INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the Purpose of the Annual Meeting?

At HealthStream's annual meeting, shareholders will act upon the election of three (3) persons nominated by the board of directors as Class II directors, the ratification of Ernst and Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008, and any other matters that may properly come before the meeting. In addition, our management will respond to questions from shareholders.

What are the Board of Directors' Recommendations?

Our Board of Directors recommends that you vote:

FOR the election of each of the nominees set forth in this proxy statement to serve as directors on our Board of Directors; and

FOR the ratification of the appointment of Ernst & Young LLP.

If you complete and properly sign the accompanying proxy card and return it but do not specify your vote, the proxy will be voted in accordance with the recommendations of the Board of Directors set forth above. Further, if any other matter properly comes before the Annual Meeting or any adjournment or postponement thereof, the proxy holders will vote as recommended by the Board of Directors, or, if no recommendation is given, in their own discretion.

Who May Attend the Annual Meeting?

Shareholders of record on April 3, 2008 may attend the meeting. Street name holders will need to bring a copy of a brokerage statement reflecting their ownership of our common stock as of the record date. Cameras and recording devices are not permitted at the meeting.

Who is Entitled to Vote at the Annual Meeting?

The Board of Directors has fixed the close of business on Thursday, April 3, 2008 as the record date. Shareholders of record of our common stock at the close of business on April 3, 2008 may vote at this meeting.

As of the record date, there were 22,384,631 shares of our voting common stock outstanding. These shares were held by 3,006 holders of record. Every shareholder is entitled to one vote for each share of common stock the shareholder held of record on the record date.

Who is Soliciting My Vote?

This proxy solicitation is being made and paid for by HealthStream. In addition, we have retained ComputerShare, Georgeson Shareholder and Corporate Election Services to assist in the solicitation. We will pay these entities an aggregate of approximately \$1,800 plus out-of-pocket expenses for their assistance. Our directors, officers and other employees not specially employed for this purpose may also solicit proxies by personal interview, mail, telephone or facsimile. They will not be paid additional remuneration for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of the common stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

On What Matters May I Vote?

You may vote on the election of three (3) persons nominated by the board of directors as Class II directors to our board of directors and the ratification of Ernst and Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

How Do I Vote?

Your vote is important. Whether or not you plan to attend the meeting in person, we urge you to submit your voting instructions to the proxy holders as soon as possible by completing, signing, dating, and promptly returning the enclosed proxy card in the enclosed prepaid envelope provided or by voting by telephone or Internet as described below. If you complete and properly sign the accompanying proxy card and return it in the enclosed prepaid envelope, your shares will be voted as you direct. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposals. You have the right to revoke your proxy at any time before the meeting by:

notifying our Senior Vice President, General Counsel and Secretary, Kevin O Hara, at 209 10 Avenue South, Suite 450, Nashville, TN 37203;

voting in person; or

submitting a later-dated proxy card.

Can I Vote by Telephone or the Internet?

Yes, if you are a registered shareholder you may vote by telephone or the Internet by following the instructions included with your proxy card. The deadline for shareholders of record to submit voting instructions by telephone or the Internet is 11:59 p.m. Eastern Daylight Savings Time on May 28, 2008.

If your shares are held by your broker, often referred to as in street name, you may submit voting instructions by telephone or electronically through the Internet as instructed on your proxy card. The deadline for street name holders to submit voting instructions by telephone or the Internet is 11:59 p.m., Eastern Daylight Savings Time, on May 28, 2008.

Table of Contents

How Will Voting on Any Other Business be Conducted?

We do not know of any business to be considered at the 2008 annual meeting other than the election of three (3) Class II directors to our board of directors and the ratification of Ernst and Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008. If any other business is presented at the annual meeting, your signed proxy card gives authority to Robert A. Frist, Jr., our Chief Executive Officer, and Arthur E. Newman, our Executive Vice President, or either of them, to vote on such matters at their discretion.

What is a Quorum ?

A quorum is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for business to be conducted at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What Vote is Required to Approve Each Item?

Each of the director nominees must receive affirmative votes from a plurality of the shares voting to be elected. The ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008 must receive affirmative votes from a majority of the shares voting to be elected.

What if I Abstain from Voting?

If you attend the meeting or send in your signed proxy card but abstain from voting on the proposal, you will be counted for purposes of determining whether a quorum exists. If you abstain from voting on the election of directors or the ratification of the independent registered public accounting firm, your abstention will have no effect on the outcome.

How do I Vote My Shares if They are Held in the Name Of My Broker (Street Name)?

