PROXY STATEMENT

This proxy statement contains information related to the annual meeting of the stockholders of Penton Media, Inc. to be held on Thursday, July 15, 2004, beginning at 2:00 P.M., local time, in Conference Room 571, 5th Floor, Penton Media Bldg., 1300 East Ninth Street, Cleveland, Ohio 44114-1503. This proxy statement is being provided in connection with the solicitation of proxies by the Board of Directors for use at the 2004 annual meeting of stockholders and at any adjournment or postponement of the meeting. This proxy statement and the enclosed proxy card are first being mailed to stockholders on or about June 3, 2004.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At Penton's annual meeting, stockholders will act upon the matters described in the accompanying notice of annual meeting of stockholders. These matters include:

- To elect two directors for a three-year term expiring in 2007;
- To ratify the appointment of Penton's independent certified accountants for the fiscal year ending December 31, 2004; and
- To transact such other business as may properly be brought before the meeting.

In addition, Penton's management will report on the performance of Penton during the 2003 Fiscal Year and respond to questions from stockholders. The Company does not have a policy regarding Director attendance at annual meetings of the Company's stockholders. Messrs. Kemp and Ramella attended the annual meeting of stockholders in 2003.

WHO IS ENTITLED TO VOTE?

Only holders of record of our outstanding common stock and preferred stock at the close of business on the record date, May 20, 2004, are entitled to receive notice of and to vote at the meeting, or any postponement or adjournment of the meeting.

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

A list of stockholders entitled to vote at the annual meeting will be available for examination by any stockholder, for any purpose concerning the meeting, during ordinary business hours at Penton's principle executive offices, 1300 East Ninth Street, Cleveland, Ohio 44114-1503 during the ten days preceding the meeting.

HOW MANY VOTES DO I GET?

Each holder of common stock is entitled to one vote per share of common stock with respect to all matters on which the holders of common stock are entitled to vote. The holders of the preferred stock are entitled to a total of 15,049,124 votes with respect to all matters on which the holders of preferred stock are entitled to vote.

WHO CAN ATTEND THE MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

WHAT CONSTITUTES A QUORUM?

Under Penton's Bylaws, the presence at the annual meeting, in person or by proxy, of the holders of shares of Penton stock entitled to cast at least a majority of the votes which the outstanding stock entitled to vote at the annual meeting is entitled to cast on a particular matter will constitute a quorum entitled to take action with respect to the vote on that matter. As of May 20, 2004, the record date for the annual meeting, 33,507,320 shares of common stock of Penton were outstanding and eligible to vote. Also, as of May 20, 2004, there were 50,000 shares of preferred stock outstanding, and the holders of those shares are entitled to a total of 15,049,124 votes. The holders of Penton's common stock and preferred stock are entitled to vote on all matters.

Abstentions and broker "non-votes" are counted as present and entitled to vote for the purposes of determining a quorum.

WHAT IS A BROKER "NON-VOTE"?

A broker "non-vote" occurs when a nominee holding stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power with respect to that item and has not received instructions from the beneficial owner.

HOW DO I VOTE?

Sign and date each proxy card you receive and return it in the prepaid envelope. All shares of stock entitled to vote at the annual meeting that are represented by properly executed proxies will, unless such proxies have been revoked, be voted in accordance with the instructions given in such proxies or, if no contrary instructions are given therein, will be voted in accordance with the Board's recommendations. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted in accordance with the Board's recommendations.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

The Board's recommendations are set forth after the description of each proposal in this proxy statement. In summary, the Board recommends a vote:

- FOR the election of the directors as described under "Election of

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

Directors"; and

- FOR the proposal of the Board of Directors to ratify the appointment of Penton's independent certified accountants for the fiscal year ending December 31, 2004.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

MAY I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Any stockholder who has given a proxy with respect to any matter may revoke it at any time prior to the closing of the polls as to that matter at the annual meeting by delivering a notice of revocation or a duly executed proxy bearing a later date to the Secretary of Penton, or by attending the annual meeting and voting in person.

WHO WILL COUNT THE VOTE?

National City Bank, our independent stock transfer agent, will count the votes and act as the inspector of election.

WHAT SHARES ARE INCLUDED ON THE PROXY CARD(S)?

The shares on your proxy card(s) represent ALL of your shares of stock of Penton. If you have shares in the 401(k) Plan and do not vote by proxy, or return your proxy card with an unclear voting designation

2

or no voting designation at all, The Northern Trust Company will vote your plan shares in proportion to the way the other plan participants voted their shares held in the plan.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

If your shares are registered differently and are in more than one account, you will receive more than one proxy card. To ensure that all your shares are voted, sign and return all proxy cards. We encourage you to have all accounts registered in the same name and address (whenever possible). You can accomplish this by contacting our stock transfer agent, National City Bank, at (800) 622-6757.

HOW ARE PROXIES SOLICITED?

Proxies will be solicited by mail. Proxies may also be solicited by directors, officers and a small number of regular employees of Penton personally or by mail, telephone or telegraph, but such persons will not be specially compensated for such services. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the soliciting material to the beneficial owners of stock held of record by such persons, and Penton will reimburse them for their expenses in doing so.

The entire cost of the solicitation will be borne by Penton.

DO THE STOCKHOLDERS HAVE ANY APPRAISAL RIGHTS WITH REGARD TO ANY OF THE PROPOSALS?

No. Under Delaware law, stockholders are not entitled to appraisal rights with respect to these proposals.

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

WHEN ARE STOCKHOLDER PROPOSALS FOR THE 2005 ANNUAL MEETING OF STOCKHOLDERS DUE?

To be considered for inclusion in Penton's proxy statement for the 2005 annual stockholders meeting, stockholder proposals must be received at Penton's offices no later than February 2, 2005. Proposals must be in compliance with Rule 14a-8 under the Securities Exchange Act of 1934 and Penton's Bylaws, and must be submitted in writing, delivered or mailed to the Corporate Secretary, Penton Media, Inc., 1300 East Ninth Street, Cleveland, Ohio 44114-1503.

