PROXY STATEMENT

The Board of Directors is soliciting proxies to be used at the 2001 annual meeting. This proxy statement and the enclosed proxy will be mailed to stockholders on or about April 20, 2001.

The Company was incorporated in Delaware in April 1998. On July 24, 1998, two publicly traded companies, CorporateFamily Solutions, Inc. and Bright Horizons, Inc., were merged into two wholly owned subsidiaries of the Company. Pursuant to the merger, each share of common stock of CorporateFamily Solutions was exchanged for one share of the Company's common stock, and each share of

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

common stock of Bright Horizons was exchanged for 1.15022 shares of the Company's common stock. The Company also assumed all outstanding options to purchase CorporateFamily Solutions and Bright Horizons common stock. Unless the context otherwise requires, references in this proxy statement to the Company for periods prior to July 24, 1998 refer to one or both of the Company's predecessors, CorporateFamily Solutions and Bright Horizons, as appropriate. All references to "we", "us", and "our" refer to the Company.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At our annual meeting, stockholders will act upon the proposals outlined in the accompanying notice of meeting. In addition, our management will report on our performance during fiscal 2000 and respond to questions from stockholders.

WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on the record date, April 2, 2001, are entitled to receive notice of the annual meeting, and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 12,603,767 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return the card to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

5

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You can revoke your proxy at any time before it is exercised in any of three ways:

- by submitting written notice of revocation to the Secretary;
- by submitting another proxy that is later dated and properly signed;
or
- by voting in person at the meeting.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote:

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

- for election of each of the nominated directors (see page 6); and
- for approval of the amendment to our 1998 Stock Incentive Plan (see page 18).

With respect to any other proposal that properly comes before the meeting, the proxies will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

ELECTION OF DIRECTORS. The affirmative vote of a plurality of the votes cast by the stockholders entitled to vote at the meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Therefore, so long as a quorum is present, withholding authority will have no effect on whether one or more directors is elected.

APPROVAL OF THE AMENDMENT TO OUR 1998 STOCK INCENTIVE PLAN; OTHER PROPOSALS. The amendment to our 1998 Stock Incentive Plan and any other proposal, other than the election of directors, that properly comes before the meeting will be approved if a majority of the shares represented and voting on the proposal vote in favor of the proposal. A properly executed proxy marked "ABSTAIN" with respect to any such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

If your shares are held by your broker, often referred to as in "street name," you should receive a form from your broker seeking instruction as to how your shares should be voted. If you do not issue instructions to your broker, your broker may vote your shares at its discretion on your behalf. However, if you hold your shares in "street name" through a broker or other nominee, your broker or nominee may or may not be permitted to exercise voting discretion with respect to the approval of the amendment to the 1998 Stock Incentive Plan or other proposals to be voted on. A broker holding shares registered in a street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters. A broker non-vote occurs when the broker returns a proxy card without a vote (the "non-vote") on the non-routine matter. Shares represented by the broker non-votes will not be counted as votes for or against any proposal, but they will be counted in determining whether there is a quorum for purposes of each proposal.

On the date of each annual meeting of stockholders, each non-employee director will be granted an option to purchase 1,000 shares of our common stock, so long as he or she has missed no more than one of the regular meetings of the Board of Directors in the previous year. The exercise price of the options will be the closing market price of our common stock on the date of grant. The options shall vest in one-third increments with one-third vesting equally on the first, second and third anniversary dates of the initial grant, so long as the non-employee director continues to serve as one of our directors.

HOW OFTEN DID THE BOARD MEET DURING 2000?

During 2000, the Board of Directors met four times. Each director attended more than 75% of the total number of meetings of the Board and committees on which he or she served, except JoAnne Brandes, who attended three of the four director meetings and one of the two Audit Committee meetings.

WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

The Board of Directors has standing Audit, Compensation and Nominating Committees.

AUDIT COMMITTEE. The Audit Committee is responsible for making recommendations to the Board of Directors concerning our financial statements and the appointment of independent accountants, reviewing significant audit and accounting policies and practices, meeting with our independent accountants concerning, among other things, the scope of audits and reports, and reviewing the performance of the overall accounting and financial controls of the Company. The members of the Audit Committee are Ian M. Rolland (chair), JoAnne Brandes and E. Townes Duncan. The Audit Committee met two times in 2000.

COMPENSATION COMMITTEE. The Compensation Committee is charged with reviewing and approving salaries, bonuses, and other compensation and benefits of executive officers, advising management regarding benefits and other terms and conditions of compensation, and administering our employee stock incentive plan. The members of the Compensation Committee are E. Townes Duncan (chair), Fred K. Foulkes and Joshua Bekenstein. The Compensation Committee met two times in 2000.

NOMINATING COMMITTEE. The Nominating Committee is responsible for developing general criteria concerning the qualifications and selection of Board members and recommending candidates for such positions to the Board of Directors. The Nominating Committee considers director nominees from stockholders for election at each annual meeting of stockholders if a written nomination is received by our Secretary not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting (nomination procedures are discussed in greater detail in our bylaws which will be provided upon written request). The members of the Nominating Committee are Dr. Sara Lawrence-Lightfoot (chair), William H. Donaldson and Fred K. Foulkes. The Nominating Committee met one time in 2000.

REPORT OF THE AUDIT COMMITTEE

The audit committee of the board of directors is composed of three directors who are independent directors as defined under the applicable rules of the National Association of Securities Dealers. The audit committee operates under a written charter, a copy of which is included as Appendix A to this proxy statement. The audit committee oversees the Company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

In this context, the audit committee has reviewed and discussed with management and the independent auditors the audited financial statements and the Company's interim financial results included in the Company's quarterly reports filed with the Securities and Exchange Commission on Form 10-Q in advance of the filings of the Form 10-Q. The audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the audit committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with them their independence from the Company and its management. The audit committee has considered whether the independent auditors provision of information technology and other non-audit services to the Company is compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2000, for filing with the Securities and Exchange Commission.

Ian M. Rolland, Chairman
JoAnne Brandes
E. Townes Duncan

The foregoing report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference the Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

TERMINATION AND RESIGNATION

- The employment agreement may be terminated by us or the employee may resign at any time.
- If we terminate the employee's employment for "cause" (as defined in the employment agreement) or the employee resigns for any reason other than for "good reason" (as defined in the employment agreement), the employee will receive all accrued salary and benefits due as of the date of termination or resignation.

- Among other things, the employment agreement prohibits the employee from competing against us, divulging any of our trade secrets or other confidential information, hiring away any of our employees and taking any property (memoranda, notes, lists, records, etc.) relating to our business made or compiled by, or made available to, the employee during the term of his employment.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

- These restrictive covenants will apply for 24 months following the employee's termination or resignation from the Company.

In addition to the above agreement, we have an agreement with Marguerite W. Sallee pursuant to which we have agreed, for the period beginning on January 1, 2000 and ending December 31, 2005, to nominate Ms. Sallee to serve on our Board of Directors as Co-Chairman of the Board, and Ms. Sallee has agreed to serve as a consultant to us to the extent and on the terms and conditions that may be mutually agreed upon by us and Ms. Sallee. During the twenty-four month period after Ms. Sallee ceases to serve on our Board of Directors, her agreement prohibits her from competing against us, divulging any of our trade secrets or other confidential information, hiring away any of our employees and taking any property (memoranda, notes, lists, records, etc.) relating to our business made or compiled by, or made available to, Ms. Sallee during the term of her previous employment with us and/or the term of her service to the Board.

SEVERANCE AGREEMENTS

We have severance agreements with Stephen I. Dreier, David H. Lissy, Elizabeth J. Boland, and Mary Ann Tocio which provide the following benefits to them if their employment is terminated within twenty-four (24) months following a "change of control" (as defined below) for any reason other than for "cause" (as defined in the severance agreements), death or disability or if they terminate their own employment for "good reason" (as defined in the severance agreements):

- Accrued and unpaid base salary as of the date of termination plus a prorated portion of any bonus payable for the fiscal year in which the termination occurs;

13

17

- For a period of twenty-four months or until the employee secures other employment (whichever is less), monthly severance pay equal to 1/24 (1/26 in the case of Ms. Tocio) of the employee's total salary and cash bonus for the employee's last two years of employment with the Company;
- For a period of twenty-four months or until the employee becomes eligible for participation in a group health plan of another employer (whichever is less), payment by the Company of the employee's and the employee's dependents' premiums for continuation of health insurance coverage or participation in a substantially similar health plan; and
- Automatic vesting of the employee's stock options immediately prior to the change in control, notwithstanding any provision of our stock option plan or any option agreements.

