Item 3. INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE.

Ferro Corporation (the "Registrant") and Ferro Corporation Bargaining Unit 401(k) Plan (the "Plan") incorporate by reference and make part of this Registration Statement the following documents:

- (a) The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, filed with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act");
- (b) The Registrant's Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2002; and

All documents subsequently filed by the Registrant or the Plan pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing such documents.

Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant's Amended Code of Regulations provides that it shall indemnify any of its present or former directors or officers against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, which are actually and reasonably incurred by the person because of his or her position with Registrant in connection with any threatened, pending or completed action, suit or proceeding.

With the exception of a lawsuit brought by Registrant or in its right, Ohio law permits indemnification of these individuals in these matters provided that they have acted in good faith, in a manner reasonably believed to be in or not opposed to Registrant's best interests and, with respect to any criminal action or proceeding, had no reason to believe their conduct was illegal. In the case of a lawsuit brought by Registrant or in its right, Ohio law, subject to certain exceptions, permits indemnification of these individuals against expenses, including attorneys' fees, actually and reasonably incurred by them in connection with the settlement or defense of the lawsuit provided that they have acted in good faith and in a manner reasonably believed to be in or not opposed to Registrant's best interests. One exception to

2

this principal applies when the directors or officers are determined to be liable for negligence or misconduct in the performance of their duty to Registrant. In this case, Registrant is not permitted to indemnify the directors and officers, unless a court determines that the person is fairly and reasonably entitled to indemnity for such expenses and believes the expenses are appropriate.

The Registrant maintains contracts insuring it, with certain exclusions, against any liability to directors and officers that it may incur. The Registrant insures its directors and officers against liability and expenses (with certain exclusions), including legal fees, which they may incur because of their position with Registrant.

Item 9. UNDERTAKINGS.

- (a) The undersigned Registrant hereby undertakes:

3

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the

Edgar Filing: FERRO CORP - Form S-8

registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act and each filing of the Plan's annual report pursuant to Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