In addition, Penton's Bylaws require that if a stockholder desires to introduce a stockholder proposal or nominate a director candidate from the floor of the 2005 annual meeting of the stockholders, such proposal or nomination must be submitted in writing to Penton's Corporate Secretary at the above address not less than 60 days nor more than 90 days prior to the first anniversary of the 2004 annual meeting of the stockholders or, if the date of the annual meeting is more than 30 days prior to or more than 60 days after the preceding anniversary date, notice by the stockholder will be timely if received not earlier than the 90th day prior to the 2005 annual stockholders meeting (which has not yet been set) and not later than the close of business on the later of (i) the 60th day prior to the 2005 annual stockholders meeting or (ii) the 10th day following public announcement of the 2005 annual stockholders meeting.

Each notice by stockholders must set forth (i) the name and address of the stockholder who intends to make the nomination or proposal and of any beneficial owner on whose behalf the nomination or proposal is made and (ii) the class and number of shares of common stock that are owned beneficially and of record by such stockholder and beneficial owner, if any. In the case of a stockholder proposal, the notice must also set forth a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of such stockholder or beneficial owner, if any, in that proposed business.

HOW DOES THE BOARD SELECT NOMINEES FOR THE BOARD?

The Nominating and Governance Committee (the "Committee") considers candidates for Board membership suggested by its members and other Board members, as well as from management and stockholders. Stockholders' recommendations for nominees to the Board of Directors will be considered

3

by the Committee provided such nominations are made in accordance with the Company's By-laws relating to advance notice of stockholder nominations.

There are no specific minimum qualifications or specific qualities or skills that are necessary for directors of the Company to possess. In evaluating director nominees, the Nominating and Governance Committee will consider criteria as it deems appropriate. The Committee will consider criteria such as judgment, skill, diversity, integrity, experience, independence from management, and the ability to devote an appropriate amount of time to Board related matters. The Committee also considers such other relevant factors, including current composition of the Board, and the need for Audit Committee expertise. After completing its evaluation, the Committee makes its recommendations to the full Board, whereupon, the Board then determines the nominees after considering the recommendations and report of the Committee. The Committee does not have a charter.

MAY A STOCKHOLDER NOMINATE SOMEONE TO BE A DIRECTOR OF PENTON?

As a stockholder, you may recommend any person as a nominee for director of Penton. Each nomination must be submitted in the same manner as for other

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

stockholder proposals. Also, the notice must set forth any information regarding the nominee proposed by the stockholder that would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission and the consent, if so required, of the nominee to be named in a proxy statement as a candidate for election and to serve as a director of Penton if elected.

HOW DO STOCKHOLDERS COMMUNICATE WITH THE BOARD?

Stockholders and other parties interested in communicating directly with the Chairman of the Board or with the non-management directors as a group may do so by writing the Board of Directors, c/o Corporate Secretary, Penton Media, Inc., 1300 East Ninth Street, Cleveland, Ohio 44114-1503. DOES THE COMPANY HAVE A CODE OF ETHICS?

The Company has a Code of Business Conduct, which is applicable to all employees of the Company, including the principal executive officer, the principal financial officer and the principal accounting officer. The Code of Business Conduct is available on the Company's Web site (www.penton.com) and will be provided upon request at no charge. (1) Except as otherwise indicated below, beneficial ownership means the sole power to vote and dispose of shares.

(2) Calculated using 33,507,320, the number of shares of common stock outstanding as of June 2, 2004. This number excludes the number of shares of common stock (1) into which the outstanding

5

preferred stock is convertible, (2) for which the outstanding warrants are exercisable and (3) for which any options to purchase common stock held by directors and executive officers are exercisable.

(3) The information as to ABRY Mezzanine Partners, L.P. (ABRY) and entities controlled directly or indirectly by ABRY is derived in part from Schedule 13D, as filed with the Securities and Exchange Commission on March 28, 2002, statements required to be filed by ABRY pursuant to Section 16(a) of the Exchange Act, and information furnished to Penton separately by ABRY.

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

- (4) ABRY does not currently own any shares of common stock. This number represents the number of shares of common stock ABRY would be entitled to receive upon conversion of its preferred stock and exercise of its warrants to purchase common stock. ABRY and its affiliated entities currently own 30,000 shares of preferred stock convertible, as of June 2, 2004, into approximately 9,116,968 shares of common stock and warrants to purchase an aggregate of 1,917,480 shares of common stock.
- (5) This number reflects the total number of shares of common stock such holder is entitled to receive upon conversion of its preferred stock and exercise of the related warrants. The number of shares into which a share of preferred stock is convertible is calculated by dividing its current liquidation preference by the conversion price of \$3.81 (See Footnote 24). The liquidation preference is the sum of the liquidation value of the preferred stock, currently \$1,000, plus any accrued dividends. Currently, dividends compound and accrue daily. Consequently, the number of shares into which the preferred stock is convertible increases daily. So long as any of Penton's 10 3/8% senior subordinated notes due 2011 and 11 7/8% senior secured notes due 2007 remain outstanding, the number of shares of common stock that each of ABRY and its affiliated entities, ABACUS Fund Partners, LP, ABACUS Fund, Ltd. and Sandler Capital Management and its affiliated entities are entitled to receive pursuant to the conversion of their preferred stock and exercise of the warrants is limited by the terms of the Certificate of Designations governing the preferred stock and warrant agreements, respectively, to prevent any holder or group of holders of preferred stock or warrants from becoming the beneficial owner of more than 35% of the aggregate votes of the outstanding capital stock of Penton entitled to vote in the election of directors. Currently, no holder of preferred stock is limited by this provision.
- (6) ABACUS Fund Partners, LP and ABACUS Fund, Ltd. do not currently own any shares of common stock. This number represents the number of shares of common stock they would be entitled to receive upon conversion of their preferred stock and exercise of their warrants to purchase common stock. They currently own 5,000 shares of preferred stock convertible, as of June 2, 2004, into approximately 1,427,261 shares of common stock and warrants to purchase an aggregate of 319,580 shares of common stock.
- (7) The information as to Select Equity Group, Inc., et al. is derived from Schedule 13G/A, as filed with the Commission on February 17, 2004, which was filed jointly by Select Equity Group (Select), Select Offshore Advisors, LLC (Select Offshore), and George S. Loening, the controlling shareholder of Select and Select Offshore (Loening). Select and Select Offshore are the beneficial owners of the shares. As the President and controlling shareholder of Select and the Manager of Select Offshore, Loening has the power to vote and to direct the voting of and the power to dispose and direct the disposition of the shares owned by Select and Select Offshore. Accordingly, Loening may be deemed to be the beneficial owner of all the shares owned by Select and Select Offshore.
- (8) The information as to Mario J. Gabelli and entities controlled directly or indirectly by Mr. Gabelli is derived from Schedule 13D/A, as filed with the Securities and Exchange Commission on February 4, 2004, and statements required to be filed by Mr. Gabelli and entities controlled directly or indirectly by Mr. Gabelli pursuant to Section 16(a) of the Exchange Act. Such statement discloses that (i) Mr. Gabelli is the chief investment officer for each of the entities signing such statements and is deemed to have beneficial ownership of the shares beneficially owned by all such entities, (ii) Mr. Gabelli and such entities do not admit that they constitute a group within the meaning of