If your shares are held by your broker, often referred to as in street name, you will receive a form from your broker seeking instruction as to how your shares should be voted. The Nasdaq Global Market (Nasdaq) rules provide that brokers and nominees may not exercise their voting discretion on certain non-routine matters without receiving instructions from the beneficial owner of the shares. Therefore, if you do not issue instructions to your broker, your broker is not allowed to exercise his or her voting discretion on certain non-routine matters and will return a proxy card with no vote (the non-vote) on the non-routine matter. In cases of a broker non-vote, the vote is treated as a vote against the related matter. For the remainder of issues, including election of directors and ratification of the independent registered public accounting firm, absent receiving instructions from you, your broker will vote your shares at his or her discretion on your behalf.

Table of Contents

What is the Effect of a Broker Non-Vote?

A broker non-vote is treated as a vote against certain non-routine matters. Because directors are elected by a plurality of the votes cast by shareholders represented and entitled to vote at the Annual Meeting, non-votes are not considered in the election and because the independent registered public accounting firm is ratified by a majority of the votes cast by shareholders represented and entitled to vote at the Annual Meeting, non-votes are not considered in the ratification.

Who Will Count the Votes?

A representative of our transfer agent, ComputerShare, Atlanta, will count the votes and act as inspector of elections.

Where Can I Find the Voting Results?

We will announce the voting results at the Annual Meeting. We also will report the voting results in our Quarterly Report on Form 10-Q for the second quarter of fiscal year 2008, which we expect to file with the Securities and Exchange Commission, or the SEC, in August 2008.

When are Shareholder Proposals Due in Order to be Included in Our Proxy Statement for the 2009 Annual Meeting?

Any shareholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing to Secretary, HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203, prior to the close of business on December 30, 2008.

When are Other Shareholder Proposals Due?

Our Bylaws contain an advance notice provision that requires that a shareholder's notice of a proposal to be brought before an annual meeting must be timely. In order to be timely, the notice must be addressed to our Secretary and delivered or mailed and received at our principal executive offices not less than 120 days prior to the first anniversary of the date this notice of annual meeting was provided to shareholders.

How Can I Obtain Additional Information About the Company?

We will provide a copy of our Annual Report on Form 10-K for the year ended December 31, 2007, excluding certain of its exhibits, without charge to any shareholder who makes a written request to Investor Relations Department, HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203 or an oral request by calling (615) 301-3237. CORPORATE GOVERNANCE

You can access our corporate charter, Bylaws, Corporate Governance Principles, current committee charters, Code of Conduct, Code of Ethics for Executive Officers and Directors and other corporate governance-related information on our website, www.healthstream.com (under the Governance section of the Investor page), or by addressing a written request to HealthStream, Inc., Attention: Secretary, 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203.

We believe that effective corporate governance is important to our long-term health and our ability to create value for our shareholders. With leadership from our Nominating and Corporate Governance Committee, our Board of Directors regularly evaluates regulatory developments and trends in corporate governance to determine whether our policies and practices in this area should be enhanced. The Nominating and Corporate Governance Committee also administers an annual skills assessment process as well as an annual self and peer evaluation process for the Board. In addition, our directors are encouraged to attend director education programs.

Board of Directors Meetings and Committees

Our business is managed under the direction of our Board of Directors. Our Board of Directors is responsible for establishing our corporate policies and strategic objectives, reviewing our overall performance and overseeing management's performance. The Board of Directors delegates the conduct of the business to our senior management team. Directors have regular access to senior management. They may also seek independent, outside advice. The Board of Directors considers all major decisions. The Board of Directors holds regular quarterly meetings, an annual strategic planning meeting, and meets on other occasions when required by special circumstances. The Board operates pursuant to our Corporate Governance Principles, a copy of which may be accessed in the governance section of our website at www.healthstream.com.

The Board currently consists of nine members, a portion of which are standing for election or re-election and are identified, along with their biographical information, under Proposal I Election of Directors. During 2007, our Board of Directors held nine meetings, the Audit Committee held eleven meetings, the Compensation Committee held one meeting and the Nominating and Corporate Governance Committee held five meetings. As a group, the Board members attended 95% of their Board and committee meetings. Our Chairman and Chief Executive Officer, Robert A. Frist, Jr., as well as Frank Gordon, Gerard M. Hayden Jr., Jeffrey L. McLaren, Dale Polley, and Linda Rebrovick, attended last year's annual shareholder meeting. Our Board of Directors has adopted a policy strongly encouraging all of our directors to attend the annual meeting of shareholders. No director attended fewer than 75% of the 2007 meetings of the board of directors and its committees on which such director served.

