EX-99.1 Final Order Establishing Procedures

---

**Table of Contents**

**Item 8.01. Other Events.**

On August 9, 2006, the United States Bankruptcy Court, Southern District of New York, which has jurisdiction over Dana's bankruptcy case (In re Dana Corporation, et al., Case No. 06-10354 (BRL)), entered a Final Order Establishing Procedures for Trading in Claims and Equity Securities which is designed to protect Dana's tax attributes, such as net operating loss carryovers. Under the order, holders or acquirors of 4.75% or more of Dana's stock are subject to certain notice and consent procedures prior to acquiring or disposing of the stock, and holders of claims against Dana that would entitle them to more than 4.75% of the company's stock under a confirmed plan of reorganization utilizing the tax benefits provided under Section 382(l)(5) of the Internal Revenue Code may be subject to a requirement to sell down the excess claims if necessary to implement such a plan of reorganization. A copy of the order is filed as Exhibit 99.1 to this report.

On August 9, 2006, the Bankruptcy Court also entered an order directing the U.S. Trustee to appoint a committee of retirees of Dana and the other Debtors to serve as the authorized representative, under Section 1114 of the Bankruptcy Code, of persons receiving retiree benefits (as defined in therein) not covered by an active or expired collective bargaining agreement. The U.S. Trustee will solicit retirees to serve on the committee.

**Item 9.01. Financial Statements and Exhibits.**