A "change in control" will be deemed to have occurred if:

- Any person becomes the beneficial owner of 50% of the voting power of our outstanding securities;
- The Company is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, pursuant to which the Board members in office prior to the transaction constitute less than a majority of the Board thereafter; or
- Certain changes to the composition of the board occur, as

more particularly described in the severance agreements.

In addition, the severance agreements prohibit each employee from competing against us during the period in which the employee is receiving severance benefits and divulging any of our trade secrets or other confidential information.

Ms. Tocio's severance agreement also provides that she will receive the same benefits set forth above if she is terminated without cause or if she terminates her employment for good reason, without a change in control of the Company.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Decisions concerning the compensation of our executive officers are made by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a non-employee director. The Compensation Committee has the responsibility for reviewing and approving salaries, bonuses, and other compensation and benefits of executive officers, advising management regarding benefits and other terms and conditions of compensation, and administering our stock incentive plans.

WHAT IS THE COMPANY'S PHILOSOPHY AND WHAT ARE ITS POLICIES FOR EXECUTIVE OFFICER COMPENSATION?

The Compensation Committee believes that the primary objectives of the Company's executive compensation policy should be:

- to attract and retain talented executives by providing a compensation program that is competitive with the compensation provided to executives at companies of comparable size and position in service businesses, while maintaining compensation within levels that are consistent with the Company's business plan, financial objectives and operating performance;
- to provide appropriate incentives for executives to work towards the achievement of the annual performance goals established by the Company; and
- to more closely align the interests of its executives with those of stockholders by providing long-term incentive compensation in the form of stock option awards and other equity-based, long-term incentive compensation.

The Compensation Committee believes that the Company's executive compensation policies should be reviewed during the first half of the fiscal year after the financial results of the prior fiscal year become available. The policies should be reviewed in light of their consistency with the Company's financial performance, its operating plan

and its position within the child care and education industry, as well as the compensation policies of similar companies in the child care and education business and other service businesses. The compensation of individual executive officers is then reviewed annually by the Compensation Committee in light of its executive compensation policies for that year.

In setting and reviewing compensation for the executive officers, the Compensation Committee considers a number of different factors designed to

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

assure that compensation levels are properly aligned with the Company's business strategy, corporate culture and operating performance. Among the factors considered are the following:

- Comparability--The Compensation Committee considers the compensation packages of similarly situated executives at companies deemed to be most comparable to the Company. The objective is to maintain competitiveness in the marketplace in order to attract and retain the highest quality executives. This is a principal factor in setting base levels of compensation.
- Pay for Performance--The Compensation Committee believes that compensation should be in part directly linked to operating performance. To achieve this link with regard to short-term performance, the Compensation Committee has relied on cash bonuses which have been determined on the basis of certain objective and subjective factors after receiving the recommendations of senior management.
- Equity Ownership--The Compensation Committee believes that an integral part of the executive compensation program at the Company is equity-based compensation plans which encourage and create ownership of the Company's stock by its executives, thereby more closely aligning executives' long-term interests with those of the stockholders. These long-term incentive programs are principally reflected in the Company's stock-based incentive plans. The Compensation Committee believes that significant stock ownership is a major incentive in building stockholder value and reviews awards of equity-based incentives with that goal in mind.
- Qualitative Factors--The Compensation Committee believes that in addition to corporate performance and specific division performance, it is appropriate to consider in setting and reviewing executive compensation the personal contributions that a particular individual may make to the success of the corporate enterprise. Such qualitative factors as leadership skills, planning initiatives, development skills, public affairs and civic involvement have been deemed to be important qualitative factors to take into account in considering levels of compensation.

HOW WAS BASE COMPENSATION DETERMINED IN 2000?

Certain of the Company's executive officers, including the Chief Executive Officer, are parties to employment agreements. In several instances, base compensation for executive officers subject to employment agreements varied from the terms of such agreements. The base compensation for 2000 for Mr. Brown, the Chief Executive Officer, was increased to a level higher than that required pursuant to his employment agreement based upon the factors described below which affected the determination of base compensation of the Company's executive officers who do not have employment agreements with the Company. Ms. Tocio's employment agreement expired in July 2000. Ms. Tocio's base compensation was increased to a level higher than that required pursuant to her employment agreement based upon the factors described below which affected the determination of base compensation of the Company's executive officers who do not have employment agreements with the Company.

For the remaining executive officers who do not have employment agreements with us, the Compensation Committee subjectively determined base compensation on the basis of discussions with the Chief Executive Officer, a

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

review of the base compensation of executive officers of comparable companies, its experience with the Company and in business generally, and what it viewed to be the appropriate levels of base compensation after taking into consideration the contributions of each executive officer.

HOW WAS INCENTIVE COMPENSATION DETERMINED IN 2000?

Annual Incentive Compensation. For 2000, the Compensation Committee reviewed the Company's executive officer performance in terms of achieving pre-tax profitability targets, the successful integration of the Company

15

19

following the merger and each executive officer's contribution to the achievement of these objectives. Based on its review of the performance goals and on subjective factors taken into consideration, the Compensation Committee approved incentive payments aggregating \$376,800 for 2000, including \$125,000 for the Chief Executive Officer. No factors in addition to the ones discussed above were considered in setting the incentive compensation of the Chief Executive Officer.

Long-Term Incentive Compensation. The Compensation Committee believes the Company as a part of its regular executive compensation policies should grant awards of long-term, equity-based incentives to executive officers as part of the compensation package that is reviewed annually for each executive officer. In making these awards, the Compensation Committee establishes guidelines at the time of the annual review and takes into account the recommendations of the Chief Executive Officer and the President prior to approving awards of long-term, equity-based incentive compensation to the other executive officers.

During 2000, the Compensation Committee reviewed the amount of stock option holdings by the Company's executive officers and the terms of these options. Based on the Compensation Committee's desire to encourage and create ownership of the Company's common stock by its executive officers and to use equity-based incentives as a retention tool, the Compensation Committee determined to grant stock options to purchase an aggregate of 104,000 shares of common stock with an exercise price based on the fair market value of the common stock on the date of the grant to the executive officers, including option grants to purchase an aggregate of 24,000 shares of common stock to the Chief Executive Officer. These options generally vest annually over five years in one-fifth increments. See "Option Grants for 2000."

HOW IS THE COMPANY ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code of 1986, enacted as part of the Omnibus Budget Reconciliation Act in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and four other most highly compensated executive officers. Compensation paid to these officers in excess of \$1,000,000 that is not performance-based cannot be claimed by the Company as a tax deduction. The Compensation Committee believes it is appropriate to take into account the \$1,000,000 limit on the deductibility of executive compensation and to seek to qualify executive compensation awards as performance-based compensation excluded from the \$1,000,000 limit. Stock options and other equity-based incentives granted under the Company's stock incentive plans qualify as performance-based compensation. None of the executive officers received compensation in 2000 that would exceed the \$1,000,000 limit on deductibility. The Committee has not determined whether it will approve any

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

compensation arrangements that will cause the \$1,000,000 limit to be exceeded in the future.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

We have an agreement with S.C. Johnson & Son, Inc. to operate and manage a family center for its employees. During 2000, we received management fees and operating subsidies of \$295,000 from S.C. Johnson & Son, Inc. JoAnne Brandes, a member of our Board of Directors, is Senior Vice President, General Counsel and Secretary for S.C. Johnson Commercial Markets, Inc., an affiliate of S.C. Johnson & Son, Inc.

PROPOSAL 2--APPROVAL OF AMENDMENT TO OUR 1998 STOCK INCENTIVE PLAN

Our 1998 Stock Incentive Plan was originally adopted by our Board of Directors on June 16, 1998 and approved by our two stockholders at the time, CorporateFamily Solutions and Bright Horizons, on July 8, 1998, prior to the merger. On September 18, 1998, the plan was amended by our Board of Directors. At our 1999 Annual Meeting of Stockholders, held on May 20, 1999, our stockholders approved the plan, as amended by the First Amendment to the plan. On April 16, 2001, the Board adopted the Second Amendment to the Plan.

The Board of Directors has approved and recommends that the stockholders approve a third amendment to our 1998 Stock Incentive Plan, as amended, to increase the number of shares of common stock reserved for issuance pursuant to the exercise of options granted under the plan and shares of restricted stock issuable under the plan from a maximum of 1,500,000 shares to 2,250,000 shares. A copy of the proposed amendment is attached as Appendix B to this proxy statement. In addition, the major features of the plan, as amended, are summarized below.