Each of our directors also devotes his or her time and attention to the Board of Directors' principal standing committees. The Board of Directors has established three standing committees so that certain areas can be addressed in more depth than may be possible at a full board meeting. Ad hoc task forces are also formed to consider acquisitions or other strategic issues. Each standing committee has a written charter that has been approved by the committee and the Board and that is reviewed at least annually. The committees, their primary functions and memberships are as follows:

Audit Committee. The Audit Committee's primary duties and responsibilities are oversight of the integrity of HealthStream's financial reporting process; oversight of our system of internal controls regarding finance, accounting and legal compliance; selecting and evaluating the qualification, independence and performance of our independent registered public accounting firm;

During 2007, the members of the Audit Committee were Ronald Hinds, Dale Polley, Gerard M. Hayden Jr., and Jeffrey L. McLaren. Mr. Hinds served as the Chairman of our Audit Committee until March 2007, at which time Mr. Polley assumed the role of Chairman. Mr. Hinds resigned from the Board and his Committee responsibilities effective April 2, 2007. Mr. Hayden resigned from the Board and his Committee responsibilities effective April 22, 2008, and was appointed as Chief Financial Officer of the Company. Mr. Hayden was replaced on the Audit Committee by Michael Shmerling. Each of our audit committee members is independent within the meaning of the listing standards of Nasdaq and Rule 10A-3 of the Securities Exchange Act. See Audit Committee Report for 2007.

Compensation Committee. The Compensation Committee has the responsibility for reviewing and approving the salaries, bonuses, and other compensation and benefits of our executive officers; evaluating the performance of the CEO; establishing and reviewing board compensation; reviewing and advising management regarding benefits and other terms and conditions of compensation of management; reviewing the Compensation Discussion and Analysis section of this Proxy statement; issuing the Compensation Committee report included in this Proxy statement; and administering the Company's 2000 Stock Incentive Plan (the 2000 Plan). The Compensation Committee operates pursuant to the terms of a Compensation Committee Charter, a copy of which may be accessed in the governance section of our website at www.healthstream.com. Members of the Compensation Committee during 2007 included Thompson S. Dent, Frank Gordon and Michael Shmerling, each of whom is independent within the meaning of the listing standards of Nasdaq. See Compensation Committee Report for 2007. Mr. Shmerling ceased to serve on the Compensation Committee on April 22, 2008 due to his appointment to the Audit Committee. He was replaced by Linda Rebrovick.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee provides assistance to the Board of Directors in identifying and recommending individuals qualified to serve as directors of the Company, reviews the composition of the Board of Directors, reviews and recommends corporate governance policies for the Company and annually evaluates the skills and performance of the Board of Directors. The Nominating and Corporate Governance Committee operates pursuant to the terms of a Nominating and Corporate Governance Committee Charter, a copy of which may be accessed in the governance section of our website at www.healthstream.com. Stead, each of whom is independent within the meaning of the listing standards of Nasdaq.

Our Chairman and Chief Executive Officer proposes the agenda for the board meetings and presents the agenda to the Nominating and Corporate Governance Committee, which reviews the agenda with our Chairman and may raise other matters to be included in the agenda or at the meetings. All directors receive the agenda and supporting information in advance of the meetings. Directors may raise other matters to be included in the agenda or at the meetings. Our Chairman and Chief Executive Officer and other members of senior management make presentations to the board at the meetings and a substantial portion of the meeting time is devoted to the Board of Directors' discussion of and questions regarding these presentations.

Table of Contents

Executive Sessions

The independent directors meet in executive session (i.e. with no members of management present) periodically, in at least two regularly scheduled meetings each year. The Chair of the Nominating and Corporate Governance Committee has been designated by the independent directors to preside at these meetings.

Independent Directors

The Board of Directors has determined that James F. Daniell, Thompson S. Dent, Frank Gordon, Jeffrey L. McLaren, Dale Polley, Linda Rebrovick, Michael Shmerling, and William W. Stead do not have any relationship that, in the opinion of the Board, would interfere with the exercise of the Board member's independent judgment in carrying out the responsibilities of a director and none of such directors has any relationship with the Company which would cause him or her to fail to meet the definition of independent under the listing standards of Nasdaq. All members of the standing committees of the Board of Directors are considered independent consistent with these rules.

