**PROXY STATEMENT  
FOR ANNUAL MEETING OF SHAREHOLDERS OF  
TO BE HELD IN THE AUDITORIUM OF THE ALBRIGHT-KNOX ART GALLERY  
1285 ELMWOOD AVENUE, BUFFALO, NEW YORK  
ON JANUARY 10, 2007**

This Proxy Statement is furnished to shareholders of record on November 28, 2006 by the Board of Directors of MOOG Inc. (the Company), in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders on Wednesday, January 10, 2007, at 9:15 a.m., and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and accompanying proxy will be mailed to shareholders on or about December 12, 2006.

If the enclosed form of proxy is properly executed and returned, the shares represented thereby will be voted in accordance with the instructions thereon. Unless otherwise specified, the proxy will be deemed to confer authority to vote the shares represented by the proxy FOR Proposal 1, the amendment to the Company's Restated Certificate of Incorporation, FOR Proposal 2, the election of directors and FOR Proposal 3, the ratification of Ernst & Young LLP as independent auditors for the fiscal year 2007.

Any proxy given pursuant to this solicitation may be revoked by the person giving it insofar as it has not been exercised. Any revocation may be made in person at the meeting, or by submitting a proxy bearing a date subsequent to that on the proxy to be revoked, or by written notification to the Secretary of the Company.

**GENERAL**

The Board of Directors has fixed the close of business on November 28, 2006 as the record date for determining the holders of common stock entitled to notice of and to vote at the meeting. On November 28, 2006, the Company had outstanding and entitled to vote, a total of 38,138,426 shares of Class A common stock ( Class A shares ) and 4,615,213 shares of Class B common stock ( Class B shares ). Holders of a majority of each of the Class A and Class B shares issued and outstanding and entitled to vote, present in person or represented by proxy, will constitute a quorum at the meeting.

Holders of Class A shares are entitled to elect at least 25% of the Board of Directors, rounded up to the nearest whole number, so long as the number of outstanding Class A shares is at least 10% of the number of outstanding shares of both classes of common stock. Currently, the holders of Class A shares are entitled, as a class, to elect three directors of the Company, and the holders of the Class B shares are entitled, as a class, to elect the remaining eight directors. Other than on matters relating to the election of directors or as required by law, where the holders of Class A shares and Class B shares vote as separate classes, the record holder of each outstanding Class A share is entitled to a one-tenth vote per share, and the record holder of each outstanding Class B share is entitled to one vote per share on all matters to be brought before the meeting.

The amendment to the Restated Certificate of Incorporation requires the approval by a vote of the majority of the outstanding Class A and Class B shares voting as one class. The Class A director and the Class B directors will be elected by a plurality of the votes cast by the respective class. The ratification of the auditors and the other matters submitted to the meeting may be adopted by a majority of the Class A and Class B votes cast.

In accordance with New York law, abstentions and broker non-votes are not counted in determining the votes cast in connection with the amendment to the Restated Certificate of Incorporation or the ratification of the selection of

Ernst & Young LLP as auditors of the Company for the 2007 fiscal year. Abstentions and broker non-votes will have the effect of a negative vote on the proposal to amend the Restated Certificate of Incorporation, which requires the vote of a majority of the outstanding Class A and Class B shares voting as one class. Votes withheld, including broker non-votes, in connection with the election of one or more nominees for director will not be counted and will have no effect.

**Moog Family Agreement as to Voting**

Aubrecht, exclusive of currently exercisable options. Each party to the agreement granted an irrevocable proxy covering that party's shares of stock to a committee which is required to take all action necessary to cause all shares subject to the agreement to be voted as may be determined by the vote of any four of its members. The agreement contains restrictions on the ability of any party to remove shares of stock from the provisions of the agreement, to transfer shares or to convert Class B shares to Class A shares. The agreement continues in force until December 31, 2015, and is automatically renewed thereafter from year to year unless any party to the agreement gives notice of election to terminate the agreement.

**PROPOSAL 1 AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION**

Pursuant to a resolution adopted on November 28, 2006, the Board of Directors of the Company has approved, and recommends that the shareholders approve, a proposal to amend the first paragraph of section (a) of Article THIRD of the Company's Restated Certificate of Incorporation to increase the authorized number of Class A and Class B shares of the Company.

