Item. 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 5, 2008, the Compensation Committee of the Board of Directors of Transcat, Inc. approved two changes to the Company's executive compensation program for the fiscal year ending March 28, 2009 (fiscal year 2009). These changes: (1) increase the targeted cash bonus award potential for executive officers under the Company's Performance Incentive Plan, and (2) award performance-based restricted stock awards in place of stock options as a primary component of executive compensation.

The Company's Performance Incentive Plan provides for performance-based, non-equity incentive cash awards if the Company attains specific targeted performance goals and, for certain participants, if they attain specific individual targeted performance goals. Assuming these targets are met, Charles P. Hadeed, the Company's President, Chief Executive Officer and Chief Operating Officer, and John J. Zimmer, the Company's Vice President of Finance and Chief Financial Officer, among other executive officers, are eligible to receive awards under the Performance Incentive Plan. Mr. Hadeed's eligibility is based entirely on Company performance objectives and Mr. Zimmer's is divided equally between Company performance objectives and individual performance objectives.

The following table shows the target non-equity incentive cash award amount as a percentage of base salary for Mr. Hadeed and Mr. Zimmer for fiscal year 2009:

	Target non-equity incentive plan award as a percentage of base salary
Charles P. Hadeed	55%
John J. Zimmer	45%

All other relative weighting factors as previously set forth in the Performance Incentive Plan remain the same.

The performance-based restricted stock awards will vest after three years subject to certain cumulative diluted earnings per share growth over the eligible three-year period.

Accordingly, on May 5, 2008, the Compensation Committee granted Mr. Hadeed a 20,000 share performance-based restricted stock award and Mr. Zimmer a 6,000 share performance-based restricted stock award.