Independence, Financial Literacy and Designation of Financial Experts

The Audit Committee of the Board of Directors has determined that all members of the Audit Committee are financially literate under the current listing standards of Nasdaq. The Board also determined that Dale Polley qualifies as an Audit Committee Financial Expert as defined by the regulations of the SEC adopted pursuant to the Sarbanes-Oxley Act of 2002 and that Mr. Polley is independent as that term is used in item 7(d)(3)(iv) of Schedule 14A of the Securities Exchange Act.

Skills Assessment and Board Evaluation Process

The Nominating and Corporate Governance Committee is responsible for assessing the Board's skills, evaluating director performance and providing feedback to directors for performance improvement. Further, the Nominating and Corporate Governance Committee annually assesses the skills required of the board to support appropriate governance and corporate oversight. In connection with these responsibilities, the Nominating and Corporate Governance Committee annually conducts a board skills assessment as well as self and peer evaluations for the full board. The board evaluation process includes self and peer reviews, suggestions for individual improvement, year to year comparison and trend analysis for both individual board members and the board on a composite basis. The Board annually reviews the results to improve effectiveness of the board as a whole. The skills assessment and board evaluation processes are used to determine skill requirements for new board member nominations, assessing committee assignments, reviewing the qualifications of incumbent directors to determine whether to recommend them to the Board of Directors as nominees for reelection and to support improvement of the effectiveness of the Board.

Table of Contents

Nominating Committee Process

The Nominating and Corporate Governance Committee is responsible for identifying qualified individuals to serve as members of the company's Board of Directors as well as reviewing the qualifications and performance of incumbent directors to determine whether to recommend them to the Board of Directors as nominees for reelection. In identifying candidates for membership on the Board of Directors, the Nominating and Corporate Governance Committee shall take into account all factors it considers appropriate, which may include (a) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as an audit committee financial expert, as that term is defined by the rules of the Securities and Exchange Commission), and local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, time availability, familiarity with the Company's business and industry, independence of thought and an ability to work collegially. The Nominating and Corporate Governance Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors. With respect to new candidates for Board service, a full evaluation generally also includes a detailed background check.

The Nominating and Corporate Governance Committee will consider nominees for the Board of Directors recommended by shareholders. Shareholders may propose nominees for consideration by the Nominating and Corporate Governance Committee by submitting the names and supporting information to: Secretary, HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. Shareholder recommendations for nominees must include certain biographical and other information, which may be found in the Company's Amended and Restated Bylaws, and the proposed nominee's written consent to nomination. The recommendations must be delivered or mailed and received at our principal executive offices not less than 120 days prior to the first anniversary of the date this notice of annual meeting was provided to shareholders (December 30, 2008).

Limitations on Other Board Service

Our Code of Conduct and Governance Principles provide that a member of the board may not serve on more than two other public company boards without Board approval. Otherwise, we do not believe that our directors should be categorically prohibited from serving on boards and/or board committees of other organizations. Service on boards and/or committees of other organizations must also be consistent with our conflict of interest policy, as set forth in our Code of Conduct and Code of Ethics for Executive Officers and Directors, which, among other things, require a director to provide notice to the Board of his or her acceptance of a nomination to serve on the board of another public company.

Communication with the Board of Directors

Shareholders may communicate with any of the Company's directors by writing to them c/o HealthStream, Inc., 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. Shareholders may also communicate with our directors by sending an email to boardofdirectors@healthstream.com. Certain Relationships and Related Transactions

Since the beginning of the last fiscal year, we are aware of no related party transactions between us and any of our directors, executive officers, 5% shareholders or their family members which may require disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934.

Pursuant to its written charter, the Audit Committee reviews and approves all related party transactions involving our directors, executive officers, immediate family members, or other entities by which any of the foregoing persons are employed (Related Party). In connection with this review and approval, the Committee reviews the relevant information and facts available to it regarding any transactions being considered or reviewed and takes into account factors such as the Related Party's relationship to the Company and interest (direct or indirect) in the transaction, the terms of the transaction and the benefits to the Company of the transaction.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are responsible for determining executive compensation and stock option grants to executive officers. During 2007, the following directors served on the Compensation Committee: Thompson S. Dent, Frank Gordon and Michael Shmerling. None of these persons has at any time been an officer or employee of the Company or any of its subsidiaries. In addition, there are no relationships among the Company's executive officers, members of the Compensation Committee or entities whose executive serves on the Board of Directors or the Compensation Committee that require disclosure under applicable SEC regulations.

