**SunTrust, GB&T Announce Post-Merger Advisory Boards and Branch  
Configuration**

Gainesville, Ga. SunTrust Banks, Inc. (NYSE: STI) and GB&T Bancshares, Inc. (NASDAQ: GBTB) today announced advisory board of director appointments as well as the branch configuration for key banking markets in the companies combined, post-merger geographic footprint.

According to Gary Peacock, Jr., president and CEO of SunTrust Bank, Atlanta, and Richard Hunt, president and CEO of GB&T Bancshares, Inc., the changes will take effect upon completion of the companies previously announced merger. Messrs. Peacock and Hunt also noted that the overall merger integration planning is currently on track, on target and on schedule. The transaction remains subject to approval by GB&T shareholders and other customary closing conditions. The parties expect the transaction to close in the second quarter of 2008.

Four members of the GB&T Bancshares, Inc. Board of Directors Lowell S. (Casey) Cagle, John W. Darden, Richard Hunt and Philip Wilheit will join the Advisory Board of Directors for SunTrust Bank, Gainesville.

---

Daniel B. Simon, III, currently a member of the United Bank & Trust Board of Directors, will join the advisory board of SunTrust Bank, Northwest Georgia.

The Advisory Boards of Directors underscore SunTrust's commitment to local decision-making by providing our bankers with market information and guidance in business acquisition efforts in the communities we serve, said Gary Peacock.

Upon completion of the merger, the GB&T Bancshares franchise would be integrated primarily into SunTrust's Atlanta banking region which currently operates 212 branches in metro Atlanta and surrounding counties including major presences in both Gainesville and Athens, Georgia. GB&T's First National Bank of the South will be primarily integrated into SunTrust's Georgia region, and United Bank and Trust will become part of SunTrust's Chattanooga region. The companies also reiterated that they have offered comparable positions to essentially all GB&T Bancshares retail and commercial client contact employees.

The companies expect 13 branches—8 GB&T Bancshares locations and 5 SunTrust branches—will be closed in late summer as part of the conversion of GB&T Bancshares' branches to SunTrust systems. Most of the consolidating branches will be merged into existing GB&T Bancshares or SunTrust branches located within one mile.

We are committed to providing our customers with a seamless transition to SunTrust. Once the systems conversion is completed, our clients will enjoy access to more branches as well as expanded operating hours at many of our current locations, said Mr. Hunt. Although some branch consolidations are necessary, an extensive customer communication effort will take place, and in many cases customers can expect to see many of the same familiar employees in the new locations.

Based in Gainesville, Georgia, GB&T Bancshares, Inc. is a multi-bank holding company operating seven community banks: Gainesville Bank & Trust, United Bank & Trust, Community Trust Bank, HomeTown Bank of Villa Rica, First National Bank of the South, First National Bank of Gwinnett, and Mountain State Bank.