If the proposed amendment to the Restated Certificate of Incorporation is adopted, the first paragraph of section (a) of Article THIRD will read in its entirety as follows:

THIRD: (a) The aggregate number of shares which the Corporation shall have the authority to issue is 130,000,000 shares, of which 100,000,000 shares, of the par value of \$1.00 per share shall be designated Class A Common Shares and 20,000,000 shares of the par value of \$1.00 per share shall be designated as Class B Common Shares, and 10,000,000 shares of par value of \$1.00 per share shall be designated as Preferred Shares, which Preferred Shares shall be issuable in one or more series.

**Increase in Authorized Shares of Class A and Class B Common Stock**

If approved by the shareholders, the amendment will authorize the company to issue an additional 50,000,000 Class A shares having a par value of \$1.00 per share and an additional 10,000,000 Class B shares having a par value of \$1.00 per share. The Restated Certificate of Incorporation currently authorizes 50,000,000 Class A shares, 10,000,000 Class B shares, and 10,000,000 preferred shares ( Preferred Shares ). On November 28, 2006, the Company had outstanding a total of 38,138,426 Class A shares and 4,615,213 Class B shares. There are no Preferred Shares outstanding and the proposed amendment will not increase the authorized number of Preferred Shares. The additional authorized Class A and Class B shares will, when issued, have the same rights, preferences and privileges as the Class A and Class B shares now issued and outstanding.

**Recommendation of Board of Directors**

The Board of Directors has concluded that the flexibility provided by increasing the number of authorized Class A and Class B shares is in the best interest of the Company and its shareholders. The additional authorized shares may be used for general purposes, including stock splits, stock dividends, share distributions, acquisitions, possible financing activities and employee and director benefit plans. Financing activities may include raising additional capital funds through offerings of common shares or equity or debt securities convertible into or exchangeable for common shares. The Company does not have any present plans, arrangements, commitments or understandings with respect to the issuance of any additional Class A or Class B shares except as with regard to shares purchased by employees and related matching shares under the Moog Savings and Stock Ownership Plan.

**Certain Effects of the Proposal**

The holders of Class A and Class B shares do not have preemptive rights to subscribe for additional shares of their respective class. If the shareholders approve the proposed amendment, the Board of Directors may issue additional Class A and Class B shares without further shareholder action, except as required by applicable law. In addition, in some circumstances (generally relating to the number of shares to be issued, the manner of the offering and the identity of the recipients), the rules of the New York Stock Exchange may require specific shareholder authorization in connection with the issuance of additional shares. The Company does not anticipate that it will seek authorization from the shareholders for issuance of additional Class A or Class B shares unless required by applicable law or the rules of the New York Stock Exchange.

The issuance of any additional Class A or Class B shares may have the effect of diluting the percentage of stock ownership, book value and voting rights of the present holders of Class A and Class B shares. The proposed amendment may also have the effect of discouraging attempts to take over control

**Table of Contents**

of the Company, as additional shares could be used to dilute the stock ownership and voting powers of, or increase the cost to, a party seeking to obtain control of the Company. The proposed amendment is not being proposed in response to any known effort or threat to acquire control of the Company and is not part of a plan by management to adopt a series of amendments to the Restated Certificate of Incorporation having an anti-takeover effect.

**Vote Required and Effective Date of Proposed Amendment**

The amendment to the Restated Certificate of Incorporation requires the approval by a vote of the majority of the Class A and Class B shares voting as one class. Abstentions and broker non-votes will have the effect of a negative vote on the proposed amendment. If approved by the shareholders, the amendment to the Company's Restated Certificate of Incorporation will become effective upon the filing of a Certificate of Amendment with the Secretary of State of New York, which is expected to be filed shortly after the Annual Meeting of Shareholders.

**The Board of Directors recommends a vote For adoption of the amendment to the Restated Certificate of Incorporation.**

**PROPOSAL 2 ELECTION OF DIRECTORS**

One of the three classes of the Board of Directors of the Company is elected annually to serve a three-year term. Four directors are to be elected at the meeting, of which one is to be a Class A director elected by the holders of the outstanding Class A shares, and three of which are to be Class B directors elected by the holders of the outstanding Class B shares. The Class A nominee and the Class B nominees will be elected to hold office until 2010, or until the election and qualification of their successors. The persons named in the enclosed proxy will vote Class A shares for the election of the Class A nominee named below, and Class B shares for the election of the Class B nominees named below, unless the proxy directs otherwise. In the event any of the nominees should be unable to serve as a director, the proxy will be voted in accordance with the best judgment of the person or persons acting under it. It is not expected that any of the nominees will be unable to serve.