AUDIT COMMITTEE REPORT FOR 2007

The Audit Committee of the Board of Directors is comprised of three directors who are independent directors as defined under Nasdaq Rule 4200(a)(15). The members of the Audit Committee are considered independent because they satisfy the independence requirements for Board members prescribed by the Nasdaq listing standards and Rule 10A-3 of the Securities Exchange Act. During 2007, the members of the Audit Committee were Ronald Hinds, Dale Polley, Gerard M. Hayden Jr., and Jeffrey L. McLaren. Mr. Hinds served as the Chairman of our Audit Committee until March 2007, at which time Mr. Polley assumed the role of Chairman. Mr. Hinds resigned from the Board and his Committee responsibilities effective April 2, 2007. Mr. Hayden resigned from the Board and his Committee responsibilities effective April 22, 2008, and was appointed as the Company's Chief Financial Officer. Mr. Hayden was replaced on the Audit Committee by Michael Shmerling.

In accordance with its written charter, the Audit Committee is charged with oversight of the integrity of HealthStream's financial reporting process; our system of internal controls regarding finance, accounting and legal compliance; and the qualification, independence and performance of our independent registered accounting firm. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. Among other things, the Committee monitors preparation by our management of quarterly and annual financial reports and interim earnings releases; reviews Management's Discussion and Analysis of Financial Condition and Results of Operations prior to the filing of our periodic reports with the SEC; supervises our relationship with our independent registered public accounting firm, including making decisions with respect to appointment or removal, reviewing the scope of audit services, approving audit and non-audit services and annually evaluating the independent registered public accounting firm's independence; and oversees management's implementation and maintenance of effective systems of internal accounting and disclosure controls, including review of our policies relating to legal and regulatory compliance. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communications with Audit Committees). In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company, including matters in the written disclosures required by Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their understanding of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial

ITEM ONE ELECTION OF DIRECTORS

The Board of Directors is divided into three classes (Class I, Class II and Class III). At each annual meeting of shareholders, directors constituting one class are elected for a three-year term. Directors who were elected by the Board of Directors to fill a vacancy in a class whose term expires in a later year are elected for a term equal to the remaining term for their respective class. The Fourth Amended and Restated Charter of the Company provides that each class shall consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board of Directors. The current Board of Directors is comprised of nine members. Three members of the Board of Directors will be elected as Class II directors at the Annual Meeting.

The Board of Directors has nominated and recommends to the shareholders, Jeffrey L. McLaren, Linda Rebrovick, and Michael Shmerling for election as Class II directors to serve until the annual meeting of shareholders in 2011 and until such time as their respective successors are duly elected and qualified. Mr. McLaren, Ms. Rebrovick, and Mr. Shmerling are currently Class II directors of the Company having been previously elected by the shareholders.

If any of the nominees should become unable to accept election, the persons named in the proxy may vote for such other person or persons as may be designated by the Board of Directors. Management has no reason to believe that any of the nominees named above will be unable to serve. Certain information with respect to directors who are nominees for election at the Annual Meeting and with respect to continuing directors who are not nominees for election at the Annual Meeting is set forth on the following pages.

ITEM TWO RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal 2007 are described below under Audit and Non-Audit Fees.

Representatives of Ernst & Young LLP will be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and we expect that they will be available to respond to questions.

Ratification of the appointment of Ernst & Young LLP requires the affirmative vote from a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the Annual Meeting. If the Company's shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider the appointment and may affirm the appointment or retain another independent accounting firm. Even if the appointment is ratified, the Audit Committee may in the future replace Ernst & Young LLP as our independent registered public accounting firm if it is determined that it is in the Company's best interest to do so.

THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2008.

EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Process. The Compensation Committee of the Company's Board of Directors (the Committee) is comprised solely of non-employee, outside, independent directors. Messrs. Dent, Gordon, and Shmerling have each served as members of the Committee since the beginning of the Company's last fiscal year, with Mr. Dent serving as the Committee's chair.

The Committee is responsible for setting the compensation of the Company's executive officers, overseeing the Board's evaluation of the performance of our chief executive officer and administering the Company's equity-based and incentive plans, among other things. The Committee undertakes these responsibilities pursuant to a written charter adopted by the Committee which is reviewed at least annually by the Committee. The Compensation Committee Charter may be accessed on our website in the governance section of our investor tab at www.healthstream.com.

The Committee annually reviews executive compensation and the Company's compensation policies to ensure that the Chief Executive Officer and the other executive officers are rewarded appropriately for their contributions to the Company and that the overall compensation strategy supports the objectives and values of our organization, as well as shareholder interests.

