Item 2.02 Results of Operations and Financial Condition.

On July 26, 2005, Illumina, Inc. issued a press release announcing financial results for the fiscal quarter ended July 3, 2005. The full text of the Company's press release is attached hereto as Exhibit 99.1.

The press release attached hereto as Exhibit 99.1 contains net loss and loss per share information that excludes the effect of a one-time charge for in-process research and development related to our acquisition of CyVera Corporation in April 2005. This information constitutes a non-GAAP financial measure, within the meaning of the rules and regulations of the Securities and Exchange Commission. Management has included this information because it believes that, due to the nature and expected infrequency of the one-time charge, the information allows investors to better compare our financial performance from period to period and to better assess the trends that affect our core business.

This information and the exhibit hereto, are being furnished and shall not be deemed to be filed for the purposes of Section 18 of, or otherwise regarded as filed under, the Securities and Exchange Act of 1934, as amended. The information in this report shall not be incorporated by reference into any filing of Illumina, Inc. with the SEC, whether made before or after the date hereof, regardless of any general incorporation language in such filings.
