Item 4. Description of Securities

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Under Section 145 of the Delaware General Corporation Law, the Registrant can indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the 1933 Act. The Registrant's certificate of incorporation provides that none of the Registrant's directors shall be personally liable for monetary damages for breach of such director's fiduciary duties to the Registrant or its stockholders. This provision does not eliminate the duty of care, and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief will remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to the Registrant or its stockholders, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are unlawful under Delaware law. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

The Registrant's bylaws provide that the Registrant shall indemnify its directors to the fullest extent permitted by Section 145 of the Delaware Law against liabilities and expenses referred to in Section 145 incurred in such person's capacity as a director, officer, employee or agent of the Registrant or as a director, officer, employee or agent of any other company or enterprise to which the person provides services at the request of the Registrant. The bylaws also require the Registrant to advance expenses, upon receipt by the Registrant of an undertaking by the director to repay such advances if it is ultimately determined that the he or she is not entitled to indemnification, unless the director commenced the suit as a plaintiff and such advance is not specifically approved by a majority of the Registrant's Board of Directors, or the suit is brought against the director by the Registrant and approved by a majority of the Registrant's Board of Directors alleging willful misappropriation of corporate assets, disclosure of confidential information or any other willful breach of duty in bad faith. The bylaws further provide that rights conferred under such bylaws shall not be deemed to be exclusive of any other right such indemnified persons may have under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

In addition, the Registrant has entered into indemnification agreements with each of its directors and certain of its officers. These agreements, among other things, provide the Registrant's directors and certain of its officers with indemnification for certain liabilities and expenses reasonably incurred by such persons in any action or proceeding, including any action by or in the right of the Registrant, on account of services as a director or officer of the Registrant or as a director or officer of any other company or enterprise to which the person provides services at the request of the Registrant. The Registrant also maintains directors' and officers' liability insurance covering its directors and officers.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

- A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement, and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference in this Registration Statement; (2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Plan.
- B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
