictions on any Awards granted under the Plan (including after the

Edgar Filing: BADGER METER INC - Form DEF 14A

Restriction Period lapses) as it may deem advisable including, without limitation, restrictions under applicable Federal or state securities laws, and the Company may legend certificates to give appropriate notice of such restrictions.

ARTICLE 7.

RIGHTS OF PARTICIPANTS

SECTION 7.1 Employment. Nothing in the Plan shall interfere with or limit in any way the right of the Company or any of its subsidiaries to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company or any of its subsidiaries.

SECTION 7.2 No Implied Rights; Rights on Termination of Service. Neither the establishment of the Plan nor any amendment thereof shall be construed as giving any Participant or any other person any legal or equitable right unless such right shall be specifically provided for in the Plan or conferred by specific action of the Committee in accordance with the terms and provisions of the Plan.

SECTION 7.3 No Funding. Except as provided in Section 6.2(e), Participants will only receive Shares upon the expiration of the Restriction Period for Awards. Neither the Participant nor any other person shall acquire, by reason of the Plan or any Award, any right in or title to any assets, funds or property of the Company and its subsidiaries whatsoever including, without limiting the generality of the foregoing, any specific funds, assets, or other property which the Company or its subsidiaries may, in their sole discretion, set aside in anticipation of a liability hereunder. Any amounts which may become payable hereunder shall be paid from the general assets of the Company and its subsidiaries, as applicable. The Participant shall have only a contractual right to the amounts, if any, payable hereunder unsecured by any asset of the Company or its subsidiaries. Nothing contained in the Plan constitutes a guarantee by the Company or its subsidiaries that the assets of the Company or its subsidiaries shall be sufficient to pay to any person any amount which may become payable hereunder.

Section 7.4 Other Restrictions. As a condition to the issuance of any Shares under the Plan, the Committee may require a Participant to enter into a restrictive stock transfer agreement or other shareholder's agreement with the Company.

ARTICLE 8.

CHANGE IN CONTROL

The Restriction Period for each outstanding Award shall automatically lapse upon a Change in Control.

ARTICLE 9.

AMENDMENT, MODIFICATION, AND TERMINATION

Section 9.1 Amendment, Modification, and Termination of the Plan. The Board may amend or terminate the Plan at any time, subject to the following limitations: (a) shareholders must approve any amendment of the Plan if the Committee determines such approval is required by: (i) the Exchange Act, (ii) the Code, (iii) the listing requirements of the American Stock Exchange or any principal securities exchange or market on which the Shares are then traded, or (iv) any other applicable law. Without the written consent of the affected Participant or except as expressly provided in the Plan, no termination, amendment or modification of the Plan shall adversely affect any Award

Edgar Filing: BADGER METER INC - Form DEF 14A

theretofore granted under the Plan.

A-7

Section 9.2 Amendment of Award Agreements. The Committee may at any time amend any outstanding award agreement; provided, however, that any amendment that decreases or impairs the rights of a Participant under such agreement shall not be effective unless consented to by the Participant in writing, except that Participant consent shall not be required if an Award is amended, adjusted or cancelled under Section 4.4 .

Section 9.3 Survival Following Termination. Notwithstanding the foregoing, to the extent provided in the Plan, the authority of (a) the Committee to amend, alter, adjust, suspend, discontinue or terminate any Award, waive any conditions or restrictions with respect to any Award, and otherwise administer the Plan and any Award and (b) the Board to amend the Plan, shall continue beyond the date of the Plan's termination. Termination of the Plan shall not affect the rights of Participants with respect to Awards previously granted to them, and all unexpired Awards shall continue in force and effect after termination of the Plan except as they may lapse or be terminated by their own terms and conditions.

Section 9.4 Shareholder Re-Approval. If determined by the Company, in order to continue to grant performance-based Awards under Code Section 162(m), the material terms of the Plan shall be re-approved by the Company's shareholders no later than the first annual shareholders' meeting (or special meeting in lieu of such meeting) that occurs in 2010.

ARTICLE 10.

WITHHOLDING

Section 10.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an applicable amount sufficient to satisfy foreign, Federal, state and local taxes (including the Participant's F.I.C.A. obligation) required by law to be withheld with respect to the issuance of Shares under the Plan or the lapse of the Restriction Period. The Company shall also have the right to withhold Shares as to which the Restriction Period has lapsed and which have a Fair Market Value equal to a Participant's minimum tax withholding liability, to satisfy any withholding obligations. The value of the Shares to be withheld is to be based on the Fair Market Value of the Shares on the date that the amount of tax to be withheld is determined.

Section 10.2 Stock Delivery or Withholding. Participants may elect, subject to the approval of the Committee and such rules as it shall prescribe, to satisfy the withholding requirement, in whole or in part, by tendering to the Company previously-acquired Shares (or by having the Company withhold Shares as to which the Restriction Period has lapsed) in an amount having a Fair Market Value equal to the amount required to be withheld to satisfy the tax withholding obligations described in Section 10.1. Such election must be made on or before the date the amount of tax to be withheld is determined. Once made, the election is irrevocable. The value of the Shares to be tendered (or withheld) is to be based on the Fair Market Value of the Shares on the date that the amount of tax to be withheld is determined.

ARTICLE 11.

LEGENDS; PAYMENT OF EXPENSES

Section 11.1 Legends. The Company may endorse such legend or legends upon

Edgar Filing: BADGER METER INC - Form DEF 14A

the certificates for Shares issued under the Plan, including but not limited to the legends referenced in Section 6.2(b) and Section 6.4, and may issue such "stop transfer" instructions to its transfer agent in respect of such Shares as it determines to be necessary, appropriate or convenient to (a) prevent a violation of, or to perfect an exemption from, the registration requirements of the Securities Act, applicable state securities laws or other legal requirements, or (b) implement the provisions of the Plan or any agreement between the Company and a Participant with respect to such Shares.

Section 11.2 Payment of Expenses. The Company shall pay for all issuance taxes with respect to the issuance of Shares under the Plan, as well as all fees and expenses incurred by the Company in connection with such issuance.

A-8

ARTICLE 12.

SUCCESSORS

All obligations of the Company under the Plan respecting Awards shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business and/or assets of the Company. The Plan shall be binding upon and inure to the benefit of the Participants and their heirs, executors, administrators or legal representatives.

ARTICLE 13.

REQUIREMENTS OF LAW