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

Section 13(d) of the Exchange Act and the rules and regulations thereunder, and (iii) with respect to Penton common stock, Mr. Gabelli and such entities have the sole power to vote and dispose of all the shares of which they are beneficial owners, unless the aggregate voting interest of all such entities exceeds 25% of Penton's total voting interest or other special circumstances exist, in which case the proxy voting committees of certain of such entities would have the sole power to vote certain shares of Penton common stock except 220,383 shares of Penton's common stock as to which they have no voting power.

- (9) The information as to Mr. Greene is derived in part from Schedule 13D, as filed with the Securities and Exchange Commission on June 21, 1999, statements required to be filed by Mr. Greene pursuant to Section 16(a) of the Exchange Act, and information furnished to Penton separately by Mr. Greene. Mr. Greene has indirect beneficial ownership of the common stock under Rule 13d-3 of the Securities Exchange Act of 1934 through New Hope Group, LLC, a Colorado corporation (New Hope Group). Mr. Greene is the chief executive officer, sole director and sole shareholder of New Hope Group. Mr. Greene is a director of Penton.
- (10) Includes 8,499 shares subject to options currently exercisable or exercisable within 60 days of June 2, 2004.
- (11) The information as to Sandler Capital Management and entities controlled directly or indirectly by Sandler is derived in part from Schedule 13D, as filed with the Securities and Exchange Commission on March 28, 2002, and information furnished to Penton separately by Sandler.
- (12) Sandler does not currently own any shares of common stock. This number represents the number of shares of common stock Sandler would be entitled to receive upon conversion of its preferred stock and exercise of its warrants to purchase common stock. Sandler and its affiliated entities currently own 15,000 shares of preferred stock convertible, as of June 2, 2004, into approximately 4,557,725 shares of common stock and warrants to purchase an aggregate of 958,740 shares of common stock.
- (13) Ms. Garber and Mr. Budde may be deemed to beneficially own the stock beneficially owned by ABRY and its affiliated entities because of their relationship with ABRY and its affiliated entities and because they were appointed to Penton's Board of Directors at the request of ABRY. Ms. Garber and Mr. Budde disclaim any beneficial ownership of the shares of stock owned by ABRY and its affiliates. In addition, Mr. Budde owns 1,000 shares individually.
- (14) Ms. Craven may be deemed to beneficially own the stock beneficially owned by Sandler and its affiliated entities because of her relationship with Sandler and its affiliated entities and because she was appointed to Penton's Board of Directors at the request of Sandler. Ms. Craven disclaims any beneficial ownership of the shares of stock owned by Sandler and its affiliates.
- (15) Includes 30,000 shares subject to options currently exercisable or exercisable within 60 days of June 2, 2004.
- (16) Includes 74,075 shares held in trust for the benefit of Mr. Donohue's children, for which Mr. Donohue disclaims beneficial ownership. Includes 13,000 shares subject to options currently exercisable or exercisable within 60 days of June 2, 2004.

- (21) Includes 29,499 shares subject to options currently exercisable or exercisable within 60 days of June 2, 2004.
- (22) Includes 14,499 shares subject to options currently exercisable or exercisable within 60 days of June 2, 2004.
- (23) Includes the 11,034,448 shares of common stock that may be deemed to be beneficially owned by Ms. Garber and Mr. Budde, the 5,516,465 shares of common stock that may be deemed to be beneficially owned by Ms. Craven and 597,151 shares subject to options currently held by directors and executive officers exercisable or exercisable within 60 days of June 2, 2004.
- (24) In April 2004, the Board of Directors of the Company agreed to reduce the number of Board members, effective with the 2004 annual meeting of stockholders, from eleven members to eight members. With this reduction, the holders of the preferred stock and its designees will have a majority of our Board of Directors. Upon the preferred holders obtaining a majority, the conversion price of the preferred stock adjusts back to \$7.61 per share from \$3.81 per share. Had the conversion price of the preferred stock changed to \$7.61 on June 2, 2004, ABRY's and its affiliated entities' 30,000 shares of preferred stock would have been convertible, as of June 2, 2004, into approximately 4,564,474 shares of common stock and warrants to purchase an aggregate of 960,000 shares of common stock, and the total shares of 5,524,474 would have represented 14.15% of the outstanding shares of the Company's common stock on June 2, 2004; ABACUS Fund Partners, LP's and ABACUS Fund, Ltd.'s 5,000 shares of preferred stock would have been convertible, as of June 2, 2004, into approximately 714,568 shares of common stock and warrants to purchase an aggregate of 160,000 shares of common stock, and the total shares of 874,568 would have represented 2.54% of the outstanding shares of the Company's common stock on June 2, 2004; and Sandler's and its affiliated entities' 15,000 shares of preferred stock would have been convertible, as of June 2, 2004, into approximately 2,281,857 shares of common stock and warrants to purchase an aggregate of 480,000 shares of common stock, and the total shares of 2,761,857 would have represented 7.61% of the outstanding shares of the Company's common stock on June 2, 2004.

PROPOSAL TO ELECT TWO DIRECTORS TO THE BOARD (PROPOSAL 1)

WHAT ARE WE ASKING YOU TO APPROVE?

Two directors are to be elected to serve a three-year term expiring in 2007 and until their respective successors have been elected.