**Nominees, Directors and Named Executives**

Certain information regarding nominees for Class A and Class B directors, as well as those directors whose terms of office continue beyond the date of the 2007 Annual Meeting of Shareholders, and Named Executives, including their beneficial ownership of equity securities as of November 28, 2006, is set forth below. Unless otherwise indicated, each person held various positions with the Company for the past five years and has sole voting and investment power with respect to the securities beneficially owned. Beneficial ownership includes securities which could be acquired pursuant to currently exercisable options or options which become exercisable within 60 days of the date of this Proxy Statement.

## **Director Independence**

The Board of Directors has adopted standards for determining whether a director is independent from management. The Board reviews, consistent with the Company's corporate governance guidelines, whether a director has any material relationship with the Company that would impair the director's independent judgment.

To assist it in making independence determinations, the Board refers to the standards set forth at 303A.02(b) of the New York Stock Exchange Listed Company Manual. The Board of Directors has affirmatively determined, based on its standards, that the Messrs. Raymond W. Boushie, James L. Gray, John D. Hendrick, Kraig H. Kayser, Brian J. Lipke, and Albert F. Myers are independent. The Board has also determined that all Board standing committees, other than the Executive Committee, are composed entirely of independent directors.

## **Certain Relationships and Related Transactions**

Mr. Maskrey, a director for the Company, was also Executive Vice President and Chief Operating Officer until his retirement on October 1, 2005. Mr. Maskrey has a one-year renewable consulting services arrangement with the Company for a base amount of \$6,815 monthly, subject to adjustment based upon the level of consulting services provided. The consulting services arrangement was reviewed and approved by the Executive Compensation Committee and the Board.

## **Executive Sessions**

The Company's corporate governance guidelines provide that the non-management directors, which for the Company are all of the independent directors, meet without management at regularly scheduled executive sessions. Generally, these sessions take place prior to or following regularly scheduled Board meetings. Each executive session has a Presiding Director, who acts as chairperson for the executive session, with the role of Presiding Director rotating among the independent Directors.

The Audit Committee meets with the Company's independent auditors in regularly scheduled executive sessions, with the Audit Committee chairperson presiding over such sessions.

**Table of Contents****Section 16 Beneficial Ownership Reporting Compliance**

Except as noted, during the fiscal year ended September 30, 2006, the executive officers and directors of the Company timely filed with the Securities and Exchange Commission the required reports regarding their beneficial ownership of Company securities. One transaction related to the sale of Class A shares was reported two days late for Jay K. Hennig, a Vice President.

**Other Directorships**

Current Directors of the Company are presently serving on the following boards of directors of other publicly traded companies:

<b>Name of Director</b>	<b>Company</b>
Robert T. Brady	M&T Bank Corporation; Seneca Foods Corporation; Astronics Corporation; National Fuel Gas Company
Raymond W. Boushie	Astronics Corporation
Kraig H. Kayser	Seneca Foods Corporation
Brian J. Lipke	Gibraltar Industries, Inc.

**Board of Directors and Committee Meetings**

From September 25, 2005 to September 30, 2006, the Board of Directors held five meetings. The following are the standing committees of the Board of Directors and the number of meetings each committee held during the last fiscal year:

<b>Committees</b>	<b>Number of Meetings</b>	<b>Members</b>
Audit	6	Messrs. Kayser, Boushie, Gray, Hendrick, and Myers
Executive	0	Messrs. Aubrecht, Banta, Brady, Green, and Maskrey
Executive Compensation	1	Messrs. Hendrick, Boushie, Gray, Lipke and Myers
Stock Option	1	Messrs. Myers, Boushie, Gray, Hendrick and Lipke
Nominating and Governance	1	Messrs. Gray, Boushie, Hendrick, Kayser, Lipke and Myers

For various reasons Board members may not be able to attend a Board meeting. All Board members are provided information related to each of the agenda items before each meeting, and, therefore, can provide counsel outside the confines of regularly scheduled meetings. It is the Company's policy that, to the extent reasonably practicable, Board members are expected to attend shareholder meetings. All but one of the directors attended the 2006 annual shareholders meeting.

