**FORWARD-LOOKING STATEMENTS:**

Certain statements in this filing contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to our financial condition, results of operation and business. These statements relate to analyses and other information, which are based on forecasts of future results and estimates of amounts not yet determinable. These statements also relate to our future prospects, developments and business strategies. These forward-looking statements are identified by their use of terms and phrases such as anticipate, believe, could, estimate, expect, intend, may, plan, predict, project, will and similar terms and phrases, including references to "we expect" or "we anticipate." These forward-looking statements involve risks and uncertainties, including current trend information, projections for deliveries, backlog and other trend estimates that may cause our actual future activities and results of operations to be materially different from those suggested or described in this financial discussion and analysis by management. These risks include: our ability to find, finance, acquire and successfully operate one or more new businesses; product demand; weather conditions in Europe during peak business periods; timely deliveries from vendors; our dependence on the aerospace industry; customer satisfaction and quality issues; labor disputes; competition; our ability to achieve and execute internal business plans; worldwide political instability and economic growth; military conflicts; reduced airline revenues as a result of the September 11, 2001 terrorist attacks on the United States, and their aftermath; reduced airline travel due to infectious diseases; and the impact of any economic downturns and inflation.

If one or more of these and other risks or uncertainties materializes, or if underlying assumptions prove incorrect, our actual results may vary materially from those expected, estimated or projected. Given these uncertainties, users of the information included in this report, including investors and prospective investors are cautioned not to place undue reliance on such forward-looking statements. We do not intend to update the forward-looking statements included in this filing, even if new information, future events or other circumstances have made them incorrect or misleading.
