Item 4. Purpose of Transaction.

Item 4 is hereby amended by adding the following as the last paragraph thereof:

“On January 15, 2014, Mr. Falcone was appointed as a director of the Issuer. In connection with being appointed as a director of the Issuer, Mr. Falcone was granted (i) 2,028 restricted stock units that vest as to one-half of the Shares on January 15, 2015 and one-half of the Shares on January 15, 2016, subject in each case to continued service as a director of the Issuer on the date of vesting, and (ii) stock options to acquire 4,055 Shares. One-third of the Shares with respect to such stock options vested on January 15, 2014 and the remainder of such Shares vests one-third on January 15, 2015 and one-third on January 15, 2016, subject in each case to continued service as a director of the Issuer on the date of vesting.

On May 21, 2014, the Issuer entered into an employment agreement (“Falcone Agreement”) with Mr. Falcone pursuant to which Mr. Falcone will serve as Chairman, President and Chief Executive Officer of the Issuer. In connection with such entering into such agreement, the Issuer entered into an Option Agreement (the “Option”) with Mr. Falcone pursuant to which Mr. Falcone has the right to purchase an initial amount of 1,568,864 Shares (the “Exercise Shares”) at an initial exercise price (the “Exercise Price”) of \$4.56 per share. The Option vests in three equal installments, on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject to Mr. Falcone’s continued employment with the Issuer on each vesting date, and the vesting of the Option is accelerated upon the occurrence of certain fundamental corporate transactions (the “Fundamental Change Transactions”) involving the Issuer, including the sale or other disposition of all or substantially all of its assets or the acquisition of a majority of the voting power of its capital stock by certain persons, other than Mr. Falcone, HGI and HGI-affiliated entities. Vested portions of the Option are exercisable from the date of issuance through May 20, 2024, after which point the Option is null and void. The Exercise Price and number of Exercise Shares issuable upon exercise of the Option are subject to anti-dilution adjustments upon the occurrence of certain events, including the issuance of dividends payable in shares of common stock, cash or other securities or assets, stock splits and reverse stock splits, certain dilutive issuances of common stock or rights to acquire common stock and Fundamental Change Transactions. Such securities are beneficially owned by Mr. Falcone. On May 21, 2014, the Issuer entered into an employment agreement with Keith Hladek (the “Hladek Agreement”) pursuant to which Mr. Hladek will serve as the Chief Operating Officer of the Issuer. In connection with the Hladek Agreement, within thirty (30) days following stockholder approval of an equity incentive plan (the “Plan”) in the form and with such terms and conditions as determined in the sole discretion of the Issuer, Mr. Hladek is entitled to receive the following grants upon the approval of the Plan: (i) 125,000 shares of restricted stock, vesting in three equal installments, on the date of issuance and on each of the first and second anniversaries of the date of issuance; and (ii) stock options to purchase 25,000 Shares, exercisable in three equal installments, on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject in each case to Mr. Hladek’s continued employment with the Issuer on the date of vesting.

For a more detailed description of the Option, the Falcone Agreement and the Hladek Agreement, see the Issuer’s Current Report on Form 8-K filed with the Securities Exchange Commission on May 23, 2014.”

Each such person specifically disclaims beneficial ownership in the Shares except to the extent it or he actually exercises voting or dispositive power with respect to such Shares.