Messrs. Kemp, Harris, Schwartz and Summers will not stand for re-election as

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

directors of Penton bringing the Board to seven active members. Consequently, the Board of Directors has determined to reduce the number of directors comprising the Board of Directors from 11 to 8. It is the Board's expectation that the replacement CEO will be appointed to the eighth Board seat and will stand for election by the stockholders at its 2005 annual meeting. Nominees for election this year are: Hannah C. Craven and Peni A. Garber.

Penton's Restated Certificate of Incorporation requires that its Board of Directors be divided into three classes, as nearly equal in number as possible. Further, if the number of directors which shall constitute a whole Board of Directors of the Corporation is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible. Accordingly, the Nominating and Governance Committee has nominated Mmes. Craven and Garber, whose terms would have originally expired in 2005, who have agreed to be nominees for election as directors for a three-year term expiring in 2007.

8

WHAT DOES THE BOARD OF DIRECTORS RECOMMEND WITH RESPECT TO PROPOSAL 1?

THE BOARD RECOMMENDS A VOTE FOR THE NOMINEES.

WHAT VOTE IS REQUIRED FOR THIS PROPOSAL?

Under applicable Delaware law, in determining whether each nominee has received the requisite number of votes, abstentions and broker non-votes will not be counted.

For the election of Mmes. Craven and Garber, a plurality of the votes of the holders of preferred stock, voting separately as a single class and to the exclusion of the holders of the common stock, is required to elect each nominee. In addition, the holders of preferred stock have determined to submit the election of Mmes. Craven and Garber to a vote of the common stockholders as well. Consequently, the election of Mmes. Craven and Garber also requires a plurality of the votes of the shares of common stock and preferred stock present in person or represented by proxy and entitled to vote on the election of directors, voting together as a single class.

Except to the extent that stockholders indicate otherwise on their proxies solicited by Penton's Board of Directors, the holders of these proxies intend to vote such proxies for the election as directors of the persons named above as nominees for election, provided that if any of the nominees for election are unable or fail to act as directors by virtue of an unexpected occurrence, these proxies will be voted for such other person or persons as will be determined by the holders of these proxies in their discretion. Alternatively, so long as this action does not conflict with the provisions of Penton's Restated Certificate of Incorporation, as amended, the Board of Directors may, in its discretion, reduce the number of directors to be elected.

AGREEMENTS REGARDING BOARD REPRESENTATION

The holders of the preferred stock were initially entitled to appoint three members to our Board of Directors. Pursuant to the agreement by which Penton sold its preferred stock and related warrants to a group of investors led by ABRY Mezzanine Partners, L.P., Mr. Budde and Mmes. Craven and Garber were appointed by the Board of Directors of Penton to serve as directors of Penton. At the 2002 annual meeting of stockholders, Mr. Budde and Mmes. Craven and Garber were elected to the Board of Directors by the preferred stockholders to serve a three-year term expiring in 2005. Mr. Budde has

10

indicated that he plans to resign from the Board on or before June 30, 2004. The holders of the preferred stock are entitled to appoint a replacement to fill the vacancy.

At such time as the holders of convertible preferred stock cease to hold shares of preferred stock having an aggregate liquidation preference of at least \$25 million, they will lose the right to appoint the director for one of these three Board seats.

Upon the occurrence of the following events, the holders of a majority of the preferred stock may nominate two additional members to our Board of Directors

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

and, if such triggering events have not been cured or waived prior to the end of the next succeeding quarter, may appoint one less than a minimum majority of our Board of Directors:

- failure to comply with certain specified covenants and obligations contained in the convertible preferred stock certificate of designations or purchase agreement and such failure is not cured within 90 days;
- any representation or warranty in the convertible preferred stock purchase agreement is proven to be false or incorrect in any material respect; and
- any default that results in the acceleration of indebtedness, where the principal amount of such indebtedness, when added to the principal amount of all other indebtedness then in default, exceeds \$5 million or final judgments for the payment of money aggregating more than \$1 million (net of insurance proceeds) are entered against us and are not discharged, dismissed, or stayed pending appeal within 90 days after entry.

As of April 1, 2003, the holders of preferred stock were entitled to two additional seats on the Board of Directors as a result of Penton's leverage ratio, as determined in accordance with the terms of the preferred stock purchase agreement, exceeding 7.5 to 1.0. In accordance with agreements entered into at the time of the private placement, Messrs. Meehan and Nussbaum resigned as directors. The Board of Directors appointed Messrs. Kelly and Sook to fill the vacancies and serve until the 2006 annual meeting.

Upon the occurrence of the following events, the holders of a majority of the preferred stock may appoint one less than a minimum majority of our Board of Directors:

- failure to pay the liquidation preference or any cash dividends, to the extent declared, when due; and
- failure to comply with certain specified covenants and obligations contained in the preferred stock certificate of designations or purchase agreement.

Upon the occurrence of the following event, the holders of a majority of the preferred stock may appoint a minimum majority of our Board of Directors:

- we initiate or consent to proceedings under any applicable bankruptcy, insolvency, composition, or other similar laws or make a conveyance or assignment for the benefit of our creditors generally or any holders of any lien takes possession of, or a receiver, administrator, or other similar officer is appointed for, all or substantially all of our properties, assets or revenues and is not discharged within 90 days.

On March 19, 2008, the holders of a majority of the preferred stock then outstanding, if they meet the threshold described in the following paragraph, will be entitled to appoint one less than a minimum majority of our Board of Directors, subject to the right to appoint a minimum majority of our Board of Directors as described in the immediately preceding paragraph.

At such time as the holders of preferred stock cease to hold shares of convertible preferred stock having an aggregate liquidation preference of at least \$10 million and such holders' beneficial ownership of our preferred stock and common stock constitutes less than 5% of the aggregate voting power of our voting securities, the holders of preferred stock will no longer have the right to any directors.

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

We have also granted the holders of the preferred stock the right to have representatives attend meetings of the Board of Directors until such time as they no longer own any preferred stock, warrants or shares of common stock issued upon conversion of the preferred stock and exercise of the warrants.

With regard to the 2005 annual meeting of stockholders, any such suggestion must be received by the Secretary no later than the date by which stockholder proposals for such annual meeting must be received as described below under the heading "Stockholder Proposals for the 2005 Annual Meeting."

