Table of Contents

The Nominations Committee of the Board of Directors of Triple-S Management met and evaluated all recommended potential candidates for the position of Directors. After their evaluation, the Committee submitted a report to the Board of Directors, who recommends the following nominees for election:

One nominee to be Director as a physician or dentist

1. Fernando J. Ysern-Borrás, MD

Seven nominees to be Directors as representatives of the community

1. Ramón M. Ruiz-Comas, CPA
2. Mario S Belaval-Ferrer
3. José Davison-Lampón, *Esq.*
4. Manuel Suárez-Méndez, PE
5. Carmen Ana Culpeper-Ramírez
6. Manuel Figueroa-Collazo
7. Miguel Nazario-Franco

Pursuant to the provisions of the Articles of Incorporation and By-laws of Triple-S Management, the President of Triple-S Management shall be a member of the Board of Directors as long as he is serving as President.

Dr. Fernando J. Ysern-Borrás, Mr. Mario S Belaval-Ferrer, Mr. José Davison-Lampón, and, Mr. Manuel Suárez-Méndez currently serve as members of the Board of Directors. Their contribution to Triple-S Management is relevant for the continuity of work accomplished at the Board. They have not served for more than nine years nor have they been elected more than three times. Because of the abovementioned facts, the Board of Directors nominates these Directors for reelection. For a detailed explanation of Tenure Requirements, please refer to [Tenure of Directors](#) below.

Table of Contents

Based on Triple-S Management's strategic plan, the Board of Directors understands that adding certain areas of expertise will strengthen Triple-S Management's capacities. The Board of Directors, taking into account the recommendations of the Nominations Committee and the aforementioned strategic plan, has nominated Ms. Carmen Ana Culpeper-Ramírez, Mr. Manuel Figueroa-Collazo, and Mr. Miguel Nazario-Franco, since they comply with the legal and statutory requirements as representatives of the community with financial, corporate, and entrepreneurial experience. These nominees would substitute three current Directors (CPA Sonia Gómez de Torres, Mr. Héctor Ledesma-Rodríguez, and Mr. Juan José León-Soto) who have not been nominated because they have served for three terms or have completed nine years of services.

The Board of Directors understands that all of the nominees may be elected for the abovementioned positions and may serve for a term of three years, since they comply with all the requirements for such election.

The persons named as proxy holders in the Proxy Form attached hereto, or any substitute proxy holder, must vote the Proxies pursuant to the instructions received from the Shareholder granting the Proxy. If the Shareholder does not indicate any choice of vote with regards to the Election of Directors, the Board of Directors will vote in favor of the eight nominees recommended for election in this Proxy Statement. If for any reason, unknown at this time, any of the nominees is not available for election, the Proxy solicited hereby confers discretionary authority on the Board of Directors to vote the Proxy with respect to the election of any person as director in substitution of any nominee that is not available for election. It is intended that proxies voted in this respect will be done in accordance with the best judgment of the Board of Directors.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee consists of seven members of Triple-S Management's Board of Directors. Each of the members of the Audit Committee satisfies the applicable independence requirements under the rules of the New York Stock Exchange; as such requirements are interpreted by the Board of Directors in its business judgment.

The Audit Committee operates pursuant to a Charter that was adopted, as amended, by the Board of Directors of Triple-S Management. A copy of such Charter, as amended, is attached to this Proxy Statement as Appendix B.

The following amendments were made to the Audit Committee Charter: (1) the Chairman of the Audit Committee will be named by the Directors who are members of said Committee, and (2) the Committee will recommend candidates to hold the office of Director of the Internal Audit Office, if vacant, to the Board of Directors of Triple-S Management.

The role of the Audit Committee is to assist the Board of Directors of the Corporation in its oversight of the Corporation's financial reporting process, as well as the Corporation's internal and external audit processes. The Committee can communicate directly with the Board of Directors of the Corporation and require corrective plans related to findings included in reports submitted by the internal or external auditors, as well as any other matter brought to the attention of the Committee.