THE PROPOSED AMENDMENT

As of the record date, options to purchase 953,265 shares of our common stock were outstanding under the plan, options to purchase 94,699 shares had been exercised, no restricted shares had been issued and 452,036 shares remained available for the grant of options or other awards under the plan. The proposed amendment would increase to 2,250,000 the number of shares of our common stock reserved for issuance pursuant to awards granted or to be granted under the plan. If the proposed amendment is approved, Paragraph (a) of Section 3 of the plan would be deleted and replaced with the following:

"(a) As of the Effective Date, the aggregate number of shares of Common Stock that may be issued under the Plan shall be 2,250,000 shares. Of the total number of shares that may be issued under the Plan, an aggregate of 100,000 shares shall be reserved for issuance under Section 8 hereof, subject to increases at the discretion of the Board. The shares of Common Stock issuable under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. No officer of the Company or other person whose compensation may be subject to the limitations on deductibility under Section 162(m) of the Code shall be eligible to receive awards pursuant to this Plan relating to in excess of 200,000 shares of Common Stock in any fiscal year (the "Section 162(m) Maximum")."

The Board of Directors believes that it is in our best interests and the best interests of our stockholders to approve the amendment to allow us to continue to grant options and other awards under the plan to secure the benefits of the additional incentive inherent in the ownership of our common stock by our key employees, to help secure and retain the services of our key employees and to have a sufficient number of shares of common stock available for awards of restricted stock to our non-employee directors.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE THIRD AMENDMENT TO THE 1998 STOCK INCENTIVE PLAN, AS AMENDED.

SUMMARY OF THE MATERIAL PROVISIONS OF THE PLAN, AS AMENDED

The following is a summary of the material provisions of the 1998 Stock Incentive Plan, in effect and as proposed to be amended, and is qualified in its entirety by reference to Appendix B and the plan, as amended by the First and Second Amendments to the plan, copies of which may be obtained by contacting Stephen I. Dreier, Secretary, Bright Horizons Family Solutions, Inc., 200 Talcott Avenue South, Watertown, Massachusetts 02472 (617-673-8000).

GENERALLY. Under the 1998 Stock Incentive Plan, the Compensation Committee of our Board of Directors has the authority to grant to officers, other key employees, outside directors (directors who are not our officers or employees) and consultants to the Company the following types of awards: (1) stock options; (2) restricted stock; and/or (3) other stock-based awards.

Currently, the aggregate number of shares of common stock that may be issued under the plan is 1,500,000 shares. The amendment proposes to increase the aggregate number of shares that may be issued under the plan to 2,250,000 shares. Of the authorized number of shares that may be issued under the plan, only 100,000 shares may be issued pursuant to the exercise of options granted to outside directors. The maximum number of shares of common stock for which awards may be made under the plan to any officer of the Company or other person whose compensation may be subject to the limitations on deductibility under Section 162(m) of the Internal Revenue Code is 200,000 during any single fiscal year.

Any shares as to which an option or other award expires, lapses unexpired, or is forfeited, terminated, or canceled may become subject to a new option or other award. The plan will terminate on, and no award may be granted later than, July 26, 2008, but the exercise date of awards granted prior to such tenth anniversary may extend beyond such date.

AUTOMATIC GRANTS TO OUTSIDE DIRECTORS. The plan also provides for automatic grants of non-qualified stock options to our outside directors. Options to purchase 5,000 shares of common stock were automatically granted to each person serving as an outside director at the first board meeting after the adoption of the plan. Additionally, each director who is first elected to our Board of Directors will automatically receive an option to purchase 5,000 shares of common stock. On the date of each annual meeting of stockholders, each outside director will receive an option to purchase 1,000 shares of common stock, so long as the director did not miss more than one board meeting in the preceding twelve months.

All options automatically granted to an outside director will enable the optionee to purchase shares of common stock at the fair market value of the common stock on the date of grant. Outside directors will not be able to transfer or assign their options without the prior written consent of our Board of Directors other than (i) transfers by the optionee to a member of his or her immediate family or a trust for the benefit of the optionee or a member of his or her immediate family or (ii) transfers by will or by the laws of descent and distribution. Options automatically granted to outside directors will have a term of ten years from the date of grant. The exercise price may be paid in cash, shares of common stock, or a combination thereof.

STOCK OPTIONS. Incentive stock options and non-qualified stock options may be granted for such number of shares as the Compensation Committee may determine and may be granted alone, in addition to, or in tandem with other awards under the plan or cash awards outside the plan. A stock option will be exercisable at such times and subject to such terms and conditions as the

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

Compensation Committee will determine. The term may not be more than ten years after the date of grant (five years in the case of incentive stock options for certain 10% stockholders). The option price for an incentive stock option will not be less than 100% (110% in the case of certain 10% stockholders) of the fair

19

23

market value of common stock as of the date of grant and for any non-qualified stock option will not be less than 50% of the fair market value as of the date of grant. Incentive stock options granted under the plan may not be transferred or assigned other than by will or by the laws of descent and distribution. Non-qualified stock options may not be transferred or assigned without the prior written consent of the Compensation Committee other than (i) transfers by the optionee to a member of his or her immediate family or a trust for the benefit of the optionee or a member of his or her immediate family or (ii) transfers by will or by the laws of descent and distribution.

RESTRICTED STOCK. Restricted stock awards may be granted alone, in addition to, or in tandem with other awards under the plan or cash awards made outside the plan. The provisions attendant to a grant of restricted stock may vary from participant to participant. In making an award of restricted stock, the Compensation Committee will determine the periods during which the restricted stock is subject to forfeiture and may provide such other awards designed to guarantee a minimum value for such stock. The Compensation Committee may also impose such other conditions and restrictions on the shares of restricted stock as it deems appropriate, including the attainment of specified performance goals or such other factors as the Compensation Committee may determine. The Compensation Committee may provide that such restrictions will lapse with respect to specified percentages of the awarded shares of restricted stock on successive future dates. During the restriction period, the employee or consultant may not sell, transfer, pledge, or assign the restricted stock, but will be entitled to vote the restricted stock and to receive, at the election of the Compensation Committee, cash or deferred dividends.

OTHER STOCK-BASED AWARDS. The Compensation Committee also may grant other types of awards, such as performance shares, convertible preferred stock, convertible debentures, exchangeable securities and common stock awards or options valued by reference to earnings by share or performance of our subsidiaries. These awards may be granted alone, in addition to, or in tandem with, stock options, restricted stock, or cash awards outside of the plan. Awards will be made upon such terms and conditions as the Compensation Committee may determine.

EFFECTS OF A CHANGE IN CONTROL. If there is a change of control or a potential change of control of the Company, any stock options granted on or prior to April 16, 2001, that are not then exercisable, will become fully exercisable and vested and the restrictions and deferral limitations applicable to restricted stock and other stock-based awards may lapse and such shares and awards will be deemed fully vested. For purposes of the plan, a change of control is defined generally to include:

- any person or entity, other than the Company or a wholly-owned subsidiary of the Company, becoming the beneficial owner of the Company's securities having 35% or more of the combined voting power of the then outstanding securities that may be cast for the election of directors;
- in connection with a cash tender, exchange offer, merger, or other business combination, sale of assets, or contested election, less than 40% of the combined voting power of our

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

then outstanding securities entitled to vote generally in the election of directors being held in the aggregate by the holders of our securities entitled to vote generally in our election of directors immediately prior to such transaction; and

- during any period of two consecutive years, individuals who at the beginning of any such period constitute the Board of Directors ceasing to constitute at least a majority thereof, unless the election of each director first elected during such period was approved by a vote of at least two-thirds of our directors then still in office who were our directors at the beginning of any such period.

Stock options, restricted stock, and other stock-based awards that were granted on or prior to April 16, 2001, will, unless otherwise determined by the Compensation Committee in its sole discretion, be cashed out on the basis of the change in control price (as defined in the plan and as described below). The change of control price will be the highest price per share paid in any transaction reported on The Nasdaq National Market or paid or offered to be paid in any bona fide transaction relating to a change in control or potential change in control at any time during the immediately preceding 60-day period, as determined by the Compensation Committee.

AMENDMENTS AND TERMINATION. Our Board of Directors may amend, alter, or discontinue the plan, provided that no amendment may be made that would impair the rights of an optionee or participant under an award made under the plan without the participant's consent.