COMPENSATION

BOARD COMPENSATION

Compensation of non-employee directors consists of an annual retainer of \$20,000, plus \$3,000 for each Board meeting attended in person, \$1,000 for each Board meeting attended by telephone and \$1,000 for each committee meeting attended, except that \$500 is paid for attending a committee

meeting held on the same day as a Board meeting. The Chairman of each of the Audit Review Committee and the Compensation Committee is paid an additional \$5,000 per year. Ms. Garber, Mr. Budde and Ms. Craven and employee directors are not compensated for serving as directors.

Each director of Penton will be reimbursed by Penton for out-of-pocket expenses incurred in attending Board and Board committee meetings.

Penton has adopted the Penton Media, Inc. 1998 Director Stock Option Plan (as Amended and Restated Effective as of March 15, 2001) for non-employee directors. The plan was approved by the stockholders at the 1999 annual meeting, and an increase in the number of shares of common stock authorized under the plan was approved by stockholders at the 2001 annual meeting. Pursuant to the plan, and subject to certain limitations contained in it, the Board may grant non-qualified options to purchase common stock, at an exercise price not less than fair market value on the date of grant, to directors of Penton who at the time of grant are not employees of Penton or any of its subsidiaries. In addition, the Board may authorize the grant of restricted stock or deferred shares to non-employee directors under the plan. The plan also provides that the Board may permit non-employee directors to elect to receive non-qualified options, restricted stock or deferred shares in lieu of all or a portion of such non-employee director's compensation otherwise payable in cash. On February 5, 2003, five non-employee directors were each awarded an option to purchase 4,000 shares of common stock, with such awards becoming effective on February 24, 2003. Such options will vest at the rate of 33 1/3% per year.

(1) The assumed annual rates of appreciation in the price of common stock are in accordance with rules of the Securities and Exchange Commission and are not predictions of future market prices of the common stock nor of the actual values the named executive officers will realize. In order for such annual rates of appreciation to be realized over the 10-year term of the options, the market price of the common stock would have to increase to \$.60/share (5%) or \$.96/share (10%) during that term. In such event, and assuming corresponding annual rates of increase for the market price of common stock, the market value of all currently outstanding shares of common stock would have increased by approximately \$20,097,642 (5%) or \$32,156,227 (10%) during that 10-year term.

(2) Consists of non-qualified options to purchase common stock granted under the Equity Incentive Plan at an exercise price equal to the closing price of the common stock on the date of grant, February 24, 2003. Each option becomes fully exercisable on the third anniversary of the date of grant, subject to full or partial acceleration in the event of earlier termination of employment (full acceleration if earlier termination is on account of death, permanent disability, retirement upon or after reaching age sixty-five or upon a change of control of Penton; partial acceleration in increments of 33 1/3% each year commencing one year after the date of grant if termination is for any other reason other than for "cause").

(1) Estimated payout if certain performance levels are achieved. No payout occurs unless a specified minimum performance is achieved.

The above table presents information about performance units granted during the year to the executive officers listed above. Each performance unit, if earned, entitles the executive officer to receive a cash payment. The earning of the performance shares awarded is subject to the achievement of specified performance goals, based on the compound annual growth rate of Penton's income (loss) before interest, taxes, depreciation and amortization and unusual items (EBITDA) (the "CAGR") over the three-year period from January 1, 2003 through December 31, 2005.

No payments will be made in respect of performance units unless a specified minimum CAGR performance level is achieved. If the target CAGR performance level is achieved, each executive officer will be entitled to receive \$1.00 for each performance unit. If the CAGR is below the specified target level but above the minimum performance level, the executive officer will be entitled to receive a portion of \$1.00 (from \$0.50 to \$0.90) for each performance unit. If the CAGR exceeds the specified target level, up to \$2.00 for each performance unit may be

earned.

An executive officer may earn a payment in respect of a performance unit upon the occurrence of certain events prior to the end of the three-year performance period. Upon an executive's death or disability or upon the occurrence of a termination of executive's employment without cause, a termina-

tion for executive's employment for good reason or a change of control, an executive officer may earn a payment in respect of each performance unit based upon the CAGR during the period from January 1, 2003 through the date on which any such event occurs; provided, however, that upon the occurrence of a change of control, the minimum payment with respect to each performance unit will be \$1.00.

EMPLOYMENT AGREEMENTS WITH MESSRS. KEMP, RAMELLA, NUSSBAUM AND DENNY

The Compensation Committee approved restated employment agreements with each of Messrs. Kemp and Ramella in 1999 and approved initial employment agreements with each of Messrs. Nussbaum and Denny in 1998 and 2000, respectively. Each of these employment agreements was amended on December 11, 2001. The agreements are for terms currently expiring December 31, 2006, in the case of Messrs. Kemp and Ramella; September 8, 2005, in the case of Mr. Nussbaum; and October 15, 2005, in the case of Mr. Denny; and renew automatically for an additional year on each anniversary of the effective date of the agreement (or until age 65, if earlier) unless either party thereto elects otherwise, but may be terminated by the executive with 120 days notice.

The agreements for Messrs. Kemp, Ramella and Denny provide for participation in Penton's Supplemental Executive Retirement Plan. Effective December 31, 2003, the Supplemental Executive Retirement Plan was frozen and all participants ceased to accrue benefits under the plan on such date. The agreements also provide for supplementary life insurance for Messrs. Kemp, Ramella, Nussbaum and Denny in an amount equal to one and one-half times each executive's salary and supplementary long-term disability coverage that provides for a maximum monthly benefit (when combined with Penton's base long-term disability plan) of \$18,333 per month for Messrs. Kemp, Ramella, Nussbaum and Denny.

In addition, the agreements provide for additional supplementary life and long-term disability insurance coverage for Messrs. Kemp, Ramella, Nussbaum and Denny that would provide benefits, in the event of the executive's covered death or disability, in the amount of \$4,000,000 for Mr. Kemp; \$2,610,000 for Mr. Ramella; \$1,070,000 for Mr. Nussbaum; and \$270,000 for Mr. Denny, payable in a single lump sum. In the event the life or long-term disability insurance coverage described in the preceding sentence cannot be procured or maintained, Penton will pay the benefit from its own funds.