The Committee has the resources and authority to discharge its responsibilities, including the authority to engage external auditors for special audits, reviews, and other procedures and to retain special counsel and other experts, consultants, or advisors. While some of them may be accountants or auditors by profession, the Audit Committee relies on and makes no independent verification of the financial or other information presented to it or representations made by Management or the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to achieve compliance with accounting standards, and applicable laws and regulations.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the consolidated audited financial statements of the Corporation for the fiscal year ended December 31, 2003 with management and the independent auditors.

The Audit Committee has also discussed with external auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently modified or supplemented. Finally, the Audit Committee has received the written disclosures and the letter from KPMG, LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), as currently modified or supplemented, has considered whether the provision of non-audit-services by the external auditors to the Corporation is compatible with maintaining the auditors' independence, and has discussed with the external auditors their independence from the Corporation and its Management.

Based on the Audit Committee's review of the consolidated audited financial statements and the discussions referred to above with Management and the external auditors and subject to the limitations on the role and responsibilities of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Directors that the Corporation's consolidated audited financial statements be included in Triple-S Management's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission (SEC).

EXECUTIVE COMPENSATION

Compensation of Directors

Only Directors who are not employees of Triple-S Management receive fees for attendance to Board of Directors or Committee meetings.

From January 1, 2003 to September 30, 2003, the Chairman of the Board of Triple-S Management received a fee of \$350 for each Board of Directors meeting attended. Each Director of Triple-S Management received a fee of \$250 for each Board of Directors meeting attended and \$200 for each Committee meeting attended. The Chair of each Committee of the Board of Directors of Triple-S Management received a fee of \$300 for each meeting presided.

Table of Contents

In September, 2003, an external consulting firm was hired to evaluate the fees received by the Directors of Triple-S Management for their attendance to Board and Committee meetings. The external consulting firm evaluated the compensation received by the nineteen members of the Board and compared that to ten companies with similar business operations and five published surveys. The external consulting firm analyzed the number of Board and Committee meetings attended by the chosen member group in fiscal year 2002 and the actual compensation program established by Triple-S Management versus comparable companies in the United States and Puerto Rico. According to their findings, they submitted a report, which concluded that Triple-S Management's compensation for its Directors was below the average of comparable companies in the United States and Puerto Rico. The external consulting firm also recommended some modifications regarding the compensation of Directors in order to attract qualified candidates for positions in the Board and be able to retain their services. The Board of Directors, in turn, evaluated the external consulting firm's findings and approved a measure to implement a compensation program for the Directors.

The compensation program was implemented starting on October 1, 2003. According to this compensation program, the Chairman of the Board receives a fixed retainer of \$875 per month and each other Director receives a fixed retainer of \$667 per month. The Directors who attend the meetings of the Board of Directors receive \$200 fee for each Board meeting attended. Furthermore, the members of each Core Committee receive \$200 for each Board meeting attended, except for the Audit Committee members who receive \$250 for each Board meeting attended. The members of the other Committees and Subcommittees receive \$150 for each meeting attended. The Chairs of the Committees receive an additional \$100 fee for each Board meeting presided.

During the fiscal year, the Directors of Triple-S Management also received health insurance free of charge. For those Directors that are currently serving as Directors of Triple-S Management, the health insurance plan also includes coverage for spouses and dependants.

Directors also received as an additional compensation a per diem amount of \$300 for every day the Director is unable to work at his or her office as a result of travel related to their responsibilities as Directors or having to attend activities or engagements of Triple-S Management, except for the Annual Meeting of the Board of Directors.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Board of Directors of Triple-S Management evaluates the compensation policy for the President and CEO, and Executive Officers of the Corporation based on the recommendations made by the Compensation Committee of the Board. The compensation policy is developed considering, among other factors, competitive pay practices for developing a stronger relationship between executive compensation and Triple-S Management's long-term performance.

The Board of Directors, through the Compensation Committee, has retained the professional services of an external consulting firm to evaluate the compensation structure of the Executive Officers.