OPTIONS GRANTED UNDER THE PLAN

Because awards under the plan are at the discretion of the Compensation Committee, the benefits that will be awarded under the plan to persons other than outside directors are not currently determinable. The following table shows as to each of the named executive officers, as to all of our executive officers as a group, as to all outside directors as a group, and as to all other employees as a group, the aggregate number of shares of common stock subject to options granted under the plan that were granted in fiscal 2000, excluding options that have been canceled or forfeited unexercised, and the weighted average per share exercise price. As of April 2, 2001, the market value of a share of common stock based on the closing price for such stock on The Nasdaq National Market was \$23.00.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a brief summary of certain U.S. Federal income tax aspects of options awarded under the plan based upon the federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and the exact tax consequences to any grantee will depend upon his or her particular circumstances and other facts. The plan participants must consult their tax advisors with respect to any state, local, and foreign tax considerations or particular federal tax implications of options granted under the plan.

INCENTIVE STOCK OPTIONS. Neither the grant nor the exercise of an incentive stock option will result in taxable income to the employee. The tax treatment of the subsequent sale of shares of common stock acquired upon exercise of an incentive stock option depends on whether the holding period requirement is satisfied. The holding period is met if the disposition of stock by the employee occurs (i) at least two years after the date of grant of the option; (ii) at least one year after the date the shares were transferred to the employee; and (iii) while the employee remains employed by us or not more than three months after his or her termination of employment (or not more than one year in the case of a disabled employee). In the case of a deceased employee, the incentive stock option may be exercised by the deceased employee's legal representative or heir provided the option was an incentive stock option in the hands of the deceased employee and the deceased employee was employed by us at any point during the three months prior to his or her death. However, the plan limits the right of the legal representative of any deceased employee to exercise an option to one year following death. If the holding period requirement is satisfied, the excess of the amount realized upon sale of the shares of common stock acquired upon the exercise of the incentive stock option over the price paid for these shares will be treated as a capital gain. If the employee disposes of the common stock acquired upon the exercise of the incentive stock option before the holding period requirement is met (a "disqualifying disposition"), the excess of the fair market value of the shares on the date of exercise or, if less, the fair market value on the date of disposition, over the exercise price will be taxable as ordinary compensation income to the employee at the time of disposition, and we will be entitled to a corresponding compensation deduction. The balance of the gain, if any, will be a capital gain for the employee. Any capital gain recognized by the employee will be a long-term capital gain if the employee's holding period for the shares of common stock at the time of disposition is more than one year; otherwise it will be short-term.

Although the exercise of an incentive stock option will not result in taxable income to the employee, the excess of the fair market value of the common stock on the date of exercise over the exercise price will be included in the employee's "alternative minimum taxable income" under the Internal Revenue Code. This inclusion might subject the employee to, or increase his or her liability for, the alternative minimum tax under Section 55 of the Internal Revenue Code.

NONQUALIFIED STOCK OPTIONS. There will be no federal income tax consequences to us or to the grantee upon the grant of non-qualified stock options under the plan. However, upon the exercise of a non-qualified stock option under the plan, the grantee will recognize ordinary compensation income for federal income tax purposes in an amount equal to the excess of the fair

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

market value of the shares of common stock purchased over the exercise price. We will generally be entitled to a tax deduction at such time and in the same amount that the employee realizes ordinary income. If the shares of common stock so acquired are later sold or exchanged, the difference between the amount realized from such sale or exchange and the fair market value of such stock on the date of exercise of the option is generally taxable as long-term or short-term capital gain or loss depending upon the length of time the common stock has been held after such date.

EXERCISE WITH SHARES. A grantee who pays the exercise price upon exercise of an incentive stock option or non-qualified stock option, in whole or in part, by delivering shares of common stock already owned by him or her will realize no gain or loss for federal income tax purposes on the shares surrendered, but otherwise will be taxed according to the rules described above. Shares of common stock acquired upon exercise that are equal in number to the shares surrendered will have a tax basis equal to the tax basis of the shares surrendered, and (except as noted below with respect to disqualifying dispositions) the holding period of such shares will include the holding period of shares surrendered. In the case of a non-qualified stock option, the basis of additional shares received upon exercise of the non-qualified stock option will be equal to the fair market value of such shares on the date of exercise, and the holding period for such additional shares will commence on the date the option is exercised. In the case of an incentive stock option, the tax basis of the additional shares received will be zero, and the holding period of such shares will commence on the date of the exchange. If any of the shares received upon exercise of the incentive stock option are disposed of within two years of the date of the grant of the incentive stock option or within one year after exercise, the shares with the lowest basis (i.e., zero basis) will be deemed to be disposed of first, and such disposition will be a disqualifying disposition giving rise to ordinary income as previously discussed above.

RESTRICTED STOCK. A participant receiving restricted stock generally will recognize ordinary income in the amount of the fair market value of the restricted stock at the time the stock is no longer subject to forfeiture, less the consideration paid for the stock. However, a participant may elect, under Section 83(b) of the Internal Revenue Code within 30 days of the grant of the stock, to recognize taxable ordinary income on the date of grant equal to the excess of the fair market value of the shares of restricted stock (determined without regard to the restrictions) over the purchase price of the restricted stock. Thereafter, if the shares are forfeited, the participant will be entitled to a deduction, refund or loss, for tax purposes in an amount equal to only the purchase price of the forfeited shares regardless of whether she or he made a Section 83(b) election. The holding period to determine whether the participant has long-term or short-term capital gain or loss upon disposition of the shares generally begins when the restriction period expires and the tax basis for such shares will generally be based on the fair market value of such shares on such date. If the participant makes an election under Section 83(b), however, the holding period will commence on the date of grant, the tax basis will be equal to the fair market value of the shares on that date (determined without regard to restrictions), and we generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the participant in the year with respect to which the election is effective that such income is taxable.

DIVIDENDS AND DIVIDEND EQUIVALENTS. Dividends paid on restricted stock generally will be treated as compensation that is taxable as ordinary income to the participant and will be deductible by us. If the participant makes a Section 83(b) election, however, the dividends will be taxable as ordinary income to the participant but will not be deductible by us.

OTHER STOCK-BASED AWARDS. The federal income tax treatment of other stock-based awards will depend on the nature of any such award and the restrictions applicable to such award. Such an award may, depending on the

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

conditions applicable to the award, be taxable as an option, an award of restricted stock, or in a manner not described herein.

The plan is not intended to be a "qualified plan" under Section 401(a) of the Internal Revenue Code.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The federal securities laws require our directors and executive officers, and persons who own more than 10% of our capital stock, to file initial reports of ownership and reports of changes in ownership of any of our securities with the Securities and Exchange Commission, The Nasdaq National Market and the Company.

Based solely upon a review of filings with the Securities and Exchange Commission and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2000 with their reporting requirements, with the exception of the following: an amended filing on Form 3 made by David H. Lissy in May 2000 relating to him becoming a Section 16 officer in May 1999; a late filing made by Mary Ann Tocio in January 2001 relating to two transactions in November 2000; a late filing made by JoAnne Brandes in November 2000 relating to transactions in August 2000; an amended filing made by Robert D. Boland to report options granted in March and June 2000 and to report option exercises in August and November (Roger H. Brown and Linda A. Mason only); and late filings on Form 5 made in March 2001 by each of our directors to report options granted in May 2000.

Appendix A

CHARTER OF AUDIT COMMITTEE OF BRIGHT HORIZONS FAMILY SOLUTIONS, INC.

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") to assist the Board in monitoring on a periodic basis the processes used by the Company to produce financial statements, the Company's systems of internal accounting and financial controls, and the independence of the Company's outside auditors.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

In discharging its responsibilities, the Committee is empowered to investigate any matter with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts or consultants for this purpose. The Committee shall make regular reports to the Board.

The Committee shall review and reassess the adequacy of this Charter on an annual basis and submit it annually to the Board for approval.

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition and experience will meet the applicable listing standards of the NASD.

Accordingly, all of the members will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independent judgment in carrying out the responsibilities of a director (unless as to one non-independent member the Board under exceptional and limited circumstances determines that membership is required by the best interests of the Company and its shareholders); and
2. Who are financially literate (as defined in the NASD listing standard) or who become financially literate within a reasonable period of time after appointment to the Committee. In addition, at least one member of the Committee will have sufficient experience or background which results in financial sophistication (as defined in the NASD listing standard).

The Committee's monitoring responsibility recognizes that the Company's management is responsible for preparing the Company's financial statements in accordance with generally accepted accounting principles and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that the Company's financial management, as well as its outside auditors, have more time, knowledge and more detailed information on the Company and its financial reports than do Committee members; consequently, in carrying out its responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements and is not conducting an audit or investigation of the financial statements or determining that the Company's financial statements are true and complete or are in accordance with generally accepted accounting principles.

