- 1. GENERAL INFORMATION.
- (a) AMERCO (the "Corporation") is a corporation. References to the Corporation herein mean AMERCO as reorganized pursuant to the Plan.
- (b) The Corporation was organized under the laws of the State of Nevada.
- 2. SECURITIES ACT EXEMPTION APPLICABLE.

AMERCO and Amerco Real Estate Company ("AREC") filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") before the United States Bankruptcy Court for the District of

Nevada (the "Bankruptcy Court") on June 20, 2003, and August 13, 2003, respectively. On December 12, 2003, the Bankruptcy Court entered an order approving, among other things, the Disclosure Statement Concerning the Debtors' First Amended Joint Plan of Reorganization under Chapter 11 of the United States Bankruptcy Code (the "Disclosure Statement"), as containing information of a kind, and in sufficient detail, as far as is reasonably practicable, to enable holders of claims to make an informed judgment regarding whether they should vote to accept or reject the First Amended Joint Plan of Reorganization of AMERCO and Amerco Real Estate Company, Debtors and Debtors-in-Possession (as it may be amended or modified by the Confirmation Order (as defined below), the "Plan"). SAC Holding Corporation and SAC Holding II Corporation (collectively, "SAC Holding") are co-proponents under the Plan. The Plan provides for, among other things, full satisfaction of all claims against AMERCO and AREC and leaves equity interests unimpaired. The Court entered an order confirming the Plan under Section 1129 of the Bankruptcy Code on February 20, 2004 (the "Confirmation Order"). Capitalized terms used herein, not otherwise defined, shall have the same meaning ascribed to them in the Plan.

The Corporation will issue, pursuant to the terms of the Plan and the Confirmation Order, the following new debt securities: (a) 12% Senior Subordinated Secured Notes due 2011 (the "New AMECO Notes") on the later of the date on which the Plan is consummated (the "Effective Date") and the date of the qualification of the New AMERCO Notes Indenture (as defined below) pursuant to this application; and (b) 9.0% Second Lien Senior Secured Notes due 2009 (the "Second Lien Senior Secured Notes") on the later of the Effective Date and the date of the qualification of the Second Lien Senior Secured Notes Indenture (as defined below). Additionally, SAC Holding, as co-proponent under the Plan, will issue, pursuant to the terms of the Plan and Confirmation Order, the 8.5% Senior Notes due 2014 (the "SAC Holding Senior Notes") on the later of the Effective Date and the date of the qualification of the SAC Holding Senior Notes Indenture (as defined below). The Confirmation Order provides that, solely for the purposes of Section 1145 of the Bankruptcy Code, SAC Holding is an affiliate of AMERCO and AREC.

The New AMERCO Notes will be issued pursuant to an indenture among the Corporation, the Subsidiary Guarantors named therein as obligors and The Bank of New York, as Trustee (the "New AMERCO Notes Indenture"). The Second Lien Senior Secured Notes will be issued pursuant to an indenture among the Corporation, the Subsidiary Guarantors named

2

therein as obligors and Wells Fargo Bank, N.A., as Trustee (the "Second Lien Senior Secured Notes Indenture"). The SAC Holding Senior Notes will be issued pursuant to an indenture among SAC Holding and Law Debenture Trust Company of New York, as Trustee (the "SAC Holding Senior Notes Indenture").

Pursuant to the Plan and the Confirmation Order, the holders of Class 7 Claims, which constitute unsecured claims against AMERCO (the "Class 7 Claims") shall receive, in full satisfaction, settlement, release, and discharge of and in exchange for their Class 7 Claims: (i) the SAC Holding Senior Notes in the aggregate principal amount of \$200 million; (ii) Second Lien Senior Secured Notes in the estimated aggregate amount of \$120 million (and an additional \$80 million will be issued to purchasers apart from the holders of the Class 7 Claims); (iii) cash in the approximate amount of \$253,056,696.00, provided, however, that the amount of cash distributed to holders of Class 7 Claims shall not exceed 35% of the aggregate allowed amount of Class 7 Claims; and (iv) the New AMERCO Notes in an estimated aggregate principal amount of \$149,962,435.00. The face amount of New AMERCO Notes distributed to holders of Class 7 Claims shall equal the aggregate allowed amount of Class 7 Claims minus the aggregate

amount of: (i) SAC Holding Senior Notes; (ii) Second Lien Senior Secured Notes; and (iii) cash distributed to holders of Class 7 Claims.