The Committee also solicits the views and recommendations of our Chief Executive Officer when setting the base salaries of each member of the executive team, given his insight into internal pay equity and positioning issues, as well as executive performance. At a Committee meeting typically held during the first quarter of each year, the Chief Executive Officer summarizes his assessment of the performance during the previous year of each member of the executive team, including his recommendations on any compensation adjustments for members of the executive team. Following the Chief Executive Officer's presentation and Committee discussion, the Committee discusses and approves any compensation adjustments for each member of the executive team, based on competitive considerations, the Chief Executive Officer's assessment of individual performance, the Company's performance and the executive's current salary.

The process is similar for determining the compensation adjustments for the Chief Executive Officer, except that the Chief Executive Officer does not provide the Committee with a recommendation. The Chief Executive Officer presents a self-assessment of his performance during the year to the Committee, which then meets to discuss and approve any compensation adjustment, based on its assessment of the Chief Executive Officer's performance, the Company's performance and the Chief Executive Officer's current salary. Historically, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies and below those recommended by the Committee.

Table of Contents

Compensation Philosophy. The fundamental objective of our executive compensation policies is to attract and maintain executive leadership that will execute the Company's business strategy, uphold the Company's mission, vision and values and deliver results and long-term value to the Company's shareholders. Accordingly, the Committee seeks to develop and maintain a compensation structure that will attract, retain and motivate highly qualified and high-performing executives through compensation that is fair, balanced, aligned with shareholder interests, and linked to overall financial performance.

It is the Committee's goal to have a portion of each executive's compensation contingent upon the Company's financial performance, provided a reasonable return is achieved consistent with growth in earnings or similar financial metrics, as well as providing equity-based compensation that encourages sustained long-term performance. The Committee's compensation philosophy for the executive team emphasizes an overall analysis of the executive's performance for the year, projected role and responsibilities, required impact on execution of the Company's strategy, external pay practices, total cash and equity compensation and other factors the Committee deems appropriate. Our philosophy also considers employee retention, vulnerability to recruitment by other companies and the difficulty and costs associated with replacing executive talent. Based on these objectives, the Committee has determined that our Company should provide its executives compensation packages comprised of three primary elements: (i) base salary, which reflects individual performance and is designed primarily to be competitive within the Company's market; (ii) annual cash bonuses based on the financial performance of the Company, in accordance with the goals established by the Committee; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interest between executive officers and our shareholders.

The specific analysis regarding the components of total executive compensation for 2007 are described below. The primary components of the 2007 program were cash compensation, consisting of a base salary, and equity incentives, consisting of stock options.

Base Salary. We seek to provide base salaries for our executive officers that provide a secure level of guaranteed cash compensation in accordance with their experience, professional status and job responsibilities. Each year the Committee reviews and approves a revised annual salary plan for executive officers, taking into account several factors, including prior year salary, responsibilities, tenure, performance, salaries paid by similar companies for comparable positions, and the Company's recent financial performance. Taking these factors into account, the Committee approved base salaries for Named Executive Officers in the following amounts:

Name and Title	2007 Base Salary ⁽¹⁾	2006 Base Salary ⁽¹⁾	Percentage Increase
Robert A. Frist, Jr., President and Chief Executive Officer	\$ 195,000	\$ 185,000	6.0%
Arthur E. Newman, Executive Vice President and Chief Financial Officer	195,000	185,000	6.0%
J. Edward Pearson, Senior Vice President	200,000	200,000	0.0%
Kevin O. Hara, Senior Vice President, General Counsel and Secretary ⁽²⁾	165,000	140,000	18.0%
Susan A. Brownie, Senior Vice President, Chief Financial Officer, and Secretary ⁽³⁾	190,000	170,000	11.8%

(1) Effective February 1 of each year.

(2) Mr. O. Hara was promoted to Senior Vice President and General Counsel effective February 1, 2007.

(3) Mrs. Brownie left the Company in August 2007.

Table of Contents

Cash Bonuses. In addition to base salary, our cash bonus plan compensation provides our executive officers with the potential for enhanced cash compensation based on the financial performance of the Company. For the 2007 Cash Bonus Plan, the Committee established performance objectives that would reward senior management for significant growth in earnings. The Committee chose earnings growth as a measure because it believed that there is a strong relationship between growth in earnings and growth in shareholder value. The plan was structured to provide bonus payouts (as a percentage of base salary) for achieving certain net profit goals for 2007. The bonus payouts were structured as follows: 1) 0.75 percent for achieving the minimum threshold level of net profit of \$3.2 million, 2) 1.75 percent for achieving the target level of net profit of \$3.5 million, and 3) 11.75 percent for achieving the maximum level of net profit of \$4.9 million. Since the Company did not achieve its minimum threshold net profit level for 2007, no cash bonuses were awarded to our Named Executive Officers.

