EXPLANATORY NOTE

This Amendment No. 3 (Amendment No. 3) supplements and amends the Tender Offer Statement on Schedule TO (as amended, the Schedule TO) filed by Mirant Corporation, a Delaware corporation (the Company), with the Securities and Exchange Commission on July 12, 2006, relating to its offer (the Offer) to purchase up to 43,000,000 shares of its common stock, par value \$0.01 per share, at a price not greater than \$29.00 nor less than \$25.75 per share, net to the seller in cash, less any applicable withholding taxes and without interest. The Offer is subject to the terms and conditions set forth in the Offer to Purchase, dated July 12, 2006 (as amended, the Offer to Purchase), and the related Letter of Transmittal (as amended, the Letter of Transmittal), copies of which were filed with the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively.

The information contained in the Offer to Purchase and the related Letter of Transmittal is incorporated herein by reference in response to all of the items of Schedule TO, except that such information is hereby amended and supplemented to the extent specifically provided herein.

ITEMS 1-11.

Summary Term Sheet What are the significant conditions to the Offer?

The following is added at the end of the second bullet point item in this section:

Legal restrictions on distribution include capital adequacy provisions of local law applicable to our subsidiaries that limit the size of distributions. Contractual restrictions include covenants in our subsidiaries credit agreements which impose financial requirements effectively limiting the size of distributions. Legal or contractual restrictions could prevent the distribution of these amounts to us if, for example, a subsidiary that is expected to make a distribution were required to expend or reserve cash as a result of an event or contingency arising prior to the Expiration Time. The Company is not aware of any circumstances that would prevent distribution of these amounts to us for use in the Offer or that would otherwise prevent the satisfaction of the financing condition.

Section 2 Purpose of the Tender Offer; Certain Effects of the Tender Offer

The following is added after the first paragraph in this section:

A primary purpose of the Offer is to utilize excess cash on hand at the Company by returning such excess cash to stockholders. The Offer was incorporated into the Company s recently announced strategic plan because the Board of Directors determined that this use of the Company s available cash is in the best interests of the Company s stockholders. Of the \$740 million now expected to be distributed to Mirant Corporation by Mirant Asia-Pacific Limited, approximately \$125 million represents currently restricted cash balances that will be made available upon the consummation of the Mirant Asia-Pacific Loan Facility, and approximately \$255 million represents net proceeds from the Mirant Asia-Pacific Loan Facility, with the remaining \$360 million comprised of cash to be distributed to Mirant Asia-Pacific Limited by other subsidiaries and cash on hand at Mirant Asia-Pacific Limited.

Section 3 Procedures for Tendering Shares

In the fourth paragraph under the heading *Tendering Stockholders Representations and Warranties; Our Acceptance Constitutes an Agreement*, item (4) is amended to read as follows:

(4) such stockholder has read this Offer to Purchase;

The paragraph under the heading *Determination of Validity; Rejection of Shares; Waiver of Defects; No Obligation to Give Notice of Defects*, is revised as follows:

All questions as to the number of shares to be accepted, the price to be paid for shares to be accepted and the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of shares will be determined by us, in our sole discretion. We reserve the absolute right to reject any or all tenders we determine not to be in proper form or the acceptance for payment of or payment for which may, in the opinion of our counsel, be unlawful. We also reserve the absolute right to waive any conditions of the Offer with respect to all stockholders or any defect or irregularity in any tender with respect to any particular shares or any particular stockholder whether or not we waive similar defects or irregularities in the case of other stockholders. No tender of shares will be deemed to have been validly made until all defects or irregularities relating thereto have been cured or waived. None of us, the Dealer Manager, the Depository, the Information Agent or any other person will be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification. By tendering shares to us, you agree to accept all decisions we make concerning these matters and waive any right you might otherwise have to challenge those decisions.

Section 4 *Withdrawal Rights*

The following is inserted immediately after the second paragraph of this section:

If a stockholder has used more than one Letter of Transmittal or has otherwise tendered shares in more than one group of shares, the stockholder may withdraw shares using either separate notices of withdrawal or a combined notice of withdrawal, so long as the information specified above is included.

The first sentence of the sixth paragraph of this section is revised as follows:

We will decide, in our sole discretion, all questions as to the form and validity, including time of receipt, of notices of withdrawal.

Section 7 *Conditions of the Tender Offer*

The following is added at the end of the second bullet point item in this section:

Legal restrictions on distribution include capital adequacy provisions of local law applicable to our subsidiaries that limit the size of distributions. Contractual restrictions include covenants in our subsidiaries' credit agreements which impose financial requirements effectively limiting the size of distributions. Legal or contractual restrictions could prevent the distribution of these amounts to us if, for example, a subsidiary that is expected to make a distribution were required to expend or reserve cash as a result of an event or contingency arising prior to the Expiration Time. The Company is not aware of any circumstances that would prevent distribution of these amounts to us for use in the Offer or that would otherwise prevent the satisfaction of the financing condition.

In addition, the last sentence of this section is deleted.

Section 9 *Source and Amount of Funds*

The following text is deleted from the first paragraph in this section:

While Mirant Asia-Pacific Limited has obtained a \$700 million commitment from Credit Suisse, Singapore Branch (Credit Suisse), for this facility pursuant to a commitment letter, as amended and restated on July 10, 2006 (the Commitment Letter), this commitment is contingent on the satisfaction of various conditions, as further described below. Accordingly, the Offer will be subject to the ability to borrow under this facility, in addition to the other conditions described in Section 7.

The heading *Commitment Letter* and the text thereunder is deleted.

The sentence following the heading *\$700 Million Mirant Asia-Pacific Loan Facility* is deleted, and is replaced with the following:

The following summary of the material terms of the Mirant Asia-Pacific Loan Facility is qualified in its entirety by the terms of the definitive agreements governing the Mirant Asia-Pacific Loan Facility, which are filed as exhibits (b)(2) and (b)(3) to our Issuer Tender Offer Statement on Schedule TO and which are incorporated herein by reference.