Paragraph 16 of the Confirmation Order provides that, pursuant to Section 1145 of the Bankruptcy Code, the issuance, distribution and resale of certain New Debt Securities under the Plan, including, without limitation, the New AMERCO Notes, the Second Lien Senior Secured Notes and the SAC Holding Senior Notes, are exempt from the requirements of Section 5 of the Securities Act of 1933 (as amended, the "Securities Act") and equivalent state securities and "blue sky" laws. Section 1145(a)(1) of the Bankruptcy Code exempts the issuance of securities from the registration requirements of the Securities Act and equivalent state securities and "blue sky" laws under circumstances where: (i) the securities are issued by a debtor, a debtor's affiliate participating in a joint plan of reorganization with the debtor, or a successor of the debtor under a plan or reorganization; (ii) the securities are issued in exchange for a claim against, an interest in, or a claim for an administrative expense against, the debtor; and (iii) the securities are issued principally in such exchange and partly for cash or property. The Applicant believes (and the Bankruptcy Court has specifically found and concluded) that the issuance of the New AMERCO Notes, the Second Lien Senior Secured Notes and the SAC Holding Senior Notes contemplated by the Plan satisfies these requirements. Based on the foregoing, the Corporation believes that the issuance of the New AMERCO Notes, the Second Lien Senior Secured Notes and the SAC Holding Senior Notes is exempt from the registration requirements of the Securities Act and any applicable state securities and "blue sky" laws.

3. AFFILIATES.

a. The following table sets forth the Affiliates of the Corporation as of the date of this application, including their respective percentages of voting securities, or other bases of control. Except as otherwise set forth in the Plan, the corporate structure end equity ownership of the Debtors and their subsidiaries will be unchanged.

8. ANALYSIS OF INDENTURE PROVISIONS.

The following is a general description of certain provisions of the Indenture to be qualified and is subject in its entirety by reference to the form of the Indenture to be qualified, filed as Exhibit T3C hereto and is incorporated herein by reference. Terms used below have the meaning ascribed to them in the Indenture.

a. Defaults under the Indenture; Withholding of Notice of Defaults.

Each of the following are $\ensuremath{\mathsf{Events}}$ of Default under the

Indenture:

10

- (a) failure by the Corporation to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;
- (b) failure by the Corporation to pay the principal of any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;
- (c) failure by the Corporation to comply with any of its agreements or covenants described under Sections 3.08, 4.07, 4.09, 4.10, 4.15 and 5.01 of the Indenture;
- (d) failure by the Corporation to comply with any other agreement or covenant in this Agreement or the Security Documents and continuance of this failure for 30 days after notice of the failure has been given to the Corporation by the Trustee or by the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding;
- (e) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Corporation or any Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default: (i) is caused by a failure to pay when due principal on such Indebtedness within the applicable express grace period, (ii) results in the acceleration of such Indebtedness prior to its express final maturity or (iii) results in the commencement of judicial proceedings to foreclose upon, or to exercise remedies under applicable law or applicable security documents to take ownership of, the assets securing such Indebtedness, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (i), (ii) or (iii) has occurred and is continuing, aggregates \$10 million or more;

(f) one or more judgments or orders that exceed \$10 million in

the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Corporation or any Restricted Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;

- (g) the Corporation or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law: (i) commences a voluntary case, (ii) consents to the entry of an order for relief against it in an involuntary case, (iii) consents to the appointment of a Custodian of it or for all or substantially all of its assets, (iv) makes a general assignment for the benefit of its creditors, or (v) generally is not paying its debts as they become due;
- (h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Corporation or any Significant Subsidiary as debtor in an involuntary case, (ii) appoints a Custodian of the Corporation or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the

11

Corporation or any Significant Subsidiary, or (iii) orders the liquidation of the Corporation or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 days;

- (i) any Note Guarantee of any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and this Agreement) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of this Agreement and the Note Guarantee); or
- (j) an "Event of Default" occurs and is continuing under any of the Security Documents or the Corporation or any Guarantor repudiates any of its obligations under any of the Security Documents, or any of the Security Documents become unenforceable against any of them for any reason which continues for 30 days after written notice from the Trustee or holders of at least 25% in outstanding principal amount of Notes or the loss of the perfection or priority of the Liens granted by any of them pursuant to the Security Documents occurs for any reason.