The following functions shall be the common recurring activities of the Committee in carrying out its monitoring responsibilities. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as it deems appropriate given the circumstances.

- I. The Committee shall review with management and the outside auditors the annual audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of Form 10-K) and review and consider with the outside auditors the matters required to be discussed by Statements of Auditing Standards ("SAS") No. 61 and No. 90.
- II. As a whole, or through the Committee chair, the Committee shall review with the outside auditors the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission on Form 10-Q and the matters required to be discussed by SAS No. 61 and No. 90; this review will occur prior to the Company's filing of the Form 10-Q.

- III. The Committee shall discuss with management and the outside auditors the quality and adequacy of the Company's internal controls that could significantly affect the Company's financial statements.
- IV. The Committee shall:
- request from the outside auditors annually a formal written statement delineating all relationships between the outside auditors and the Company that may impact the objectivity and independence of the outside auditors, consistent with Independence Standards Board Standard Number 1;
 - discuss with the outside auditors in an active dialogue any such disclosed relationships and their impact on the outside auditors' independence;
 - consider whether the provision of any non-audit services discussed by the outside auditors is compatible with maintaining the auditors' independence; and
 - if determined appropriate by the Committee, recommend that the Board take appropriate action in response to the outside auditor's report to ensure the outside auditor's independence.
- V. The Committee, subject to any action that may be taken by the Board, shall have the ultimate authority and responsibility to select (or nominate for shareholder approval), evaluate and, where appropriate, replace the outside auditors, and the outside auditors are ultimately accountable to the Board and the Committee.
- VI. The committee shall review annually and submit for inclusion in the Company's annual meeting proxy statement an Audit Committee Report setting forth the information required by the proxy rules of the Securities and Exchange Commission, including the fact that the Committee has discussed with the outside auditors matters relating to their independence and matters relating to SAS No. 61 and No. 90 and the fact that the Committee has recommended to the Board that the audited financial statements be included in the Company's Form 10-K.

(c) to determine the number of shares to be covered by each such award granted hereunder;

(d) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any award granted hereunder (including, but not limited to, the share price and any restriction or limitation, or any vesting acceleration or waiver of forfeiture restrictions regarding any Stock Option or other award and/or the shares of Common Stock relating thereto, based in each case on such factors as the Committee shall determine, in its sole discretion); and to amend or waive any such terms and conditions to the extent permitted by Section 10 hereof;

(e) to determine whether and under what circumstances a Stock Option may be settled in cash or Restricted Stock under Section 5(k) or (l), as applicable, instead of Common Stock;

(f) to determine whether, to what extent, and under what circumstances Option grants and/or other awards under the Plan are to be made, and operate, on a tandem basis vis-a-vis other awards under the Plan and/or cash awards made outside of the Plan, or on an additive basis;

(g) to determine whether, to what extent, and under what circumstances shares of Common Stock and other amounts payable with respect to an award under this Plan shall be deferred either automatically or at the election of the participant (including providing for and determining the amount (if any) of any deemed earnings on any deferred amount during any deferral period);

(h) to determine whether to require payment of tax withholding requirements in shares of Common Stock subject to the award; and

(i) to impose any holding period required to satisfy Section 16 under the Exchange Act.

The Committee shall have the authority to adopt, alter, and repeal such rules, guidelines, and practices governing the Plan as it shall, from time to time, deem advisable; to interpret the terms and provisions of the Plan and any award issued under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

All decisions made by the Committee pursuant to the provisions of the Plan shall be made in the Committee's sole discretion and shall be final and binding on all persons, including the Company and Plan participants.

SECTION 3. SHARES OF COMMON STOCK SUBJECT TO PLAN.

(a) As of the Effective Date, the aggregate number of shares of Common Stock that may be issued under the Plan shall be 2,250,000 shares. Of the total number of shares that may be issued under the Plan, an aggregate of 100,000 shares shall be reserved for issuance under Section 8 hereof, subject to increases at the discretion of the Board. The shares of Common Stock issuable under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. No officer of the Company or other person whose compensation may be subject to the limitations on

34

deductibility under Section 162(m) of the Code shall be eligible to receive awards pursuant to this Plan relating to in excess of 200,000 shares of Common Stock in any fiscal year (the "Section 162(m) Maximum").

(b) If any shares of Common Stock that have been optioned cease to be subject to a Stock Option, or if any shares of Common Stock that are subject to any Restricted Stock or Other Stock-Based Award granted hereunder are forfeited prior to the payment of any dividends, if applicable, with respect to such shares of Common Stock, or any such award otherwise terminates without a payment being made to the participant in the form of Common Stock, such shares shall again be available for distribution in connection with future awards under the Plan.

(c) In the event of any merger, reorganization, consolidation, recapitalization, extraordinary cash dividend, stock dividend, stock split or other change in corporate structure affecting the Common Stock, an appropriate substitution or adjustment shall be made in the maximum number of shares that may be awarded under the Plan, in the number and option price of shares subject to outstanding Options granted under the Plan, in the number of shares underlying Outside Director Options to be granted under Section 8 hereof, the Section 162(m) Maximum and in the number of shares subject to other outstanding awards granted under the Plan as may be determined to be appropriate by the Committee, in its sole discretion, provided that the number of shares subject to any award shall always be a whole number.

SECTION 4. ELIGIBILITY.

Officers, other key employees and Outside Directors of and consultants to the Company and its Subsidiaries and Affiliates who are responsible for or contribute to the management, growth and/or profitability of the business of the Company and/or its Subsidiaries and Affiliates are eligible to be granted awards under the Plan. Outside Directors are eligible to receive awards pursuant to Section 8 and as otherwise determined by the Board.

SECTION 5. STOCK OPTIONS.

Stock Options may be granted alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. Any Stock Option granted under the Plan shall be in such form as the Committee may from time to time approve.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Non-Qualified Stock Options. Incentive Stock Options may be granted only to individuals who are employees of the Company or any Subsidiary of the Company.

Subject to the foregoing, the Committee shall have the authority to grant to any optionee Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options.

Options granted to officers, key employees, Outside Directors and consultants under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable.

(a) Option Price. The option price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant but shall be not less than 100% (or, in the case of any employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any of its Subsidiaries, not less than 110%) of the Fair Market Value of the Common Stock at grant, in the case of Incentive Stock Options, and not less than 50% of the Fair Market Value of the Common Stock at grant, in the case of Non-Qualified Stock Options.

(b) Option Term. The term of each Stock Option shall be fixed by the Committee, but no Stock Option shall be exercisable more than ten years (or, in the case of an employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries or parent companies, more than five years) after the date the Option is granted.

(c) Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at or after grant; provided, however, that except

35

as provided in Section 5(f) and (g), Section 8 and Section 9, unless otherwise determined by the Committee at or after grant, no Stock Option shall be exercisable prior to the first anniversary date of the granting of the Option. The Committee may provide that a Stock Option shall vest over a period of future service at a rate specified at the time of grant, or that the Stock Option is exercisable only in installments. If the Committee provides, in its sole discretion, that any Stock Option is exercisable only in installments, the Committee may waive such installment exercise provisions at any time at or after grant, in whole or in part, based on such factors as the Committee shall determine in its sole discretion.

(d) Method of Exercise. Subject to whatever installment exercise restrictions apply under Section 5(c), Stock Options may be exercised in whole or in part at any time during the option period, by giving written notice of exercise to the Company specifying the number of shares to be purchased. Such notice shall be accompanied by payment in full of the purchase price, either by check, note, or such other instrument as the Committee may accept. As determined by the Committee, in its sole discretion, at or (except in the case of an Incentive Stock Option) after grant, payment in full or in part may also be made in the

form of shares of Common Stock already owned by the optionee and held by the optionee for at least six months or, in the case of a Non-Qualified Stock Option, shares of Restricted Stock or shares subject to such Option or another award hereunder (in each case valued at the Fair Market Value of the Common Stock on the date the Option is exercised). If payment of the exercise price is made in part or in full with Common Stock, the Committee may award to the employee a new Stock Option to replace the Common Stock which was surrendered. If payment of the option exercise price of a Non-Qualified Stock Option is made in whole or in part in the form of Restricted Stock, such Restricted Stock (and any replacement shares relating thereto) shall remain (or be) restricted in accordance with the original terms of the Restricted Stock award in question, and any additional Common Stock received upon the exercise shall be subject to the same forfeiture restrictions, unless otherwise determined by the Committee, in its sole discretion, at or after grant. No shares of Common Stock shall be issued until full payment therefor has been made. An optionee shall generally have the rights to dividends or other rights of a shareholder with respect to shares subject to the Option when the optionee has given written notice of exercise, has paid in full for such shares, and, if requested, has given the representation described in Section 12(a).