The President and Chief Executive Officer

On an annual basis, the President and CEO (CPA Ramón Ruiz-Comas for 2003) submits to Triple-S Management's Board of Directors a plan setting forth both quantitative and qualitative goals applicable to each year, as well as long-term goals. In order to determine the President and CEO's compensation, the Board of Directors evaluates the President's performance by taking into consideration the growth of the organization, implementation of a diversification strategy, achievement of financial goals, improvements to the product and service delivery system and development of human resources. During 2003, CPA Ramón M. Ruiz-Comas' compensation consisted of an annual base salary and an annual bonus. For that year, the Board of Directors voted to increase CPA Ramón Ruiz-Comas' base annual salary to \$402,500. In addition, in 2003 CPA Ramón Ruiz-Comas received a performance bonus of \$140,000, which is comparable to other chief executive officers in the insurance industry and is targeted to be in the mid-range of these base salaries.

CPA Ramón Ruiz-Comas' 2003 base salary increase and performance bonus reflected his role in Triple-S Management's success in achieving certain annual performance measures related to revenues, production output, gross profit margin and profitability, as well as individual performance.

Table of Contents**PENSION PLAN**

Triple-S Management sponsors a noncontributory defined-benefit pension plan for all of the Corporation's employees who are twenty one years of age or older and have completed one year of service. Pension benefits begin to vest after five years of vesting service and are based on years of service and final average salary, as both terms are defined in the plan documents.

In addition to the minimum funding requirements set forth in the Employees Retirement Income Security Act of 1974, as amended, the Plan's funding policy is to contribute such additional amounts as Triple-S Management may determine to be appropriate from time to time.

The following table sets forth the estimated annual benefits that would become payable under the Retirement Plan based on certain assumptions as to annual basic salary levels and years of service. The amounts payable in this table are not necessarily representative of amounts that actually may become payable under the Retirement Plan. The amounts represent the benefits upon retirement on December 31, 2003, of a participant at sixty five years of age.

Position of the Board or Directors

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Reasons for Voting in Favor of the Resolution

At the Annual Meeting of Shareholders held on April 29, 2001, Resolution Number 5 was approved, recommending that the Board of Directors take the necessary steps in order for the shares of a Shareholder to be registered in the books of Triple-S Management in the name of the spouse or the heirs of the Shareholder, if they are physicians and dentists, without exceeding the limit of twenty-one (21) shares. At the Annual Shareholders Meeting held last year, we presented a resolution similar to this one. Said resolution was not approved since two-thirds (2/3) of the shares required to approve it were not present at the Meeting.

Article Eighth of the Articles of Incorporation and Article 4-2 of the By-laws of Triple-S Management state the right of first refusal over the shares, unless the shares are transferred to a descendant of a Shareholder who is a physician or dentist. These provisions do not allow a Shareholder to donate, grant, or transfer, without consideration, to another physician or dentist who is not his/her descendant all or part of his/her shares, without exceeding the twenty-one (21) share limit, because of the right of first refusal.

Several of our Shareholders have expressed their wish to change these provisions so that they can donate, grant or transfer, without consideration, all or some of their shares to any other person as long as they are physicians or dentists. Among these Shareholders, Dr. Arturo Flores-Gallardo has petitioned, in more than one occasion, that this recommendation be approved. In order to implement this recommendation, it is necessary that the Shareholders approve the abovementioned amendments to the Articles of Incorporation and By-laws of Triple-S Management.

Table of Contents

The Board of Directors' primary interest is that Shareholders support and approve this Resolution as soon as possible in order to attend Shareholders' interests regarding this issue, strengthening, at the same time, the operations and development of Triple-S Management.

Required Vote:

In order for this Resolution to be approved it must receive the affirmative vote of no less than two-thirds (2/3) of the shares issued and outstanding, since it is an amendment to the Articles of Incorporation, pursuant to Section A of Article Thirteenth of the Articles of Incorporation.

Position of the Board of Directors:

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Table of Contents

Reasons for Voting in Favor of the Resolution:

The Board of Directors is proposing substantial changes to the existing structure of its Core Committees in order to modernize and ensure that said structure is consistent with good corporate governance practices.