Each employment agreement provides for a payment to each executive in an amount equal to the total of all income taxes imposed on the executive as a result of (a) the provision of the life insurance and the long-term disability coverage, (b) imputed income to the executive with respect to the Senior Executive Loan Program and (c) such payment.

Each employment agreement also provides for a payment to each executive in an amount equal to the total of all income taxes imposed on the executive as a result of (a) (i) the issuance to the executive of the deferred shares granted to the executive on April 23, 2002, on an accelerated basis following a change of control, the executive's death or permanent disability, a termination without cause, a termination by the executive for good reason or involuntary retirement or (ii) any other issuance of the deferred shares if a change of control occurs

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

prior to the payment in full of amounts due under the Senior Executive Loan Program and (b) such payment.

Each employment agreement further entitles the executive to receive a payment in the event that the excise tax under Section 4999 of the Internal Revenue Code applies to the issuance of the deferred shares or the payment described in the preceding paragraph and the sum of (a) the value of the deferred shares (reduced by such excise tax) plus (b) the value of the shares purchased by the executive pursuant to the Senior Executive Loan Program plus (c) the proceeds of any life insurance or long-term disability coverage ((a), (b) and (c), the "Loan Payments") is less than the amount due and owing under the Senior Executive Loan Program at the time of the change of control (the "Change of Control Loan Balance"). In that event, the payment referred to in the preceding sentence will be in an amount equal to the sum of (x) the lesser of (1) the difference between the Change of Control Loan Balance and the Loan Payments or (2) 20% of the sum of the value of the deferred shares at the time of the change of control plus such payment plus (y) an amount, such that after payment of all taxes

17

(including any excise tax under Code Section 4999) imposed on such payment, the executives retain an amount equal to the Code Section 4999 excise tax imposed upon such payment.

The agreements also provide that in the event the executive's employment is terminated by Penton (other than for "cause" (as defined in the agreements) or by reason of his death, disability or retirement) or by the executive for "good reason" (as defined in the agreements and as described below), the executive will be entitled to receive certain severance benefits.

In the case of Messrs. Kemp and Ramella, upon the occurrence of the events described in the preceding paragraph, each such executive is entitled to receive (a) any accrued but unpaid salary and expense reimbursement and (b) his salary (as in effect at the time of termination or, if higher, as in effect as of the most recent extension of the employment period) for a period of three years following the date of his termination of employment. In addition, in the event that the employment of Messrs. Kemp or Ramella is terminated by Penton other than for cause or by the executive for good reason within the two year period following a "change of control," each such executive will be entitled to receive a payment (payable, at the executive's option, in a lump sum) equal to (i) the executive's target bonus for the year in which the termination occurs or, if higher, the executive's target bonus for the preceding year or the year in which the change of control occurs and (ii) if the executive's employment is terminated after July 1 of the then-current year, a pro-rated portion of the executive's target bonus for the year in which the termination occurs or, if higher, a pro-rated portion of the executive's target bonus for the preceding year or the year in which the change of control occurs.

In the case of Messrs. Nussbaum and Denny, each such executive is entitled to receive (a) any accrued but unpaid salary and expense reimbursement and (b) his salary (as in effect at the time of termination or, if higher, as in effect as of the most recent extension of the employment period) for a period of two years following the date of his termination of employment. In addition, in the event that the employment of Messrs. Nussbaum or Denny is terminated by Penton other than for cause or by the executive for good reason within the two year period following a "change of control," each such executive will be entitled to receive a payment (payable, at the executive's option, in a lump sum) equal to his target bonus for the year in which the termination occurs or, if higher, the executive's target bonus for the preceding year or the year in which the change of control occurs. All executives party to such agreements are also entitled to the continuation of certain additional benefits (e.g., medical insurance).

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

Payments and benefits under the employment agreements are subject to reduction in order to avoid the application of the excise tax on "excess parachute payments" under the Internal Revenue Code, but only if the reduction would increase the net after-tax amount received by the executive.

The transactions that are deemed to result in a change of control for the purposes of these agreements include: (a) any person (with certain exceptions as described in the agreements) becoming the beneficial owner of 40% or more of the voting stock of Penton (or, with respect to Mr. Nussbaum, the filing of a Schedule 13D or Schedule 14D that discloses that any person has become the beneficial owner of 20% or more of the voting stock of Penton); (b) individuals who, as of the date of the agreements, constitute the Board of Directors (the "Incumbent Board") cease for any reason (other than death or disability) to constitute at least a majority of the Board of Directors (provided that any individual who becomes a director subsequent to the date of the agreements whose appointment or election is approved by a majority of the Incumbent Board is considered to be a member of the Incumbent Board); (c) a merger or consolidation with, or sale of all of or substantially all of Penton's assets to another entity, as a result of which less than a majority of the voting shares of the surviving entity are owned by former stockholders of Penton; and (d) approval by the stockholders of Penton of a complete liquidation or dissolution of Penton. "Good reason" for termination of employment by the executive includes reduction in salary, the failure by Penton to extend the executive's employment under the agreement or a breach by Penton of the terms of the agreement and, in the case of Mr. Nussbaum, a change of control.

Each agreement includes non-competition, non-solicitation and confidentiality obligations on the part of the executive, which survive its termination.

18

LETTER AGREEMENT WITH MR. KEMP

On May 21, 2004, Mr. Kemp and Penton entered into a letter agreement (the "Letter Agreement") regarding certain terms on which Mr. Kemp's employment as the Chief Executive Officer of Penton will be terminated by Penton. Pursuant to the terms of the Letter Agreement, Mr. Kemp's separation from his employment with Penton will take place on the earlier of (A) upon at least 30 days advance written notice to Mr. Kemp, the date on which a suitable replacement for him (as determined by the Board of Directors or a properly authorized committee thereof) is named as the Chief Executive Officer of Penton and (B) July 31, 2004. The Letter Agreement also limits the circumstances under which Penton can terminate Mr. Kemp's employment for "cause" for purposes of Mr. Kemp's employment agreement. If no such cause exists on the date of Mr. Kemp's termination of employment, Penton agreed under the Letter Agreement that the termination will be without cause as defined in the employment agreement. Pursuant to the terms of the Letter Agreement, Mr. Kemp will resign his position as a Director of Penton, effective as of the earlier of (A) the Termination Date or (B) Penton's next Annual Meeting of Stockholders. Mr. Kemp and Penton are currently negotiating a separation agreement which will set forth severance benefits to Mr. Kemp.