(e) Transferability of Options. Except as provided by the Committee, no Non-Qualified Stock Option shall be transferable by the optionee other than (i) transfers by the Optionee to a member of his or her Immediate Family or a trust for the benefit of the optionee or a member of his or her Immediate Family, or (ii) transfers by will or by the laws of descent and distribution. No Incentive Stock Option shall be transferable by the optionee otherwise than by will or by the laws of descent and distribution and all Incentive Stock Options shall be exercisable, during the optionee's lifetime, only by the optionee.

(f) Termination by Death. Subject to Section 5(j), if an optionee's employment by the Company and any Subsidiary or (except in the case of an Incentive Stock Option) Affiliate terminates by reason of death, any Stock Option held by such optionee may thereafter be exercised, to the extent such option was exercisable at the time of death or (except in the case of an Incentive Stock Option) on such accelerated basis as the Committee may determine at or after grant (or except in the case of an Incentive Stock Option, as may be determined in accordance with procedures established by the Committee) by the legal representative of the estate or by the legatee of the optionee under the will of the optionee, for a period of one year (or such other period as the Committee may specify at or after grant) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(g) Termination by Reason of Disability. Subject to Section 5(j), if an optionee's employment by the Company and any Subsidiary or (except in the case of an Incentive Stock Option) Affiliate terminates by reason of Disability, any Stock Option held by such optionee may thereafter be exercised by the optionee, to the extent it was exercisable at the time of termination or (except in the case of an Incentive Stock Option) on such accelerated basis as the Committee may determine at or after grant (or, except in the case of an Incentive Stock Option, as may be determined in accordance with procedures established by the Committee), for a period of (i) two years (or such other period as the Committee may specify at or after grant) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter, in the case of a Non-Qualified Stock Option and (ii) one year from the date of termination of employment or until the expiration of the stated

term of such Stock Option, whichever period is shorter, in the case of an Incentive Stock Option; provided however, that, if the optionee dies within the period specified in (i) above (or other such period as the committee shall specify at or after grant), any unexercised Non-Qualified Stock Option held by

36

such optionee shall thereafter be exercisable to the extent to which it was exercisable at the time of death for a period of twelve months from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is shorter. In the event of termination of employment by reason of Disability, if an Incentive Stock Option is exercised after the expiration of the exercise period applicable to Incentive Stock Options, but before the expiration of any period that would apply if such Stock Option were a Non-Qualified Stock Option, such Stock Option will thereafter be treated as a Non-Qualified Stock Option.

(h) Termination by Reason of Retirement. Subject to Section 5(j), if an optionee's employment by the Company and any Subsidiary or (except in the case of an Incentive Stock Option) Affiliate terminates by reason of Normal or Early Retirement, any Stock Option held by such optionee may thereafter be exercised by the optionee, to the extent it was exercisable at the time of such Retirement or (except in the case of an Incentive Stock Option) on such accelerated basis as the Committee may determine at or after grant (or, except in the case of an Incentive Stock Option, as may be determined in accordance with procedures established by the Committee), for a period of (i) one year (or such other period as the Committee may specify at or after grant) from the date of such termination of employment or the expiration of the stated term of such Stock Option, whichever period is the shorter, in the case of a Non-Qualified Stock Option and (ii) three months from the date of such termination of employment or the expiration of the stated term of such Stock Option, whichever period is the shorter, in the event of an Incentive Stock Option; provided however, that, if the optionee dies within the period specified in (i) above (or other such period as the Committee shall specify at or after grant), any unexercised Non-Qualified Stock Option held by such optionee shall thereafter be exercisable to the extent to which it was exercisable at the time of death for a period of twelve months from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is shorter. In the event of termination of employment by reason of Retirement, if an Incentive Stock Option is exercised after the expiration of the exercise period applicable to Incentive Stock Options, but before the expiration of the period that would apply if such Stock Option were a Non-Qualified Stock Option, the option will thereafter be treated as a Non-Qualified Stock Option.

(i) Other Termination. Subject to Section 5(j), unless otherwise determined by the Committee (or pursuant to procedures established by the Committee) at or (except in the case of an Incentive Stock Option) after grant, (a) if an optionee's employment by the Company and any Subsidiary or (except in the case of an Incentive Stock Option) Affiliate is involuntarily terminated for any reason other than death, Disability or Normal or Early Retirement, or (b) if an optionee voluntarily terminates employment (except for Disability, Normal or Early Retirement) with the Company and any Subsidiary or (except in the case of an Incentive Stock Option) Affiliate, the Stock Option shall

thereupon terminate, except that such Stock Option may be exercised, to the extent otherwise then exercisable, for the lesser of three months or the balance of such Stock Option's term, but with respect to an involuntary termination, only if the involuntary termination is without Cause. For purposes of this Plan, "Cause" means (i) a felony conviction of a participant or the failure of a participant to contest prosecution for a felony, or (ii) a participant's willful misconduct or dishonesty, which is directly and materially harmful to the business or reputation of the Company or any Subsidiary or Affiliate.

(j) Incentive Stock Options. Anything in the Plan to the contrary notwithstanding, no term of this Plan relating to Incentive Stock Options shall be interpreted, amended, or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of the optionee(s) affected, to disqualify any Incentive Stock Option under such Section 422. No Incentive Stock Option shall be granted to any participant under the Plan if such grant would cause the aggregate Fair Market Value (as of the date the Incentive Stock Option is granted) of the Common Stock with respect to which all Incentive Stock Options are exercisable for the first time by such participant during any calendar year (under all such plans of the Company and any Subsidiary) to exceed \$100,000. To the extent permitted under Section 422 of the Code or the applicable regulations thereunder or any applicable Internal Revenue Service pronouncement:

(i) if (x) a participant's employment is terminated by reason of death, Disability, or Retirement and (y) the portion of any Incentive Stock Option that is otherwise exercisable during the post-termination period specified under Section 5(f), (g) or (h), applied without regard to the \$100,000 limitation contained in Section 422(d) of the Code, is greater than the portion of such Option that is immediately exercisable as an "Incentive Stock Option"

37

during such post-termination period under Section 422, such excess shall be treated as a Non-Qualified Stock Option; and

(ii) if the exercise of an Incentive Stock Option is accelerated by reason of a Change in Control, any portion of such Option that is not exercisable as an Incentive Stock Option by reason of the \$100,000 limitation contained in Section 422(d) of the Code shall be treated as a Non-Qualified Stock Option.

(k) Buyout Provisions. The Committee may at any time offer to buy out for a payment in cash, Common Stock, or Restricted Stock an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the optionee at the time that such offer is made.

(l) Settlement Provisions. If the option agreement so provides at grant or (except in the case of an Incentive Stock Option) is

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

amended after grant and prior to exercise to so provide (with the optionee's consent), the Committee may require that all or part of the shares to be issued with respect to the spread value of an exercised Option take the form of Restricted Stock, which shall be valued on the date of exercise on the basis of the Fair Market Value (as determined by the Committee) of such Restricted Stock determined without regards to the forfeiture restrictions involved.

(m) Termination of Consultant. The Committee shall have discretion in determining when a termination under Sections 5(f), (g), (h) or (i) above shall occur with respect to a consultant's relationship with the Company.

SECTION 6. RESTRICTED STOCK.

(a) Administration. Shares of Restricted Stock may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be made, the number of shares of Restricted Stock to be awarded to any person, the price (if any) to be paid by the recipient of Restricted Stock (subject to Section 6(b)), the time or times within which such awards may be subject to forfeiture, and the other terms, restrictions and conditions of the awards in addition to those set forth in Section 6(c). The Committee may condition the grant of Restricted Stock upon the attainment of specified performance goals or such other factors as the Committee may determine, in its sole discretion. The provisions of Restricted Stock awards need not be the same with respect to each recipient.

(b) Awards and Certificates. The prospective recipient of a Restricted Stock award shall not have any rights with respect to such award, unless and until such recipient has executed an agreement evidencing the award and has delivered a fully executed copy thereof to the Company, and has otherwise complied with the applicable terms and conditions of such award.

(i) The purchase price for shares of Restricted Stock shall be established by the Committee and may be zero.