If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default within 30 days after it occurs. Except in the case of a Default or Event of Default (a) in payment of principal of, premium, if any, or interest on any Note or (b) in compliance with Section 5.01 of the Indenture, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

 $\hbox{b.} \qquad \hbox{Authentication and Delivery of Securities; Application of Proceeds}$

As set forth in Section 2.02 of the Indenture, An authorized Officer shall sign the Notes for the Corporation by manual or facsimile signature. If an

Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid. A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been authenticated under this Agreement.

There will be no proceeds (and therefore no application of such proceeds) from the issuance of the Notes because the Notes will be issued, as part of an exchange, as provided in the Plan.

c. Release of Collateral

Not later than the Issue Date, the Corporation and the Subsidiary Guarantors party thereto shall have executed and delivered to the Trustee and the Collateral Agent, for the benefit of the Secured Parties, (a) the Pledge Agreement; (b) the Security Agreement; (c) the Pay Proceeds Agreements; (d) mortgages in form and substance reasonably satisfactory to the Trustee and the Collateral Agent with respect to the Sale Property and the Surplus Property; (e) certificates representing the Oxford

12

Stock; (f) the Sale Agreements; (g) all documents and instruments, including Uniform Commercial Code financing statements, required by law or reasonably requested by the Trustee or the Collateral Agent to be filed, registered or recorded to create or perfect the Liens in the Collateral intended to be created by the Security Agreement and the Mortgages; and (h) all documents and instruments required to be delivered as of the Issue Date under the Security Documents, including any title insurance policies, casualty insurance policies and policy endorsements, as well as any opinions of counsel, as may be required thereunder. These documents will be executed to create or perfect the Liens in the Collateral intended to be created by the Security Agreement and the Mortgages.

The Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Indenture.

d. Satisfaction and Discharge of the Indenture

The Indenture will be discharged and will cease to be of further effect (except as to rights of registration of transfer or exchange of Notes which shall survive until all Notes have been canceled) as to all outstanding Notes issued thereunder, when either:

- (a) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Corporation and thereafter repaid to the Corporation or discharged from this trust) have been delivered to the Trustee for cancellation, or
- (b) (i) all Notes not delivered to the Trustee for cancellation otherwise have become due and payable or have been called for redemption pursuant to Section 3.07 or Section 3.08 of the Indenture, and the Corporation has irrevocably deposited or caused to be deposited with the Trustee trust funds in trust in an amount of money sufficient to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation,
 - (ii) the Corporation has paid all sums payable by it under

the Indenture and the Security Documents,

- (iii) the Corporation has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the date of redemption, as the case may be, and
- $% \left(\frac{1}{2}\right) =0$ (iv) the Holders have a valid, perfected, exclusive security interest in this trust.

In addition, the Corporation must deliver an Officer's Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

e. Evidence of Compliance with Conditions

13

As stated in Section 14.04 of the Indenture, upon any request or application by the Corporation to the Trustee to take any action under the Indenture, the Corporation must furnish to the Trustee: (a) an Officer's Certificate (as defined in the Indenture) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in the Indenture relating to the proposed action have been satisfied; and (b) an Opinion of Counsel (as defined in the Indenture) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in the Indenture shall include: (a) a statement that the person making such certificate or opinion has read such covenant or condition; (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based; (c) a statement that, in the opinion of such person, he or she has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been satisfied; and (d)a statement as to whether or not, in the opinion of such person, such condition or covenant has been satisfied.

9. OTHER OBLIGORS.

Each of the following Subsidiary Guarantors have guaranteed the Corporation's payment obligations under the Indenture. The mailing address for each of the following is c/o AMERCO, 1325 Airmotive Way Suite 100, Reno, Nevada 89502-3239.