EMPLOYMENT AGREEMENT WITH MR. DONOHUE

The Compensation Committee approved an employment agreement with Mr. Donohue in 2003. The agreement is for a term currently expiring May 14, 2005 and will renew automatically for an additional year on each anniversary of the effective date (or until age 65, if earlier) unless either party elects otherwise, but may be terminated by Mr. Donohue with 120 days notice.

The agreement provides for supplementary life insurance for Mr. Donohue in an amount equal to his annual salary and supplementary long-term disability

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

coverage that provides for a maximum monthly benefit (when combined with Penton's base long-term disability plan) of \$17,875 per month.

The agreement also provides that in the event that Mr. Donohue's employment is terminated by Penton (other than for "cause" (as defined in the agreement) or by reason of his death, disability or retirement) or by Mr. Donohue for "good reason" (as defined in the agreement and set forth in the description of the employment agreements of the other executive officers above), Mr. Donohue will be entitled to receive certain severance benefits.

Upon the occurrence of the events described in the preceding paragraph, Mr. Donohue is entitled to receive (a) any accrued but unpaid salary and expense reimbursement and (b) his salary (as in effect at the time of termination or, if higher, as in effect as of the most recent extension of the employment period) for a period of two years following the date of his termination of employment. In addition, in the event that Mr. Donohue's employment is terminated by Penton other than for cause or by him for good reason within the two year period following a "change of control," Mr. Donohue will be entitled to receive a payment (payable, at his option, in a lump sum) equal to his target bonus for the year in which the termination occurs or, if higher, his target bonus for the preceding year or the year in which the change of control occurs. Mr. Donohue is also entitled to the continuation of certain additional benefits (e.g., medical insurance).

Payments and benefits under Mr. Donohue's employment agreement are subject to reduction in order to avoid the application of the excise tax on "excess parachute payments" under the Internal Revenue Code, but only if the reduction would increase the net after-tax amount received by Mr. Donohue.

Mr. Donohue's agreement includes non-competition, non-solicitation and confidentiality obligations on the part of Mr. Donohue, which survive termination of the agreement.

PLANS AND ARRANGEMENTS

Retirement Plan

Participants in the Penton Media, Inc. Retirement Plan consist of a majority of the full-time employees of Penton and its subsidiaries in the United States, including the executive officers. The plan is fully paid for by Penton, and employees become fully vested after five years of service. The annual benefit payable to an employee under the plan upon retirement, computed as a straight life annuity amount, equals the sum of the separate amounts the employee accrues for each of his years of service under the plan. Such separate amounts are determined as follows: for each year through 1988, 1.2% of such year's compensation up to the Social Security wage base for such year and 1.85% (2.0% for years after 1986) of such year's compensation above such wage base; for each year after 1988 through the year in which the employee reaches thirty-five years of service, 1.2% of such year's "covered compensation" and 1.85% of such year's compensation above such "covered compensation;" and for each year thereafter, 1.2% of such year's compensation. Years of service and compensation with Pittway Corporation prior to Penton's spinoff from Pittway in August of 1998 are taken into account under the plan. The employee's compensation under the plan for any year includes all salary (before any election under Pittway's or Penton's salary reduction plan or cafeteria plan), commissions and overtime pay and, beginning in 1989, bonuses, subject to such year's limit applicable to tax-qualified retirement plans (\$160,000 for 1999, \$170,000 for 2000 and 2001, and \$200,000 each year thereafter). The employee's "covered compensation" under the plan for any year is generally the average, computed as of such year, of the Social

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

Security wage bases for each of the thirty-five years preceding the employee's Social Security retirement age, assuming that such year's Social Security wage base will not change in the future. Normal retirement age under the plan is age 65, and reduced benefits are available as early as age 55. Benefits are not subject to reduction for Social Security benefits or other offset amounts.

Effective December 31, 2003, the plan was frozen and participants in the plan ceased to accrue benefits under the plan as of such date. Estimated annual benefits payable under the plan upon retirement at normal retirement age for the following persons (assuming 1999 compensation at \$160,000, 2000 and 2001 compensation at \$170,000 and 2002 and 2003 compensation at \$200,000) are \$19,621 for Mr. Kemp; \$55,873 for Mr. Ramella; \$14,229 for Mr. Nussbaum; \$6,369 for Mr. Denny; and \$14,853 for Mr. Donohue.

Supplemental Executive Retirement Plan

Messrs. Kemp, Ramella, Denny and Nussbaum participate in Penton's Supplemental Executive Retirement Plan, which is not tax-qualified. The annual benefit payable to a participant under the plan at age 65, computed as a straight life annuity amount, equals the sum of the separate amounts the participant accrues for each of his years of service after September 3, 1996, for Mr. Kemp; July 1, 1977, for Mr. Ramella; September 8, 1998, for Mr. Nussbaum; and October 16, 2000, for Mr. Denny. Years of service and compensation with Pittway are taken into account. The separate amount for each such year is 1.85% of that portion of the participant's salary and annual discretionary cash bonus, if any, for such year (before any election under Pittway's or Penton's salary reduction plan, and including any portion of such bonus taken in the form of Deferred Shares Awards) in excess of the limit applicable that year to the compensation that may be taken into account under tax-qualified retirement plans (\$160,000 in 1999, \$170,000 in 2000 and 2001 and \$200,000 in 2002 and 2003) but less than \$500,000. Benefits are not subject to reduction for Social Security benefits or other offset amounts. Accrued benefits are subject to forfeiture in certain events. Effective December 31, 2003, the plan was frozen and participants in the plan ceased to accrue benefits under the plan as of such date. Estimated

20

annual benefits payable under the plan upon retirement at age 65 for the following persons are \$42,180 for Mr. Kemp; \$59,605 for Mr. Ramella; \$27,300 for Mr. Nussbaum; and \$10,564 for Mr. Denny.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the individuals who served as members of the Compensation Committee in 2003 was or has been an officer or employee of Penton or engaged in transactions with Penton (other than in his capacity as director).

