***ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS***

On June 30, 2006, Insight Enterprises, Inc., (the Company) completed the sale of 100% of the outstanding stock of the Company's wholly owned subsidiary, Direct Alliance Corporation (Direct Alliance) to TeleTech Holdings, Inc. (TeleTech) for a purchase price of \$46.5 million, subject to a working capital adjustment. The purchase price does not include real estate and intercompany receivables, which have an estimated fair value of \$49.4 million and were distributed to the Company immediately prior to closing. In addition to payment of the purchase price, TeleTech will be obligated under the agreement to make a one-time bonus payment to the Company if Direct Alliance achieves certain gross profit levels for the year ending December 31, 2006 (Earn Out). Additionally, TeleTech will be entitled to a claw back of the purchase price of up to \$5.0 million if certain Direct Alliance client contracts are not renewed on terms prescribed in the Agreement.

Also, the Company paid \$2.7 million to the holders of the 1,997,500 exercised Direct Alliance stock options, which may be further adjusted for the above described working capital adjustment, Earn Out and claw back.

The terms of the transaction are set forth in the Stock Purchase Agreement (the Agreement) among the Company, Direct Alliance and Teletech. The Company previously announced the execution of the Agreement on June 14, 2006. The description of the Agreement set forth above is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed on June 15, 2006 and incorporated by reference herein.

The unaudited pro forma consolidated financial statements should be read in conjunction with the historical consolidated financial statements in the Quarterly Report on Form 10-Q for the three months ended March 31, 2006 and in the Annual Report on Form 10-K for the year ended December 31, 2005.