(ii) Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the award date, by executing a Restricted Stock Award Agreement and paying whatever price (if any) is required under Section 6(b)(i).

(iii) Each participant receiving a Restricted Stock award shall be issued a stock certificate in respect of such shares of Restricted Stock. Such certificate shall be registered in the name of such participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such award.

(iv) The Committee shall require that the stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Restricted Stock award, the participant shall have delivered a stock power, endorsed in blank, relating to the shares of Common Stock covered by such award.

(c) Restrictions and Conditions. The shares of Restricted Stock awarded pursuant to this Section 6 shall be subject to the following restrictions and conditions:

(i) In accordance with the provisions of this Plan and the award agreement, during a period set by the Committee commencing with the date of such award (the "Restriction Period"), the participant shall not be permitted to sell, transfer, pledge, assign, or otherwise encumber shares of Restricted Stock awarded under the Plan. Within these limits, the Committee, in its sole discretion, may provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions, in whole or in part, based on service, performance, such other factors or criteria as the Committee may determine in its sole discretion.

(ii) Except as provided in this paragraph (ii) and Section 6(c)(i), the participant shall have, with respect to the shares of Restricted Stock, all of the rights of a shareholder of the Company, including the right to vote the shares, and the right to receive any cash dividends. The Committee, in its sole discretion, as determined at the time of award, may permit or require the payment of cash dividends to be deferred and, if the Committee so determines, reinvested, subject to Section 12(e), in additional Restricted Stock to the extent shares are available under Section 3, or otherwise reinvested. Pursuant to Section 3 above, stock dividends issued with respect to Restricted Stock shall be treated as additional shares of Restricted Stock that are subject to the same restrictions and other terms and conditions that apply to the shares with respect to which such dividends are issued. If the Committee so determines, the award agreement may also impose restrictions on the right to vote and the right to receive dividends.

(iii) Subject to the applicable provisions of the award agreement and this Section 6, upon termination of a participant's employment with the Company and any Subsidiary or Affiliate for any reason during the Restriction Period, all shares still subject to restriction will vest, or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

(iv) If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period, certificates for an appropriate number of unrestricted shares shall be delivered to the participant promptly.

(d) Minimum Value Provisions. In order to better ensure that award payments actually reflect the performance of the Company and service of the participant, the Committee may provide, in its sole discretion, for a tandem performance-based or other award designed to guarantee a minimum value, payable in cash or Common Stock to the recipient of a restricted stock award, subject to such performance, future service, deferral, and other terms and conditions as may be specified by the Committee.

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

SECTION 7. OTHER STOCK-BASED AWARDS.

(a) Administration. Other Stock-Based Awards, including, without limitation, performance shares, convertible preferred stock, convertible debentures, exchangeable securities and Common Stock awards or options valued by reference to earnings per share or Subsidiary performance, may be granted either alone, in addition to, or in tandem with Stock Options, or Restricted Stock granted under the Plan and cash awards made outside of the Plan; provided that no such Other Stock-Based Awards may be granted in tandem with Incentive Stock Options if that would cause such Stock Options not to qualify as Incentive Stock Options pursuant to Section 422 of the Code. Subject to the provisions of the Plan, the Committee shall have authority to determine the persons to whom and the time or times at which such awards shall be made, the number of shares of Common Stock to be awarded pursuant to such awards, and all other conditions of the awards. The Committee may also provide for the grant of Common Stock upon the completion of a specified performance period. The provisions of Other Stock-Based Awards need not be the same with respect to each recipient.

(b) Terms and Conditions. Other Stock-Based Awards made pursuant to this Section 8 shall be subject to the following terms and conditions:

39

(i) Shares subject to awards under this Section 7 and the award agreement referred to in Section 7(b)(v) below, may not be sold, assigned, transferred, pledged, or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance, or deferral period lapses.

(ii) Subject to the provisions of this Plan and the award agreement and unless otherwise determined by the Committee at grant, the recipient of an award under this Section 7 shall be entitled to receive, currently or on a deferred basis, interest or dividends or interest or dividend equivalents with respect to the number of shares covered by the award, as determined at the time of the award by the Committee, in its sole discretion, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional shares of Common Stock or otherwise reinvested.

(iii) Any award under Section 7 and any shares of Common Stock covered by any such award shall vest or be forfeited to the extent so provided in the award agreement, as determined by the Committee in its sole discretion.

(iv) In the event of the participant's Retirement, Disability, or death, or in cases of special circumstances, the Committee may, in its sole discretion, waive in whole or in part any or all of the remaining limitations imposed hereunder (if any) with respect to any or all of an award under this Section 7.

(v) Each award under this Section 7 shall be

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

confirmed by, and subject to the terms of, an agreement or other instrument by the Company and the participant.

(vi) Common Stock (including securities convertible into Common Stock) issued on a bonus basis under this Section 7 may be issued for no cash consideration. Common Stock (including securities convertible into Common Stock) purchased pursuant to a purchase right awarded under this Section 7 shall be priced at least 85% of the Fair Market Value of the Common Stock on the date of grant.

SECTION 8. AWARDS TO OUTSIDE DIRECTORS.

(a) The provisions of this Section 8 shall apply only to awards to Outside Directors in accordance with this Section 8. The Committee shall have no authority to determine the timing of or the terms or conditions of any award under this Section 8.

(b) Each Outside Director who is serving on the Board of Directors on the date of the first meeting of the Board of Directors on or after the Effective Date of this Plan or who is first elected to the Board of Directors thereafter, will receive an automatic grant of a non-qualified stock option to purchase 5,000 shares of Common Stock on the earlier of the date of the first meeting of the Board of Directors after the Effective Date of this Plan or the date of election. On the date of each Annual Meeting of Stockholders of the Company, each Outside Director will receive an automatic grant of a non-qualified stock option to purchase 1,000 shares of Common Stock, but only if such Outside Director failed to attend no more than one regularly scheduled meeting of the Board of Directors in the preceding twelve (12) months. The exercise price of each option granted pursuant to this Section 8(b) shall equal the Fair Market Value of such Common Stock on the date of grant.

(c) Each Outside Director Option shall vest and become exercisable with respect to one-third of such shares on the first anniversary of the date of grant, with respect to one-third on the second anniversary of the date of grant, and with respect to one-third on the third anniversary of the date of grant. Each Outside Director Option shall expire, if unexercised, on the tenth anniversary of the date of grant. The exercise price may be paid in cash or in shares of Common Stock, including shares of Common Stock subject to the Outside Director Option.

(d) Outside Director Options shall not be transferable without the prior written consent of the Board other than (i) transfers by the optionee to a member of his or her Immediate Family or a trust for the

40

benefit of optionee or a member of his or her Immediate Family, or (ii) transfers by will or by the laws of descent and distribution.

(e) Grantees of Outside Director Options shall enter into a stock option agreement with the Company setting forth the exercise price and other terms as provided herein.

(f) The termination of Outside Director Options shall be governed by the provisions of Sections 5(f), 5(h) and 5(i) hereof as if

Edgar Filing: BRIGHT HORIZONS FAMILY SOLUTIONS INC - Form DEF 14A

Outside Directors were employees of the Company, except that any determination to accelerate the vesting of an Outside Director Option will be made by the Board and not by the Committee.

(g) Outside Director Options shall be subject to Section 9. The number of shares and the exercise price per share of each Outside Director Option shall be adjusted automatically in the same manner as the number of shares and the exercise price for Stock Options under Section 3 hereof at any time that Stock Options are adjusted as provided in Section 3.

(h) Any applicable withholding taxes shall be paid in shares of Common Stock subject to the Outside Director Option valued as the Fair Market Value of such shares unless the Company agrees to accept a payment in cash in the amount of such withholding taxes.

SECTION 9. CHANGE IN CONTROL PROVISIONS.

(a) Impact of Event. In the event of:

(1) a "Change in Control" as defined in Section 9(b);
or

(2) a "Potential Change in Control" as defined in Section 9(c), but only if and to the extent so determined by the Committee or the Board at or after grant (subject to any right of approval expressly reserved by the Committee or the Board at the time of such determination),

(i) Subject to the limitations set forth below in this Section 9(a), the following acceleration provisions shall apply to Stock Options, Restricted Stock, Outside Director Options, and Other Stock-Based Awards granted on or prior to April 16, 2001:

(a) Any Stock Option or Outside Director Option awarded under the Plan not previously exercisable and vested shall become fully exercisable and vested.