The Audit Committee oversees the integrity of the financial reporting process, the independent auditor and the internal audit function of the Company. The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Compensation Committee determines the CEO's compensation and makes recommendations on non-CEO executive compensation plans. The Stock Option Committee is responsible for the administration of the stock option plans of the Company and recommends to the Board of Directors proposed

recipients of stock options. The Nominating and Governance Committee evaluates and recommends candidates for the Board of Directors and oversees governance matters.

### **Website Access to Information**

The Company's internet address is [www.moog.com](http://www.moog.com). The Company has posted to the investor information portion of its website its corporate governance guidelines, Board committee charters (including the charters of its Audit, Executive Compensation, and Nominating and Governance Committees) and Code of Ethics. ### **Communications with Directors**

The Board of Directors has provided a process for which shareholders or other interested parties can communicate with the Board of Directors or with the non-management directors as a group. All such questions or inquiries should be directed to the Secretary of the Company, John B. Drenning, c/o Hodgson Russ, LLP, One M&T Plaza, Suite 2000, Buffalo, New York 14203. Mr. Drenning will review and communicate pertinent inquiries to the Board, or if requested, the non-management directors as a group.

## **NOMINATING AND GOVERNANCE COMMITTEE REPORT**

The Nominating and Governance Committee is composed solely of independent non-employee directors. The Committee participates in the search for qualified directors. At a minimum, qualifications must include relevant experience in the operation of public companies, education and skills, and a high level of integrity. The candidate must be willing and available to serve and should represent the interests of all shareholders and not of any special interest group. After conducting an initial evaluation of a candidate, the Committee will interview that candidate if it believes the candidate might be suitable to be a director and may also ask the candidate to meet with other directors and management. If the Committee believes a candidate would be a valuable addition to the Board of Directors, it will recommend to the full board that candidate's election. A shareholder wishing to nominate a candidate should forward the candidate's name and a detailed background of the candidate's qualifications to the Secretary of the Company in accordance with the procedures outlined in the Company's by-laws. In making a nomination, shareholders should take into consideration the criteria set forth above and in the Company's corporate governance guidelines. The Board of Directors has adopted a written charter for the Nominating and Governance Committee. A copy of the charter is available on the Company's website. The Committee met on November 28, 2006 and nominated Messrs. Banta, Kayser, Maskrey and Myers for election at the 2007 Annual Meeting.

## **EXECUTIVE COMPENSATION COMMITTEE REPORT**

The Executive Compensation Committee is composed solely of independent, non-employee directors. The Executive Compensation Committee determines and approves CEO compensation and makes recommendations on all elements of compensation including base salary, management profit sharing and other benefit programs for key executives.

The goals of the Company's executive compensation program are to:

1. Pay competitively to attract, retain and motivate superior executives who must operate in a highly competitive and technologically specialized environment;
2. Relate total compensation for each executive to overall Company performance as well as individual performance, and

## **Table of Contents**

3. Align executives' performances and financial interests with shareholder value.

It is the Company's policy to consider the deductibility of executive compensation under applicable income tax rules, as one of many factors used to make specific compensation determinations consistent with the goals of the Company's executive compensation program. Presently, Section 162(m) of the Internal Revenue Code, relating to the nondeductibility of individual annual executive compensation payments in excess of \$1 million, will not cause any compensation to be paid by the Company to be nondeductible.

## **Salaries**

Base salary ranges are developed after considering the recommendations of professional compensation consultants who conduct annual compensation surveys of similar companies. Base salaries within these ranges are targeted to be above average and competitive in relation to salaries paid for similar positions in comparable companies. On an annual basis, the Executive Compensation Committee reviews management recommendations for executives' salaries utilizing the results of survey data for comparable executive positions. Individual salary determinations within the established ranges are made based on position accountabilities, experience, sustained individual performance, overall Company performance, and peer comparisons inside and outside the Company, with each factor being weighed reasonably in relation to other factors.