Pursuant to the Sarbanes-Oxley Act of 2002, the United States Congress promoted the establishment of certain changes in the operation, corporate governance, and management of corporations subject to federal regulations. During the year 2003, the SEC approved rules which regulated, among others, the composition and operation of certain committees of a board of directors such as the Corporate Governance Committee, Audit Committee, Nominations Committee, and Compensation Committee.

The SEC adopted, as a requirement, that certain committees of the Board of Directors, such as the Audit Committee, shall only be composed of independent directors. In addition, the SEC adopted requirements and particular criteria in determining when a Director complies with the definition of independent director, which Triple-S Management has adopted.

The objective of the proposed amendments to Article 8-5 and Article 8-11 of our By-laws is to grant the Board of Directors the ability to adopt good corporate governance principles that are required and recommended. They will also provide the flexibility to incorporate changes that might occur in the area of corporate governance, which is a dynamic and changing area.

Therefore, among the main amendments being proposed is the creation of a new Corporate Governance Committee which will substitute the current Executive Committee of the Board of Directors, the transfer of authority to designate the Directors that are members of the various committees of the Board of Directors, and fundamental changes in the composition and duties of the Core Committees of the Board of Directors.

The Board of Directors is committed to promoting these amendments to comply with the applicable federal and state legal requirements, while promoting the effective governance of the Corporation. These amendments that are presented for the consideration of our Shareholders will continue placing Triple-S Management in the forefront of those corporations that have a true sense of integrity.

Required Vote:

In order for this Resolution to be approved it must receive the affirmative vote of a majority of the shares issued and outstanding with the right to vote present at the Meeting.

**PROPOSAL:
APPROVAL OF RESOLUTION NUMBER 3**

Resolution Number 3 is presented by Leslie H. B. ...

C. ...

Position of the Board or Directors:

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Reasons for Voting in Favor of the Resolution:

Article Thirteenth **A** of the Articles of Incorporation establishes the required votes needed to amend the same. The number of votes needed to amend Article Thirteenth is equal to two-thirds (2/3) of the shares that are issued and outstanding. However, other provisions in the Articles of Incorporation require the number of votes to be three-fourths (3/4) of the voting shares issued and outstanding in order to amend them. Currently, Article Sixth of the Articles of Incorporation and Article 4-1 of the By-laws require the number of votes to be three-fourths (3/4) of the voting shares issued and outstanding in order to amend them.

Table of Contents

The By-laws incorporate a similar provision. Article 9-1 of the By-Laws also states the required votes needed to amend it. In this case the number of votes needed to amend this Article is the majority of those shares of the Triple-S Management issued and outstanding. Notwithstanding, Section a of Article 4-1 shall only be amended by the affirmative vote of three fourths (3/4) of the corporation's voting shares issued and outstanding.

In many cases, these higher voting requirements have been incorporated in the Articles of Incorporation and By-laws in response to the licensing requirements of the BCBSA which requires the number of votes to be three-fourths (3/4) of the voting shares issued and outstanding in order to amend the disposition that states no person may own five percent (5%) or more of the Triple-S Management's voting shares issued and outstanding. In these cases, the three-fourths (3/4) requirement cannot be modified and must stay in our Articles of Incorporation and By-laws. In other cases, however, a similar limitation to continue requiring such a high voting percentage does not exist.

The Board of Directors understands that it is necessary to reduce from three-fourths (3/4) to two-thirds (2/3) the voting requirements establish to amend the Article Sixth of Articles of Incorporation and Article 4-1 of the By-laws, except for the limits of 5% or more of shares ownership.

As it is well known by our Shareholders, we recently tried to amend the Articles of Incorporation to allow the family members of our Shareholders who are not physicians or dentists to be Shareholders of a separate class of shares. In this regard, these persons could have received the future benefits of owning shares of Triple-S Management. However, this amendment did not pass. In our view, its approval was significantly affected by the onerous voting requirement of three-fourths (3/4) of the voting shares issued and outstanding that is needed to amend Article Sixth of the Articles of Incorporation. Our recommendation to reduce said voting requirement stems from such experience.