(b) The restrictions applicable to any Restricted Stock and Other Stock-Based Awards, in each case to the extent not already vested under the Plan, shall lapse and such shares and awards shall be deemed fully vested.

(ii) The acceleration provisions set forth in Section 9(a)(i) above shall not apply, unless otherwise determined by the Board or the Committee, to Stock Options, Restricted Stock, Outside Director Options, or Other Stock-Based Awards granted after April 16, 2001.

(iii) Subject to the limitations set forth below in this Section 9(a), the value of all outstanding Stock Options, Restricted Stock, Outside Director Options and Other Stock-Based Awards, in each case to the extent vested, shall, unless otherwise determined by the Board or by the Committee in its sole discretion prior to any Change in Control, be cashed out on the basis of the "Change in Control Price" as defined in Section 9(d) as of the date such Change in Control or such Potential Change in Control is determined to have occurred or such other date as the Board or Committee may

determine prior to the Change in Control; provided, however, that this section (a)(ii) shall have no effect if its effect would preclude the pooling method of accounting for the specific transaction that resulted in a Change in Control (if the pooling method of accounting is proposed for such transaction).

(iv) The Board or the Committee may impose additional conditions on the acceleration or valuation of any award in the award agreement.

(b) Definition of Change in Control. For purposes of Section 9(a), a "Change in Control" means the happening of any of the following:

41

(i) any person or entity, including a "group" as defined in Section 13(d)(3) of the Exchange Act, other than the Company or a wholly-owned subsidiary thereof or any employee benefit plan of the Company or any of its Subsidiaries, becomes the beneficial owner of the Company's securities having 35% or more of the combined voting power of the then outstanding securities of the Company that may be cast for the election of directors of the Company (other than as a result of an issuance of securities initiated by the Company in the ordinary course of business); or

(ii) as the result of, or in connection with, any cash tender or exchange offer, merger or other business combination, sales of assets or contested election, or any combination of the foregoing transactions, less than 40% of the combined voting power of the then outstanding securities of the Company or any successor Company or entity entitled to vote generally in the election of the directors of the Company or such other company or entity after such transaction are held in the aggregate by the holders of the Company's securities entitled to vote generally in the election of directors of the Company immediately prior to such transaction; or

(iii) during any period of two consecutive years, individuals who at the beginning of any such period constitute the Board cease for any reason to constitute at least a majority thereof, unless the election, or the nomination for election by the Company's stockholders, of each director of the Company first elected during such period was approved by a vote of at least two-thirds of the directors of the Company then still in office who were directors of the Company at the beginning of any such period.

(c) Definition of Potential Change in Control. For purposes of Section 9(a), a "Potential Change in Control" means the happening of any one of the following:

(i) The approval by stockholders of an agreement by the Company, the consummation of which would result in a Change in Control of the Company as defined in Section 9(b); or

(ii) The acquisition of beneficial ownership, directly or indirectly, by any entity, person or group (other than the Company or a Subsidiary or any Company employee benefit plan (including any trustee of such plan acting as such trustee)) of securities of the Company representing 5% or more of the combined voting power of the Company's outstanding securities and the adoption by the Committee of a resolution to the effect that a Potential Change in Control of the Company has occurred for purposes of this Plan.

(d) Change in Control Price. For purposes of this Section 9, "Change in Control Price" means the highest price per share paid in any transaction reported on the NASDAQ-National Market or such other exchange or market as is the principal trading market for the Common Stock, or paid or offered in any bona fide transaction related to a Potential or actual Change in Control of the Company at any time during the 60 day period immediately preceding the occurrence of the Change in Control (or, where applicable, the occurrence of the Potential Change in Control event), in each case as determined by the Committee except that, in the case of Incentive Stock Options, such price shall be based only on transactions reported for the date on which a cash out occurs under Section 9(a) (ii).

SECTION 10. AMENDMENTS AND TERMINATION.

The Board may at any time amend, alter or discontinue the Plan; provided, however, that, without the approval of the Company's stockholders, no amendment or alteration may be made which would (a) except as a result of the provisions of Section 3(c) of the Plan, increase the maximum number of shares that may be issued under the Plan or increase the Section 162(m) Maximum, (b) change the provisions governing Incentive Stock Options except as required or permitted under the provisions governing incentive stock options under the Code, or (c) make any change for which applicable law or regulatory authority (including the regulatory authority of the NYSE or any other market or exchange on which the Common Stock is traded) would require shareholder approval or for which shareholder approval would be required to secure full deductibility of compensation received under the Plan under Section 162(m) of the Code. No amendment, alteration, or discontinuation shall be made which would impair the rights of an optionee or participant

under a Stock Option, Restricted Stock, Other Stock-Based Award or Outside Director Option theretofore granted, without the participant's consent.

The Committee may amend the terms of any Stock Option or other award theretofore granted, prospectively or retroactively, but, subject to Section 3 above, no such amendment shall impair the rights of any holder without the holder's consent. The Committee may also substitute new Stock Options for previously granted Stock Options (on a one for one or other basis), including previously granted Stock Options having higher option exercise prices. Solely for purposes of computing the Section 162(m) Maximum, if any Stock Options or other awards previously granted to a participant are canceled and new Stock Options or other awards having a lower exercise price or other more favorable terms for the participant are substituted in their place, both the initial Stock Options or other awards and the replacement Stock Options or other awards will be deemed to be outstanding (although the canceled Stock Options or other awards will not be exercisable or deemed outstanding for any other purposes).

SECTION 11. UNFUNDED STATUS OF PLAN.

The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a participant or optionee by the Company, nothing contained herein shall give any such participant or optionee any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or payments in lieu of or with respect to awards hereunder; provided, however, that, unless the Committee otherwise determines with the consent of the affected participant, the existence of such trusts or other arrangements is consistent with the "unfunded" status of the Plan.

SECTION 12. GENERAL PROVISIONS.

(a) The Committee may require each person purchasing shares pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the optionee or participant is acquiring the shares without a view to distribution thereof. The certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates for shares of Common Stock or other securities delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Commission, any stock exchange upon which the Common Stock is then listed, and any applicable Federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

(c) The adoption of the Plan shall not confer upon any employee of the Company or any Subsidiary or Affiliate any right to continued employment with the Company or a Subsidiary or Affiliate, as the case may be, nor shall it interfere in any way with the right of the Company or a Subsidiary or Affiliate to terminate the employment of any of its employees at any time.

(d) No later than the date as of which an amount first becomes includible in the gross income of the participant for Federal income tax purposes with respect to any award under the Plan, the participant shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state, or local taxes of any kind required by law to be withheld with respect to such amount. The Committee may require withholding obligations to be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements and the Company and its Subsidiaries or Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant.

(e) The actual or deemed reinvestment of dividends or dividend equivalents in additional Restricted Stock (or other types of Plan awards) at the time of any dividend payment shall only be permissible if sufficient shares of Common Stock are available under Section 3 for such reinvestment (taking into account then outstanding Stock Options and other Plan awards).

(f) The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Tennessee.

(g) The members of the Committee and the Board shall not be liable to any employee or other person with respect to any determination made hereunder in a manner that is not inconsistent with their legal obligations as members of the Board. In addition to such other rights of indemnification as they may have as directors or as members of the Committee, the members of the Committee shall be indemnified by the Company against the reasonable expenses, including attorneys' fees actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any option granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee member is liable for negligence or misconduct in the performance of his duties; provided that within 60 days after institution of any such action, suit or proceeding, the Committee member shall in writing offer the Company the opportunity, at its own expense, to handle and defend the same.

(h) In addition to any other restrictions on transfer that may be applicable under the terms of this Plan or the applicable award agreement, no Stock Option, Restricted Stock award, or Other Stock-Based Award or other right issued under this Plan is transferable by the participant without the prior written consent of the Committee, or, in the case of an Outside Director, the Board, other than (i) transfers by an optionee to a member of his or her Immediate Family or a trust for the benefit of the optionee or a member of his or her Immediate Family or (ii) transfers by will or by the laws of descent and distribution. The designation of a beneficiary will not constitute a transfer.

(i) The Committee may, at or after grant, condition the receipt of any payment in respect of any award or the transfer of any shares subject to an award on the satisfaction of a six-month holding period, if such holding period is required for compliance with Section 16 under the Exchange Act.

SECTION 13. EFFECTIVE DATE OF PLAN.

The Plan shall be effective as of July 27, 1998.

SECTION 14. TERM OF PLAN.

No Stock Option, Restricted Stock award, Other Stock-Based Award or Outside Director Option award shall be granted pursuant to the Plan on or after