Long-Term Stock-Based Incentive Compensation. As described above, one of our key compensation philosophies is that long-term stock-based incentive compensation should strengthen and align the interests of our executive officers with our shareholders. The Committee believes that the strategy of time-based vesting is in the best interest of shareholders.

Equity incentive awards are generally granted to our executive officers on an annual basis. Award levels in 2007 were consistent with the objectives and approaches discussed above, and consistent with the Company's retention, performance, and shareholder alignment objectives. The Committee typically approves these awards at its first quarter Committee meeting. Awards are granted on the date of the Committee meeting. The Committee may also approve additional equity incentive awards in certain special circumstances, such as promotion of an executive officer to a new position, new executive team members, or in recognition of special contributions or achievements by an executive officer. During 2007, the following stock options for the purchase of the Company's common stock were granted to our Named Executive Officers pursuant to the 2000 Plan:

Name and Title	Shares Subject to Time-Based Vesting Option Grant	Exercise Price ⁽¹⁾	Aggregate Grant Date Fair Value
Robert A. Frist, Jr., President and Chief Executive Officer		\$	\$
Arthur E. Newman, Executive Vice President and Chief Financial Officer	34,000	3.75	81,600
J. Edward Pearson, Senior Vice President	34,000	3.75	81,600
Kevin O. Hara, Senior Vice President, General Counsel and Secretary	34,000	3.75	81,600
Susan A. Brownie, Senior Vice President, Chief Financial Officer, and Secretary ⁽²⁾	50,000	3.75	120,000

(1) The exercise price per share is equal to the fair market value of the common stock on the date of the grant.

(2) Mrs. Brownie left the Company in August 2007 and forfeited those options granted in 2007.

The stock options are subject to the terms of the 2000 Plan and the individual grant award agreements. The options vest annually, in four increments as of the first, second, third and fourth anniversaries of the grant date, subject to acceleration as contemplated in the 2000 Plan. Each of the options has an exercise price equal to the fair market value of our common stock at the time of the grant, as determined by the closing price of our common stock on Nasdaq on the date of the grant. The aggregate grant date fair value of each option award is computed in accordance with Statement of Financial Accounting Standards No. 123R, or FAS 123R.

Chief Executive Officer Compensation. In establishing the compensation of Robert A. Frist, Jr., the Company's Chief Executive Officer, the Compensation Committee utilized the same compensation policies applicable to executive officers in general; however, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies. Effective in 2007, Mr. Frist's annual base salary was increased from \$185,000 to \$195,000.

Perquisites and Other Benefits. The Company has paid commuting expenses (of \$26,685) to Nashville, Tennessee, to Arthur E. Newman, including tax gross up payments to Mr. Newman to cover income tax associated with such payments. Our executive officers are also eligible for benefits generally available to and on the same terms as the Company's employees including health insurance, disability insurance, dental insurance, and life insurance. We reimburse our Chief Executive Officer for life insurance coverage in an amount not to exceed \$10,000. While the Company maintains a 401(k) Plan, the Company has not provided any matching contributions under such plan.

Employment Agreement, Severance and Change In Control Agreements. We maintain an employment agreement with Robert A. Frist, Jr., our chief executive officer, the term of which is automatically extended for successive one year periods unless on or before a date that is 90 days prior to the expiration of the employment term either the Company or Mr. Frist shall have given written notice to the other of its or his intention not to further extend the employment term, in which case the employment agreement shall expire and terminate at the end of the extended employment term. Mr. Frist is also entitled to participate in any bonus program or stock option plan that is generally available to our officers or senior management. In addition, Mr. Frist is eligible for reimbursement of life insurance coverage in an amount not to exceed \$10,000 annually. Under his employment agreement, Mr. Frist has agreed not to compete with us and not to solicit our customers or employees for one year after his employment is terminated, with limited exceptions. Mr. Frist is entitled to severance benefits if we terminate him without cause. He is also entitled to severance benefits if he resigns for good reason after a change in control, if he resigns upon the occurrence of a material change in the terms of his employment or if he resigns upon the occurrence of a material breach of the agreement by the Company. If any such termination occurs, Mr. Frist will be entitled to a severance benefit equal to 1.5 times the most recent recommended salary by our Compensation Committee for him. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change in control, all options, shares and other benefits will fully vest immediately.