## **Management Profit Sharing**

Under the discretionary Management Profit Sharing Program, an individual executive's annual profit share is determined by multiplying the base salary by the product of the Company's year-over-year percent improvement in diluted earnings per share and a multiple which varies with the executive's accountabilities. The Company uses percent improvement in earnings per share as the performance parameter because it is a principal financial performance measurement used by share investors and the general financial community.

The plan is intended to motivate executives toward the achievement of goals which are directly aligned with shareholder interests. Officers of the Company participate in this plan with all other key executives. There have been fiscal years when management has temporarily suspended payment under the Management Profit Sharing Program or paid only a portion of the amount calculated under the program. A management profit share was awarded to executives for fiscal year 2006. Such profit share was paid to executive officers on December 1, 2006, the date the Executive Compensation Committee established for payment.

## **Stock Options**

Stock option plans are used to align the long-term financial interests of executives with those of shareholders.

The shareholders of the Company, on February 11, 1998, approved a Stock Option Plan (1998 Plan) providing for the grant of options which may be Incentive Stock Options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or non-qualified stock options, or a combination of both, as determined by the Stock Option Committee. The 1998 Plan, which will terminate on December 31, 2007, covers a total of 2,025,000 shares of the Company's Class A common stock, \$1.00 par value, reserved for the grant of options to directors, officers, and other key employees. The 1998 Plan provides that the option price shall be at least equal to the fair market value of the Company's Class A common stock at the time of the grant. The Plan is administered by the Stock Option Committee of the Board of Directors, which is comprised of at least three directors, each of whom is an independent Board member.

On February 5, 2003 the shareholders approved the 2003 Stock Option Plan ( 2003 Plan ). The 2003 Plan is the same in all material respects to the 1998 Plan described in the preceding paragraph, with the exception that the 2003 plan imposes a three year holding period requirement unless Moog stock is used in

payment of options exercised. The 2003 Plan covers 1,350,000 Moog Class A shares and terminates November 26, 2012.

During fiscal year 2006, Mr. Brady received options for 27,000 shares, and Messrs. Banta, Green, Huckvale and Johnson each received options for 20,250 shares, and all executive officers and directors as a group received options for a total of 220,016 shares. The options granted have an exercise price of \$28.94 and are exercisable not less than one year and ending not more than ten years after the date upon which they were granted. See page 15 for the table of Option Grants in Last Fiscal Year.

**Other Compensation Plans**

In order that the total aggregated compensation package provided executives meets the Company's goals, executives receive certain additional benefits as discussed on pages 15 through 18. These plans are comparable to those provided to executives in companies surveyed by the Company's professional compensation consultants.

**Compensation of the Chief Executive Officer**

The Executive Compensation Committee determines the Chief Executive Officer's salary and other compensation elements based on performance. The salary is established within a salary range recommended by an independent compensation consulting firm.

The Company continues to closely manage its business plans in response to changing demands in a very competitive global marketplace. The Company also continues to evaluate strategic acquisitions to strengthen its market position. Management has continued to improve overall financial performance.

Mr. Brady has been Chief Executive Officer since 1988 and Chairman since 1996. His dedicated leadership continues to be a vital guiding force for the Company in meeting the challenges of a diverse global business environment. His efforts not only have resulted in improved Company performance during fiscal 2006, but have also positioned the Company for continued success in the future.

The Executive Compensation Committee believes that its actions in 2006 have been consistent with and have effectively implemented the Company's overall compensation policies.

**AUDIT COMMITTEE REPORT**

The Audit Committee consists solely of independent non-employee directors. The Audit Committee meets at least quarterly. The Board of Directors has adopted a written charter for the Audit Committee. A copy of the charter is set forth as Appendix A to this proxy statement.

In connection with the September 30, 2006 year end financial statements, the Audit Committee met on November 1, 2006 and November 28, 2006. In these meetings the Audit Committee (1) reviewed and discussed the audited financial statements with management including critical accounting judgments, (2) discussed with the auditors the matters required by Statement on Auditing Standards No. 61 and (3) received and discussed with the auditors the matters required by Independence Standards Board Standard No. 1. Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K filed with the SEC.

The Board of Directors has determined that each member of the audit committee is a financial expert within the meaning of applicable SEC rules.