Required Vote:

In order for this Resolution to be approved it must receive the affirmative vote of no less than three-fourths (3/4) of the shares issued and outstanding with the right to vote.

**PROPOSAL:
APPROVAL OF RESOLUTION NUMBER 4**

Resolution Number 4 is presented by Guillermo J. Fernández-Martí, MD, shareholder of Triple-S Management, to recommend to the Board of Directors of Triple-S Management to take the necessary steps for Triple-C, Inc. to obtain the National Committee of Quality Assurance's (NCQA) accreditation within a time frame of no more than six (6) months in compliance with the petition of the Shareholders made at the Annual Meeting of Shareholders held on April 29, 2001.

Resolution:

WHEREAS: At the Annual Meeting of Shareholders held on April 29, 2001, a determination established in the year 1998 was reaffirmed, which required Triple-C to take necessary steps to obtain the National Committee of Quality Assurance's (NCQA) accreditation, as soon as possible.

WHEREAS: Today, six (6) years have passed without said accreditation being obtained.

THEREFORE: Be it resolved by this Annual Meeting of Shareholders, today, April 25, 2004, to recommend to the Board of Directors of Triple-S Management to take the necessary steps for Triple-C, Inc. to obtain the National Committee of Quality Assurance's (NCQA) accreditation within a time frame of no more than six (6) months in compliance with the petition of the Shareholders made at the Annual Meeting of Shareholders held on April 29, 2001.

Reasons for Voting in Favor of the Resolution:

Dr. Guillermo J. Fernández-Martí believes that obtaining NCQA accreditation would result in a favorable advantage to Triple-C, Inc. in conducting its business, especially when none of its competitors has obtained such accreditation. In his opinion, such accreditation would significantly help in the marketing of the product in and outside of Puerto Rico.

Position of the Board of Directors:

The Board of Directors recommends that you vote **Against** this Resolution.

Table of Contents

Reasons for Voting Against this Resolution:

The accreditation from the National Committee of Quality Assurance (NCQA) is voluntary and, therefore, not a contract requirement from ASES, the only managed care client. However, as previously reported, Triple-C, Inc. has methodically taken the necessary steps required in order to obtain such accreditation and made a presentation towards that end to NCQA officers.

NCQA has informed Triple-C, Inc that based on its structure and operation, it does not meet the eligibility requirements for NCQA's Managed Care Organization (MCO) accreditation program. More specifically, since Triple-C, Inc. is a third party administrator (TPA), it is not legally and financially responsible for the Health Care Reform (Medicaid) membership.

Triple-S Management would recommend to its subsidiary, Triple-S, Inc, which is legally and financially responsible for the Health Care Reform (Medicaid), to consider the viability of applying for the NCQA accreditation.

Currently, Triple-S' model of the Health Care Reform actual level of compliance with NCQA standards is approximately 50%. We must responsibly bear in mind that to comply with 100% of the NCQA requirements the model's budget must be significantly increased.

A corporation needs flexibility and discretion to, according to its budgetary requirements and business plans, pursue this accreditation. To require the obtention of an accreditation that is voluntary on such a short time frame (six months) is impractical and burdensome at this time.

Required Vote:

In order for this Resolution to be approved it must receive the affirmative vote of a majority of the shares issued and outstanding with the right to vote present at the Meeting.

OTHER MATTERS

The Board of Directors is not aware of any business that may properly come before the Annual Meeting, other than the proposals indicated in the Proxy Statement.

However, if any new matter requiring the vote of the Shareholders is properly presented before the Annual Meeting of Shareholders, the Proxies may be voted with respect thereto in accordance with the best judgment of proxy holders.

The members of the Committee are not full-time employees of the Corporation. While some of them may be accountants or auditors by profession, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Each member of the Committee shall be entitled to rely on the following:

The integrity of those persons and organizations within and outside the Corporation from which it receives information,

The accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors), and

The Committee must work closely and cooperatively with management, on which it relies for information and resources.
