Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 31, 2007, the Board of Directors of Peabody Energy Corporation (the Board) approved an amendment to Section 1.6(b) of the Amended and Restated Bylaws of Peabody Energy Corporation (the By-laws) for purposes of implementing a majority voting standard in uncontested director elections in place of the current plurality voting standard. Consequently, in uncontested director elections, each director to be elected by stockholders will be elected by the vote of the majority of the votes cast (as defined in the By-Laws) at any meeting of stockholders for the election of directors at which a quorum is present. In contested elections, a plurality voting standard will apply, based on shares present in person or represented by proxy and voting for nominees in the election. No change was made to Section 1.6(a) regarding the vote requirement for matters submitted to stockholders other than the election of directors.

Pursuant to the Company's Corporate Governance Guidelines, any nominee for director in an uncontested election who receives a greater number of votes "withheld" from his or her election than votes "for" his or her election would tender his or her resignation to the Chairman of the Board. The Nominating and Corporate Governance Committee would consider the resignation, and recommend to the Board whether to accept or reject it. The Board would act on the Committee's recommendation no later than 90 days following the date of the stockholders meeting.

The foregoing amendment to the By-laws was effective upon approval by the Board on July 31, 2007. The foregoing description of the new By-law provision is qualified in its entirety by reference to the actual By-Laws, a copy of which, as amended and restated, are attached as Exhibit 3.2 and hereby incorporated by reference herein.

Item 7.01. Regulation FD Disclosure.
