**Item 2.05 Costs Associated with Exit or Disposal Activities**

On November 29, 2007, BlueLinx Holdings Inc. s (the Company ) board of directors approved a plan to consolidate the Company s leased Atlanta corporate headquarters and sales center into one building from two buildings. The Company currently operates its corporate headquarters and Atlanta sales center out of two leased buildings located at 4100/4300 Wildwood Parkway, Atlanta, Georgia. The Company is taking this action as part of its efforts to appropriately adjust the size of its infrastructure in response to the prolonged downturn in the housing market. The Company expects to vacate the 4100 building and complete this restructuring action during the fourth quarter of fiscal 2007.

The Company estimates that this activity will result in an after-tax restructuring charge between \$5.0 million and \$7.0 million, or \$0.16 to \$0.23 per fully diluted share to be recognized in the fourth quarter of fiscal 2007. This charge represents the net present value of costs associated with the lease that will continue to be incurred by the Company less the Company s anticipated sublease recoveries. Approximately, \$0.3 million of the charge relates to moving expenses during the fourth quarter requiring cash expenditures. The remainder of the charge is non-cash. The charge is based on estimates and is subject to a number of assumptions (including assumptions related to future sublease rental rates and terms) and actual results may differ, perhaps materially.

A press release announcing the restructuring charge was filed on December 5, 2007 and is attached hereto as Exhibit 99.1.

**Item 8.01 Other Events**

On December 5, 2007, the Company announced that its board of directors has suspended the payment of dividends on the Company s common stock for an indefinite period of time.

The Company also announced it has begun a stock keeping unit ( SKU ) rationalization initiative during the fourth quarter and has identified certain underperforming SKUs which it intends to discontinue offering. The Company intends to aggressively sell through its inventory in these SKUs commencing in the fourth quarter and anticipates the SKU rationalization will materially impact its gross margins and results of operations for the fourth quarter.

The press release announcing these events is attached hereto as Exhibit 99.1.