None of Penton's executive officers serves as a director or member of the compensation committee of another entity, one of whose executive officers serves as a member of the Compensation Committee or a director of Penton.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This Compensation Committee Report on Executive Compensation shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any other Penton filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Penton specifically incorporates this report by reference therein, and shall not otherwise be deemed filed under those Acts.

The Compensation Committee of the Board of Directors is responsible for

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

establishing and administering an executive compensation program for Penton, determining the compensation of the Chief Executive Officer of Penton and approving the compensation proposed by the Chief Executive Officer for all other executive officers of Penton listed in the Summary Compensation Table. Actions regarding compensation for 2003 were approved by the Compensation Committee. Penton's Compensation Committee intends to follow the compensation policies discussed below.

The Compensation Committee, comprised of three non-employee directors, has prepared this report to summarize Penton's policies and practices with regard to executive compensation.

OBJECTIVES

Penton's basic objectives for executive compensation are to recruit and keep top quality executive leadership focused on attaining long-term corporate goals and increasing stockholder value.

ELEMENTS OF COMPENSATION

Total compensation has three components: (1) base salary; (2) short-term incentive (generally cash bonus); and (3) long-term incentive (generally stock options and performance shares).

Base Salary

Base salaries for executive officers are set within ranges that are reasonable, considering comparable positions in companies similar to Penton in the industry and region. Base salaries are also intended to be equitable and high enough to keep qualified executives from being overdependent on cash bonuses.

Short-Term Incentives

Annual cash bonuses are based on Penton's attainment of its earnings objectives. Generally, all cash bonuses are tied to individual and group performance based on goals established at the start of the year, consistent with the Senior Executive Bonus Plan, and are available in proportionately greater amounts to those who can most influence corporate earnings. In addition, certain employees may use all or a portion of their cash bonuses to increase their ownership of common stock under the Penton Media, Inc. Management Stock Purchase Plan.

21

Long-Term Incentives

Long-term incentives consisting of stock options, deferred shares and performance shares are intended to motivate executives to make and execute plans that improve stockholders' value over the long term.

CHIEF EXECUTIVE OFFICER COMPENSATION

At the start of the 2001 fiscal year, the Compensation Committee set Mr. Kemp's salary at \$600,000. In 2003, Mr. Kemp received 240,655 performance units, which vest subject to the achievement of specified performance goals. Each performance unit, if earned, entitles Mr. Kemp to receive a cash payment. In addition, Mr. Kemp received 180,000 deferred shares in 2003. These deferred shares have a one-year deferral period. However, they become non-forfeitable with respect to 25% of the award on each three-month anniversary of the date of grant.

In March, the Company announced that Mr. Kemp would be leaving the Company. Mr. Kemp will remain Chief Executive Officer until a replacement for him is named or

July 31, 2004, whichever occurs first.

REPORT OF THE AUDIT REVIEW COMMITTEE

This Report of the Audit Review Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference by any general statement incorporating by reference this Proxy Statement into any other Penton filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Penton specifically incorporates this report by reference therein, and shall not otherwise be deemed filed under those Acts.

All members of the Audit Review Committee are independent as defined in Sections 303.01(B) (2) (a) and (3) of the New York Stock Exchange's listing standards.

23

During 2004, the Audit Review Committee of the Board of Directors revised the charter for the Committee, which was approved by the full Board. See Exhibit A attached to this proxy statement.

As set forth in more detail in the charter, the Audit Review Committee's primary responsibilities fall into three broad categories:

- first, the Committee is charged with monitoring the preparation of quarterly and annual financial reports by Penton's management, including discussions with management and Penton's outside auditors about draft

Edgar Filing: PENTON MEDIA INC - Form DEF 14A

annual financial statements and key accounting and reporting matters;

- second, the Committee is responsible for matters concerning the relationship between Penton and its outside auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to Penton by them; and determining whether the outside auditors are independent (based in part on the annual letter provided to Penton pursuant to Independence Standards Board Standard No. 1); and
- third, the Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to legal and regulatory compliance, ethics and conflicts of interest.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met eight times during 2003.

In monitoring the preparation of Penton's financial statements, the Committee met with both management and Penton's outside auditors to review and discuss results of operations prior to quarterly and year-end announcements and the audited financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees).

With respect to Penton's outside auditors, the Committee, among other things, has received the written disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with PricewaterhouseCoopers LLP matters relating to its independence. The Committee has also considered whether the provision of non-audit services to Penton by PricewaterhouseCoopers LLP is compatible with maintaining its independence.

Finally, the Committee reviewed proposals for adequate staffing and for strengthening internal procedures and controls where appropriate.

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of Penton's audited financial statements in Penton's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Stockholders who intend to have a proposal considered for inclusion in Penton's proxy materials for presentation at the 2005 annual stockholders meeting must submit the proposal to Penton no later than February 2, 2005. Stockholders who intend to present a proposal at the 2005 annual meeting without inclusion of such proposal in Penton's proxy materials are required to provide notice of such proposal to Penton in accordance with the advance notice procedures for stockholder proposals set forth in Penton's Bylaws and summarized below. Penton reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

The Bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual or special meeting of stockholders of Penton, including proposed nominations of persons for election to the Board of Directors. Stockholders at an annual or special meeting may only consider proposals or nominations brought before the meeting by Penton, by or at the direction of the Board of Directors or by a stockholder who was a stockholder of record on the record date for the meeting, who

Each notice by stockholders must set forth (i) the name and address of the stockholder who intends to make the nomination or proposal and of any beneficial owner on whose behalf the nomination or proposal is made and (ii) the class and number of shares of common stock that are owned beneficially and of record by such stockholder and beneficial owner, if any. In the case of a stockholder proposal, the notice must also set forth a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of such stockholder or beneficial owner, if any, in that proposed business. In the case of nomination of any person for election as a director, the notice must also set forth any information regarding the nominee proposed by the stockholder that would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission and the consent, if so required, of the nominee to be named in a proxy statement as a candidate for election and to serve as a director of Penton if elected.

OTHER MATTERS

The management of Penton does not intend to present, and does not have any reason to believe that others will present, any item of business at the annual meeting other than those specifically set forth in the notice of the meeting.