**EMPLOYEES RETIREMENT PLAN**

Under the Company's Employees Retirement Plan, benefits are payable monthly upon retirement to participating employees of the Company based upon compensation and years of service and subject to limitations imposed by the Employee Retirement Income Security Act of 1974 ( ERISA ). The Employees Retirement Plan is administered by a Retirement Plan Committee and covers all employees with one year of service and a minimum of 1,000 hours of employment.

Benefits payable under the Plan are determined on the basis of compensation and credited years of service. It is a career average plan. Effective January 1, 1998, Plan compensation for prior service as of October 1, 1990, is the base annual rate of pay, plus overtime pay and shift differential compensation for calendar year 1989, or the base annual rate of pay as of January 1, 1988, if higher.

Future service compensation is the basic annual rate of pay for the preceding plan year plus overtime and shift differential compensation, limited to \$200,000 (as indexed) from October 1, 2002 forward.

The prior service benefit is 1.15% of the first \$20,000 of prior service compensation, plus 1.75% of the excess, multiplied by prior service, but not less than the accrued benefit as of September 30, 1990, determined under the prior Plan.

The future service benefit for each year of credited service is 1.15% of the first \$20,000 of future service compensation for such year, plus 1.75% of the excess. Any participant with five years or more of service receives a minimum pension of \$2,400 per year, reduced pro rata for credited service of less than 15 years.

**SUPPLEMENTAL RETIREMENT PLAN**

The Company also has a Supplemental Retirement Plan applicable to eligible officers of the Company with at least 10 years of continuous service upon retirement at age 65 or older.

The Supplemental Retirement Plan provides benefits for an eligible officer who retires at age 65 with 25 years of service equal to 65% of the average of the highest consecutive three year base salary plus the highest annual profit share paid within three years of such officer's retirement, less any benefits payable under the Employees Retirement Plan, and also less one-half the primary Social Security benefit of such officer at age 65. An officer 60 or more years of age, whose combined chronological age and years of service equal or exceed 90, may elect early retirement and receive reduced benefits. A reduced benefit is available for officers 65 years of age with between 10 and 25 years of service.

A participant's benefits are vested in the event of an involuntary termination of employment other than for cause, as defined in the Supplemental Retirement Plan. For purposes of the Supplemental Retirement Plan, a change in duties, responsibilities, status, pay or perquisites which follows a change of control of the Company, as defined therein, is deemed an involuntary termination.

The projected annual benefits, based on the last three years' compensation, payable at normal age 65 retirement for each of the Named Executives under the Employees Retirement Plan and the Supplemental Retirement Plan including one-half of the estimated primary Social Security benefit are:

**Projected Annual**

<b>Name</b>	<b>Benefit Payable At Normal Retirement Age</b>

**EMPLOYMENT TERMINATION BENEFITS AGREEMENTS**

Certain executive officers of the Company, including those named in the Summary Compensation Table, have entered into Employment Termination Benefits Agreements (the Termination Agreements ) with the Company.

The Termination Agreements provide that upon death, disability or retirement, the executive will receive those benefits provided to him by the Company under all its benefit plans. Where employment is terminated for cause, as defined in the Termination Agreements, the executive is entitled to the cash equivalent of any unutilized vested vacation, but is not entitled to participate in any profit share award or incentive compensation payable after the date of termination. In such circumstances, the right to exercise any stock options is also terminated. Upon a voluntary termination, the executive receives employment benefits up to the date of termination, as well as the cash value of any unutilized vested vacation benefits and stock options that may be exercised. In the event of a voluntary termination, the executive is not entitled to receive any profit share award or incentive compensation payable after termination.

Upon an involuntary termination other than for cause, the executive is immediately vested under the Supplemental Retirement Plan and is entitled to receive for one year, certain perquisites and insurance benefits. The executive also receives amounts otherwise payable under the Management Profit Sharing Program. Stock options may be exercised, or if not then exercisable, the executive is entitled to cash in an amount equal to the difference between the then current market value of the Company Common Stock underlying the option and the option's exercise price. The executive is entitled to the cash value of unutilized vested vacation benefits, as well as to the continuation of base compensation plus profit share and any bonus for between 12 and 36 months, based on years of service. Where involuntary termination occurs by reason of a change of control of the Company, as defined in the Termination Agreements, the executive receives the benefits otherwise provided for an involuntary termination, with accelerated vesting of compensation continuation.