Under the 2000 Plan, any outstanding stock options become fully exercisable and immediately vested upon a change of control, as defined in the 2000 Plan.

Compensation Decisions for 2008. In April 2008, the Committee reviewed the performance and compensation of the executive team, discussed the hiring of a Chief Financial Officer, and discussed the grant of equity-based rewards to executive officers. In addition, the Committee provided management with its philosophy with regard to the 2008 Incremental Net Income Incentive Plan, reflecting tiered bonuses as a percentage of base salary ranging from a minimum payout of 4.2 percent for exceeding the Company's budgeted net income for 2008, with incremental payouts for net income performance above the minimum level, and a maximum payout of 35 percent for net income performance significantly higher than the minimum payout level. The Committee approved the grant of stock options to management during the April 2008 meeting.

The table below summarizes the current base salary levels and 2008 equity incentive grants for the Named Executive Officers, in addition to Mr. Hayden and Mr. Doster, who we anticipate will be Named Executive Officers in our 2009 proxy statement.

Tax Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (the Code) generally disallows a corporate deduction for compensation over \$1.0 million paid to the Company's CEO and any of the other four most highly compensated executive officers. The \$1.0 million limitation applies to all types of compensation, including amounts realized upon the exercise of stock options, unless the awards and plan under which the awards are made qualify as performance based under the terms of the Code and related regulations. Based on applicable tax regulations, any taxable compensation derived from the Company's cash bonus plan and from the exercise of stock options granted pursuant to the 2000 Plan should qualify as performance based compensation for purposes of Section 162(m). None of the Company's executive officers received compensation that exceeded the applicable deductibility limits in 2007.

Potential Payments Upon Termination or Change-in-Control

As of December 31, 2007, we maintained only one employment agreement, with Robert A. Frist, Jr., our Chief Executive Officer. The term of the agreement automatically extends for successive one year periods unless either party provides 90 days advance notice of their intent not to further extend the employment term, in which case the employment agreement shall expire and terminate at the end of the extended employment term. Mr. Frist is entitled to severance benefits if we terminate him without cause; if he resigns for good reason after a change-in-control; if he resigns upon the occurrence of a material change in the terms of his employment; or if he resigns upon the occurrence of a material breach of the agreement by the Company. If any such termination occurs, Mr. Frist will be entitled to a severance benefit equal to 1.5 times the most recent recommended salary by our Compensation Committee for him. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change-in-control, all options, shares and other benefits will fully vest immediately. If Mr. Frist is terminated for cause, or because of his death, disability, or voluntary resignation without good reason, he would not be entitled to any compensation or benefits beyond his effective termination date, other than benefits provided through statutory requirements.

Under the terms of the 2000 Plan, any outstanding stock options will become fully vested and exercisable upon a change-in-control. Further, the 2000 Plan also provides for cash payments based on the difference between the change-in-control price per share of common stock and the per share exercise price of each outstanding option, multiplied by the number of shares of common stock that would be issued if such option were exercised upon a change-in-control. Under the terms of the 2000 Plan, the change-in-control price is to be based on the highest price paid per share for any transaction

GENERAL INFORMATION

Important Notice Regarding Delivery of Shareholder Documents

The rules of the Securities and Exchange Commission allow the Company to send a single copy of the Proxy Statement and Annual Report to Shareholders to any household at which two or more shareholders reside if the Company believes the shareholders are members of the same family, unless the Company has received contrary instructions from a shareholder. This process, known as householding, reduces the volume of duplicate information received at your household and helps reduce the Company's expenses. The rule applies to the Company's annual reports and proxy statements. Each shareholder in the household will continue to receive a separate proxy card.

If your shares are registered in your own name and you would like to receive your own set of the Company's annual disclosure documents this year or in future years, or if you share an address with another shareholder and together both of you would like to receive only a single set of the Company's annual disclosure documents, please contact the Company's Secretary by calling (800) 845-1579 or writing to the Company at HealthStream, Inc., Investor Relations Department, 209 10th Avenue South, Suite 450, Nashville, Tennessee 37203. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly. The Company will deliver within 30 days upon oral or written request a separate copy of the Proxy Statement or Annual Report to Shareholders to a shareholder at a shared address to which a single copy of the documents was delivered.

Our 2007 Annual Report to Shareholders is being mailed to shareholders with this proxy statement. The Annual Report is not part of the proxy solicitation materials.