During the term of the Termination Agreements, and in the event of involuntary termination upon a change of control, until the last payment to the executive is made under the Termination Agreements, the executive may not compete with the Company.

**DIRECTORS AND OFFICERS INDEMNIFICATION INSURANCE**

On November 1, 2006, the Company renewed an officers and directors indemnification insurance policy written by The Chubb Group. The renewal was for a one-year period at an annual premium of \$215,000. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of their conduct in such capacities. No payments or claims of indemnification or expenses have been made under any such insurance policies purchased by the Company at any time.

On November 30, 2004, the Board of Directors approved indemnification agreements for officers, directors and key employees, replacing a previous indemnification agreement for officers and directors established in 1987. The indemnification agreement provides that officers, directors and key employees will be indemnified for expenses, investigative costs and judgements arising from threatened, pending or completed legal proceedings. The form of the indemnification agreement was filed with the Securities and Exchange Commission on Form 8-K on December 1, 2004.

**AUDIT FEES AND PRE-APPROVAL POLICY**

The following table sets forth the fees incurred by the Company related to the services of the Company's principal independent accountants, Ernst & Young for the fiscal years ended September 30, 2006 and September 24, 2005:

**PROPOSALS OF SHAREHOLDERS FOR 2008 ANNUAL MEETING**

To be considered for inclusion in the proxy materials for the 2008 Annual Meeting of Shareholders, shareholder proposals must be received by the Secretary of the Company prior to August 15, 2007. Under the Company's by-laws, if a shareholder wishes to nominate a director or bring other business before the shareholders at the 2008 Annual Meeting without having a proposal included in the proxy statement for that meeting, the shareholder must notify the Secretary of the Company in writing between September 12, 2007 and October 12, 2007, and the notice must contain the specific information required by the Company's by-laws. A copy of the Company's by-laws can be obtained without charge by writing Moog's Treasurer at the Company's East Aurora address.

Section 1.06 of the Company's by-laws provides that proposals may be properly brought before an annual meeting by a shareholder of record (both at the time notice of the proposal is given by the shareholder and as of the record date of the annual meeting in question) of any shares of the Company entitled to vote at the annual meeting if the shareholder provides timely notice of the proposal to the Secretary of the Company in accordance with the requirements of the by-laws. A shareholder making a proposal at an annual meeting must be present at such meeting in person, and the business brought

before an annual meeting must also be a proper matter for shareholder action under the New York Business Corporation Law.

A shareholder's notice to the Secretary of the Company must set forth certain information regarding the shareholder and the proposal, including the name and address of the shareholder, a brief description of the business the shareholder desires to bring before the annual meeting and the reasons for conducting such business at such annual meeting, the class or series and number of shares beneficially owned by the shareholder, the names and addresses of other shareholders known to support such proposal and any material interest of the shareholder in such proposal.

Section 1.06 further provides that nominations of candidates for election as directors of the Company at any annual meeting of shareholders may be made by a shareholder of record (both at the time notice of such nomination is given by the shareholder and as of the record date of the annual meeting in question) of any shares of the Company entitled to vote at the annual meeting for the election of directors if the shareholder provides timely notice to the Secretary of the Company in accordance with the requirements of the by-laws. A shareholder may nominate a candidate for election as a director only as to such class of director whose election the shareholder would be entitled to vote thereon at an annual meeting of shareholders. Any shareholder who desires to make a nomination must be present in person at the annual meeting.

In addition to the information required in a notice of a proposal, a notice to the Secretary with respect to nominations must contain certain information regarding each proposed nominee for director, including, the nominee's name, age, business and residence address, principal occupation, the class or series and number of shares of the Company beneficially owned by the nominee and a consent of the nominee to serve as a director, if elected. The notice must also provide a description of any arrangements or understandings between the nominating shareholder and each nominee and such other information concerning the nominee as required pursuant to the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended.

Further information regarding proposals or nominations by shareholders can be found in Section 1.06 of the Company's By-Laws. If the Board of Directors or a designated committee determines that any proposal or nomination was not made in a timely fashion or fails to meet the information requirements of Section 1.06 in any material respect, such proposal or nomination will not be considered.
